Office of International Admissions | E-Services

Dear Dhrutiben,

Student ID 1960038

Congratulations! Welcome to the University of Houston-Clear Lake (UHCL). You have been accepted for admission to the Healthcare Administration MHA program in the School of Business for the Spring 2020 semester. Your tuition classification is "International."

You will receive a packet with dates for class registration, fee payment and mandatory New International Student Orientation by postal mail. We will also enclose your SEVIS I-20 Form. Please read the entire I-20 carefully before you sign it, as you are responsible for the information it contains. U.S. immigration only allows entry into the United States within 30 days prior to your program start date. This date will be indicated on your SEVIS I-20. Please plan to arrive early enough to be familiar with the campus and the Clear Lake area, and attend the mandatory orientation.

Once you receive your I-20 you are required to follow the steps given below:

- **Check for accuracy** of the information about you and your program at UHCL and if anything is incorrect, you can e-mail oiap@uhcl.edu.

- **Pay the I-901** fee utilizing information from the I-20. The I-901 fee is charged for all initial entry F-1 students and should be paid at least 3 days before the visa interview. The fee is currently $200 USD. You can pay the fees at www.fmjfee.com.
- **Review the procedures** for applying for a visa and **schedule an appointment** at a U.S. Embassy or Consulate. The procedures vary from country to country. You should make your appointment no earlier than 120 days before the start date of your program on your I-20.
- **Gather all required documentation and prepare for the visa interview.** It is recommended that you take the following documents at the visa interview:

1. Your valid passport and previously issued passports
2. Photo according to the U.S. Embassy/Consulate's guidelines
3. Visa application confirmation page with barcode called DS-160
4. Visa application fee receipts
5. Original I-20
6. Recent financial documentation proving you or your sponsor has enough funds for your time in the U.S.
7. Proof of I-901 payment – you should receive or print out a receipt after you pay the I-901 fee as listed above
8. Admission letter from UHCL
9. Previous educational history records transcripts, diplomas, test scores, etc.

We are excited to have you as a member of our growing international population with more than 800 students from over 50 countries. If you have any questions, contact us. Once again, welcome to UHCL!

Sincerely,

Office of International Admissions and Programs

University of Houston Clear Lake

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under section 3 of the UGC Act, 1956)
Re-accredited by NAAC with 'A' grade
Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

PROVISIONAL ADMISSION LETTER

Date: 27.02.2018

SNAP ID : 180143467
Admission Category : Open
GE-PIWAT ID : 09MG0110

Institute : Symbiosis Centre for Information Technology
Name of the Programme : MBA (Information Technology Business Management)

Dear K SANJANA KRISHNANANDA ,

Congratulations!

We are pleased to inform you that you have been selected for admission to the 2 year full time **MBA (Information Technology Business Management) 2018-2020 at Symbiosis Centre for Information Technology**.

Please note that this admission is provisional and will be confirmed on payment of fees **(As per Annexure 1)** on or before **21-March-2018, 1.30 p.m.** and subject to fulfilment of eligibility conditions **(As per Annexure 2)** and in accordance with the rules of the Symbiosis International (Deemed University). The institute will provide shared hostel accommodation to all students who will be admitted to the programme.

As an institute of the prestigious Symbiosis International (Deemed University), we would provide you with a conducive learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty will be the best of class, drawn from accomplished academicians and practicing professionals with rich and varied experience.

Your programme commences: 04 June 2018 and hostel registrations begin: from 01 June 2018. Please go through the various details given in the Post Graduate Prospectus and www.scit.edu website.

You are advised to bring all relevant self-attested documents as mentioned in Annexure 2 for submission on the day of commencement of your programme.

We look forward to having you amidst us. Welcome to Symbiosis!

With Best Wishes,

Dr. Dhanya Pramod

Director, SCIT

Romanch Asheshkumar Shah
B/h Royal Residency
Godhra, India 389001

Dear Romanch Asheshkumar Shah:

This is a revised offer and replaces any and all previous offers. I am pleased to offer you admission to the full-time Master of Engineering program (Systems and Technology) in the W Booth School of Engineering Practice and Technology at McMaster University for the session beginning in September 2021. The typical duration of this program is 16 months. Please note that you must maintain good academic standing in any courses currently in progress or taken post-application/offer. This offer is conditional upon the receipt of an official transcript confirming that your previous degree has been completed. This offer is also conditional upon the receipt of official transcripts for all post-secondary institutions you have previously attended. You are responsible for coordinating the delivery of your official transcripts to McMaster University. Documents are to be sent directly from the issuing institution, to the graduate program office prior to August 27th, 2021. Failing to meet these conditions, this offer will be rescinded.

Please read the additional terms and conditions relating to this offer which are described in the "Notes for Successful Applicants" section of the School of Graduate Studies website.

Full-time program fees for the M.Eng. program for the 2020/21 academic year (September to August) for Visa students are $34,650.00 annually plus flat fee full-time supplementary fees of $998.16. Normally, all fees for the entire year are payable in full at the beginning of each academic year, which starts September 1. Please note that program fees and supplementary fees, normally increase each academic year, effectively on September 1 of that year. Supplemental Fees are non-refundable and subject to change for subsequent academic years. Tuition for the 2021/22 and subsequent academic years is subject to change. This offer does not include any financial support. Hence, you are expected to have sufficient funds to cover all expenses. Please note that should you accept this offer of admission, you will be required to pay a Deposit Fee of $500.00.

This offer needs to be understood in the context of the expenses you will face here. A reasonable estimate of living expenses, in addition to tuition fees and travel costs to and from McMaster, for a graduate student for a 12-month period is about $12,500 for a single person. Health Insurance is mandatory for all Visa students and is provided through the University Health Insurance Plan (UHIP) at a current cost of $636 for one person. It is mandatory to apply for UHIP for dependents (spouse and/or children) if they are residing in Ontario, within 30 days of arrival. We encourage you to begin the application process to obtain your Visa study permit as soon as possible.

Please inform us of your acceptance or rejection of this offer by completing the on-line response form as soon as possible. We hope that you will decide to accept our offer, and we look forward to welcoming you to Graduate Studies at McMaster University.

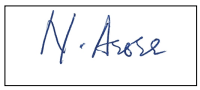

Sincerely yours,

Vanessa Hayward

Zulassungsbescheid für das 1. Fachsemester zum Wintersemester 2021
Studiengang: Control, Computer and Communications Engineering
Abschluss: Master of Science
Studienort: Friedberg
Bewerber-Nr.: 5743

Guten Tag Uday Sudani,

hiermit erhalten Sie für den Studiengang Master of Science Control, Computer and Communications Engineering den gewünschten Studienplatz im o. g. Fachsemester zum Wintersemester 2021.

Durch einen Antrag auf Immatrikulation können Sie den Studienplatz jetzt annehmen. Dafür loggen Sie sich in Ihren Bewerberaccount im THM-Bewerbungsportal ein. Unter Studienangebot / Studienbewerbung wählen Sie den gewünschten Studiengang aus und betätigen den Button “Immatrikulation beantragen”. Geben Sie die für die Immatrikulation notwendigen Daten ein und betätigen den Button „Antrag auf Immatrikulation drucken“. Es wird ein PDF-Dokument zum Download bereitgestellt, bitte dieses Dokument ausdrucken und unterschreiben.

Der Antrag auf Immatrikulation kann nur gestellt werden bis zum:

20.09.2021

Die Immatrikulationsfrist ist eine Ausschlussfrist. Bis zu diesem Datum müssen Sie den Antrag online gestellt haben und es müssen alle erforderlichen Unterlagen vollständig, form- und fristgerecht bei der THM eingegangen sein (Posteingang). Welche Unterlagen Sie einreichen müssen wird Ihnen auf dem Antrag auf Immatrikulation genannt.
Bitte beachten Sie, dass zur Immatrikulation auch der Nachweis der Zahlung des Semesterbeitrages erforderlich ist. Überweisen Sie diesen deshalb rechtzeitig vor dem Ende der Immatrikulationsfrist. Die Zahlungsinformationen erhalten Sie am Ende der Online-Immatrikulation als pdf-Dokument über den Button "Semesterbeitragsaufstellung drucken".

Nach § 38 Abs. 1 Satz 3 der Hessischen Verordnung über die Hochschulzulassung und das Anmeldeverfahren an den staatlichen Hochschulen (Hessische Hochschulzulassungsverordnung - HHZV) vom 02.12.2019, geändert am 24.06.2020 GVBl. Nr. 36 vom 01.07.2020, wird dieser Bescheid unwirksam, wenn Sie den Studienplatz bis zum o. g. Termin durch die Immatrikulation und das Einsenden der Immatrikulationsunterlagen nicht angenommen haben oder die THM eine Immatrikulation aufgrund von Versagungsgründen nach § 57 des Hessischen Hochschulgesetzes ablehnt.

Achten Sie darauf, dass die Immatrikulation erst erfolgen kann, wenn alle Voraussetzungen für das Masterstudium erfüllt sind. Das Studiensekretariat behält sich vor, im begründeten Einzelfall Auflagen zur Nachreichung von Unterlagen zu erteilen.
Sollten Sie die in diesem Bescheid gesetzte Frist zur Immatrikulation nicht einhalten können (z. B. falls Ihr Kolloquiumstermin nach dieser Frist liegt), wenden Sie sich bitte telefonisch an das Studiensekretariat.

Informationen zu den Brückenkursen vor Studienbeginn, zum Studienstart und zum Studieneinführungsprogramm für Bachelorstudierende finden Sie unter: https://thm.de/willkommen. Masterstudierende erhalten eine gesonderte Information.

Für Ihr Studium wünsche ich Ihnen viel Erfolg.

Mit freundlichen Grüßen
Im Auftrag
gez.

Luzius

Please note that only the issued German version is the legally binding document. This translation serves as an aid and is provided by us as a service. Please read the German version carefully to find out whether, for example, you have been subject to any conditions (Auflagen) regarding your studies or whether you have any reservations (Vorbehalte) regarding your enrolment. Individual conditions and reservations are not translated.

Approval notification for the semester 1 to begin on 2021-22 autumn semester
Degree course: Control, Computer and Communications Engineering
Degree: Master of Science
Campus: Friedberg
Applicant no.: 5743

Dear Uday Sudani,

We are happy to inform you that you have received a place in the degree course in Master of Science Control, Computer and Communications Engineering and may begin with the above semester in the Wintersemester 2021.

You can now accept the place by applying for enrolment. To do this log on to your account at the THM Applications Portal. Using the 'Courses taught / Applications' tab select the desired degree course and click on the 'Apply for enrolment' button. Enter the required information and confirm by clicking on the 'Print enrolment application' button. A pdf document will then be available for download. Print this document out and sign it.

The request for enrolment must be submitted by:

20.09.2021

Not meeting the enrolment deadline will result in disqualification. By this date you must have your application online and all required and completed documents must be at THM (date received). The documents you must submit are named on the application for enrolment.
Please note that for your enrolment you will also need proof of payment of the semester fee. Please send us the payment via bank transfer before the enrolment deadline. Payment information is available as a pdf document at the end of the online enrolment via the "Print semester fees statement" button.

In accordance with section 38, par. 3 of the regulation governing university admissions and registration procedures for state-funded universities in the state of Hesse (Hessian University Admissions Regulation) dated 2 Dec. 2019, revised on 24. June 2020, Law and Ordinance Gazette no. 36, dated 1 July 2020, this notification will no longer be valid if you do not accept the place in the course by submitting the requirement enrolment documents by the stipulated deadline or if THM rejects an enrolment on grounds of refusal as per section 57 of the Hessian Higher Education Law.

Please note that enrolment is not complete until all requirements for the postgraduate course have been met.
If you are not able to meet the enrolment deadline stipulated in this notification (e.g. your dissertation defence is at a later date), please contact the registrar's office via telephone.

Information on preparatory courses before the start of your course, on starting your degree course and an orientation programme for undergraduates is available at: https://thm.de/willkommen. Postgraduate students receive separate information.

We want to wish you great success in your course.

Best regards
On behalf
Signed

Luzius

Conestoga College Institute of Technology and Advanced Learning
Office of the Registrar

299 Doon Valley Dr.
Kitchener, Ontario N2G 4M4

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: January 18, 2021

Akash Atushkumar Patel
519, Sheth Pole, Modi Santh
Nadiad, Kheda , Gujarat
387001, India

Student Number: 8697421

Dear Akash Atushkumar Patel

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

B.Y.O.D. - Bring Your Own Device
Some programs require you to bring your own device. It is your responsibility to ensure that you bring the appropriate device for your program. Please visit the Conestoga College website to verify if your intended program requires you to bring your own device.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: !International3
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at internationaloffice@conestogac.on.ca.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations
Conestoga College

Designated Learning Institution No.: O19376158572

RE: Akash Atushkumar Patel
Student ID #8697421
Date of Birth: September 14, 1995

To Whom It May Concern,

This is to confirm that the above named student has been accepted into the following program that has a Co-op Required/Co-op Optional/Internship/Unpaid Field Placement component.

You must present this letter with your Letter of Acceptance to the Canadian Border Services Agent upon your first entrance to Canada.

PROGRAM NAME: Big Data Solution Architecture (1448), Waterloo Campus

PROGRAM START DATE: May 17, 2021

PROGRAM COMPLETION DATE: December 19, 2021

As part of acceptance into this program, the student must complete the following practical experience. Since the work term(s) are an integral part of the program, they must be completed in order to graduate.

TOTAL NUMBER OF HOURS: 420

TOTAL NUMBER OF WORK TERMS: 1 terms

TYPE OF PRACTICAL EXPERIENCE: Co-op Optional

The above named student has been accepted into a program where **a select number of co-op seats may be available in a future semester.**

Acceptance to the co-op stream of the program is based on the student's grade point average and availability of seats within the program. Should the student be awarded a place in the co-op program in a future semester, work term(s) are an integral part of the program. The work term(s) are related to the student's program of study and must be completed in order to graduate. A place in the co-op program is not guaranteed and may not align with the student's semester start date/intake.

Due to work permit processing times and tight timelines upon acceptance into this program, **a co-op work permit is required at this time** to meet the above requirement should the opportunity for the student become available.

Please contact the Conestoga College International Office at internationaladmissions@conestogac.on.ca should you require any additional information.

Sincerely,

Anita Couto
Director, International Enrolment and Operations
Conestoga College

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assistance.

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Education Office at internationaloffice@conestogac.on.ca.

Arrival and Orientation

The International Student Services department can provide you with valuable information regarding arrival and orientation. Please email internationaloffice@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

Department of Physics and Astronomy
State University of New York
Stony Brook, NY 11794-3800

February 28, 2018

Radhakrishnan Srinivasan,
rk29121996@gmail.com

Dear Radhakrishnan,

It is my pleasure to invite you to join the Department of Physics and Astronomy at the State University of New York at Stony Brook as a Master of Arts graduate student beginning Fall 2018. This offer of admission recognizes your strong application but does not involve any financial commitments from our side so that you will be responsible for tuition, fees and living expenses. It is our experience that quite a few of our applicants have fellowships or other resources that provide for these expenses. Information on our MA program, including sample programs and the estimated cost for one year of study, can be found at http://graduate.physics.sunysb.edu/ma-program/program/index.shtml. The offer is pending approval by the Graduate School.

At 2017/18 rates, the tuition is equal to an annual maximum of $ 22,210 for out of state residents or $ 10,870 for New York State residents, while fees are approximately $1,700 per year with an additional $ 100 fee for international students. Generally, *domestic* students can achieve NYS residency by the start of their second year of study. It is important that you take steps to make New York State your documented residence as soon as you arrive in New York. For procedures on how to apply for NYS residency, please visit the Bursar's web site at: http://www.stonybrook.edu/bursar/tuition/.

All students are required to have health insurance. At 2017/2018 rates, the premium is about $ 1350 per year for international students and about $ 2700 for domestic students (but can be waived for domestic students if you are covered by another insurance). For more information see, http://www.stonybrook.edu/bursar/tuition/, which also has information on health insurance. Information regarding housing costs and procedures can be found on the Campus Residences web site at http://studentaffairs.stonybrook.edu/res/index.shtml.

Please note that since January 1, 2016, Stony Brook has been implementing a tobacco-free policy. This includes all tobacco and smoke/vapor-producing products. For more information regarding the policy, please visit http://www.stonybrook.edu/commcms/tobaccofree/.

Even though our Department is large (we have about 180 graduate students and 70 professors), we take pride in our ability to work with every student personally. Our goal is to award a degree to every student admitted to the department. We encourage you to visit our web site (http://www.physics.sunysb.edu/Physics and http://graduate.physics.sunysb.edu). You will find information about world class experimental and theoretical research conducted by our faculty and their groups. The research ranges from the smallest to the largest scales and covers areas like the standard model and beyond, the

quark gluon-plasma, atomic and molecular structures, quantum information and materials, to supernovae, galaxy formation and cosmology. Some of our finest research is conducted at dedicated institutes including the Center for Frontiers in Nuclear Science, the Yang Institute for Theoretical Physics, the Simons Center for Geometry and Physics, the Laufer Center for Physical and Quantitative Biology and the Institute for Advanced Computational Science. In addition to theoretical and experimental research based within the department, students can find opportunities working with scientists at nearby Brookhaven National Laboratory, or they can join Stony Brook faculty working at major facilities around the world.

Once you made a decision, please indicate your acceptance or declination of our offer by signing and returning the attached Admissions Offer. Please print (legibly) your email address in the space provided on the form. After accepting, you will receive additional materials from the Graduate School and the Department that will assist you in arranging the details of your study at Stony Brook. Classes begin on August 27, 2018, but the mandatory orientation starts a week earlier.

By agreement among U.S. graduate schools, you have until April 15, 2018 to accept or decline the admission offer. We would, however, appreciate knowing your decision as soon as you have made it.

I look forward to your joining us at Stony Brook; we look forward to exciting times! Please feel free to email (jacobus.verbaarschot@stonybrook.edu) if you have questions.

Sincerely,

Jacobus Verbaarschot,
Graduate Program Director and Professor of Physics

Stony Brook University

Stanford | ENGINEERING
Mechanical Engineering

March 12, 2018

Adit Desai
Nisarg, civil hospital road Near Mahi Canal
Nadiad Gujarat, 387001
IND

Dear Adit:

Congratulations! Based on your excellent academic record, we are pleased to offer you admission to the Master of Science program in Mechanical Engineering for the Autumn 2018-19 Quarter. The Admissions Committee members are favorably impressed with your credentials and hope that you will join Stanford for your graduate studies in the Fall.

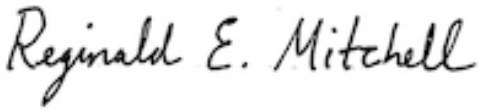

If you accept our offer, you must respond electronically. To do so, you will need to establish a Stanford University ID (SUNet ID) at https://gradadmissions.stanford.edu/admitted-students. You will be asked for your student ID, a unique number assigned to your academic record. Your student ID is 06266305. Your SUNet ID will also enable you to apply for on campus housing on-line, if you so desire. We would appreciate hearing your decision as soon as possible, but no later than May 1, 2018.

