Good afternoon sir..

I had a question related to other companies offering summer internship.

Are these 4 students selected on the basis of their CPI?

Will the other companies also not take any interviews and just select the students on the basis of CPI only???

Yours Sincerely
EC059

Dear Janmejaya,

As you know that we can not interfere in the selection process done by the company.
Based on my experience,I am saying that some of the companies will select students based on their performance during personal interview while some companies will select the students based on their CPI only,

Best wishes for your future endeavors.

Workshop on “GATEway To Future”

The GATE exam is one of the life-changing exams for engineering students. To educate the students about the GATE exam, IIChE DDU SC organized an intellectual seminar in association with GATE FORUM on "GATEway To Future" on 4th September 2021. The seminar was taken online by one of the most brilliant, experienced, and knowledgeable speakers Mrs. Sejal Christian. This seminar helped students to decide on a career after engineering. The seminar welcomed students of all branches.

GATE Exam and Career Counselling

Department of Electronics & Communication, Dharmsinh Desai University

---

Date:16-10-2021

Department of Electronics & Communication, Dharmsinh Desai University organized one day program on GATE exam and Career Counselling for the EC students of B.Tech. Sem VII on 09-10-2021.

The objective of program was to enable the participants to get the complete exposure of the GATE exam and importance ot the same on future career.

The speaker, Prof. Smith S. Thavalapill, had explained benefits of appearing for the GATE exam as under:

- Admission to top-notch M.Tech/ME/MS institutes depends largely on your GATE results.
- Doing your master course in reputed institutes of India will give you a chance to learn the core engineering concepts form the best faculties in the country.
- Opportunity to you learn in a highly competitive environment (best brains in the country) and thus, develops and broadens your intellectual thought process.
- GATE is also the qualifying test for many public sector undertakings (PSUs) such as Power Grid, IOCL etc. So if student wants a high paying job with the security of a PSU, GATE is the better option.

Moreover, he also discussed about career counselling which helps students to understand the career options that they have, and how to pursue them. It also helps them to understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

- Registration Fee: Nil
- Venue: Seminar Hall
- Number of Participants :105

Hello,

The LIVE Q&A with Dharini Dutia, Robotics Software Engineer, USA organized by Boarding Pass For Success successfully conducted on 20th March 2021 in association with STEM Educators' Consortium and its member institutes.

We received 530 registrations from students all over India, USA and Canada out of which 35 students from Dharmsinh Desai University. We would like to thank the college coordinators for making it a great success.

[Please see the attached Excel sheet for list of students]

Highlights from the Webinar:

The speaker, Dharini Dutia, shared unique insights about the career path of Robotics, how every engineering contributes to the development of this field, how different hardware and software components are integrated as a whole. She also shared her career journey and the initiatives she undertook as a bachelor's student, her project and videos. Students got to know about the opportunities prevailing in this industry in India as well as also got resources on how they can get started. She answered questions from the students and received great feedback from all the attendees.

GATE Exam and Career Counselling

Department of Electronics & Communication, Dharmsinh Desai University

Date:10-10-2020

Department of Electronics & Communication, Dharmsinh Desai University organized one day program on GATE exam and Career Counselling for the EC students of B.Tech. Sem VII on 03-10-2020.

The objective of program was to enable the participants to get the complete exposure of the GATE exam and importance ot the same on future career.

The speaker, Prof. Smith S. Thavalapill, had explained benefits of appearing for the GATE exam as under:

- Admission to top-notch M.Tech/ME/MS institutes depends largely on your GATE results.
- Doing your master course in reputed institutes of India will give you a chance to learn the core engineering concepts form the best faculties in the country.
- Opportunity to you learn in a highly competitive environment (best brains in the country) and thus, develops and broadens your intellectual thought process.
- GATE is also the qualifying test for many public sector undertakings (PSUs) such as Power Grid, IOCL etc. So if student wants a high paying job with the security of a PSU, GATE is the better option.

Moreover, he also discussed about career counselling which helps students to understand the career options that they have, and how to pursue them. It also helps them to understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

- Registration Fee: Nil
- Venue: Seminar Hall
- Number of Participants :105

CHEM-HUNT SESSION ON WRITING RESEARCH ARTICLE

This time IIChE DDU-SC came with some out of the box session for our future chemical engineers. "Session on Writing a Research Article" was conducted by IICHE DDU-SC in collaboration with Neha Agrawal(founder of WiseUp Communications Alumnus, NTU Singapore) on 30/08/2020 from 5 pm to 6 pm. It was an online webinar carried using platform Cisco Webex for which registration was mandatory. All the participants who registered received the meeting invite on the day of the webinar, through Gmail.

Brochure

Topics discussed in the webinar:

- Why scientific writing is important.
- **Writing a project report**(helpful to every technical student in project submission especially in final semester).
- Overview of a research article.
- How to write an abstract.
- What is plagiarism and how to avoid it?

ORIENTATION SEMINAR

An online orientation seminar was held by the IIChE DDU Student's committee on 05/08/2020 to make the imminent generation of chemical engineers understand the importance and benefits of getting into IIChE Student Committee.There were IIChE Committee members present along with the student committee.

The whole seminar was conducted on Google meet. There were around 140 participants from the junior year. There was a discussion on how to be a committee member. The registration process was also made clear through a simplified process.