All offers are contingent on the verification of the fulfillment of admission requirements by Graduate Admissions, Student and Academic Services. If you accept our offer of admission, your application including official transcripts/academic records will be forwarded to Graduate Admissions for review. They will notify you of any final credentials not yet received and, if applicable, approve the I-20/DS-2019 request upon completion of review. Graduate Admissions will authorize your enrollment only after verifying the fulfillment of University admission requirements.

We believe you and Stanford have a great deal to offer each other. We can provide you with a rewarding scholarly environment, excellent faculty, world-class research facilities, and arguably the very best graduate student peers in the world. We hope that you will choose to pursue your graduate work at Stanford University. If you

have any questions, please contact me at remitche@stanford.edu or Julianne McAndrews at jmcand@stanford.edu.

Sincerely,

Professor Reginald E. Mitchell

Non-Resident

Dear NIDHISH PANCHAL,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Mechanical Engineering (MS) program, offered at the ASU Tempe campus for the 2018 Fall semester.

Important: For detailed information regarding I-20 requirements, please visit MyASU: at my.asu.edu and the International Admissions Services website at graduate.asu.edu/admissions/international.

To maximize the many resources available to you, please familiarize yourself with ASU's online student information and services at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password. This site will be a valuable tool for you as you move through your degree program at ASU.

Arizona State University and Mechanical Engineering (MS) program are committed to assisting you in your exploration of the tremendous resources and opportunities at ASU. Should you desire additional information, you may contact your department at semtegrad@asu.edu or at (480) 965-4979.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity (provost.asu.edu/academicintegrity and researchintegrity.asu.edu respectively).

As a New American University, ASU believes that your education should be not only transformative for you, but also for society. I encourage you to learn more about what this means to you by visiting the ASU website at newamericanuniversity.asu.edu. I also urge you to watch this brief video to find out how current students describe the Sun Devil experience: yourfuture.asu.edu/culture.

We look forward to you joining the ASU Sun Devil family. I wish you every success in your graduate studies at Arizona State University.

Sincerely,

Alfredo J. Artiles
Dean, Graduate College

LETTER OF RECOMMENDATION

It is my pleasure to write this letter in support for Mr. Binit Gajera. I have taken two courses from his complete curriculum of Bachelor's in Computer Engineering which is Operating Systems and Knowledge Discovery along with practical laboratory sessions of the very same subjects. He has worked in both of the subjects very diligently under me and also has performed in laboratory sessions with much enthusiasm to grasp new techniques along with learning about the courses from a different creative perspective. He always has shown much alacrity and by following the same he successfully completed all the tasks in the given time period.

He has been very much attentive and interactive in the last course that'I had taught him which was Knowledge Discovery. Seeing that, along with his performance in the subject, I can assure you that he is keenly interested in Data Analysis and also in Machine learning. He, in the laboratory sessions of the very same subject have performed with utmost attention and also had asked some queries and found appropriate solutions about topics that others might not naturally elucidate.

As of today, he always has been interactive in the teaching sessions which show how enthusiastic he is about learning new things and grasping them. It also shows his confidence to some extent. Considering my time spent with him during the course study of Operating Systems subject, I can contend that he has very nice ability to comprehend and get a fix on even those subjects that were completely neoteric for him.

Again, I have no doubts that Mr.Binit Gajera will excel in Master's program in Computer Science and recommend him highly. I think he will make a great contribution to your school and I'm very much looking forward to seeing and experiencing the contributions he will make in the field of Computer Science.

Prof. Ankit P. Vaishnav

Letter of Recommendation

I would like to recommend Mr. Ravinder Singh Rajpal, who is applying for Masters in Computer Science at your esteemed university. I have known him since last two years during which I taught him the subjects of Software Engineering, Object Oriented Software Engineering, Operating Systems and Knowledge Discovery.

My acquaintance with him during his Bachelor's programme, has given me an opportunity to observe him closely and judge his capabilities. He is a student with strong logical and intuitive thinking abilities. Apart from being technically sound, Ravinder has also been actively involved in both technical and non-technical events organized at our college.

During his pre-final year, I supervised his project on 'Online Travel Management System.' It was an academic project for the subject, Software Engineering, which he did with another classmate. The project aimed at providing a platform through which customers and agencies could contact each other easily, and more importantly, customers could compare various packages provided by different agencies. The documentation of this project included the Software Requirement Specifications, UML Diagrams, Database Design and also the web-application built using ASP.NET. This project and also the laboratory sessions highlighted his dedication, hard work and technical abilities.

Considering his acumen, performance and diligence, I strongly recommend Ravinder Singh for the Masters program in your University with all the possible financial assistance. I am confident that he will be a great asset to your program. I wish him all the best for his future endeavors.

LETTER OF RECOMMENDATION

I am pleased to recommend Mr. Vaibhav Joshi for the graduate program at your prestigious University. I have known Vaibhav for the past two years and taught him the subjects of Operating Systems, Object Oriented Software Engineering and Knowledge Discovery under my tutelage.

Throughout my tenure of interaction with Vaibhav, I have had the opportunity to assess his overall academic performance as well as his general temperament. He has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in his cumulative grades. He has always completed the tasks and assignments in given time with utmost diligence and has shown extreme politeness in his conduct. I was impressed with his attentiveness and ability to come up with pertinent queries during class discussions.

Vaibhav has strong sense of team spirit which was showcased when he was part of a team which undertook the project titled Online Subject Selection Portal in December 2015. This project was aimed at providing a user friendly portal which allowed the students to view the subjects in their respective semesters. It also allowed students to opt for electives. Vaibhav was responsible for the front end development. He is constantly in sync with the latest developments in the industry which was evident from the work done in the project.

Apart from the regular coursework, Vaibhav has expanded his interest and knowledge in Data Science by undertaking various certified online courses on Edx and Udemy such as 'Foundation of Data Analytics in R' and 'Sentiment Mining in Twitter'. He approached me to discuss the concepts and techniques mentioned in the courses and has sought ways to implement them in real life scenarios. It is through these interactions that I learned about Vaibhav's desire to pursue a Masters in Computer Science with a specialization in Data Science.

Taking into consideration the above mentioned qualities and keeping his overall performance in perspective, I strongly recommend Vaibhav Joshi for the Master's program at your University. I am extremely optimistic that he will prove his caliber at your University.

A P Vaishnav

Prof. Ankit P. Vaishnav

LETTER OF RECOMMENDATION

It gives me immense pleasure to write this letter of recommendation for Ms. Khushboo Mehta. I have taught her Linux Operating System and Programming, Data Structures and Algorithms, Operating System and Compiler Construction in 1st, 3rd, 5th and 7th semester respectively. The interaction I have had with her since her first year has given me enough opportunities to gauge her intellectual and analytical abilities.

Khushboo has shown good interest level in all my subjects. She developed a good understanding and practicality of various data structures, from linked lists to hash tables. She understands her subjects with ciarity and puts an extra effort in excelling them. She has also successfully completed Linux spoken tutorial certification program by IIT Bombay. She has demonstrated herself to be a talented student who participates in numerous technical events organized in & out of University just as she used to participate in Codevita – an online coding competition organized by 'Tata Consultancy Services'.

In her 5th semester, I taught her Operating System. She grasped the concepts of Operating Systems Structures, Deadlocks, and Memory Management very well. Along with that, she made striving efforts to learn techniques of Process Scheduling and CPU Scheduling. In laboratory sessions, most of the time she has come up with optimized solutions to the problems. In 7th semester, in Compiler Construction subject, she learned from me the Structure of compiler, Lexical and Syntax Analysis, Syntax directed translation and LR Parsers using ambiguous grammar with dedication and commitment.

Khushboo has completed 'Infosys Foundation Program' during her 8th semester. In which she made mini-project using Python and Relational Database System. As a part of her 8th semester internship, she underwent 6 months' internship at Infosys Ltd where she developed a web application 'CollabIt - Project Collaboration tool for Developers' using Django, Model View Template as software design pattern and Oracle DB following Agile Methodology.

Khushboo is not only good at academics but also has manifested her abilities in extracurricular activities at University. She has managed many technical seminars, events, and workshop like a Workshop on Python, Cyber Security, Seminar on Linux Installation, Technical quiz competition, University technical events etc. Her communication skills, managerial abilities, and leadership qualities are credible.

I have confidence in her capabilities. I believe that she will perform well in the chosen program and will prove to be of great value to your University. Khushboo beholds my highest recommendation for a Master's program at your University.

LETTER OF RECOMMENDATION

It is my pleasure to write this letter of recommendation for Ms. Aayushi Mehta who has attended my lectures on C Programming-II in 2nd semester and Database System in 5th semester. Besides teaching, she has done her amalgamated project in 5th semester about Online Food Ordering System and all database related tasks were performed under my guidance.

Aayushi is in the final year of her bachelor's program in Computer Engineering. Her current academic record suggests that she will complete her graduation with first class with distinction. She is curious and focused. She is passionate about learning new things and has a strong grasp of theories within computer science and engineering. She is able to use them for specific problem solving purpose and reach desired goals. She is able to use multiple tools and techniques such as her adeptability in programming languages- C, C#, Core Java, Android, PHP, R, and Prolog and databases, software packages and designing software tools.

I have worked closely with Aayushi during her project and have observed her grasp of the subject matter and her communication skills which enabled her to present her work with fluency and confidence. She has shown excellent research potential and organizational skills during her developmental work. In addition to this, her respecting nature and always ready to clear her doubts and then brief her understanding will surely help her in her higher study. All this set her apart from her team members.

Aayushi is ideally suited for a master's program. She is adept at organizing and completing her work on time. She has the necessary self-motivating nature and dedication, excellent communication and organizational abilities, and superior grasping power that will enable her to be a great contributor at academic or professional level. Aayushi has my strong recommendation for admission to your renowned university.

TO WHOMSOEVER IT MAY CONCERN

It gives me pleasure to recommend Bhaumik Ichhaporia's candidature for graduate studies at your esteemed university. He has successfully undertaken the subjects of C Programming-II and Database Systems under my guidance during the course of his 2nd and 5th semester respectively.

Having known him for past three years, I have a first-hand knowledge of his intellectual ability, conceptual clarity and his zeal to learn something new. Even though his Academic performance may seem average, he has shown extra ordinary ability to effectively apply his learning to practical problems. He is also receptive towards new ideas and is always keen on utilizing his skills in a very creative manner and staying abreast with latest technologies.

I have also supervised as well as mentored him on a project titled "CampusWide-Material Sharing and Forum" carried out under the subject of System Design Practice. During the development of the project, I noted that he has a strong ability to grasp new technologies and implement working model along them. He has developed a system being android based application with the firebase technology-a real time database system which is developing rapidly. Both of the technological matters (Android & Firebase) were new to him and keeping that in mind, it can be said that he has done a commendable job undertaking them successfully. He worked cohesively with a careful understanding of positives and utilizing the skills of other group members at the same time.

His exuberance was not only limited to academics. I have been informed that he actively participated in most of the cultural and sports events conducted within the university. He is a passionate Sportsperson and has shown commendable skills as a player of Cricket as well as Volleyball.

I firmly believe in his potential and he has promised to me that he will perform to the best of his abilities and continue to valuably contribute within his field of interest. I extend him my support and favourably recommend his candidature at your esteemed university.

LETTER OF RECOMMENDATION

I am pleased to recommend Chintvan Soni for the Master's program at your prestigious university. He is a very quick learner and can focus intensely on demanding tasks. Chintvan has been a student in many of my B.Tech. Computer Engineering classes during the past four years and I have taught him subjects namely:

- Linux Operating System & Programming
- Computer Programming in C
- Data Structures & Algorithms
- Database Systems

Chintvan is energetic, enthusiastic and friendly not only with his peers, but also with his faculties. His consistent determination has led him to excel in my classes. He is sincere in his work, has a keen sense of observation and the desire to learn, the skills required in almost any career. His lab work was disciplined and creditable. He can solve many of the problems by applying the theoretical fundamentals.

On a personal level, Chintvan is a proactive person showing a lot of enthusiasm for extra curricular activities. He had been a part of Shutterbugs, the photography club in the university. With his sincerity and hard work, he had organized various events, workshops, exhibitions and photography tours throughout the duration of two years as a committee member.

I wish him all the best in his future endeavors.

Prof. Jigar M. Pandya
Assistant Professor, Department of Computer Engineering,
Faculty of Technology,
Dharmsinh Desai University. Nadiad, Gujarat, India.

LETTER OF RECOMMENDATION

It is my pleasure to write this letter in support of Esha Punjabi. I have known her right from her 1st semester and have taught her subjects Linux Operating System and Programming, Computer Programming in C, Data Structures and Algorithms and Database Management Systems. I have also been her lab faculty for Linux Operating System and Programming, Computer Programming in C.

Her systematic and focused approach has always earned her a good academic performance. She is an exceptional student with diligent work habits which is reflected in her excellent aggregate of 9.16 CGPA. She is extremely cooperative and possesses the capacity to contribute positively while working as a part of a team. Her ability to organize her time efficiently and her meticulous preparation will be an asset to any team that she will be a part of. These traits of hers were proven during the lab courses, where she showed good programming and analytical skills in handling software development.

Esha is also an astute programmer. She has some decent achievements in her programming skills, like to name a few she secured 81st rank in VISA - A Women's CodeSprint contest and she was selected for the second round of CodeVita, TCS. She is also very amicable and cooperative towards her peers and her juniors.

Again, I have no doubts that Esha will excel in the Masters Program in Computer Science and recommend her highly. I am certain that she will maintain her spirit and aspirations further and hence I strongly recommend her application for admission to your esteemed University.

Prof. Jigar M. Pandya

Letter of Recommendation

Hardworking, focused and determined though slow learner is how I would like to describe my student, Karan Doshi. He is my student of bachelor's degree in Computer Engineering. He has shown improvements in studies lately. This is largely due to the fact that he takes to dwell and understand his subjects at length. As his understanding and conceptual clarity within his subjects increased so did his grades improve. Having observed an upward swing in his enthusiastic attitude and his desire to imbibe knowledge in any form leads me to believe in his potential to succeed in demanding graduate program.

Having taught him Linux operating system, Programming in C, Database Management System, System Design practice, I have had ample opportunity to estimate his theoretical and practical capabilities. He has shown good amount of technical skills during his internal project work.

Karan has strong sense of team spirit. It was showcased when he was part of a team which undertook the project titled Trip Aide under my supervision. He was very keen in bringing up new ideas and techniques for the betterment of the project. He is constantly in sync with all the latest in the field of computer technology especially with Mobile Application Development. It was reflected in the project which was designed using iOS and Android.

Hence, I recommend Karan's candidature for the Masters Program at your Graduate School.

LETTER OF RECOMMENDATION

I am pleased to write about Ms. Mitali Patel, a former student of mine, who is applying for graduate program in your university to study Masters in Computer Science.

I have got to know Mitali in the last semester of the college. During the semester students undergo project/industrial training. Mitali and her project mate had to report to me for the guidelines and progress of the project. The project was an android application 'Expense Manager'. As her project guide, I have had an opportunity to observe her ability to take forward the project and to work well with the team member.

She has worked on all phases from requirement understanding, designing to coding and delivered the project with complete documentation. Mitali has proven that through hard work, follow through and team work, she can accomplish tasks in a courteous and timely manner.

We have worked closely discussing bi-weekly reports and associated action plans while finding solutions to the problems we encountered. She has the potential to completely dedicate herself into whatever task assigned and works diligently on all assigned tasks. She also works well with her team member who seems to respect her a great deal.

Mitali has shown the motivation, intelligence, preserving nature and analytical aptitude for graduate study. Her attendance and her presence of mind have been a key part of her study program that has helped her to contribute positively while working as a part of the team. She is well equipped to grow from challenges that she is presented with. Her patience, perseverance and strong computer skills prepare her beautifully for your institute.

I recommend her in the strongest term for admission to PG program at your university.

TO WHOM SO EVER IT MAY CONCERN

It gives me pleasure to recommend Sagar Daswani for graduate studies at your esteemed university. I taught him subject of Database System and C Programming-II. I have been connecting him to his immediate seniors for learning advanced topics.

He is articulate and can express himself in both formal context as well as informal discussions. Not only he has good grasping power and technical skills but also has strong logical and intuitive thinking abilities. He has always shown a very strong desire to learn his subjects and keeps on updating his knowledge.

Added to this, he has done his pre-final year system design practice project titled "Game Bot" under my guidance . This projects aims at enabling machine to compete with user in 'Pong Game', after AI based learning from user while training. Though unfamiliar to this technology, he started by working and understanding atomic examples to clear his basics and then moved forward to his main project, thus producing reliable results. Being his project adviser, I can affirm to his dedication, hard work, keenness and passion towards technology of Artificial Intelligence.

Sagar always try to give his best in any performance and I am sure he will fully commit himself in his master's program too. Hence I strongly recommend him for study at your university so that he can be successful in his future endeavors. I would be glad to provide any further information required to assess his candidature.

Recommendation Letter

I am pleased to recommend Ms. Shreya Monpara for the graduate program at your prestigious University. I have known Shreya for the past four years and taught her subject of Database Systems during 5th semester. I was also her lab instructor in Database System and Elements Of Linux OS & C Programming-I during 5th and 1st semester respectively.

Throughout my tenure of interaction with Shreya, I have had the opportunity to assess her academic performance in the technical arena as well as her general temperament. She has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in her cumulative grades. She has always shown interest in learning and applying skills during theory/lab sessions and has shown extreme politeness in her conduct. I was impressed with her attentiveness and ability to come up with pertinent queries during class discussions.

Shreya worked in a team and carried out successfully amalgamated project work in the subject of Database Systems and Software Engineering. I have noticed her interest in designing (E-R diagram) system and information retrieval using SQL as a mentor about the database part of the complete task.

Taking into consideration the above mentioned qualities and keeping her overall performance in perspective, I strongly recommended Shreya Monpara for the Master's program at your University. I wish nothing but the best to her about proving caliber at your University.

Letter of Recommendation

I am writing this letter to recommend Smit Purohit who was tutored by me while pursuing his Bachelor's degree in Computer Engineering at Dharmsinh Desai University. The courses which he studied under my guidance are as follows:

1. System Design Practice (Project,Sem-6)
2. Database System (Class and Lab Instructor,Sem-5)
3. C Programming (Class and Lab Instructor,Sem-2)

In the 6th Semester he worked in a team and completed a project on 'National Park Transportation System' in 'System Design Practice' course for which I was his project guide. The project being an online reservation system for a hypothetical National Park transportation system. His project was commedable and for that he was awarded 'AA (10/10)' grade which being the highest grade possible in the respective course. The platform used for the project is 'Java Enterprise Edition' and Smit's clear understanding about the platform is very well showcased in the project. One of the salient features of his project is strong security as he implemented 'md5' hashing technique to store user's password and also used a SSL certificate from a third party source to establish a secure link between client and server. He also integrated his project with an online payment service known as 'Paytm' by using their web service. For deployment purpose he used virtual machine with public IP and DNS name. The mentioned features such as SSL certificates and deployment of website are not taught as part of regular curriculum so he learnt those topics by himself and implemented them, it shows his curiosity to learn new things and dedication towards the project or task undertaken by him.