The benefits of being in committee like access to IIChE member only events, Higher Priority in Industrial circulated to note down the number of students who're interested for joining the IIChE student's group. visits etc. There was a slide prepared to describe the above mentioned points. At last, a Google form was filled.

THE APTITUDE TEST

An aptitude test was conducted by team IIChE DDU SC for the students of 3rd & 5th semester on 13/08/2020. The aptitude test was based on general topics of curriculum like arithmetic, theoretical, reasoning and logical.

The event was conducted completely on website which was developed by team IIChE DDU.

The participants were distributed to coordinate under a specific coordinator. The coordinator shared the link to the aptitude questionnaire through email address provided by participants. The time duration for the test was 120 minutes. There were overall 200 questions which were equally distributed amongst the above listed topics.

The level of question was devised according to the answering year. That is, for 3rd semester the level of questions and topics of questions were different as compared to 5th semester.

There was no certification to this event. Although the names of top 3 winners from both 3rd and 5th semester were posted on our Instagram page. There were around 200 participants from both semesters.

IICHE DDU SC RECRUITMENT FOR THE TIER OF 2021-22

On 13th of December 2020, the IICHE DDU SC opened the doors for recruiting the next tier that will carry forward the legacy in future. The enthusiasm of the students was overwhelming. In total 53 students applied for it and a team of 14 students was selected. The recruitment was done for Technical team, Management team, Social Media team, Content Writing team & Photography team. A new too was introduced this time to be known as web developing team. This year entire recruitment process was done online using Google meet.

CHEMICOPEDIA

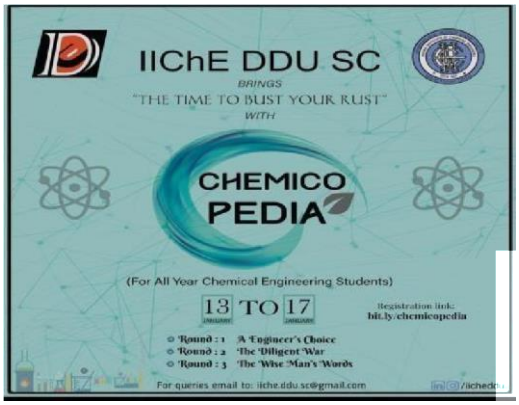

With all the new recruits, IIChE DDU SC planned its 1st State Level Event to be known as

CHEMICOPEDIA. It was conducted by IICHE DDU-SC on 13/01/2021 and 17/01/2021. It was an online event carried using platforms like Google forms, Google meet, Email etc. This event was conducted only for the chemical branch students studying in universities affiliated with IICHE all-over GUJARAT. Invitation message with registration link was sent via email to all the universities. This event included students studying in all four years.

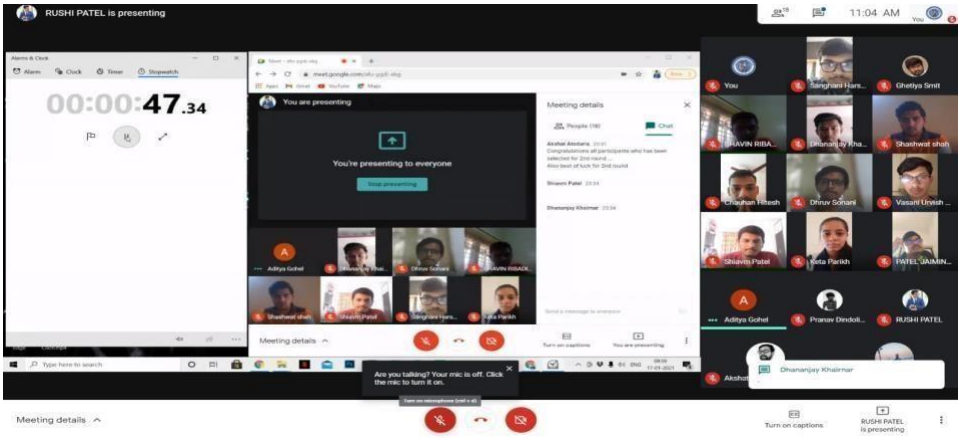

CHEMICOPEDIA was mainly divided into 3 rounds which are as follows:

Round 1: An Engineer's Choice Round 2: The Diligent War
Round 3: The Wise Man's Words

Brochure

Round 1 was held on 13th January 2021 at 5:30 pm IST . Each year was having different paper with level of difficulty oriented according to their conceptual knowledge. The paper consisted of 20 conceptual MCQ's covering their knowledge regarding chemistry and chemical engineering, aptitude and general knowledge in the chemical field.