With reference to Smit's commendable performance it is evident that he has complete understanding of database system concepts like Relational Database Management system, concurrency control, query processing and transaction processing. He performed well in database laboratory session where students work on Oracle SQl developer and he is able to apply the database concepts practically quite efficiently. I reviewed his Sem-5 project's database under the 'Database System' course. He submitted a project on 'Online hospital management system' and the database design showed his in-depth understanding of database related concepts. His database structure reflected optimum database designing capability.

Smit's performance in C Programming course portrayed his skills of writing algorithms as per problem statement and his proper understanding of sequential programming. His lab sessions depicted that his concepts in the respective subjects are quite clear and hence he is able to do assigned tasks or practical with great ease.

Finally, I would like to recommend Smit to your institute who has been a sincere student and self motivated person. So I am sure given the opportunity Smit will be able to excel.

Letter of Recommendation

It gives me immense pleasure to write this letter of recommendation for Visajkumar Kapadia. I have taught him Linux Operation System and Programming, Computer Programming in C, Data structures and Algorithms in 1 st , 2 nd and 3 rd semester respectively. I have known him for 4 years. I am sure that his performance will continue to uphold the highest standard of academic work wherever he goes. Visaj has grasped the logical and numerical concepts of Data Structures and various algorithms thoroughly. This is due to his great interest in this subject. Visaj understands his subjects clearly and puts an extra effort in excelling them. He also successfully completed Linux spoken tutorial by IIT Bombay. He is a diligent student.

Visaj has proved himself to be a talented and brilliant student who takes part in many technical events organized in and out of college like he participated in Codevita – an online coding competition organized by TCS. He has a very insightful approach towards his study.

Visaj has completed 'Infosys Foundation Program' under my guidance during his 8 th semester. In which he created several mini-projects using Python and Relational Database System. He underwent 6 months' internship at Infosys Ltd during which he developed a project 'ConverTo – Conversion Tool' using Angular JS. His presentation on 'Garbage Collection in Java vs. Python' was very informative and impressive. I believe in all the skills and abilities of Visaj. He will undoubtedly prove to be an asset to your University. I am certain that he will maintain his enthusiasm and determination for excellence.

I strongly recommend him for admission at your esteemed University.

LETTER OF RECOMMENDATION

I wish to put on record my impression about Mr. Akash Desai, a seventh semester student in Computer Engineering Department at our college. I have taught him subjects Software Engineering in 5th semester and Embedded Systems in 7th semester. I have guided him project in Software Engineering on Online Library Management System which entailed use of ASP. NET and C# to implement web application.

Akash has shown an extremely high level of intellectual curiosity, intelligence, and self-motivation throughout the time I have known him. During his time in my lab, he has proven himself capable of handling challenging projects. His time management skill is exorbitant. He always able to complete given task before deadline. He has done great work under my guidance in project of Online Library Management System. He was the leader of the project and through my observation I can say that his leadership role is excellent. I have seen that he has ability to think out of box and ability to inspire team members.

His zest and curiosity for learning was clearly evident during my lectures. He was not shy of raising queries and asking most pertinent questions and this resulted in conceptual clarity. I also noticed his confidence in giving inputs that were gained through his own exploration in the areas of his interest.

Akash's passion and commitment for the field is apparent in whatever he pursues. Whether projects and seminar presentations, attending workshops and seminars or working on practical assignments, he is completely involved. He also actively participated in other activities at the college. He works very well in team environments and his ability to work with the end result in mind make him an achiever.

He comes across as a mature and confident individual who has set himself a goal for higher studies. I have closely observed his skills and abilities in the classroom and outside. I have known Akash to be a very driven individual, always excelling in his areas of interest. He is highly motivated towards his goals for further studies and I see in him excellent potential for career advancement. To say in a nutshell, it is my pleasure to enthusiastically endorse him to your graduate program and assure you that he will bring enthusiasm, hard work and dedication to his work.

LETTER OF RECOMMENDATION

I am very much pleased to recommend Mr. Anand P. Popat for graduate program in your esteemed university. I have known him for the past 2 years now and I had many opportunities to observe him closely as I was his project guide in a National Level Robotics Competition during 2014-15 held at Indian Institute of Technology(IIT), Bombay. I also taught him the subject – Data Structures and Algorithms in his 3rd semester.

He has the ability to grasp things quickly and was very interactive in class. One of the most pleasing aspects about him is his commitment level and the interpersonal skills necessary to handle conflicting and challenging situations managing project work, workshops as well as his studies. This was pretty apparent in the third year when he participated in a National Level Robotics Competition, held at IIT, Bombay. Being the team leader, he played a pivotal role in the team's success. Anand has always demonstrated a high energy level, combined with the willingness to accept responsibility. The project work lasted for a span of 6 months in which he displayed some amazing problem solving abilities with a novel approach to even the most complex problems. The team led by him designed and developed an automated programmed robot for Cargo-Alignment. Out of a total of 361 teams that participated nationally in this competition, the team led by Anand won 2nd Position with appreciation from jury for the design choice of rotary movement of robot.

In that crucial year, along with other extracurricular activities, he also performed brilliantly academically. His academic performance kept on increasing which is reflected in his report card.

He is enthusiastic about studying further. A talented person like him, I believe, fully deserves to get this opportunity. I am happy to recommend him, as he will undoubtedly, prove to be an asset to any institute he chooses to join. I also recommend his case strongly for tuition waiver, research assistantship, teaching assistantship and any other possible form of financial help.

LETTER OF RECOMMENDATION

It is a pleasure to write this recommendation letter for Ms. Aayushi Mehta, a final year student in Computer Engineering Department at Dharmsinh Desai University. I have taught Aayushi Software Engineering in 5th semester and Embedded Systems during her 7th semester. I have also guided her in laboratory work and a project on Online Food Ordering System in the subject of Software Engineering. Throughout these pursuits she has impressed me with her high level of dedication and commitment towards work.

She is a student who would not leave the subject matter till she has cleared it from its roots. Her grasp over basic mathematics and computer technology assist her in doing so. She is very well adept at using her technical skills for constructive work. This is evident from the body of projects and seminar presentations that she has accumulated over past four years. While Aayushi will certainly graduate with first class distinction grades, I have particularly found her penchant for developmental projects to be her hallmark. In order to enhance her knowledge span, she has also attended workshops like Ani-Matrix Workshop on Basic Animation, organized by our department.

Her project in the subject of Software Engineering under my guidance and observation gave me a chance to observe her research skills, organizational abilities and communication skill which are all praiseworthy. For her project, she worked on "Online Food Ordering System" which was developed with the concepts of Software Engineering and applying Agile process model. The functionalities were very efficient and also user-friendly. It was well conceived and excellently presented. I am amazed at her ability to understand crux of the matter and her adept presentation skills. Her style is simple and direct. She did in-depth work on the subject and thus could convey her depth and understanding.

Additionally, her project showcased her ability to work independently as well as part of a team. She works cohesively and with a careful understanding of the positives and skills of the other group members. I find that she has a sense of direction which she imbibes in the whole group and this is very valuable.

Having observed Aayushi's progress for almost 2 years now, I can confidently say that she will contribute wherever she goes since she possesses genuine interest in the subject, works tirelessly in research and development, is a quick learner and also good at time management. She has my full support and strong recommendation for the admission to graduate program of her choice.

Letter of Recommendation

I am glad to write this letter of recommendation for my student **Mr. Dharmang Solanki** to support his application for graduate studies at your esteemed University. I have known him for nearly two and half years at Dharmsinh Desai University. In my experience, I came to know him as one of most sincere student. He has shown praiseworthy performance in his academics and project works.

I have taught him subject data structures and algorithms in 3rd semester, embedded systems in 7th semester. Dharmang has shown immense interest in academic subjects and has been articulate in class discussions. His efforts in his academics display the quality of a person who believes in constant improvement and learning beyond the courses required to clear the exams.

He has successfully completed the project in a team of two students titled **"Travel Management System"**, under my guidance. He implemented all the important aspects of software engineering including requirement gathering, designing UI, creating use cases, sequence diagrams and test case suites required to create a successful software product. During this project, he reflected his quality of software designing and coding skills at the same time. The project work consisted of coding in ASP.Net technology and SQL database management. He was successful in getting his project work reviewed by me at regular intervals and completing the project on time with proper documentation of the project.

In addition to this, he is always enthusiastic and active for participation in college festivals. One of the most pleasing aspects about him is his commitment level and the interpersonal skills necessary to handle conflicting and challenging situations, managing project work, extra-curricular activities as well as his studies. He is one of those students who can be a good team player as well as a good leader.

I support his decision to pursue masters in his desired course. Dharmang is one of those students who is committed to the study and practice of the engineering. Therefore, I highly recommend that he be given the opportunity to undertake the course at your university.

LETTER OF RECOMMENDATION

It's my privilege to write a recommendation letter for Miss Hetvi Desai for her admission to the master's program at your reputed university.I have known her for 3 years now and have taught her the subject of **'Software Engineering'** and **"Object Oriented Programming with Java"** In all my interactions with her, I found her, highly focused, inquisitive and a very sincere student.

With punctuality and regularity her distinguishing traits, she proved herself to be a determined student ready to tackle every situation with sheer perseverance. Her relentless attitude and intellectual curiosity drive her to get involved in her work and pursue her domain rigorously in complete depth. Therefore, she registered and successfully completed her Oracle OCJA(Oracle Certified Java Association),OCJP(Oracle Certified Java Programmer),OCEWCD(Oracle Certified Expert Web Component Developer) Java Training and certification Program.

Under my guidance, she took up project "**Online Movie ticket Reservation System**", a software engineering practice project as part of the fifth semester project. She has also developed her sixth semester project titled **"File Compression and Decompression Software".** Both of her works were commendable and reflected the amount of efforts put in by her. Not just being attentive towards her academic curriculum, Hetvi is also proactive in participating in various seminars and guest lecturers in and outside our campus. One significant seminar she attended was on 'Cloud Computing' organized by TCS.

Besides being good academically, Hetvi makes sure she participates in the technical and cultural events organized in our college during 'Felicific'. She has also been actively associated with the various social activities the Department conducts such as Blood Donation camps and social awareness campaigns.

Taking in view the above mentioned qualities and keeping in sight her overall performance along with her interpersonal skills and an impartial outlook towards life, **I would strongly recommend Hetvi for the Master's program of Computer Science at your University**. She will not only add diversity to the batch but will also prove to be an asset to the institution as she has been here.

I wish her best of luck and success for her future and would be glad to provide any further information that may be required to assess her candidature.

Sincerely,

Prof. Mrudang T. Mehta
Associate Professor

LETTER OF RECOMMENDATION

This letter of recommendation is in reference to one of the quite deserving students, Riya Jitendra Patel. I have known her during her 8th semester industry training period during which she used to report me for her project work. Being her internal guide for project during this period, I had seen her inquisitiveness towards her field of interest. She has been a quite determined student since the beginning of the program.

In the entire period of her course curriculum, she has always been focused and goal oriented person. She has a very good grasping ability and excellent technical skills. During our interactions, she generally came up with intelligent queries, which reflected her tendency to research deeper into the understanding of subjects, curiosity and quest for knowledge. She has shown good understanding with her fellow students and is a good team player too. She completed her final semester project on the topic of Learnapt Comics App in which she had implemented the modules for full stack using the android and ruby on rails. Along with one of her teammates, she did the necessary study required to make the project a success.

I strongly recommend her for the Master's program at your Institution.

Yours Sincerely,

4/5/18

LETTER OF RECOMMENDATION

This recommendation is written to support the application for admission, sent in by Mr.Vaibhav Joshi for Graduate Program at your esteemed university. Vaibhav is a final year student in the Computer Engineering Department of this university. Under my guidance, he has learnt the subjects of Software Engineering & Embedded Systems during his 5th and 7th semester respectively. I was also his lab instructor in both the subjects.

Vaibhav has actively participated in sessions while exhibiting an inclination towards practical implementation. A keen observer and a careful listener, he knows how to optimize time efficiently. Be it classroom lessons or general discussions, his insightful queries and arguments open doors to new possibilities and ideas. These attributes were also evident in his project "**Online Car Rental System**" which he (along with a classmate) did under my supervision. This project aimed at combining the features such as Uber and Avis into a single platform. It allowed the users to rent a car as well as book a cab. Over this duration of the project, I got the opportunity to evaluate his skills and abilities from a closer perspective. I noticed that he possess a creative bent of mind, has his fundamentals clear and is well versed in developing innovative applications. To cite an example, he had undertaken a project titled ' Pocket GRE Vocab Guide' which was based on the RESTful Web services platform. This android application fetched the most frequently asked words in the GRE. Thus, not only the project successfully met all the requirements but it also served the dual purpose of helping him with his GRE preparation. Additionally, he also has a very good command over written English which was reflected in the project summary report.

Apart from academics, Vaibhav also keenly participated in co-curricular activities. He was an event coordinator for the Computer Engineering department during the annual technological festival of the college. He also participated in various on/off campus quiz events. To expand his knowledge base, Vaibhav has attended seminars and workshops in campus as well off campus on topics such as Ethical Hacking, Web Development, and Internet of Things.

I have faith in Vaibhav and his decision to pursue higher studies at your institution. I am sure he will prove a great asset to your program for I have seen him function first hand and know he has the potential to succeed and hence I strongly recommend his candidature for admission to your university.

AP/PS/MK/PANELAV - FORMULATION/18510/2022-23

April 29, 2022

Mr. Nirmal Talwadi

11/ Nirman Society
Near Market Yard Nadiad Road
Kapadwanj 387620 GUJARAT
Mobile : 9[illegible]525168

Dear Mr. Talwadi,

This is with reference to your application and subsequent to the discussion you had with us. We take pleasure in informing you that you have been selected for the position of Trainee - Manufacturing in IBU Formulation Unit -I based at Panelav - Formulation on the following terms and conditions:-

1. This appointment is subject to your successfully clearing the B. PHARM qualification and subject to submission of a true copy of all final marksheets/degree certificates signifying successful completion.

2. You shall undergo training for a period of 6 months from the date of joining. The company however, shall have the right to extend or curtail the said period of 6 months subject to your performance. You shall continue as a trainee unless your status is changed to a probationer, through written communication.

3. Your compensation details are as per the attached Annexure - A.

4. During the period of your training the relationship shall be that of a master and a student. You shall therefore, be not considered as a regular employee of the company and shall not become entitled to the benefits or allowances which may become due to our regular employees.

5. The company will have the sole discretion of setting out your training program and for the purpose, you may be required to be posted from one shift to another or from one department to another, if the company is of the opinion that it is necessary for the purpose of your training.

6. The training may comprise of classroom sessions and on-the-job training in nominated departments of the company, and may include the assignment or independent work.

7. The company will review your training progress at regular intervals; for that purpose you may be given some trade tests, if desired.

Dean
Faculty of Pharmacy
Dharmsinh Desai University
Nadiad - 387 001. (INDIA)

8. You must show satisfactory periodical progress during the training period to avoid extension of training period or even termination. Your suitability for absorption will be determined on the basis of the evaluation of your performance and company's need, you may be absorbed in the company. The decision of the company regarding your suitability for absorption shall be final.

9. During this training period, your services will be liable to be terminated upon giving 1 month notice or 1 month basic salary in lieu of notice period, by either party.

10. During the period of training, you shall make every sincere endeavor to exert yourself to the best of your ability. You shall follow and give effects to all orders, instructions and guidance given to you by your superiors and shall abide by the organizational code of conduct.

11. During the period of your training with the company, you will devote your whole time and attention to your training and will not engage yourself directly or indirectly in any service, trade, profession, business or occupation.

12. The company will not be liable to pay any damage or compensation to you on account of any injury sustained or disability suffered during your training period.

13. In the event of your causing any damage to company property in the course of your training program or your losing or spoiling any tools or accessories given under your care or charge willfully or out of negligence, then in all such cases the company reserves its right to deduct from your stipend such amount/s as it deems appropriate.

14. During the period of your training, you shall comply with and abide by all rules and regulations as are in force on the date of your being taken up as a trainee and to all such other rules and regulations made or orders given thereafter.

15. Your placement in appropriate function and posting to any of the company's offices or divisions will be at the discretion of the company.

16. In the event of your being indulging in any acts or commission constituting misconduct, including but not limited to some physical contact and advances and / or a demand or request for sexual favour and /or verbally colored remarks/jokes, and /or showing pornography and / or any other physical, verbal or non-verbal conduct of a sexual nature, which will tantamount to an act of moral turpitude, you shall be dealt with appropriately.

APL/HRM/PANELAV - FORMULATION/19373/2022- 23

August 30, 2022

Mr. Kedar Dave

C - 99
Krishna dham Society Vasna Road
Vadodara 390007 GUJARAT

Dear Mr. Dave,

This is with reference to your application and subsequent to the discussion you had with us. We take pleasure in informing you that you have been selected for the position of **Trainee - Manufacturing** in IBU Formulation Unit I based at **Panelav - Formulation** on the following terms and conditions:-

1. This appointment is subject to your successfully clearing the B. PHARM qualification and subject to submission of a true copy of all final marksheets/degree certificates signifying successful completion.
2. You will undergo training for a period of 6 months from the date of joining. The company however, shall have the right to extend or curtail the said period of 6 months subject to your performance. You will continue as a trainee unless your status is changed to a probationer, through written communication.
3. Your compensation details are as per the attached Annexure - A.
4. During the period of your training the relationship shall be that of a master and a student. You shall, therefore, be not considered as a regular employee of the company and shall not become entitled to the benefits or allowances which may become due to our regular employees.
5. The company will have the sole discretion of setting out your training program and for the purpose, you may be required to be posted from one shift to another or from one department to another, if the company is of the opinion that it is necessary for the purpose of your training.
6. The training may comprise of classroom sessions and on-the-job training in nominated departments of the company, and may include the assignment or independent work.
7. The company will review your training progress at regular intervals; for that purpose you may be given some trade tests, if desired.

LETTER OF RECOMMENDATION

As an Associate Professor of Computer Engineering Department at Dharamsingh Desai University, Nadiad, I have had the pleasure of teaching Miss. Hetvi Desai during her Engineering studies and I am glad to recommend her for admission to your university. Under my guidance she has studied the courses of **Design and Analysis of Algorithm** and **Service Oriented Architecture**.

Hetvi, with her skilled technical abilities and a systematic practical approach towards course work exhibits a strong grasping ability which bespeaks of her academic excellence. Her enthusiasm driven by self-motivation used to enable her to take up challenging assignments and thus prove her mettle. Her assignments which were submitted always on time were in accordance to the standards set and sometimes even above them. Over the years of having known her, I have been a witness to her development and take pride in all her achievements.

She successfully completed her sixth semester project titled "**Hostel Management system**" using Restful Web Services and Programming language C# under my guidance. She even attended a seminar on "**Dark Web**" organized by CSI(Computer Society of India) to obtain knowledge about evolving technologies which was independent of her course curriculum. An avid learner, Hetvi' s interests cover a range of topics such as Artificial Intelligence, Database Systems, Data Mining and Network Security. She has also gained Oracle Certification OCA(Oracle Certified Associate) in Oracle 11g database administration.