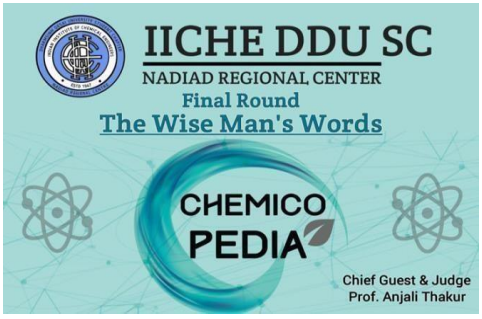

Photographs of the online event 'CHEMICOPEDIA'

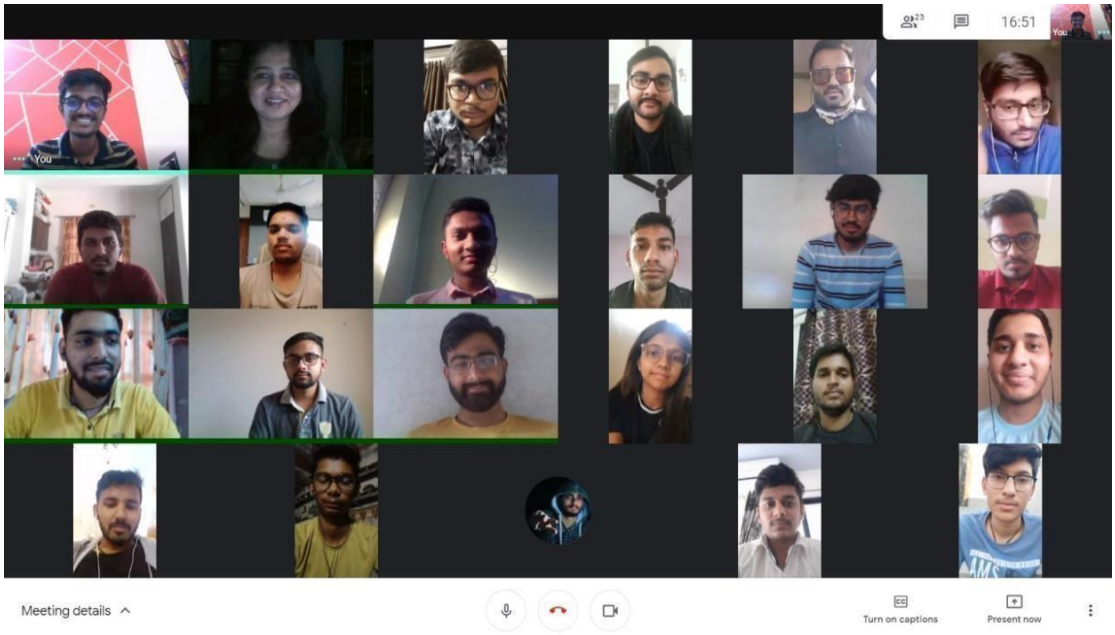

After sorting and selecting the 20 brilliant minds out of all the participants, round 2, "The Diligent War" was conducted on 17th of January, 2021 at 11.00 am IST on Google Meet. For this round, we divided all the participants into 4 teams: team alpha, team beta, team gamma and team theta. Each team was divided in such a way that there were atleast 1 participant out of each year i.e the teams had atleast one participant from 1st year, one participant from 2nd year on and one participant from 3rd and 4th year each. 2 teams were then competed against each other in one Google Meet. Team Alpha fought Team Beta, while Team Gamma fought Team Theta.

Round 3 was a group discussion amongst the remaining brilliant minds .The chief guest and judge for the event was Prof. Anjali Thakur. Round 3 was conducted on the same day i.e 17th January 2021 at 4:00 pm IST via Google Meet platform.
The topics for group discussion were as follows:

1. Chemical Industry boon or bane.
2. Modern education vs Gurukul education.

TRICK OR TREAT

For maintaining the pace of events and to kill boredom in this pandemic an online event was conducted only for the chemical branch students studying in our university. Invitation message with registration link was sent in all the official groups of 2nd , 4th and 6th semester. TRICK OR TREAT was mainly divided into 3 sets of questionnaire which are as follows :

SET 1: 10 PICTORIAL QUESTIONS
SET 2: 1 CROSSWORD PUZZLE
SET 3: 10 RIDDLER QUESTIONNAIRE

Brochure

These event was brought by IICHE DDU-SC to show some unique essence of chemical engineering with some odd methods of question framing. The tricker treat was held on 11/04/2021 on Sunday.

SET 1: <u>10 PICTORIAL QUESTIONS</u>

In pictorial questionnaire various pics were used as questions to confuse the participants. Few pics were displayed on screen and they have write what it indicated in comment line.

SET 2: <u>1 CROSSWORD PUZZLE</u>

After that, there was a crossword matrix based questionnaire where hints were given according to it's number participants have to filled the crossword.

SET 3: <u>10 RIDDLER QUESTIONNAIRE</u>

To end the treat finally with a mind boggling and riddly dessert. Here the participants were asked to use their maximum amount of knowledge gained.

<u>INTERACTIVE SEMINAR</u>

For sharing some most valuable experience IIChE DDU SC conducted an online INTERACTIVE SEMINAR. This INTERACTIVE SEMINAR was conducted by IICHE DDU-SC on 19/05/2021. This event was planned for our future-gen chemical engineers involving students of our university studying in 5^{th} & 7^{th} semester respectively. This was an extra-ordinary and knowledgeable seminar where they can interact with some brilliant minds and clear their doubts with some of the most experienced speakers.

a). **<u>Mr.PRADEEP KUMAR SINGH</u>**

(Currently working as a faculty at Engineering Institute of India)

Mr. Pradeep Kumar Singh has done his M. tech. from IIT - ROORKEE and has a teaching experience of more than 7 year in GATE. First of all he gave a brief idea about GATE exam and its significance. Then he delivered us best tips to score in GATE exam and with its preparation strategies. He cleared many doubts and gave some tips to utilize our vacation in a right manner.