In view of the above stated accomplishments, I can corroborate for her potential and competence, and hence strongly recommend her for admission to the graduate program at your university. Certain that she will make a valuable member of the student community there; I wish her all the best for her future undertakings.

Sincerely,

Prof. Prashant M Jadav
Associate Professor

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am gratified to recommend Mr. Mihirkumar N. Contractor who aspires to attend your master program in your esteemed university. I was his mentor and guided him in the software development project in 6th semester of his graduate degree in B.Tech. Computer Engineering at Dharmsinh Desai University, Nadiad.

I have supervised his third year project on Online NGO System (.NET website) in the subject of System Design Practice. During this I came to know about his practical knowledge and also his interests in learning new things and his efficiency in latest technologies. He is a keen learner, individually as well as in group.

Mihir has many facets to his personality, which includes brilliance in creative fields, like cultural and other co-curricular activities. He is a very confident, optimistic and hard working person. I am quite confident that he will come out with excellent performance in future endeavour.

Mihirkumar Contractor is worthy candidate and hence I strongly recommend him for admission into the masters in Computer Science programme at your esteemed university.

Sincerely,

Prof. Prashant M. Jadav
Associate Professor,
Department of Computer Engineering,

LETTER OF RECOMMENDATION

I am glad to recommend Ms. Rinku Patel, who aims to pursue graduate studies at your distinguished university. I have had copious time to analyse her as I have taught her subject "Image Processing" in 7th semester.

During lectures, it is always great to have her present. The way she performs in the laboratory sessions shows her eagerness to apply the things she learnt during the lectures. She is also very innovative and always comes up with different ways of solving problems. Moreover, as result of her intellectual ability, knowledge and proclivity she has secured an appreciable job at IBM pvt Ltd, Pune.

Rinku has done the corporate project of "Management information system for Housing project" under my guidance. Being the self-learner, she developed a project on "Opinion Mining: Extract opinion of a user based on the feedback comment written by them and rate the movie" using Spring framework. When I was supervising her project work on, I had always found her meticulous and methodical in her techniques with a keen interest to always try out something new. Though the project was too challenging for an undergraduate as it involves process of discovering patterns in large data sets - data mining, but due to her in-depth understanding of subject and programming skills she was able to develop a Satisfactory Project.

Academically, she has consistently maintained First class with distinction. In sum, considering her potency and thrust for research I think Rinku is strong candidate for your graduate program. I would heartily recommend that you accept Rinku for the program at your prestigious university and also request you to consider her for graduate assistantship. If further information is required about Rinku, feel free to contact me.

Thanking you,

Prof. P M Jadav

NAAC ACCREDITED

Letter of Recommendation

It gives me immense pleasure to introduce **Ms. Hemangiben Chovatia** a brilliant student of computer engineering at Dharmsinh Desai University. I have known her over a period of past 4 years as self-motivated and tenacious student. I had ample time to assess her as I was her subject teacher for Database system, compiler construction and Network & Information Security. During this time, I observed that she learns with a lot of clarity, has excellent grasp of concepts and always keeps her goals and aspirations in mind; hence it comes as no surprise that she has been very successful in her student career.

Hemangi's voracity for absorbing practical knowledge in her fields of studies is impressive. Her technical skills and capability to convert theoretical knowledge into practice speaks of her diligent nature. Moreover, **Hemangi** has been a responsive and highly intellectual student who has always made an attempt to make the class discussion more interesting by his unique questions and brilliant answers. She has impressed me with her determination and sincerity towards learning.

Not only in academics had **Hemangi** proved her excellence, but in extracurricular activities too during the cultural events held in the college. She is an excellent organizer and has exhibited admirable managing skills and presentation skills. **Hemangi** has unfailingly participated in seminars and workshop held in and out of the university, particularly dealing with construction practices to expand her knowledge and gain practical exposure in the field. In addition to these, her oral and written skills are notable and so are her communication and teamwork abilities. A take-charge person she handles her responsibility well and has sensitivity and concern for others. She is amiable and easy to work with and thus was a preferred group member. This was clearly visible during her group project.

Ms. Hemangiben Chovatia has maintained consistency throughout her academics. Considering her potential, keenness and zeal to further enhance her knowledge I wholeheartedly feel that she is a fit candidate for the graduate program at your acclaimed college. I strongly endorse her application for admission and I wish her success and a bright future at your institute for her post graduate program in Information Technology Business Analysis.

Sincerely,

Prof. Ashish K. Gor
Assistant professor(Computer Engineering)

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under Section 3 of the UGC Act, 1956)
Re-accredited by NAAC with 'A' grade (3.58/4) | Awarded Category - I by UGC
Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

PROVISIONAL ADMISSION LETTER

Date: 17.03.2022

SNAP ID : 220108634
Category : OPEN
GE-PIWAT ID : 22M3GG0402

Constituent : Symbiosis Centre for Management and Human Resource Development

Programme : Masters of Business Administration (MBA)

Dear MODI YASH MITESHKUMAR ,
Congratulations! We are pleased to inform you that you have been selected for admission to the two year full time **Masters of Business Administration (MBA)** programme for the batch 2022-2024 at **Symbiosis Centre for Management and Human Resource Development**.

As a constituent of the prestigious Symbiosis International (Deemed University) [SIU], we strive to provide you with a learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty is drawn from accomplished academics and practicing professionals with rich and varied experience.

Please note that this admission is provisional and will be confirmed on payment of fees **(As per Annexure I)** on or before **29-March-2022, 23.59 hrs**, subject to the fulfilment of eligibility conditions as mentioned in the Post-Graduate Studies Prospectus 2022-23 and in accordance with the Eligibility Rules of the Symbiosis International (Deemed University) as amended from time to time.

Your programme commences on Monday, 06th June 2022 and hostel registrations begin on Friday, 03rd June 2022. Please study the details given in the Post Graduate Studies Prospectus 2022-23 and the SCMHRD website. We are happy to provide shared hostel accommodation (as applicable) to students admitted to the programme. SIU reserves the right to change these dates in view of the uncertainties prevailing across the country on account of the Covid-19 pandemic or any other unavoidable circumstances.

Please bring all relevant self-attested/ original documents for submission on the day of commencement of your programme. In case of cancellation of provisional admission for any reason whatsoever, the SIU refund rules shall be applicable.

We look forward to having you amidst us. Welcome to Symbiosis!

With Best Wishes,

Dr. Pratima Sheorey

Director, Symbiosis Centre for Management and Human Resource Development

Annexure-1 to Offer Letter, Batch 2022-2024

Details of fees for the Master of Business Administration programme at Symbiosis Centre for Management and Human Resource Development as applicable for Batch 2022-2024 is as under:

Particulars	Year 1		Year 2	
	1st Installment (Amount in RS.)	2nd Installment (Amount in RS.)	3rd Installment (Amount in RS.)	4th Installment (Amount in RS.)
Academic Fees	5,17,000	5,17,000	5,17,000	5,17,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Three Sharing) *	38,300	38,300	**	**
Mess Fees	39,000	39,000	**	**
Total Fees	**6,29,300**	**5,94,300**		
Last Date for payment of Fees	**29-March-2022**	**25-Nov-2022**	**25-June-2023**	**25-Nov-2023**

Note: *
(i) Hostel fees could change, depending on the guidelines issued by UGC for the shared accommodation from time to time due to the COVID19 pandemic.
(ii) Hostel fees are subject to change in campus and accommodation type e.g. Single Sharing, Twin sharing, Triple Sharing, Four Sharing, and Dormitory. (The fees indicated herein are for Hinjewadi Campus)
** Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable. Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

For completion of formalities related to admission and payment of fees please login to https://siufinance.ishinfo.com/StudentAdmission and perform below steps:

1. (Go to **Admission** menu): Submission of Provisional Admission Form is mandatory before making payment of fees.

2. **Please make payment using any one of the payment modes mentioned below. Please do remember that you can generate your eReceipt from the 'Make Payment' menu on the portal.**

a. **Using Payment Gateway of SIU:**
Please login to the URL mentioned above and make an online payment using the payment gateway of SIU which you can access through various modes/options including Debit Cards and Credit Cards such as (Visa MasterCard, RuPay Credit Cards, Diners Credit Cards, American Express Credit Cards, Visa, MasterCard Debit + ATM Pin Debit Cards, RuPay Debit Cards), Internet Banking, Telco, Private Wallets & other Prepaid Cards, UPI based payments, Bharat QR. **Please note that a successful transaction will automatically get authenticated and an e-receipt can be generated immediately from the portal itself.**

b. **EFT (Online NEFT / RTGS):**
PLEASE REFER TO THE DETAILED INSTRUCTIONS ON THE PORTAL REGARDING EFT PAYMENT. **ENSURE THAT THESE INSTRUCTIONS ARE FOLLOWED STRICTLY SO THAT YOUR PAYMENTS ARE RECORDED EFFECTIVELY.**
Please login to the URL mentioned above and make payment of fees through EFT CHALLAN (Online NEFT / RTGS).
Step 1: Generate challan from portal.
Step 2: Add beneficiary using this challan and make payment/ you may go to bank for making payment using this challan if you do not have net banking facility. (For payment of subsequent instalments, ensure to generate new challan and follow step 1 and 2 each time)
Please note that validity of EFT challan is 2 calendar days from generating the challan, this challan is meant for single transaction and is not transferable as well. Do not round off the transfer amount even for the second decimal place.
Please don't update the payment details like UTR, transaction reference number etc. In case if you make online payment through payment gateway of SIU / EFT, otherwise amount will be refunded back automatically in your bank account through the system.

c. **Demand Draft:**
If it is not possible for you to pay your fees through an Online NEFT / RTGS or the payment gateway of SIU, you may submit a Demand Draft (DD) in favour of **'Director, Symbiosis Centre for Management & HRD',** Payable at **Pune.**
Please ensure that you write your Student Registration ID, Name and mobile number on the reverse of the DD (so that we may identify this fee payment against your name) and send it to Accounts Department of **Symbiosis Centre for Management & Human Resource Development** on below mentioned address:

Symbiosis Centre for Management & Human Resource Development,
Symbiosis Infotech Campus, Plot No. 15,
Rajiv Gandhi Infotech Park,
MIDC, Hinjawadi, Pune – 411057
Contact : 020-22944308.

Important to Note:
1. It is mandatory to update details of the DD on the URL mentioned above (Go to Make Payment menu). Institute will not be able to authenticate your payment unless the details are updated and DD is realized.
2. **Symbiosis Centre for Management & Human Resource Development** will not be responsible for late or non-receipt of DD due to postal / courier delays.

Important Instructions

1. You can generate eReceipt from 'Make Payment' menu.
2. Visit 'Apply for Bonafide Certificate' menu, incase if you wish to apply for bank loan.
3. Visit 'Apply for Cancellation' menu, in case if you wish to cancel your provisional admission.
4. Visit 'Apply for Transfer within SIU' menu in case if you wish to transfer your Provisional Admission.
5. **NO CHEQUE PAYMENT OR CASH DEPOSITS** will be accepted for payment of Fees. Please note that in case it is found that CASH is directly deposited in Bank Account of the Institute, such payment will not be considered towards confirmation of your provisional admission.
6. For payment of second and subsequent installments, a similar process is to be followed.
7. For Refund Rules of SIU, please visit https://siu.edu.in/pdf/Refund-Rules-of-the-University.pdf
8. For cancellation of admission, the last date of admission will be considered as one day prior to the date of commencement of programme as mentioned in the offer letter. This date will be used for the calculation of refund of fees (as per UGC directions).

Dear Applicant,

it is my pleasure to inform you that you have been admitted to the Master Degree Course in Electronics Engineering / Program Measurement & Instrumentation, at Hochschule Bremen (University of Applied Sciences) for entry in fall 2022.

Please, let me know as soon as possible, at the latest by June 15th, 2022, whether you will accept this offer (use form enclosed). The acceptance is valid only if accompanied by documentation of payment of the first rate of the service fee: 1000 Euro (one thousand).

Important: Do not forget to add your invoice number!

I should point out that this offer for admission to Hochschule Bremen can be withdrawn at any time, if you provide false information.

When you enrol at Hochschule Bremen, you will have to present the originals of the following documents:

1. Residence permit/visa for study purposes at Hochschule Bremen
2. Original document of your first degree (Bachelor/Diploma)
3. Proof of English proficiency (TOEFL or equivalent).

Regular classes are scheduled to start Monday, October 17th. There will be an introductory and welcome meeting prior to that. You will receive detailed information later.

Please note that study regulations may be subject to change.

Hochschule Bremen
City University of Applied Sciences

Attention:

- This letter enables you to apply for your visa. Please take the necessary steps as soon as possible. The visa procedure may take several months.
- Should you withdraw your acceptance of admission for any reason, we would be very grateful to you for informing us immediately, for this will allow an applicant on the waiting list to study in Bremen.

In case of further questions, please do not hesitate to contact us.
We look forward to welcome you in Bremen!

With best regards,

Master Degree Course in Electronics Engineering –
Statement of costs

The Master Degree Course in Electronics Engineering offered by the Faculty of Electrical Engineering and Computer Science, Hochschule Bremen, is subject to service fees. The length of studies is three semesters.

The total sum of the **fees** for the entire course (three semesters) amounts to

Euro 1700 (one thousand seven hundred).

Terms of payment:

1. **Upon acceptance of admission** the first rate of Euro 1000 (one thousand) is transferred.
2. **Upon registration** the remaining sum, i.e. Euro 700 (seven hundred) has to be payed.
3. **From the second semester** on you have to pay app. 374 Euro registration fees to the University. That allows you to use public transport in town and the facilities in the University.

The **living expenses** are around Euro 700.- (seven hundred) per month.

Requirement for visa application is evidence a students blocked account ("Sperrkonto") in Germany in the name of the applicant showing a minimum balance of Euro 10236,- (ten thousand two hundred thirty six) and the remark that the account holder can dispose of a monthly amount of EURO 853,- (eight hundred fifty three).

General information and the form for opening a blocked account can be downloaded from the Deutsche Bank website:

https://www.deutsche-bank.de/pfb/content/pk-konto-und-karte-international-students.html

The decision to go abroad always means breaking new ground and facing the unknown.

Therefore, living and studying in a foreign country is an exciting thing to do - apart from being important for your future career and personal development.
However, it means organisational and administrative work at the same time:
applying for a visa, finding a flat, opening a bank account, getting enrolled.
As a master student at Bremen University of Applied Sciences, you don't have to worry, we will help you with all applications and administrative procedures.

The **I**nternational **S**tudent **A**ssistance (ISA) takes care of you. You can come here without substantial troubles being able to fully concentrate on your study:

We ....

- support you from the very start, being there for you by phone or email to answer all the questions you have about your future stay
- deal with all formalities necessary to get you enrolled at the Hochschule Bremen and registered in Bremen. If you are not an EU-student, we assist you with your visa application
- accommodation: we will provide you with a list of private and commercial housing providers. You are welcome to ask for more information
- pick-up service! We will pick you up from the airport, bus or train station. Thus, you won't have to find your way in an unknown city. Please inform us about your arrival details, day – place – time, in advance
- we will assist you in opening a bank account, applying for health insurance, your city registration, tax number, social ID ...
- offer a tutor service
- give you the opportunity to benefit from an exciting cultural programme
- and more...

Please contact: **International Student Assistance (ISA)**

Az. SSC/ Admission procedure winter semester 2022/23
Darmstadt, 11 May 2022

Letter of acceptance to study at Hochschule Darmstadt – winter semester 2022/23
Your application no: **K2220890**

Dear Bhavinkumar Prajapati,

I am pleased to inform you that your admission to Hochschule Darmstadt has been granted.

Degree:	Master of Science
Study program:	Electrical Engineering and Information Technology –International
Language:	English
Place of Study:	Campus Darmstadt (classroom teaching)
Beginning of the semester:	01. September 2022
Enrolment:	**Via E-Mail until 31. August 2022**

Please send the following documents for the enrolment by e-mail to this address:
einschreibung-international-master@h-da.de
Please send us these documents in **PDF format** only and **name the files accordingly.**

The following documents are required for enrolment at Hochschule Darmstadt:

- This letter of acceptance
- The completed application form for enrolment
- Your original Bachelor Degree
- Your original proof of language skills (Score Report – minimum score TOEFL- 88; IELTS 6,5)
- Proof of health insurance
- Your passport
- A copy of your school-leaving certificate
- Proof of study times in your home country or other foreign country
- If you already studied in Germany, proof of study times (semester) and name of the university

For details on the required documents and required templates, please check:
https://mse.h-da.de/admission/enrolment
Enrolment cannot take place without the presentation of above stated documents.

Yours Sincerely,
Student Service Center

This letter is automatically generated and is therefore also valid without a signature.
This letter of acceptance is valid for winter semester 2022/23 only.

HOCHSCHULE DARMSTADT
UNIVERSITY OF APPLIED SCIENCES

Az. SSC/Zulassungsverfahren Wintersemester 2022/23
Darmstadt, 11.05.2022

Zulassungsbescheid – Bewerbernummer: K2220890

Guten Tag Bhavinkumar Prajapati,

wir freuen uns, dass wir Ihnen die Zulassung zum Studium an der Hochschule Darmstadt erteilen können.

Studienabschluss:	Master of Science
Studiengang:	Electrical Engineering and Information Technology International
Sprache:	Englisch
Studienort:	Campus Darmstadt (Präsenzunterricht)
Semesterbeginn:	01. September 2022
Immatrikulationstermine:	**per E-Mail bis spätestens 31. August 2022**

Für die Immatrikulation senden Sie bitte die nachfolgenden Unterlagen per E-Mail an folgende Adresse:
einschreibung-international-master@h-da.de
Diese Dokumente senden Sie uns bitte nur in **PDF-Format** zu und **benennen diese entsprechend.**

Zur Immatrikulation sind vorzulegen:

- dieser Zulassungsbescheid
- Antrag auf Immatrikulation
- Ihr Bachelor oder Diplom-Zeugnis im Original
- Nachweis über die bestandene englische Sprachprüfung im Original (TOEFL 88, IELTS 6,5)
- Nachweis einer Krankenversicherung
- der gültige Personalausweis oder Reisepass
- Eine einfache Kopie Ihrer Hochschulzugangsberechtigung (Abitur)
- Nachweis aller Studienzeiten im Ausland
- Falls Sie bereits in Deutschland studiert haben: Nachweis aller Studienzeiten in Deutschland, Name der besuchten Hochschule/n mit Angabe der Hochschul- und Urlaubssemester.

Einzelheiten zu den erforderlichen Dokumenten und Vorlagen finden Sie unter:
https://mse.h-da.de/admission/enrolment
Ohne die oben aufgeführten Nachweise kann die Immatrikulation nicht erfolgen.

Freundliche Grüße,
Student Service Center

Dieser Bescheid ist maschinell erstellt und daher auch ohne Unterschrift gültig.
Dieser Zulassungsbescheid ist nur für das Wintersemester 2022/23 gültig.