b). **<u>Mr.TANUJ KACHCHHI</u>**

(Currently Working as a Scientific Officer-C in heavy water division under Chemical Engg. Group at BARC)

Mr. Tanuj Kachchhi will be sharing his experience regarding his work at BARC and the pre-requisite abilities/knowledge necessary for selection at such institutions. He introduced us with system/pattern of

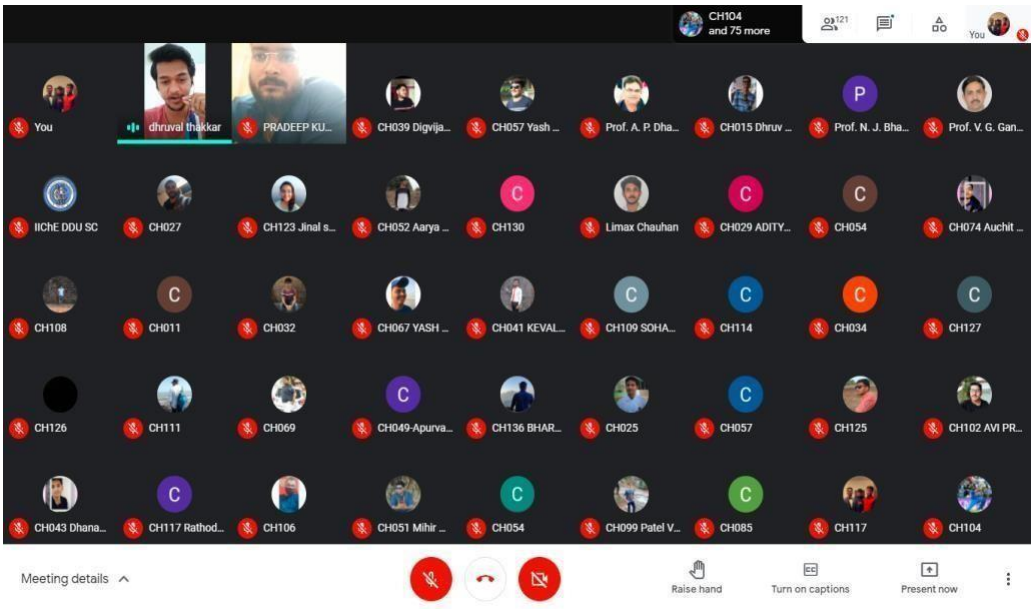

exam and interviews taken for PSU's and BARC further he added up ending with the benefits of working under BARC.

c). **Mr.DHRUVAL THAKKAR**

(Former Student at DDU. Holder of AIR 1 at the GATE entrance examination, 2021)

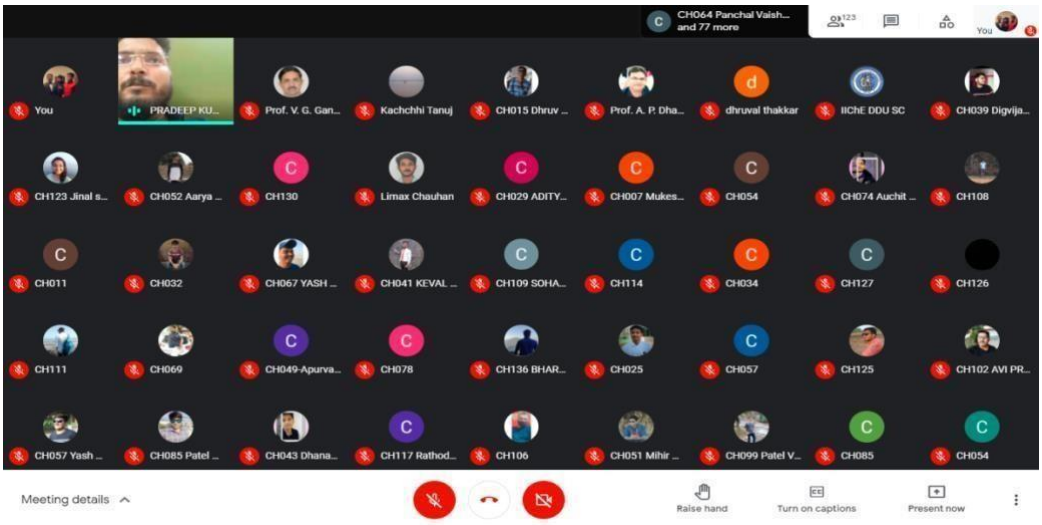

Mr. Dhruval shared his outlook on scoring better at such entrance examinations along with some tips and approaches to do so. He too shared his experience and time table with his strategies to manage burden of both GATE and University.

This session was taken under the guidance of our faculties in their presence on 19th May 2021 from 10:00 am to 12:30 pm.

Photograph of Interactive Seminar

We had a short lunch break after 1st session then after we continued with the 2nd session which was scheduled from 1:30 pm to 3:00 pm for upcoming 7th Semester students with this year's graduates as Chemical Engineers from Dharmsinh Desai University. They shared their experiences , giving some valuable tips on internship, projects and placements coming in near future. Students who have been placed in some wonderful non-technical field too shared their valuable experience of passing interview and approach to start. The former students cleared all the doubts popping in our mind and showed us the right direction to work on.