Lambton College

LETTER OF ACCEPTANCE - Mississauga

PERSONAL INFORMATION **Date:** 2020/10/05

1. Family name: Patel	**6. Student's full mailing address:** 35, Satyam Row House, B/H Palanpur Jakatnaka Palgam Rd Surat City Gujarat India 395009
2. Given name(s): Sanket Dineshbhai	
3. Date of birth (yyyy/mm/dd): 1998/02/27	
4. Student ID number: C0805903	
5. CAQ: N/A	

INSTITUTIONAL INFORMATION

7. Full name of institution: Lambton College at Queen's College of Business, Technology and Public Safety		**8. Designated learning institution number:** (DLI) O – 19305293332	
9. Address of institution:			
P.O. Box: N/A	Street No: 121	Street Name: Brunel Road	
City: Mississauga	Province: Ontario	Postal Code: L4Z 3E9

13. Website: www.lambtoncollege.ca/mis		**14. Email:** international@lambtoncollege.ca	
15. Name of contact Francesca Policicchio	**Position** Student Services	**Telephone number** 905-890-7833	**Extension** 222
16. Name of alternate contact Manisha Modi	**Position** Manager of Registration	**Telephone number** 905-890-7833	**Extension** 223

PROGRAM INFORMATION

17. Academic Status Full-Time		**18. Field/Program of study** Wireless Networking
19. Level of study Post Graduate	**20. Type of training program** Academic	**21. Exchange program** No
22. Estimated tuition fee for the first academic year (see note in box 28) Annual Student Fees: 16,760.00 First Semester Fee Due Date: 2020/09/18 Payment Code: 244462		
23. Scholarship/Teaching assistantship/Other financial aid: Not applicable		**24. Co-op/Internship/Work Practicum** Yes (Work Permit Required-Open)
25. Conditions of acceptance specified as clearly as possible:		
26. Length of program(yyyy/mm/dd) Start date: 2021/01/18 Completion date: 2022/09/02		**27. Expiration of Letter of Acceptance** 2021/01/22
28. Other relevant information: This program is located at Lambton College in Mississauga (Queen's College campus). Tuition fees in Box 22 are only for the first two semesters and are subject to change.		

Sincerely,

Hanna Eroglu, Associate Dean, International Education

Name: PATEL, SANKET
Student#: C0805903
Program: Wireless Networking - WNEM
Location: Mississauga

To hold your seat, a pre-payment of **$8,710.00 Canadian Dollars** must be received by the **"First Semester Fee Due Date"**. In order to process your payment, visit **www.lambtoncollege.ca/SecurePay**, and use the payment code found in box 22.

ESTIMATED ANNUAL LIVING EXPENSES	
Accommodation and Food @ $600.00/month	$7,200.00
Transportation @ $145.00/month	$1,740.00
Books and Supplies $1,500.00	$1,500.00
Miscellaneous @ $100.00/month	$1,200.00
Total Living Expenses	**$11,640.00**

ESTIMATED ANNUAL SCHOOL FEES	
Tuition	$15,700.00
Ancillary/Student Fees	$400.00
Student Health Insurance	$660.00
Total School Fees	**$16,760.00**

IMPORTANT INFORMATION
Refer to www.lambtoncollege.ca/International for arrival, orientation, refund and withdrawal information.

This acceptance is for Lambton College in Mississauga (www.lambtoncollege.ca/mis). By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Mississauga Applicants PDF. If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment.Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review https://www.lambtoncollege.ca/Programs/International/Lambton_in_Mississauga/Co-op_Career_Services/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Academic scheduling in certain programs may include Saturday classes.

Students must follow their prescribed program map and academic schedule. Students are required to withdraw if their prescribed program map and/or academic schedule is not followed. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of $600.

Please contact international@lambtoncollege.ca if you require this document in an accessible format.

LETTER OF RECOMMENDATION

I, Prof. Apurva Mehta, hereby introduce my student, Miss. Hariti Sanchaniya. I am very proud to support my student for admission to the graduate program at your university. I have known her for 3 years and I can say that she voluntarily engaged herself in learning things beforehand. For this eagerness and initiative, she often came to seek my guidance.

During the 4th semester and 7th semester, I taught her Discrete Mathematics and Knowledge Discovery and Artificial Intelligence respectively. Her rigorous efforts shine in her examination results. she was good at understanding the concepts of Set Theory, Graph Theory, Trees along with concepts of Combinatorics. She has grasped logical and numerical concepts thoroughly. In Knowledge Discovery and Artificial Intelligence, she has assimilated the concepts of data pre-processing, mining and analysis, knowledge representation, heuristic search and game playing. Hariti is a student who believes in making full of her time. She participated in CODEVITA a coding competition organized by TCS and ranked 1001st amongst around 1000000 competitors. She also did certification of Linux, PHP, and MYSQL offered by IIT Bombay.

In her 4th semester, she also developed an online banking system(web) from which user can register online, do fund transfer, add or remove a beneficiary, keep record about the loan and also integrated mail server for confirmation. She used technologies and languages like PHP, HTML, CSS, WAMP server, MYSQL to build this web-application. Thus, I can say that she very well understands the application of particular subject in various domains.

Apart from the college curriculum, she also was a member of the Computer Society of India and participated in different competition and seminars organized by it.

Having been so impressed with Hariti's work, I inclined to think that she is a worthy candidate for pursuing graduate studies at your esteemed university. She has competent technical skills and very focused and determined towards her goals. I believe she will excel and prove her potential at your university in all ways and on various occasions. I recommend her strongly.

Prof. Apurva A. Mehta,
Assistant Professor,
Department of Computer Engineering,
Faculty of Technology,
Dharmsinh Desai University
apurvamehta.ce@ddu.ac.in

LETTER OF RECOMMENDATION

It gives me immense pleasure to recommend Ms. Jainisha Mithani for Master's program at your esteemed university. Over the last seven years of my teaching experience, I have taught more than thousand students, coming from varied backgrounds and possessing a wide spectrum of talents, abilities and personality traits. I would place Jainisha as one of my top performing students. She has been my student for 3 years between 2012 and 2015. I have taught her various subjects during this period, including 'Data Structure & Algorithm, Discrete Mathematics, Computer Organization, Artificial Intelligence ' .

Jainisha, presented a project titled 'Online Eatery System' during 4th semester as a part of her academic curriculum under my guidance. The Project was about developing an online food order and delivery platform. During this project, I had an opportunity to closely observe Jainisha's strengths and my strong recommendation is also based on her performance during this project.

Jainisha is a sincere and hard-working student with unparalleled self-drive to excel in her chosen field of studies. Her ability to ask the right questions and conduct her own research and studies out of the class room, not only helped facilitate enriching discussions in the class but also reflected her potential for research.

I have confidence that Jainisha will prove to be a valuable member of your renowned Institute, bringing her perspective to her peers in class. She brings the rare combination of energy, skill and determination tempered by understanding and patience that can also benefit other students in your Institute. Jainisha also possesses outstanding knowledge of her subject, and is both willing and capable to accept the demands of Master level study. I highly recommend Jainisha without reservation as a candidate for admission to your program.

Thanking You,

Prof. Apurva A. Mehta
Assistant Professor
Dharmsinh Desai University,

NAAC ACCREDITED

Letter of Recommendation

I am pleased to offer this letter of recommendation for Mr. Jaydeep Chauhan, who has applied for admission to Master in Computer Science program at your prestigious University. He has successfully undertaken the subjects of Discrete Mathematics and Artificial Intelligence under my guidance during the course of his 4th and 7th semester respectively.

Throughout my tenure of interaction with Jaydeep, I have had the opportunity to assess his overall academic performance as well as his general temperament. He has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in his cumulative grades. He has always completed the tasks and assignments in given time with utmost diligence and has shown extreme politeness in his conduct. I was impressed with his attentiveness and ability to come up with pertinent queries during class discussions.

Jaydeep in his sophomore year undertook a project named "InfoCrawl" using PHP managed databases in MySQL under my guidance. The project was small crawler based search engine, which crawled some small portion of web to fetch available web pages and indexed them to identify the keywords and expression. Then based on query, relevancy was calculated for each web site based on algorithm and result was displayed based on descending order of relevance score. The accuracy of the search engine was good and it showed good results.

His exuberance was not only limited to academics. I have been informed that he actively participated in most of the cultural and sports events conducted within university. I am also impressed with his role in society by participating in Blood Donation camps organized in the college.

To conclude, Jaydeep is deeply interested in Artificial Intelligence and to gain further knowledge, he did an online certification course on Machine Learning and Deep learning by Professor Andrew ng from coursera. He has always embodied utmost commitment and passion for academics as well as extracurricular aspects of college life. Hence, I enthusiastically recommend him for a graduate program of study with possible financial assistance, and reiterate his strong candidature.

Apurva A Mehta
Assistant Professor,
Department of Computer Engineering,
D D University.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

It is my pleasure to recommend Mr. Kamal Andani for Master's program at your esteemed University. I, as a professor, have known Kamal for last three years, and he has been an impressive student who is well equipped to undertake higher education.

I have taught him the subjects of Discrete Mathematics in 4th semester and Artificial Intelligence in 7th semester of computer engineering. I was also his lab instructor for the same subjects and thus, I am well aware of his strong technical skills. His performance and diligence in laboratory sessions is admirable. He has always submitted good quality work on time, and enthusiastically attended lectures. He has been very attentive and interactive during lectures. His inquisitiveness showed in the intriguing queries posed by him, thus revealing creative mind.

In 4th semester, Kamal worked on a project named "Restaurant Automation System" in a group of three students under my supervision. It was during this period of interaction that I got to know about his strengths and skills. The purpose of the project was to build a platform which allows customers to order food items and track their orders. I was immensely impressed with design of the web-application and the functionalities that were provided. The website also allowed customers to book a table with specific date and time. In addition to that restaurant owner could manage food items and inventory of items was maintained automatically by the system. The web-application was built mainly using PHP, HTML and JavaScript, and for designing purpose CSS and Bootstrap were also used. MySQL was used in the backend for database management. Furthermore, he also used database normalization concepts for redundancy reduction of data and thus fetching results more efficiently from the database. This instance shows his ability to use theoretical knowledge in practical scenario.

Since, I have observed his meticulousness and dedication in the assigned work, I feel confident that further studies at your esteemed university will see his emergence as prominent student. I strongly recommend him for admission to your Master's program with necessary assistantship or aid that you can provide. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

Prof. Apurva A. Mehta,
Assistant Professor,
Faculty of Technology – Computer Engineering Department,
Dharmsinh Desai University,
Nadiad, Gujarat, India.

NAAC ACCREDITED

Recommendation Letter

As Professor of department of Computer Engineering, I am regularly requested to pen down recommendation letters for all my aspiring students. I am happy to comply with the request for Ms. Vaibhavi Shah among my motivated and productive students of bachelor's of Computer Engineering. I make this statement having observed her good academic foundation, mathematical base, inherent interest to learn new technologies along with ability to put in long hours of concentrated work to achieve end results. Her distinction grades in 5th semester reflect her capability to achieve whatever she sets her mind to. All of this reflects her inclination and aptitude for higher studies.

Under my tutelage, she undertook a project using PHP on "Online Movie Rating System" in 4th semester.She displayed her familiarity and comfort at using number of different operating systems, platforms, languages and tools and concepts to develop her work. I have appreciated her ability to follow prescribed methodology of work which requires great patience and skill and enabled her to achieve end results.

Being an eager and willing learner, she took initiative in accepting additional class assignments and projects. Her good fundamental base enabled her to grasp core of subject matter quickly. She has attended my classes on Discrete Mathematics in 4th semester and Artificial Intelligence in 7th semester. I have also guided her with practical laboratory sessions on Data Structure and AlgorIthms in 3rd semester and Discrete Mathematics in 4th semester.

I am aware of her fascination and leaning towards Big Data and Artificial Intelligence based on her participation during lectures and laboratory sessions. She realizes what a vast and challenging field this is and its importance to keep abreast of current advances and latest developments in the field.

There is certainly more to Vaibhavi. A specialized masters program will bring out the best from her and help her to achieve her long term academic and professional goals. Thus, she has my sincere recommendation for admission to master's program at your esteemed university.

Prof Apurva A. Mehta
Assistant Professor
CE Dept., D D University

NAAC ACCREDITED

Letter of Recommendation

I write to strongly recommend Ms. Namrata Ajmeri at your esteemed University who was my student for around two years. I taught her "Database System", "Network Information Security" and "Compiler Construction" in 5th, 6th and 7th semester respectively. During this period I had a chance to closely observe her abilities and skills.

Building strong conceptual understanding always remained her priority. She used to dig deep into the subject. She was regular, diligent and attentive during her lectures and practical sessions. Namrata has acquired strong grasp over the fundamentals of the subjects and possess admirable problem solving skills. In the subject of "Network Security" she implemented programs on RSA Algorithm, Data Encryption standard, key generation for Data Encryption standard, Hill Cipher and ECC algorithm without any aid or assistance which clearly demonstrates her excellent logical thinking ability, problem solving adeptness and understanding towards the subject. She secured grade 8out of 10 in the subject of "Database System" which elicits her grip over the subject. Namrata is sincere and hardworking and possess courage to take up pretty daunting assignments. Her eagerness in learning new topics and curiosity in asking questions is praiseworthy. She has a practice of researching multiple approaches towards solving a problem even if there is already one. Her inquisitiveness has motivated her to yearn for advanced studies abroad.

Apart from scoring well in her academics she participated in several coding competitions at university level to challenge herself. Also, she took part in multifarious technical and non-technical activities during cultural festival occurring every year at our university.

She stood amongst the good students in the class which depicts her dedication, determination and ambitiousness. Considering her diligence, intelligence, ambitiousness and research potential, I strongly recommend Namrata for higher studies at your prestigious university and would also recommend for scholarship in any form. I can surely say that she would be an asset to your university and would definitely perform excellently in her field. I wish Namrata good luck for her studies and all her future endeavours.

NAAC ACCREDITED

Letter of Recommendation

I would like to recommend Ms. Rutviben Jaysukhbhai Malaviya, who is applying for Masters in Computer Science at your esteemed university. I have known her since last two years during which I taught her the subjects of Network and Information Security (NIS) in sixth semester and Compiler Construction (CC) in seventh semester as a class and lab instructor in both the subjects.

My acquaintance with her during her under-graduate program, has given me an opportunity to judge her capabilities. She is a student with strong logical and intuitive thinking abilities and has a positive learning attitude. Apart from being technically sound, she has also been actively involved in non-technical events organized at our college.

Rutvi is a focused and career driven person. She gives her full concentration and dedication to complete the tasks assigned to her. Her performance in NIS and CC shows these qualities. She is very attentive during lectures and her performance during lab is also laudable. She has shown great interest in the subject of Network and Information Security and is well versed with the concepts like cipher algorithms and web security. She implemented the algorithms related to cryptography and steganography during the lab sessions which shows her ability to put the acquired knowledge to practical implementation. Given all these, she was able to achieve 'AA (10/10)' grade in NIS. Also her performance in Compiler Construction has been appreciable where she has worked with LEX and YACC tools to implement parsing related tasks.

Considering her acumen, tenacity and diligence, I believe that she will achieve great heights in her field of interest. In view of the above, I strongly recommend Rutvi Malaviya for the Masters program in your esteemed University. I believe that she will be a great asset to your program.

Prof. Ashish K. Gor

Letter of Recommendation

This letter of recommendation is for one of my multifaceted, creative and ambitious student, Ms. Aditi Dandekar. She has made a lasting impression on me with her technical acumen, ability to delve deeper and understand subject from its core and furnish superior quality of work. This has been ably complemented with her dedication and discipline towards her chosen subjects. These qualities have helped her to excel in whatever she undertook. I have known her closely during her four years of studies of bachelor's of Computer Engineering.

In class, she was a joy to teach. I make this statement as she was widely read and well updated with current advances and latest developments in the field. Therefore, I always looked forward to her valuable ideas and inputs which added depth to class discussions and debates. Her arguments were practical and well thought of and backed by her logical reasoning and thinking. Her pertinent questions in class arose from her strong fundamental base to grasp crux of subject. I have observed this in her first hand during my classes on Operating Systems (theory and laboratory sessions) in 5th semester, Object Oriented Software Engineering (theory and laboratory sessions) in 6th semester and Knowledge Discovery (theory and laboratory sessions) in 7th semester.

I have been Aditi's mentor for projects on Online Movie Ticket Booking System in 5th semester and Mail System in 6th semester. The former project's objective was to develop an application similar to 'Book My Show' through which customers can choose movie, theatre, timing and seat from top view of the theatre while booking the tickets. ASP.NET language and Visual Studio IDE were used in its development. The aim of Mail System project was to develop cross platform mailing system using RESTful web services in Java. The end user applications are built in Java and ASP.NET technology. Aditi along with her team mate hosted the web services on Digital Ocean cloud. During this, I have seen her amalgamate and cohesively work in sync with other team members. Her fine rapport and excellent interpersonal and team skills enabled her to present, assert and get work done from her team members.

As a committee member, of Computer Society of India from 2015-2017 at our college, she was regularly updated with new emerging trends and technologies. It also facilitated with organizing various workshops and seminars for students on topics like Internet of Things, Graphic Design and Hacking. She achieved valuable experience while working as back end in organization of these workshops and seminars. This evolved her interest towards subjects of Artificial Intelligence and Machine Learning.

All of this can only come from an individual who has an innate passion for the field. I certainly believe there is more to Aditi and her best is yet to come. Therefore, I extend my support and sincerely recommend her admission for master's program at your premier institute.

Letter of Recommendation

Brijesh Makwana is known to me for past two years as an undergraduate student in the Computer Engineering Department of Dharmsinh Desai University, Nadiad to pursue his Bachelor's program.

I offered him course knowledge discovery in sem VII and Object oriented software Engg. In sem VI. I found him to be quick at assimilating new concepts and most importantly innovative in his approach, trait desired in a prospective research graduate. He has the ability to explain, communicate and put across his ideas in a lucid way. He has also consistently maintained good score in his academics.

In the end, I would like to reiterate that Brijesh Makwana is a highly motivated student who always exhibited a sincere commitment in excelling in his concerned field. Considering all his above mentioned qualities and capabilities, I strongly recommend him for admission into the coveted graduate program at your University.

LETTER OF RECOMMENDATION

I would like to recommend Ms. Helisha Sangani, who is applying for Masters in Computer Science program at your esteemed university. I have known her since last three years during which I taught her the subjects of Software Engineering, Object Oriented Software Engineering, Operating Systems and Knowledge Discovery.

Throughout my tenure of interaction with Helisha, I have had the opportunity to assess her overall academic performance as well as her general temperament. She has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in her cumulative grades. She has always completed the tasks and assignments in given time with utmost diligence and shown extreme politeness in her conduct. I was impressed with her attentiveness and ability to come up with pertinent queries during class discussions.

During her fourth semester, I supervised her project on 'Online blood bank management system' using PHP and managed database in MySQL. The project was allocated to a team of 5 students with an objective to develop a system which could ease the burden of blood bank manager to manage blood stokes and other data. The project was intended to help blood bank manager to manage their stock of blood as well as it provides the functionalities to manage blood reports of the donor. The system was capable of managing staff at the blood bank and other resources like bed, medical instruments and other things which are needed. It could also provide previous data through a simple User interface. Helisha and her teammates were able to complete the project successfully within the stipulated time frame.

Considering her acumen, performance and diligence, I strongly recommend Helisha Sangani for the Master's program in your University with all the possible financial assistance. I am confident that she will be a great asset to your program. I wish her all the best for her future endeavors.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am pleased to recommend Ms. Jahnavi Soni for the graduate program at your prestigious university. I have known Jahnavi for the past 2 years and taught her the subjects of Operating Systems and Knowledge Discovery under my tutelage.

Throughout my tenure of interaction with Jahnavi, I had the opportunity to assess her over-all academic performance as well as her general temperament. She has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in her cumulative grades. She has always completed the tasks and the assignments in given time with utmost diligence and has shown extreme politeness in her conduct. I was impressed by her attentiveness and ability to come up with pertinent queries during class discussion.

Jahnavi has strong sense of team spirit which was showcased when she was part of a team which undertook the project titled "Railway Reservation System" in December 2016. The project was aimed at providing user friendly portal which provided the users to book their railway tickets. Jahnavi managed the SQL database in that project. She was constantly in sync with the latest developments in the industry which was evident from the work done in the project.

Apart from the regular course work, Jahnavi has expanded her interest and knowledge in various languages by undertaking various certified online courses on Udemy such as 'Basics of Java' and 'Basics of Asp.net'. She approached me to discuss the concepts and techniques mentioned in the courses and have sought ways to implement them in real life scenarios. It is through these interactions that I learned about Jahnavi's desire to pursue a Masters in Computer Science.

Taking into consideration the above mentioned qualities and keeping her overall performance in perspective, I recommend Jahnavi Soni for the Master's program at your University.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

My interaction with Khushboo Oza began since the 5th semester as her faculty for Operating System. I had the pleasure of teaching in several classes and got to know her quite well. I taught her Service Oriented Architecture and Object Oriented Software Engineering during 6th semester. I have had an opportunity to access Khushboo's academic performance in these subjects along with laboratory and also her caliber in numerous class interactions, practical projects and assignments.

Khushboo has a grit and determination to develop a strong knowledge base. She is able to accommodate complex concepts and has developed strong grip over the subject matter. She is also very punctilious and consistently submits elaborative assignments on time. During class discussions she stands out among her peers for her coherent views and suggestions. I count Khushboo among those students, who aim to excel by constant enhancing their learning.

She was very keen to learn about various web services and in Software Engineering, she was particularly interested in the Design, Coding and Testing phases and showed great understanding of summarizing data (principal component analysis and clustering). Operating Systems used to amaze her as how memory management, CPU Scheduling, Context switching, etc. is done and used to come up with variety of doubt based on her own external search on the subjects.

Khushboo's communication skills and explanatory power are other impressive traits. I could see these skills of her when she made and presented a project on Hospital Management System in 5th semester. In the project, the system provided various UML diagrams and Software Requirement Analysis along with the use of proposed system and an entire study of feasibility. After the feasibility study, Khushboo developed the system keeping in mind the requirements and specifications and various test cases for the system.

Knowing her for last 3 years, it is my conviction that Khushboo will prove to be an asset to your Institute. On this note I request you to consider his application to the program that she so desires, I am certain that she will excel.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

This letter has been written on request of Miss. Kinjal Dhimmar who had been a student of Dharmsinh Desai Institute of Technology under the university – Dharmsinh Desai University, while doing her Bachelor's degree in computer engineering. I have taught her the subjects of 'Operating System', 'Service Oriented Architecture' and 'Object oriented software engineering'.

Throughout my tenure of interaction with Kinjal, I have had opportunity to assess her overall academic performance. She has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in her cumulative grades. She has always completed the tasks and assignments in given time with utmost diligence and has shown extreme politeness in her conduct. She has proved to be capable and motivated student. She is an intelligent student with great amount of sincerity and dedication to work. She has impressive logical thinking abilities and good problem solving skills. She is a good learner and has good decision making ability.

Her exuberance was not only limited to curricular, she attended different seminars also. She is willing to put extra efforts to update herself on the latest development and technologies. She participated in the 12 days workshop of Arduino & Raspberry Pi, which was part of Technology Based Entrepreneurship Development program conducted in our college during summer vacation.

Considering her skills and intelligence, I truly believe she will scale the highest peak in her interested field and she deserves admission for the masters program in your institution. I recommend her to your esteemed university for Masters Program and wish her all the best in her future endeavors.

LETTER OF RECOMMENDATION

I feel enormous pleasure in recommending Mr. Kishan Ghelani, an aspiring student of mine, who is seeking to pursue his higher studies at your revered university. I have known him as an earnest and hard-working student and have taught him the subjects of 'Software Engineering', 'Object-Oriented Software Engineering', 'Operating System' and 'Knowledge Discovery'.

During the 5th semester of his curriculum, my interaction with Kishan while guiding his project titled 'Restaurant Automation System' provided me with an opportunity to assess his capabilities more closely. This project aimed to transfer traditional reservation and order taking system into a digital one and to make restaurant management more effective using this software. Admin and client sides were made using an ASP.NET framework and C# language. Different CRUD operations were handled using a MySQL database.He also did documentation of this project which included System requirements specification, database design and UML diagrams to get the gist of how applications are made in a real industry. Moreover, he developed a RESTFUL web service for the same project to understand the concepts of Service Oriented Architecture. In this project, he performed serialization between JAVA and ASP.NET. He also used a cloud to create and handle his database.

During my teachings and laboratory sessions, he generally came up with intelligent questions, which reflected his propensity to delve deeper into the understanding of subjects, curiosity for research and quest for knowledge. He has a profound knowledge of core concepts of 'Object-Oriented Software Engineering' and 'Software Engineering' and even he applied these concepts while doing his project. I have been greatly impressed by his coding ability. He is a student who is eager to grasp anything new in his field, which showed me his penchant for keeping himself updated about latest developments in the field.

His extraordinary laboratory and project work always made me take an interest in boosting his knowledge. I am confident that Mr. Kishan Ghelani is sound in each of the stated disciplines and is capable of finely undertaking higher education in it. He is a sincere, well mannered, analytical and articulate student. I strongly recommend Mr. Kishan Ghelani for admission at your esteemed University, and I am sure that he will prove out to be a great asset to your program.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

The first impression that one forms of **Mr. Shail Shah** is that, of a person gifted with technical soundness and intelligence to put it to optimum use. I have known him in my capacity as his Professor for more than 2 years now during which, I taught him some courses like Software Engineering, Object Oriented Software Engineering and Knowledge Discovery in 5th, 6th and 7th semesters respectively. Even in such a short period of time, I understood that his ability to combine intelligence with imagination makes him good in all things practically. He is always advisable as a good student for Masters in Computer Science at your esteemed university.

Throughout his course of study, in his Software Engineering subject, he always tried to make system level diagrams simpler which helps to understand complicated system in an easy manner. Making things simpler made him remember the subject for a longer period of time. Even in the subject of Knowledge Discovery, he could easily relate things with real life and clears his concepts of mining Frequent Patterns, Mining Multimedia, Graph Mining, etc.

He showed his interest in Object Oriented Software Engineering by building a website titled "Online Car Rental" and performed different testing on the website and even by creating a well-formed SRS (System Requirement Specification) Document. He also designed all the UML Diagrams for the system which gives an insight of the application which are built in Multinational Corporation.

In addition to the courses that Shail had taken, he was very active outside the classroom, participating in extracurricular activities and pursuing new experiences in order to push himself and broaden his horizons. He took some time to travel by himself, an experience which, although at times difficult, ultimately made him much more independent and a confident person. He is now more comfortable adapting to new situations and interacting with people who are different from him, qualities which will be tremendously useful to him in his higher studies.

In a nutshell, he is highly motivated and proactive at learning new skills and experiencing new things and he also understood the importance of service and helping those in need. This is precisely why he has decided to continue challenging himself by studying for a master's degree and hence, I strongly recommend him for admission at your esteemed university.

NAAC ACCREDITED

Letter of Recommendation

I am happy to be penning down this letter of recommendation for my creative, versatile and dynamic student, Ms. Vaibhavi Shah. Her sound performance of various fronts speaks volumes of her caliber. This easily makes her one of my best students of bachelors of Computer Engineering. Her technical proficiency supported by her strong mathematical base enabled her to quickly absorb new concepts, theories and principle with ease. Through my personal observations and having evaluated the wide array of academic and developmental work I can say that her work has been significant and outstanding and she has the potential to reach greater heights.

I have been Vaibhavi's project guide for Online Food Ordering System in 5th semester in Software Engineering. She worked diligently and with sincerity to accomplish her project. Adept with sound knowledge on the subject, she multitasked working on critical and challenging aspects of the subject. She delegated individual responsibilities to team members based on their knowledge and skills and thus derived optimum results. She used her fluent communication skills to present, assert and get work done from her team members. Her analytical thinking enabled her to think from several different angles and suggest suitable options as solutions on hand. To dwell on a subject and provide her innovative insights is a habit with her and was evident in her work. These qualities made her stand out from other team members.

Vaibhavi has attended my lectures on Software Engineering both theory and practical sessions in 5th semester, Object Oriented Software Engineering in 6th semester and Knowledge Discovery in 7th semester. Her strong mathematical foundation has helped her win several medals in Olympiads and she has clinched silver and bronze medals at National Interactive mathematics and Biotech. Having successfully executed wide array of projects she has achieved sound knowledge of programming. She is adept at Java programming, R Programming, and has good knowledge related to Hadoop.

To summarize, Vaibhavi has what it takes to deliver substantial qualitative and quantitative work. She has set high standards of benchmark for achieving excellence and will continue to valuably contribute within research and development. Thus, I wish her very best in her future endeavors and highly recommend her application for master's program at your premier institute.

Letter of Recommendation

Writing this letter recommending my student Ms. Vaidehi H. Shah gives me great pleasure. She has recently discussed with me her desire and plans for master's degree and I am extending my recommendation having witnessed her class performance and project work and having known her high level of dedication for developmental and research based assignments.

She has studied Software Engineering in fifth semester, Object Oriented Software Engineering in sixth semester and Knowledge Discovery in seventh semester with me. Her project on Online Food Ordering System which entailed use of .NET is done under my supervision. It was during this period that I came to know of her sincerity and dedication towards work, adaptive nature, excellent team spirit and ability to work under pressure.

In class, she is always a pleasure to have due to her ingenious and creative approach towards the topic. I find her knowledgeable about different current topics within her field of interest and she discusses these topics with a gusto and confidence. While she has a penchant for theories, she explores other approaches, thinks from different outlooks and thus makes a difference. Besides class, this was apparent in her project as well.

A confident student, she is capable of handling research, developmental projects and discussions on subjects of her interest. What also gives her an edge over others is her ability to go beyond the prescribed books and set curriculum. She is apt at gathering information from books, research journals, trade and industry magazines and Internet and is able to incorporate this information in her project assignment. Focus on the matter on hand and effective planning helps her achieve performance standards. When tackling any assignment, she looks at getting the job done most thoroughly and works with single minded dedication. She is never flustered and is always willing to put in required amount of work in order to do full justice to task at hand.

Based on my interaction with Vaidehi, I can say that she is a student with high potential. Given a chance, she will do very well and succeed in her endeavor. She has my best wishes and strong recommendation for admission to your graduate program.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

This recommendation letter is to support the application for admission, sent in by Viraj Chhaiya for a graduate program at your esteemed university. I have known her for the past three years and taught her the subjects of Operating Systems, Object Oriented Software Engineering, and Knowledge Discovery.

During this time, I had an opportunity to assess her academic performance as well as her general temperament. She has attended my classes regularly and has shown a keen interest in learning subjects with full concentration which reflects in her grades throughout her curriculum. She has also performed well in her practical sessions which show her skills to implement theoretical knowledge. I have found her to be very curious about new technologies and she was always ready to gain knowledge about it from faculties as well as through her own research.

I came to know about her team spirit when she was allocated a project of "Automatic Resume Generation" using PHP technology to develop the web application which generated resume based on information given by the user with different layouts and formats. This project was allocated by faculty and they were nine students in the project. It was really hard to work in synchronization especially when it was the first project of her course in engineering. However, Viraj demonstrated excellent character to be a team player and work collaboratively well with her teammates in achieving the set goals.

While teaching her the subject of "Knowledge Discovery", I found out about her keen interest in data mining and machine learning. I also observed that she was pretty good in the laboratory sessions of this subject and gained knowledge about R language. Furthermore, she has done online courses on Artificial Intelligence offered by MIT Open Courseware and Machine Learning by Andrew Ng. She has also studied different frameworks used for Machine Learning.

I believe Viraj has immense potential to excel in her desired field of interest. If given an opportunity to study at your esteemed university with research-oriented curriculum and renowned faculty, she will be an asset to the program and the university. Thus, I strongly recommend her for admission and wish her success for her future endeavors.

NAAC ACCREDITED

Letter of Recommendation

This letter of recommendation is for one of my motivated students, Mr.Darshan Patel. He has been my student of Bachelor of Computer Engineering and has shown energy, and enthusiasm for his chosen field. I have seen his responsibility towards tasks on hand, readiness to take on additional work and complete assigned tasks rendering a good quality of work. He is reliable and promising. All of this leads me to believe in his capabilities to take on challenges and demanding schedules of the graduate program.

He has attended my lectures on Data structures and Algorithms in 3rd Semester and Operating Systems in the 5th Semester. He was always found attentive, focused and participative in class. He raised pertinent questions to solve his doubts and queries until he achieved conceptual clarity within the subject. On the technical front, he is proficient in different data structures like the Binary tree, AVL tree, Graph, Stack, and he has also implemented these data structures using C programming during the practical sessions.

Through his enthusiastic class participation and various developmental assignments, that Darshan undertook, I observed his work to be comprehensive and executed with clarity and focus. To take a deeper view and dwell on the subject and understand it from its core gave him an added edge over his peers. As an able team player, he delegated individual responsibilities to team members based on their knowledge and capabilities.

Darshan has discussed with me his desire to pursue a master's program in your prestigious university. He certainly deserves specialized study which will widen his perspectives and develop his skills. This will help him to succeed in his academic and professional career. Thus, I highly recommend his admission to your university.

Sincerely,

H. A. Pandya

LETTER OF RECOMMENDATION

Gaganraj Maheshwari is known to me for four years as a undergrad and now he is our proud alumni. I have taught him the subjects of Linux operating System and Programming, Computer Programming in C and Data structures and Algorithms in first two years of his undergraduate studies. He performed very well in each one of them.

I remember him to be one of the few in his batch who very enthusiastic about algorithms and their multiple aspects. He along with the coursework was a regular follower and many times contributor to the extra suggestions provided on our university's internal content sharing tool for further understanding of the topics taught in class.

He did develop a command line tool for conduction an election and I was informed that later he applied the knowledge of data structures imparted in the class. This shows his ability to take initiatives on his own and be able to execute them with great commitment along with his quick learning abilities.

He also implemented some of the classics data structures like Binary trees. The implementations were good for its attention to the edge cases. He definitely understood the logic working behind the scenes of the language in depth. His work always reflected a great amount of effort put in researching the solution of the problem statement.

He carries a fervent desire to research and solve problems put before him. Honestly, he is a smart guy and lucky enough to grow to a level which makes industry interviewer and others see potential.

NAAC ACCREDITED

RECOMMENDATION LETTER

This recommendation is written to support the application for admission, sent in by **Harsh Mandali** for Master's Program at your esteemed university. Harsh was a under graduate student in the Computer Engineering Department of this university 2014-2018. I have taught him the subject of **Database System** in 5th semester. I was also his lab instructor in subject **Elements of Linux OS and C Programming-I** in 1st semester.

Since his very first year with us, he has shown high level of motivation and dedication. His grade sheets bear testimony to this fact. He would come to the class with the preparation and enthusiasm that is not normally seen. He would go about absorbing knowledge and information in a manner that reflected his genuine interest in learning the subject from its core. All this enabled him to not only secure good grades but also strengthened his base within the subject that would be useful to him in the future.

I was his internal guide during his internship. He undertook this with "**ezDI Solutions (INDIA) LLP**" which is a venture of ezDI, Inc. a US based health care company. Here he was intern for the product called **ezCAC** which is **Computer Assisted Coding software**. He learnt about various new cutting edge technologies. He also learnt about the software product development life cycle and various processes involved in it. The engineering processes he learnt and applied, he reported to me during bi-weekly schedule and this is where I noticed his sincereness. I believe his experience and exposure will be treasured during graduate studies.

Apart from academics, I am informed that Harsh also keenly participated in co-curricular activities. He participated in e-Yantra (A project sponsored by Ministry of Human Resource Development through the National Mission on Education through ICT at IIT-Bombay) Robotics competition. Besides that, he also participated in annual tech-fest held by our university like BUG DETECTOR(2015), Code Jam(2016) and Hardware Rush(2017). He also completed a certification course of LINUX by IIT-Bombay.

He is driven and he is open to learning and works with grit and sheer determination in whatever he takes up. I strongly and heartily recommend Harsh for admission to your graduate program.

RECOMMENDATION LETTER

It is with great pleasure, I am writing to endorse **Kinjal Dhimmar**'s application to your program. I have been acquainted with her from more than last three years. During that time I found her to be a very sincere and active student. She has a lot of enthusiasm and inquisitiveness to learn new things in the field of Computer Science/Information Technology.

I taught her Elements of Linux OS & C programming-I in her 1st semester, C programming-II in 2nd semester and Database Systems in her 5th semester of undergrad. I have seen Kinjal grow gradually during my interactions with her in terms of studies and as an individual as well. She is a student who is always eager to understand the subjects in depth and its practical applications.

As her project guide on "News Droid - News by Public" in subject of System Design Practice of 6th semester, I had always seen her working hard on her project. She learned and applied various tools and technology such as HTML, CSS, Javascript for Frontend; SQL Alchemy in Database; Python in Language; Flask, Bootstrap in Framework & Libraries and UMLet in Diagram Tool. Both frontend and backend of that application showed her skill. The documentation of project included Software Requirement Specifications, UML diagrams, Database Design and testing steps. In subject of Database System she had worked on amalgamated project named "Online shopping system", which was equipped with ER Diagram. The demonstration of database operation was provided in the report. She is a diligent student. I also saw her group work during this project work. Her communication skills were also improved by giving presentations about her project.

All inclusive, I am impressed with her ability to work hard, meticulousness and planning skills; And also her capability to work independently as well as with a teammate. She has my strong recommendation for admission to the Master's Program at your university.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I feel absolute pleasure to recommend my student, **Kishan Ghelani** who is applying for his higher studies at your prestigious institution. I have known him for past four years during which he has studied Database Management System and C Programming and Linux under my tutelage. He grabbed my attention as a disciplined student having the qualities of punctuality, dedication, and perfection in work.

During his pre-final year, he carried out a project entitled 'Transparent Governance: Taxation vs. Spending' under my guidance with other two students in the subject of System Design Practice. He implemented a project by making servlets, applying JSON parsing, using JavaScript and other concepts. He put efforts about INSTAMOZO-API to create a virtual payment gateway for the project. The amount of efforts he had put in researching the content for this project was greatly commendable, and this project portrayed his good conceptual knowledge of Object-oriented programming and database management.