WORKSHOP ON EXCEL AND AUTOCAD

For upcoming final year students IIChE DDU Student Committee's graduated students conducted an online knowledge seminar/workshop on 03/06/21 and 04/06/21 providing them some tricks and hacks for software like AutoCAD and Excel. The aim of the workshop was to highlight the use of these software which are etc. The workshop ended mentioning the importance of these software and its wide use in industries.th necessary for 7 semester subjects like Material Balance, Energy Balance, Cost Estimation And Design

CHEM-HUNT 2.0

With CHEM-HUNT being one of the most loved event across the nation by chemicos IIChE DDU-SC decided to kill their boredom and stressful pandemic with a sequel of CHEM-HUNT known as CHEM-HUNT 2.0. CHEMHUNT 2.0 was conducted by IICHE DDU-SC from 14/06/2020 to 20/06/2020. It was an online event carried using platforms like Instagram, Email etc .

Brochure

The participant were asked to perform a simple task (7 days 7 task) and send the picture of assigned task to their respective coordinators.Only after the task verification by coordinators through instagram direct message(DM), the participants were marked as done or pending on our website by the coordinators and those who haven't completed their given task for the day were eliminated from the event.

http://chemhunt.herokuapp.com/

After getting the password, the participants were able to login into the above mentioned website which consisted of 3 clues indicating a unique unit operation. Each clue carried points as well as the final answer. Those participants who failed to complete or submit the assigned task within the allotted time limit were disqualified from the event .

TASK - 1

Different metal ions produces different coloured flames. Select 5 metals, send their names along with its flame colour and pic of any household object with that colour.
Note:- Colour should not be repeated.

Send the task to respective coordinators mentioned in the ticket via Direct Message.

For queries email: chemhunt2.0iicheddu@gmail.com

Date: June 19, 2021

TASK - 6

Click pics of very coarse and gravel sized materials, mix them and then seperate them using any UO. Send pics of the particles before mixing, the mixture, the equipment used and the seperated product.

Send the task to respective coordinators mentioned in the ticket via Direct Message.

For queries email: chemhunt2.0iicheddu@gmail.com

CHEMHUNT 2.0

DAY - 3

ANSWERS

Clue 1: It's measure of fineness and spacing available in linear inch.
Ans: Mesh Number / Mesh Size

Clue 2: With increasing the parameter mentioned above, products diameter_____?
Ans: Decreases

Clue 3: This operation usually seperates different ____ with respect to their _____.
Ans: Solids / Particles, Size / Diameter

Clue 4: From the above clues, Which unit operation is deduced?
Ans: Mechanical Screening / Screening / Sieving

For queries email: chemhunt2.0iiche@gmail.com

CHEMHUNT 2.0

Date: June 18, 2021

DAY - 5

ANSWERS

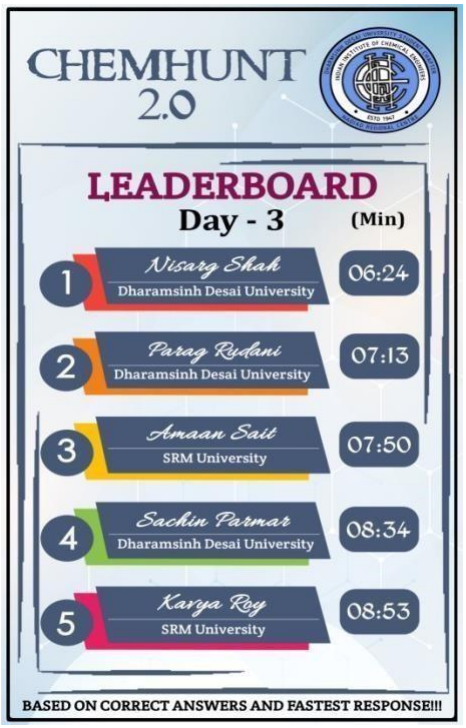

Clue 1: A pressure dependent property governs this operation. It decreases with decrease in pressure. The property is
Ans: Boiling Point

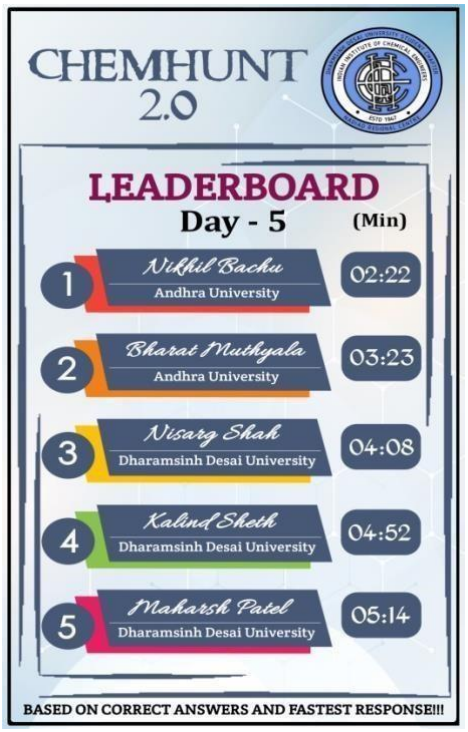

Clue 2: Two laws are followed and used for the studies of this UO. One relates vapor pressure of a component in a mixture with its mole fraction and other states the total pressure of mixture. The two laws respectively are
Ans: Raoult's law and Dalton's law