Kishan is hard-working, enthusiastic and highly motivated for achieving his goals. He has been equally good in his practical and laboratory sessions alongside his theoretical classes. He has displayed tremendous aptitude to grasp and apply the knowledge given in the class during the implementation of project.

His continuous learning attitude has always enabled him in exploring in-depth and made him a skilled programmer. Moreover, I always found him as a genial and liberal person who never stepped back to accept any challenging task.

Considering his motivation, perseverance, and intelligence, I firmly believe that he will do his best in further studies as well. I would wholeheartedly recommend Kishan as a deserving candidate at your esteemed university.

My best wishes to him for his future endeavours.

LETTER OF RECOMMENDATION

I am pleased to recommend **Manan Shah** for the graduate program at your prestigious university. Having known him for the last four years, I have taught him subjects like C Programming, Database Systems and have also mentored him in his project for System Design Practice.

During his 6th Semester, I mentored him for the project titled "National Park Transportation System" under the subject System Design Practice for which he was teammates with another student. It was a web application with hypothetical Train Reservation System for National Parks in which trains would be used as a mode for transportation. The project replicated Train Reservation System in a way but on a smaller scale like metros or trams and was developed using Enterprise Java. The system allowed the users to book train tickets online and track the status of their reservation number. Also, it allowed the system administrators to add the number of seats on a train, select their routes and stops, as well as decide the train timings and their prices. Furthermore, they used PayTM as a mode of payment and also deployed the application on Microsoft Azure along with SSL Certificate from a third party source to form a secure connection between client and server. I was informed that about other subject Service Oriented Architecture, he created a RESTful web service using Jersey Framework which provided a list of trains and their timings between two stations. His work and dedication in this project clearly indicated his enthusiasm for the project and ability to work in a team. As a result, they received a perfect score in this project.

Throughout his course of study, Manan has shown a keen interest during the practical sessions of the subjects he studied under me. His approach towards tackling any problem at hand is one of his remarkable traits. Manan has also been attentive and interactive during lectures. The queries posed by him during lectures reveal his clear fundamentals and strong technical bent.

Hence, having observed his dedication and enthusiasm for the subjects as well as the projects that he undertook, I feel confident that Manan will be able to pursue further studies and will be a great asset to his peers. I strongly recommend him for admission to Master's program at your esteemed university with possible assistantship or financial aid.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am pleased to offer this letter of recommendation for **Mansi P. Shah**, who has applied for admission to Masters program at your acclaimed University. I have known her for the past three years during which I taught her the subjects of Elements of Linux and C Programming-I, C Programming-II, and Database Systems. I am happy that she has been using her knowledge of what she had learnt in these subjects to all subsequent subjects.

She is a dedicated student with in-depth understanding of concepts. She is extremely good at working with pointers and link lists which are one of the most difficult areas of C Programming. She enthusiastically answers the questions during class discussions and feels free to ask doubts. During my interaction with her during lab sessions I have observed that she enjoys coding. She tries to find different solutions to the same problem by thinking out of the box. She has always been regular about completing her work. I have seen her mingling with classmates on academic talks, which shows that she believes in sharing knowledge.

I have supervised her project Travel Management System in the subject of Database Systems. The system helped users to customize their travel by booking flights, hotels and sightseeing packages of their choice. For this she had worked with oracle database. She had used complex concepts like joins, nested sub queries, indexing, grouping, views and reports. The goal was to optimize these queries. She has the ability to recognize what the end users would expect from the system.

Mansi has also participated in Star of DDU during 2018, with full competitive spirit. Basically she gives 100% effort to whatever she does. She has always managed her time so that while being involved in extracurricular activities, she can maintain her academic performance.

I am confident that she will contribute to the field in future and would be a valuable member at your prestigious University. Thus, I wholeheartedly recommend **Mansi** for admission to program of her choice and wish her all the best for her future endeavours.

NAAC ACCREDITED

RECOMMENDATION LETTER

I am very much pleased to recommend **Nidhi Rana**, currently pursuing B. Tech. degree for Computer Engineering, for her graduate studies in your esteemed university. I have been her professor as well as laboratory instructor for the subject of Database Management Systems in her 5th semester. During this period, I have found her to be very attentive and passionate student, working hard to gain as much knowledge as she can.

I have always found Nidhi trying to grasp all of the concepts taught about the subject as well as implementing them in practice. She has always made a point of clarifying all her queries and getting as much in depth information about the topics as she can. This shows her eagerness to get a thorough understanding of everything she learns. Also, she has performed very well in the lab sessions, making sure to complete all the given tasks, and if there is time, finding alternate solutions for the given problem to get an idea of all the interrelated concepts. This habit has increased her ability to perceive the questions and find pertinent answers to them greatly.

In her 5th semester, she was assigned a project combining the concepts of three different academic subjects and creating a working project where she, alongside her project partner, had designed the database system of the application under my guidance. Here, she had made sure to integrate all the topics covered over the course of semester create a proper database for the project. She had also made sure to research some of the topics deeper to create the better queries. This is the clear indication of her skills to implement the theoretical aspects of the subject to practical as well as doing a thorough research to create a successful and better result.

In crux, Nidhi is a very diligent and passionate student. I have noticed her enthusiasm to learn new things and she has always tried to give her best whenever designated with a task. Though she need to improve a lot, I think she can catch up in everything she is willing to take up and hence, would recommend Nidhi for pursuing graduate studies for her desired program at your reputed university.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am glad to recommend **Rutu Patel**, currently enrolled as Bachelor of Technology student for Computer Engineering, for her graduate studies in your university. I have always found her passionate and tenacious towards her work. I have taught her the subject Database System in 5th semester as a class and laboratory instructor. During this period, I have happened to know her as a sincere and a responsible pupil.

I have always seen Rutu attentive in class and tried her best in understanding the rudimentary concepts of the subjects. She has been taught topics like concurrency control, relational database management system, query processing and many more. The tasks were of some real problem and performing those tasks using database queries have widened her perspective to look at a quandary. She was assigned a project as mixture of three subjects, Software Engineering, Database System, and Web Development in .Net.

The database design of the system she chose, with her batch mate, was under my guidance. She successfully implemented all the features of the subject, practiced in the laboratory into a single system. All the database queries that she constructed for the college social networking platform, were combination of the topics taught. This projects her skill to implement the theory into the practical terms and also using the different notions to create a successful output.

In a nutshell, Rutu is a very courteous and diligent student. She gives her full effort in the work she takes upon and thus, is confident about the same. The quality that makes her different is that she is ready to accept her mistakes. Either it's her professors or colleagues she will ask for candid opinions on her projects, so that she can improve her skills more and more. Therefore, I am contended to recommend Rutu, for pursuing Master's program at your esteemed university. I hope that she puts more efforts than here to work with this inquisitiveness and succeed in fulfilling her dream by being part of her desired degree program.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am pleased to recommend **Rutviben J Malaviya** as a potential candidate at your esteemed University for Master in Computer Science program. My interaction with her began when I taught her C programming as a class and lab instructor in second semester. I also tutored her for the course of Database Systems as a class and lab instructor in fifth semester.

Rutvi has shown good grasp of content in the course of Database Management Systems which comprised of concepts like Relational Database Management Systems, Query Processing, ACID properties, concurrency control and transaction processing. She undertook a project named 'Restaurant Automation System' as an amalgamated project for three subjects: Software Engineering, Database Systems and Web Development in Dot Net. As a guide for Database Systems, I have closely observed her work in the development of database. It was developed in Oracle SQL developer using PL/SQL. She efficiently used the database related concepts like entity relationship diagram, conversion and implementation. Also she made related triggers, procedures, views and sequences for the same which represented her in depth understanding of various aspects of designing database.

Rutvi's performance in C programming course portrays her skills of understanding the given problem and finding appropriate solutions. She successfully implemented the lab aims which included use of basic and advanced concepts of C. This depicts her command over the language and her good programming skills.

Taking apprehension of the above facts, I believe that Rutvi has the potential and zeal to pursue graduate studies. I believe that she will excel in her career given the chance. I have seen her work and know that she has the capability to succeed and hence I strongly recommend her candidature for the admission at your esteemed university.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I write this letter of recommendation for **Tanmay Naik** in my capacity as the faculty of Linux Operating System and Programming, Computer Programming in C, Data Structures and Algorithms, Database Systems and as his mentor during "Infosys Campus Connect" Foundation Program rollout. The continuous interaction I've had with him since his first day till his very last day at Dharmsinh Desai University, has given me enough opportunities to gauge his intellectual and analytical capabilities.

Tanmay has shown his eagerness not only in learning the topics I taught him but more in using them for solving day-to-day problems. I remember during his 1st semester he used to keep playing with Linux and demonstrating additional topics usage and applications. He also stood first in a Linux scripting competition held in our college at the time.

I have taken Tanmay's lab sessions of Linux, C, Data Structures and Database Systems, during which he always showed his earnestness to complete the assignment at hand followed by his exploration in the respective topic. He has also shown impressive understanding and practicality of various data structures.

Apart from giving his efforts in academics, Tanmay had been actively developing projects for our college students. One of them being a cross platform app for Android, Windows Phone and Windows 10 which allowed students to check their exam scores, get notified when they are uploaded on university site. The code was uploaded on github. It was a wrapper and standalone work by team of two.

I have full faith in his capabilities. I believe that he will perform well in the chosen program and will prove to be of great value to your institution. I strongly recommend him for admission at your esteemed University.

Prof. Jigar M. Pandya

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am writing this letter to recommend Ms. Ami Sutariya for the admission in the master's degree program in the area of Computer Science in your University. I had taught her subjects Design of Data Structures and Algorithms and Embedded Systems during her 4th and 7th semester of her computer engineering undergraduate program in our university. She completed her B.Tech. in Computer Engineering in 2011. As long as I know, the broad range of skills of Ami will undoubtedly assist her to pursue higher education.

Ami has high motivation for higher study. She has good communication abilities in oral and written english. Ami has always been an intelligent and enthusiastic learner. As a laboratory supervisor in the subject of Data Structure and Algorithm in 4th semester, I can say that her ability to understand a problem and analyses it, is distinguishable. The hard-working and dedicated nature of her personality makes her an ideal student to acquire more knowledge in her chosen field. She had carried out software projects as part of her academic study. She is an experienced software programmer.

Her maturity, competence, professional experience and ability to work diligently indicate that she can perform well even in highly competitive environment.

I am sure that she will do extremely well in her chosen field of education. I, therefore, recommend her as a potential graduate student for your esteemed university with possible financial assistance.

Prof. Mrudang T. Mehta
Associate Professor,

LETTER OF RECOMMENDATION

I write this letter to recommend Mr. Daksh Desai for admission to Master's program at your prestigious university. As a faculty in the Computer Engineering Department, I have known Daksh for the past 1.5 years. I have taught him the courses of Software Engineering and Embedded Systems in fifth and seventh semesters, respectively.

I have found Daksh to be an intelligent and industrious student with an analytical bent of mind. He is conceptually strong and has an incisive mind that helps him easily grasp new concepts. He is driven to understand how things work. His caliber was reflected during laboratory interaction of the subject of Embedded System.

Daksh can strike a perfect balance between academic and extracurricular activities. He has been a part of DDU Connect monthly tabloid of the University. He also attended a seminar on Software Testing during his course of Software Engineering. He is hardworking, intelligent, honest and full of initiative. I am sure he can be a credit to anything if he is given a chance.

I am confident that the qualities I have observed in Daksh make him a suitable candidate for graduate study in courses at your university. I believe that he has incorporated the right aptitude to do well in graduate studies and therefore highly recommend him for the same.

Prof. Mrudang Mehta
Associate Professor,
Computer Engineering Department,
Faculty of Technology,
Dharmsinh Desai University, Nadiad

January 10, 2019

Letter of Recommendation

I am glad to write this letter of recommendation for my student **Mr. Dharmang Solanki** to support his application for graduate studies at your esteemed University. I have known him for nearly two and half years at Dharmsinh Desai University. In my experience, I came to know him as one of most sincere student. He has shown praiseworthy performance in his academics and project works.

I have taught him subject data structures and algorithms in 3rd semester, embedded systems in 7th semester. Dharmang has shown immense interest in academic subjects and has been articulate in class discussions. His efforts in his academics display the quality of a person who believes in constant improvement and learning beyond the courses required to clear the exams.

He has successfully completed the project in a team of two students titled **"Travel Management System"**, under my guidance. He implemented all the important aspects of software engineering including requirement gathering, designing UI, creating use cases, sequence diagrams and test case suites required to create a successful software product. During this project, he reflected his quality of software designing and coding skills at the same time. The project work consisted of coding in ASP.Net technology and SQL database management. He was successful in getting his project work reviewed by me at regular intervals and completing the project on time with proper documentation of the project.

In addition to this, he is always enthusiastic and active for participation in college festivals. One of the most pleasing aspects about him is his commitment level and the interpersonal skills necessary to handle conflicting and challenging situations, managing project work, extra-curricular activities as well as his studies. He is one of those students who can be a good team player as well as a good leader.

I support his decision to pursue masters in his desired course. Dharmang is one of those students who is committed to the study and practice of the engineering. Therefore, I highly recommend that he be given the opportunity to undertake the course at your university.

LETTER OF RECOMMENDATION

I write this letter of recommendation to Ms. Henikumari Patel as she wants to pursue higher education in your esteemed university. Heni was my student during her 8th semester project training.

She is a very dedicated and hard-working student but more so a highly creative one. She has a sound knowledge of her basics, and this enables her to successfully apply all her learned concepts in practice. She can grasp new concepts quite easily. I have observed that she usually organizes her work really well to be able to allot enough time to everything and never rush in last minute. She aims to be the best version of herself.

I had the opportunity to supervise her in her final year project on CATApp as an enterprise version of Learnapt as an internal guide. In this project she worked on android application and its backend. The backend was implemented in Ruby on Rails Framework. She has performed well during the whole six months. She utilized all the lessons of Android practical sessions very genuinely, that is all I can make out by seeing her application. The project itself was a good and effective implementation of a vast field.

Heni always aims to better herself, and this is one of her best qualities. She was a good student who stands out among others, due to her zeal for the subject and her perseverance. I recommend her for the Masters program in your esteemed university. I wish her all the success in life.

Letter of Recommendation

Mr. Ronit Patel was my student during his undergraduate engineering program in Computer Engineering. I had taught Ronit, Data Structures and Algorithms in his 3rd semester and Embedded Systems in his 7th semester. I was his final semester internal project supervisor. He carried out his final semester project at Intricare Technologies at Vadodara and Physical Research Laboratory at Ahmedabad.

I found him hardworking and sincere in his work. He demonstrated his talent during his 1 month project on 'Chrome Extension for Lead Generation.' He undertook role of a developer using basic HTML, CSS and JavaScript using Chrome Extension Framework. This project he carried out at Intricare Technologies at Vadodara for duration of 1 month.

He worked on project titled "Digital Image Processing and Analysis of Planetary Data Sets". In this project, he developed a MATLAB based GUI Tool for 'Hyperspectral Image Analyzer'. This is useful to analyze and process hyper-spectral images obtained from various space missions and acquire information about mineral composition of planetary surfaces. It also involved module that could detect craters on the planetary surfaces. He applied innovative techniques in development of such project. He carried out such project at Physical Research Laboratory, Ahmedabad for the duration of 3 months.

Ronit demonstrated leadership qualities while working on his projects. He took onus on himself for completion of assigned work to best of abilities and render productive and optimum results. He planned and prioritized his work in order of increased importance which enabled him to accomplish desired goals.

To summarize, Ronit has potential of studying master's program at your university. I assure he will continue to valuably contribute within research and development. I strongly recommend him for admission at your prestigious university.

LETTER OF RECOMMENDATION

I write this letter of recommendation for Mr. Yash Vakil, who is seeking an admission to the graduate program in Computer Science. I have taught him Software Engineering in his 5th semester. He is currently studying Embedded Systems in his 7th semester.

Yash actively participated in class discussions and is keen on delving deeper into the subjects of his interest. He also successfully applies his learned theoretical concepts in projects and possesses sound analytical skills. He completed all his class work and assignments well on time. I supervised the documentation and planning of his project on Envision in his 5th semester in the subject of Software Engineering. While working on this project which has main functionality of internship and job seeking website, Yash learned how to write a Software Requirement Specification of project, select a specific process lifecycle for the development of the software, and extract various functionalities and requirements of the project, and conduct various verification and validation tests on the project. Yash not only efficiently implemented the technologies which were out of their curriculum but also submitted the reports on time.

I believe that Yash's perseverance and tenacity will go a long way in helping him excel at a graduate program. Additionally, he has potential for research as well as good interpersonal skills, which helped him to work well in a team. I recommend him for admission to the graduate program of his choice.

LETTER OF RECOMMENDATION

It gives me great pleasure to recommend Mr. Meet Odedra, Enrollment ID 14CEUBS042. He plans to continue his further education in Germany. I had delivered him Design and Analysis of Algorithms and Service Oriented Architecture subjects to his class. I have observed Meet in Class as well as well as in LAB. He is very good in working as a team as well as capable to work individually.

Meet has done many projects in lab as part of his curriculum i.e. Car Rental System, Canteen management, etc. So, I was aware with his skills on C programing, C#, ASP.Net MVC, ASP.Net Framework. He had delivered presentation on "Heads up display" and "Medical diagnosis" in 3rd semester "Computer Peripheral and Interface" subject. He had also developed some projects like 'Resume Filtering' and 'Credit Card Fraud Detection' which helped him to add new skills like Python language, Machine Learning & Deep learning algorithms and where and how to apply those algorithms in. Apart from this, he also participated in technical events on campus and outside of the campus and has excelled over there. I appreciate his learning ability and sincerity and I would like say he is a disciplined student.

Considering his overall performance, I consider meet in one of the highly virtuous performer student of the batch of 133 students. I strongly recommend him for an unconditional admission to the program he is applying at your prestigious university. I wish Meet, all the success in his future endeavors.

Thank You,

Prof. Prashant M. Jadav,
Associate Professor,
Department Of Computer Engineering

LETTER OF RECOMMENDATION

I am glad to recommend, **Mr. Shail Shah** for admission at your well-known university for Masters in Computer Science Program. I know him as a very sincere and hardworking student.

In the undergraduate program, he attended my lectures on "Design & Analysis of Algorithm" and "Service Oriented Architecture" in 4th and 6th semester respectively. He had a very good understanding of the subject, during the lectures of Service Oriented Architecture though the subject was difficult, he used to understand and relate things in a better way.

He possesses a strong background in programming which will enable him to reach to the heart of a challenging problem with his deep insight in analyzing it first and formulating the possible solution through his exceptional skills. During his 6th semester, he took a project under my guidance to build a RESTful Web Service on the topic **"Hotel Search"**. He used SLIM Framework and My-SQL. There were two types of users in that project. User side allowed to log in and search for hotels at a particular location and some basic features to manage account while the Administrator side it provided a form to register new hotels.