Clue 3: It is a measure used to compare vapor pressures of liquid mixture of a compound. It indicates ease or difficulty of using this UO to separate the mixtures.
Ans: Relative Velocity

Clue 4: From the above clues, Which unit operation is deduced?
Ans: Distillation

For queries email: chemhunt2.0iiche@gmail.com

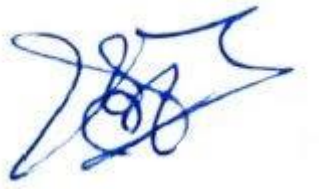

At the end of the each day leaderboard story was uploaded on the story of our page displaying the top 5 participants of the day based on the correct answer and fastest response. At the end of the event, the final leaderboard was posted on the page. Around 303 chemical engineering students across the nation participated in this event, out which only 32 participants brilliantly completed tasks all 7 days and were awarded certificate.

Report

On 20th February, 2020, BCA Department of Dharmsinh Desai University organized seminar "Career Perspective after BCA", The aim of the seminar was to provide guidance on career options available after successful completion of BCA course.

The seminar started with a brief introduction of resource person Dr. Narayan Joshi, by Prof. K. U. Acharya of BCA Department, DDU. Then it was taken over by our resource person, who made the event interactive and informative.

During the seminar, He suggested various ways to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. Dr. Narayan Joshi, explained various Higer education options available after BCA and career options in field of computer science. Sir has also motivated students to be confident, communicate precisely, work hard, and focus on career options students have selected with proper time management.

All the students were highly motivated and got to know about various opportunities after completing their graduation. The event was concluded by Prof. K. U. Acharya, thanking the resource person and participants for their time and presence.

Dear students,

We have arranged an expert session by a very resourceful and reputed expert. We strongly recommend you to register for it and attend it. It will help you in the next semester in placement. Please fill the following form for registration.

https://forms.gle/gmN9Wi1sDYm1vaBL7

Session- Introduction to Bridge: Employability Toolkit for Students

Date and Time- 12th Dec (3pm-5pm)

Session Details-

Employers are often looking for skills that go beyond qualifications and experience. According to many research findings the students with skills like positive attitude, effective communication, problem solving, domain knowledge, team spirit, self confidence, handling criticism , etc which are also known as Behavioral or Soft skills have higher employability rate.

The focus of the session will be:

ADA-Aptitude, Domain and Attitude- The right mix to improve your employability

Effective Communication to crack an interview

The students can submit/ share their questions on this topic by using the google form. Request for all the question submission by **10th Dec 7 pm.** The resource people will try to accommodate your concerns in the session.

GATE Exam and Career Counselling

Department of Electronics & Communication, Dharmsinh Desai University

Date:12-10-2019

Department of Electronics & Communication, Dharmsinh Desai University organized one day program on GATE exam and Career Counselling for the EC students of B.Tech. Sem VII on 05-10-2019.

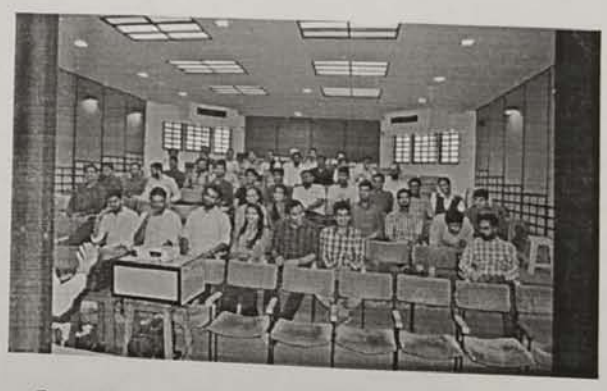

The objective of program was to enable the participants to get the complete exposure of the GATE exam and importance ot the same on future career.

The speaker, Prof. Smith S. Thavalapill, had explained benefits of appearing for the GATE exam as under:

- Admission to top-notch M.Tech/ME/MS institutes depends largely on your GATE results.
- Doing your master course in reputed institutes of India will give you a chance to learn the core engineering concepts form the best faculties in the country.
- Opportunity to you learn in a highly competitive environment (best brains in the country) and thus, develops and broadens your intellectual thought process.
- GATE is also the qualifying test for many public sector undertakings (PSUs) such as Power Grid, IOCL etc. So if student wants a high paying job with the security of a PSU, GATE is the better option.

Moreover, he also discussed about career counselling which helps students to understand the career options that they have, and how to pursue them. It also helps them to understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

- Registration Fee: Nil
- Venue: Seminar Hall
- Number of Participants :26

EXPERT LECTURE

Date & Time:

22nd August 2019, & 10 AM to 5 PM

Venue:

Chemical Department

Expert Name:

DR. KINJAL SHAH, MR. RAJESH SHAH, MS. KUNJAN VAIDYA

EXPERT LECTURE BY DR. KINJAL SHAH

On 22nd August 2019, it was our honor to have Dr. Kinjal Shah, who is Associate professor at the Neinjing Technological University, China. He threw light on the field of Green Chemistry and its importance in tackling environmental pollution. Dr. Kinjal Shah himself is a researcher in this field and students were fortunate to have a sneak peek of his works. The lecture was followed by a Question Answer Session, where various Questions were answered by our Expert.

GATE Exam and Career Counselling

Department of Electronics & Communication, Dharmsinh Desai University

---

Date:08-10-2018

Department of Electronics & Communication, Dharmsinh Desai University organized one day program on GATE exam and Career Counselling for the EC students of B.Tech. Sem VII on 01-10-2018.

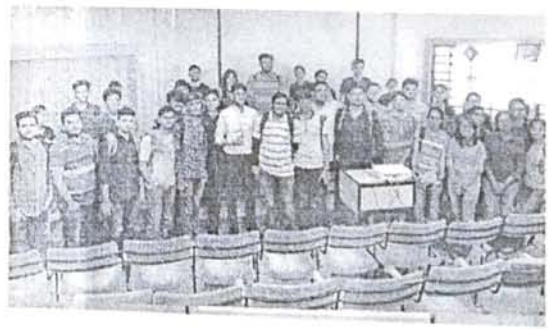

The objective of program was to enable the participants to get the complete exposure of the GATE exam and importance ot the same on future career.

The speaker, Prof. Smith S. Thavalapill, had explained benefits of appearing for the GATE exam as under:

- Admission to top-notch M.Tech/ME/MS institutes depends largely on your GATE results.
- Doing your master course in reputed institutes of India will give you a chance to learn the core engineering concepts form the best faculties in the country.
- Opportunity to you learn in a highly competitive environment (best brains in the country) and thus, develops and broadens your intellectual thought process.
- GATE is also the qualifying test for many public sector undertakings (PSUs) such as Power Grid, IOCL etc. So if student wants a high paying job with the security of a PSU, GATE is the better option.

Moreover, he also discussed about career counselling which helps students to understand the career options that they have, and how to pursue them. It also helps them to understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

- Registration Fee: Nil
- Venue: Seminar Hall
- Number of Participants :50

Future Guidance

Date & Time:

25th September, 2018 & 1 PM to 5 PM

Chemical Department

Expert Name:

Mr Nirav Agrawal (Consultant at SI Visa Consulting Pvt. Ltd.)

Expert lecture: Future Guidance

Date: 25th September, 2018

Venue: SAMINAR HALL, FoT, Dharmsinh Desai University, Nadiad

Attendance: 74 students of Final year B.Tech Chemical Engineering, Dharmsinh Desai University, Nadiad.

Guest Lecturer: Mr Nirav Agrawal (Consultant at SI Visa Consulting Pvt. Ltd.)

An expert lecture for the students of chemical engineering was organized by the committee of IICHE under the guidance of Prof. Nirav Bhavsar (Associate Professor at DDU, Nadiad).

To begin the seminar with, Mr Nirav Agrawal introduced himself and shared his experience about how the further studies can be planned in foreign countries and how the foreign admission committee works. The most important thing he mentioned was about “how to write a decent SOP (statement of purpose)”. Mr Agrawal made us aware about the mistakes which generally students perform when they are asked to write their SOP. He guided the students with some remarkable tips about writing an SOP, for e.g. what to include in it and what not to. A good SOP contains a clear-cut intension of the student to join the organization, how he/she is favourable for the course/job i.e. mentioning his/her past experiences which makes him/her suitable for that course/job, and also the student should mention his/her ambitions in it. An SOP shall not contain bluff sentences and flowery words. These were the major points which were taught to the students.

To conclude the event we had an interactive session with the experts and students even cleared their doubts regarding foreign study planning. The Seminar was worth conducting as it removed a big question mark from the minds of students about writing a convincing SOP.

SSIP

Student Startup and Innovation Policy (SSIP)

Innovation is the key for every economy to grow, and innovation takes place at every layer of the society. Government of India has declared 2010-20 as the decade of innovation to unleash the creative potential of every Indian. The Government of India has also set up the "Atal Innovation Mission" and "Startup India, Stand-up India" mission to spearhead innovation movement across the nation. The youth of the country and the university system play a crucial role at every step to shape the innovation ecosystem. To build startup and innovation culture across universities is the key goal of Startup India action plan. The Student Startup & Innovation Policy of Government of Gujarat aims to create an integrated, statewide, university-based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit. The Student Startup & Innovation Policy synergizes complementary efforts by different stakeholders while making strong efforts towards cultural change among students, preincubation support and other necessary measures required in creating and nurturing student innovations and help sustaining them.

DDU INNOVATION COUNCIL

The DDU Innovation Council is a university-based innovation ecosystem to support innovations and ideas of young students, faculties and researchers and provide a conducive environment for optimum harnessing of their creative pursuit.

Faculty of MIS

The Faculty of Management and Information Sciences offer post graduate courses in Management and Computer Applications (MBA and MCA) that equip students to swiftly adapt to and master this constantly changing environment.

The first off the block was the Department of Master of Computer Applications (MCA) was established in 1987, when the field of computer science itself was at a nascent stage in India. It is one of the oldest Computer Application Department in Gujarat. The department leverages the best of technology education to give rise to professionals who are technically sound and proficient. DDU established its Center for Management Studies (MBA) in year 1994. The CMS has been getting immense response and has been in the league of top five colleges to have got occupied in the state. Two-year MBA programme is widely regarded as one of the best in Gujarat. The programme includes an internship or a live project that familiarizes students to the corporate work environment. There is a team of full time faculty members with a right number of guest lecturers from industry experts, the centre holds a perfect mix of faculty with industrial experience and energy, passion to impart and develop knowledge, urge to develop the managerial talent in the student.

Objectives of the Workshop

The primary objective of the workshop is to make the students aware about the Student Startup and Innovation Policy (SSIP). Workshop is aimed to develop the environment for creativity and innovation and to show the pathway to develop develop the skills to think towards innovation and facilitating them with the support system. The workshop will build internal capacity of the students to explore the new horizons of the SSIP and solve their challenges and create further entrepreneurial opportunities.

GATE Exam and Career Counselling

Department of Electronics & Communication, Dharmsinh Desai University

---

Date:30-09-2017

Department of Electronics & Communication, Dharmsinh Desai University organized one day program on GATE exam and Career Counselling for the EC students of B.Tech. Sem VII on 07-10-2017.

The objective of program was to enable the participants to get the complete exposure of the GATE exam and importance ot the same on future career.

The speaker, Prof. Smith S. Thavalapill, had explained benefits of appearing for the GATE exam as under:

- Admission to top-notch M.Tech/ME/MS institutes depends largely on your GATE results.
- Doing your master course in reputed institutes of India will give you a chance to learn the core engineering concepts form the best faculties in the country.
- Opportunity to you learn in a highly competitive environment (best brains in the country) and thus, develops and broadens your intellectual thought process.
- GATE is also the qualifying test for many public sector undertakings (PSUs) such as Power Grid, IOCL etc. So if student wants a high paying job with the security of a PSU, GATE is the better option.

Moreover, he also discussed about career counselling which helps students to understand the career options that they have, and how to pursue them. It also helps them to understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for.

- Registration Fee: Nil
- Venue: Seminar Hall
- Number of Participants :49

TECHNOTALK: The Pinnacle of Collision (Phase-II).

Date & Time:

MArch 8, 2022, & 10 AM to 5 PM

Venue:

Chemical Department

Expert Name:

Prof. V.K Srivastava (President IICHE, principal scientist, BARC, Mumbai), Mr. M.N Vyas (Chief of Operations & HSE, IPCL, Baroda), Mr. Anil Trivedi (Freelance Consultant, DDU ALUMNI) and Mr. S.B Chauhan (Freelance Consultant, DDU ALUMNI).

TECHNOTALK: The Pinnacle of Collision (Phase-II).

Date: 8th March 2018

Venue: MULTIMEDIA HALL, FoT, Dharmsinh Desai University, Nadiad

Attendance: 200+ students of B.Tech Chemical Engineering, Dharmsinh Desai University, Nadiad.

For the Phase-2 of the TECHNOTALK we had Mr. Anil Trivedi and Mr. S.B Chauhan in which Mr. Anil Trivedi who gave an enlightening speech on Safety Aspects in Fertilizer Industries by first introducing us to various types Fertilizers followed by the need of fertilizers in day to day life and the mandatory PPEs which one should be always equipped with if he/she is in the Fertilizer Plant.

To conclude the event of TECHNOTALK we had Mr. S.B Chauhan who shared his jaw dropping life experiences through which he explained how a safety engineer's thought process should work in the time of crisis for example he shared a situation which took place in an industry in Thailand where the chemical engineer mistook 60 mmHg vacuum reading as the total pressure inside the reactor instead of taking 760mmHg – 60 mmHg as the total pressure which resulted in the choking up of the vessel in almost 2 minutes.

Expert Name:

Prof. V.K Srivastava (President IICHE, principal scientist, BARC, Mumbai), Mr. M.N Vyas (Chief of Operations & HSE, IPCL, Baroda), Mr. Anil Trivedi (Freelance Consultant, DDU ALUMNI) and Mr. S.B Chauhan (Freelance Consultant, DDU ALUMNI).

TECHNOTALK: The Pinnacle of Collision (Phase-I).

Date: 7th March 2018

Venue: MULTIMEDIA HALL, FoT, Dharmsinh Desai University, Nadiad

Attendance: 200+ students of B.Tech Chemical Engineering, Dharmsinh Desai University, Nadiad.

Guest Lecturers : Prof. V.K Srivastava (President IICHE, principal scientist, BARC, Mumbai), Mr. M.N Vyas (Chief of Operations & HSE, IPCL, Baroda), Mr. Anil Trivedi (Freelance Consultant, DDU ALUMNI) and Mr. S.B Chauhan (Freelance Consultant, DDU ALUMNI).

A series of expert lectures for the students of chemical engineering were organized by the committee of IICHE under the guidance of Dr. M.S Rao, HoD of Chemical Department, Dr. A.P Dhanwani, Head IICHE Nadiad Regional Center and other Faculty members of Chemical Engineering Department.

The phase-1 was started off by Prof. V.K Srivastava who gave us an immensely deep insight about what really it takes to get into BARC and what are the set skills that are required by an engineer to work their. The key point which caught everyone's attention was the fact that how manufacturing of glass can reduce the volume of nuclear waste by 90%! His lecture was concluded by an interactive session of Q&A with the students which resolved any doubts which they had.

Mr. M.N Vyas then gave us an essential insight on the topic Process Safety Management in Petroleum Refining and Pertrochemical Sector, the necessity of interlocks in the reactor along with the roles of PRV and rupture disks. His eloquent speech did no less than showing his almost 30 years of experience in Chemical Process Industries.