Shail is very polite, helpful and gentle. Many times, Blood Donation camps were conducted in our university and he used to participate in it; either by volunteering or by donating blood. For continuously 2 years, he took part in CodeVita conducted by TCS (Tata Consultancy Services). Truly speaking, he possesses an impressive personality and has the ability to work with others in a group. His strong determination and leadership quality gives him the opportunity to lead a group aiming at successful completion of any task.

Considering the all-around ability, I assure you that he will have a bright future ahead based on the qualities he possesses. Therefore, I would strongly recommend him for admission at your reputable institution for Masters. Feel free to contact me at any point of time for any further queries.

I wish him all the very best for his future.

Prof. Prashant M. Jadav
Associate Professor,
Department of Computer Engineering,
Email: pmj.ce@ddu.ac.in
Date: 01-Dec-2018

Letter of Recommendation

I am glad to recommend Ms. Sheetal Chowdhary for admission to your esteemed university. I have known Sheetal in her graduation years as a subject teacher of B.E. in Computer Engineering. She passed her graduation in 2012. She took the following courses during her graduate study under my tutelage:-

i) Data Structures and Algorithms in 3rd semester and
ii) Operating Systems in 7th semester

Moreover, I was her project guide and evaluator for her final semester project. As long as we have been acquainted, she has impressed me with her ability to tackle analytical and logical problems efficiently. She has a remarkable grasping ability and exhibits a great bent on exploring new concepts from existing ones. Her laboratory work is very disciplined and systematic in addition to her impressive interactive approach and clear expression of thoughts.

This is evident from the commendable work she has done during her Final Year project in one of India's leading IT Consultancy firms TCS. As part of this project, she was given a completely new technology to work on- IWDMS (Integrated Work Flow and Document Management System). However, within a relatively short span of 5 months, she aligned herself to learn the technology and its nuances as well as understood the end-to-end process of the project. She also identified a potential process improvement scope in the entire process flow. The IWDMS product is being used by government organizations for smooth, efficient and transparent workflow between departments. I am sure this exposure definitely sharpened her technical knowledge and management skills.

At a personal level, Sheetal is a disciplined, industrious student with a pleasant personality. Apart from academics, she actively participated in various nationwide technical/cultural symposiums. Also, she was the member of the organizing committee for the regional level cultural festival 'Nakshatra' organized under the University patronage. In addition, she also avidly takes part in social activities.

With full confidence in her abilities, I strongly recommend Sheetal Chowdhary for postgraduate studies in your esteemed University and can be considered for any financial assistance associated with scholarship, fellowship or research/teaching assistantship.

Date: 30-Oct-2018

Prof. P M Jadav
Associate Professor,
Computer Engineering Department,
Email: pmj.ce@ddu.ac.in

LETTER OF RECOMMENDATION

I have had the pleasure of teaching the following courses to Ms. Vaidehi Shah who is currently pursuing her bachelor's program in Computer Engineering at our institution:

1. Design and Analysis of Algorithm in 4th semester and
2. Service Oriented Architecture in 6th semester.

Besides teaching, I have supervised her laboratory work and guided her on project "Online Food Ordering System" using the concepts of Service Oriented Architecture.

She has a strong theoretical and conceptual base along with the ability to use it practically. This she constantly updates with her knowledge about the latest advances in her field and thus she is able to bring unique perspective in her work.

She is someone who works as hard as it takes to achieve excellence. For her project, she was able to think from multiple angles and use tools and technologies efficiently, which comes from her deep interest and aptitude. Besides her firm base and depth of understanding, she has strong communication skills and command over English language. She can handle the questions asked confidently. I also noticed that she first listens, understands and then presents her views.

A number of projects that she has accomplished in her tenure bear testament to her sheer dedication and strong resolve. She has developed "Face recognition System" in Raspberry Pi using Python. Another project developed by her is "Online Banking System" using J2EE framework and Oracle 11g as the backend.

In sum, I strongly believe that Vaidehi has all the qualities to make an excellent graduate student. She is erudite, articulate, and intellectually curious. She has a genuine interest in whatever she conceives. I am certain of her success in her future undertakings and thus, strongly recommend her to the graduate program at your university.

Date: 06-Oct-2018

Name: Prof. P. M. Jadav

Designation: Associate Professor

Email: pmj.ce@ddu.ac.in

LETTER OF RECOMMENDATION

It gives me immense pleasure to recommend Ms. Viraj Chhaiya, who aspires to study a master's program at your university. I have known her for the last two years and have taught her Design & Analysis of Algorithm in 4th semester and Service Oriented Architecture in 6th semester of her undergraduate program.

During her academic journey, I have seen Viraj develop into a technocrat possessing a vast repertoire of technical knowledge and an earnest desire to learn more. Her implementation of theory assimilated through classroom discourses and interpolation of the same during the laboratory sessions has been noteworthy. She is driven to understand how things work and take the effort to keep her basics in subjects clear. As part of her Service Oriented Architecture subject, Viraj worked on a project named "Email System". The aim of this project was to develop cross platform mailing system using web services. She partnered with another student for this project. She developed REST web services using Java language. They have hosted this web services on Digital Ocean cloud. They have built end users web-app using Java and ASP.NET technology. Viraj worked diligently for this project and was able to get along well with her partner. Cloud architecture was very new for her but she learned it quickly and hosted web services successfully on Digital Ocean Cloud.

Apart from her academics, she has also participated in other activities like workshops and competitions. I came to know that she has participated in the coding competition called CodeVita organized by Tata Consultancy Services (TCS) and was selected for a direct interview for placement. Along with this, she has participated in workshops like Animation workshop organized by Computer Society of India (CSI) and hacking workshops at IIT-Bombay. She has also participated in E-Yantra competition organized by IIT-Bombay.

Viraj is deeply committed to her goal of undertaking a graduate program and is working with single-minded devotion towards this. I have no qualms that she will be an asset to the program and thus, highly recommend her for admission. I would be glad to provide any further information regarding her candidature.

Sincerely,

Prof. Prashant M. Jadav

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am pleased to offer this letter of recommendation for **Mr. Deep Patel**, who has applied for admission to Masters in Computer Science program at your acclaimed University. I have known him since last three years during which I taught him the subjects of Discrete Mathematics and Artificial Intelligence during his 4th and 7th Semester respectively. I have had the opportunity to know Deep during his 4th Semester laboratory sessions of Discrete Mathematics. From thereon I know him as a sincere student, who is ready to face new problems and converts them into opportunity with thorough research. On grounds of this, I consider him amongst the best students of his class.

Throughout my tenure of interaction with Deep, I have had the pleasure to supervise his overall academic performance as well as his general temperament. He has regularly attended all my sessions and has shown keen interest and dedication in learning the subjects which was reflected in his academic grades. He has shown a great zeal in learning the subject of Artificial Intelligence and is well versed with the concepts of Heuristic Search, Fuzzy Logic and Game Theory. He is a quick learner and his grasping skills help him to apply concepts on practical applications.

Deep in his sophomore year undertook a project named **"Restaurant Automation"** under my guidance. He made this using HTML, CSS, PHP and MySql. The project comprised of an Admin Dashboard for the Restaurant Owner where he could perform CRUD operations on Database through user-friendly interface. The Web Application also encompasses of a beautiful Client Side through which the customer could place an order, book a table and view various level of services to customers. He is constantly in sync with the latest developments in the industry which was evident from the work done in the project. His perseverance and hard work for gaining a strong knowledge base at undergrad level show his desire to study in internationally renowned University.

On a personal level, Deep is an ambidexterous person showing a lot of enthusiasm for cultural and extra-curricular activities. He was a cultural event coordinator during the annual techno-cultural festival of the University. He has actively participated in various on/off campus dance competitions. I am also impressed with his role in society by participating in Blood Donation camps organized in the University.

In a nutshell, **Mr. Deep Patel** is a dexterous person with great zeal to achieve his goals and ambition. I am confident that your esteemed university is the quintessential place for him to pursue his Masters of Computer Science. I hereby **strongly recommend** him for the graduate program at your university.

Subject: Provisional Admission Offer for Post Graduate Programme in Management (2019-21 Batch) of Indian Institute of Management Indore.

Dear DOOLA TASNEEM SAIFUDDIN

Congratulations!

I am pleased to inform you that you have been offered Provisional Admission to the following programme(s) of IIM Indore, under the category you have applied for CAT 2018.

*** Post Graduate Programme in Management (PGP) * Post Graduate Programme in Human Resource Management (PGPH)**

This admission offer is valid subject to your fulfilling the acceptance formality by completing the payment of the commitment fee of Rs. 1,00,000 (One lakh only) and uploading the duly filled and signed in "Letter of Acceptance" on the link (given below) within the stipulated deadline **(i.e. Wednesday, May 22, 2019)**.

Note:

1. You are allowed to select only one programme as per your preference. Kindly note that once you select a programme and complete the payment formality, you will be able to download/ receive the Provisional Admissions Offer after the due verification.
2. Once you select the programme and complete the payment formality, you will be given the Admission to that programme ONLY and you will not be allowed to change your choice of the programme.
3. In case you do not indicate your acceptance for any of the above-mentioned programme(s) within the stipulated deadline this provisional offer will stand canceled.

Link to select the programme of your preference and upload the duly filled and signed in "Letter of Acceptance" (PDF only)**: Please click here**

With best wishes,
Chairperson, Admissions

Attached: Letter of Acceptance, Programme Fee and Payment Schedule and the step to follow for accepting the Provisional Admissions Offer.

Offer Expiry Date: October 28, 2021
DLI: O19358946722

Dear Harsh Shaileshbhai,

Congratulations! We are pleased to offer you admission to the University of Windsor in the following graduate program:

Academic Program/Plan:	Master of Applied Computing
Program/Plan Start Date:	Fall 2022
Duration of Program:	4 Terms equivalent to 2 years
Enrollment Status:	Full Time

In accepting this offer, you will be joining a welcoming community of exceptional students, award-winning faculty and researchers and dedicated staff who are working together to explore and address the problems of the world. Our rich academic programs and exciting opportunities for experiential learning produce graduates who enjoy challenging and rewarding careers.

HOW TO RESPOND TO YOUR OFFER

You must accept (or decline) your offer of admission through eGAS:

- Log into eGAS
- Click the **Offer Acceptance** tab
- From the **Details** drop-down menu, select an option (accept, decline or defer if applicable for your program)
- Click **Save**

Conditions and Provisions:

Transcript(s):

Confirmation of degree completion must be received by the Office of the Registrar-Graduate Division by the stipulated deadline. Documents must be received directly from your institution or delivered in a sealed envelope issued by your institution.
Date Due: December 1, 2022

Final transcripts indicating all courses & grades must be submitted prior to the end of the first academic semester. Documents must be received directly from your institution or delivered in a sealed envelope issued from your institution to the Office of the Registrar-Graduate Division.

University of Windsor
Faculty of Graduate Studies & Office of Quality Assurance
401 Sunset Avenue
Windsor, Ontario, Canada N9B 3P4
www.uwindsor.ca/graduate

Date Due: December 1, 2022

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (Laurier Hall 2nd floor) by the last day to add courses within the first term of registration.

As a reminder: to reserve your place in this program you need to accept this offer of admission by October 28, 2021.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://www.uwindsor.ca/finance/fee-estimator.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.
Do you have a question: Please visit https://ask.uwindsor.ca.

Let me be the first to welcome you to the Lancer family. You are about to embark on an important journey. We could not be happier that you have chosen the University of Windsor as your partner in learning.

All the best,

DKane

Dr. Debbie Kane
Acting Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. The VISA refusal letter for the term in which your offer is valid will need to be provided to the Cashier's Office to receive a refund. See the University of Windsor website for the refund policy.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. Documents need to be submitted in official capacity.

    - You can have your University send the official documents to the University of Windsor directly at transcripts@uwindsor.ca.
    - Alternatively, you can mail the documents at:

University of Windsor
Office of the Registrar - Graduate Studies Division
401 Sunset Ave.
Windsor, Ontario, N9B 3P4 Canada

If you have English Language Conditions on your offer:

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

    You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca.
    Direct inquiries can be directed to applyesl@uwindsor.ca.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of

living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

- Actuarial Science: hlynka@uwindsor.ca
- Applied Economics and Policy: jayrhee@uwindsor.ca

University of Windsor

2021 Spring, 2021 Fall and 2022 Winter Calendar Course Based Graduate Degrees

Fee Schedule

This document is provided for planning purposes only. The exact fees you owe will be assessed each term after you register for courses and then posted to your financial account in UWinsite Student by December 1 for the Winter semester, May 1 for the Intersession/Summer semester and August 1 for the Fall semester. For additional information, please see the University of Windsor's Cashiers' Office website or ask.UWindsor.ca.

Graduate Program Tuition	Per Term Or Per Course	Total Tuition Payable
Master of Actuarial Science (MAS) (ACSM)		
Tuition cost per term	$8,312.50	$33,250.00
Estimated fees per term (Incidentals)	$1,000.00	$4,000.00
Total estimated tuition & fees for 4 terms, 16 months	**$9,312.50**	**$37,250.00**
Master of Applied Computing (MAC) (CAPM)		
Tuition cost per term	$8,312.50	$33,250.00
Estimated fees per term (Incidentals)	$1,690.00	$6,760.00
Total estimated tuition & fees for 4 terms, 16 months	**$10,002.50**	**$40,010.00**
Master of Applied Economics and Policy (MAEP) (ECOMAEP)		
Tuition cost per term	$8,062.50	$32,250.00
Estimated fees per term (Incidentals)	$1,000.00	$4,000.00
Total estimated tuition & fees for 4 terms, 16 months	**$9,062.50**	**$36,250.00**
Master of Engineering (All disciplines)*		
Tuition cost per term (based on 2 courses per term)	$9,250.00	$37,000.00
Estimated fees per term (Incidentals)	$1,000.00	$4,000.00
Total estimated tuition & fees for 8 courses (4 terms),16 months	**$10,250.00**	**$41,000.00**
*Co-operative education fees (if admitted)	+$565.00	+$2,260.00
Master of Management (MoM) (BUSMIF) (BUSMLS) (BUSMHM) (BUSMDA)		
Tuition cost per term	$9,375.00	$37,500.00
Estimated fees per term (Incidentals)	$1,000.00	$4,000.00
Total estimated tuition & fees for 4 terms, 16 months	**$10,375.00**	**$41,500.00**
*Data Analytics Stream Lab Fee	+$375.00	+$1,500.00
Master of Medical Biotechnology (MMB) (CHEMMB)		
Tuition cost per term	$8,312.50	$33,250.00
Estimated fees per term (Incidentals)	$1,250.00	$5,000.00
Total estimated tuition & fees for 4 terms, 16 months	**$9,562.50**	**$38,250.00**

NOTES:
- Tuition fees are based on the current year
- All fees subject to change upon approval of the Board of Governors
- Fees are mandatory and will vary term to term.

Deposit Information

Submission of a $4,000.00 deposit is required within 21 days of your date of admission to secure your place in your program. The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to **TUITDEP@uwindsor.ca**.

Learn more about fee payment options at www.uwindsor.ca/finance/student-accounts.

Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE

Residence offers you the chance to be a part of a community that fosters an environment of personal growth while supporting your efforts to become an academically and socially responsible individual. Our focus in residence is life outside of the classroom and we make it easy for you to get involved!

You can participate in events, work as a desk services staff, or serve on a residence committee.

Staff are on-call 24/7 and resident assistants (RAs) are here to help you make friends and become part of the UWindsor community.

WIFI INCLUDED

CLOSE COMMUNITY

SUPPORT SERVICES

FURNITURE INCLUDED

RESIDENT ASSISTANTS

STEPS AWAY FROM CLASSES

SAFE & SECURE

LIVING LEARNING COMMUNITIES

Live with students who share your academic program. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Engineering, Nursing and Science Communities.

CHOICE OF ROOMMATES

A preferred roommate can be requested. Both students must identify each other on their residence application. If a roommate is not specified, you will be matched based on preferences selected on your residence application.

RESIDENCE GUARANTEE

Accommodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability. Students may apply to residence before accepting their offer of admission to the University of Windsor, however, please see the Residence Licence and Meal Plan Agreement for details on the cancellation/withdrawal policy.

Note: An offer of residence does not constitute an offer of acceptance to an academic program.

SPECIAL CONSIDERATIONS

A limited number of rooms are available to students who require special accommodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit **uwindsor.ca/residence**

MEAL PLANS

No need to prepare meals or go grocery shopping. Residence students are required to choose a meal plan from a variety of options, with values ranging from $2,475 - $2,835 per semester. *You may use the meal plan to pay for food at all outlets on-campus as well as several nearby restaurants. For more information, please visit www.uwindsor.ca/food.

*** Meal Plan rates are based on 2020-2021 and are subject to change for 2021-2022.**

BOOKSTORE PLAN

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence**

GENDER NEUTRAL OPTIONS

Residence offers different gender identity options and all-gender housing, which can be found on the residence application.

*** Information on these pages are subject to change.**

24/7
Academic and personal help on hand

700+
Possible friendships

University of Windsor

New this fall!
All students will be assigned a single room.

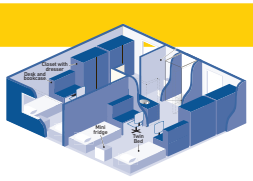

Welcome Future Lancers!

MACDONALD HALL $6,359-$7,636*

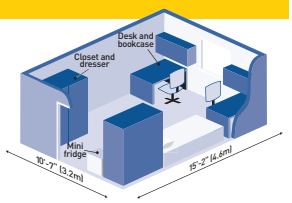

- Double and limited single rooms
- Twin beds
- Common bathrooms
- Student lounges
- Study rooms
- Science & Engineering Living Learning Communities
- First-year students (coming directly from high school)

CARTIER HALL $7,316*

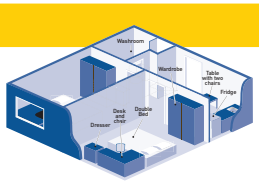

- Double rooms
- Twin beds
- Semi-private bathroom
- Open atrium
- Main floor student lounge
- Study rooms
- First-year students (coming directly from high school)

LAURIER HALL $7,636*

- Single rooms
- Twin or double bed
- Common bathrooms
- Student lounges
- Study rooms
- Beyond first-year students
- Home to the International Student Centre

ALUMNI HALL $8,396*

- Two-bedroom suites
- Double beds
- Kitchenette
- Semi-private bathroom
- Student lounges
- Nursing & Engineering Living Learning Communities
- Beyond & First-Year students (coming directly from high school)
- The Bru convenience store

* Compulsory and non-refundable fees are included in residence fees. All fees are based on 2020-2021 and are subject to change for 2021-2022

FUN FACTS ABOUT LIVING IN RESIDENCE:

- Meet & live with people from all over the world
- Get involved with our residents council or advisory boards and you have a say in what happens in residence — for both the fun stuff, like events, and our community standards
- Meet other people living the same experience as you!
- This may be the only time in your life where you get to live with hundreds of other people your age and experience the same fun and excitement of living on your own
- Student staff run lots of events, so there is always something to do and different ways to get involved

ALYSSA

I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my floor mates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

EMILY

I enjoy the community and the RA's. Because of the multiple residence events it is a great way to make friends and to feel less alone especially when you aren't from Windsor. I would recommend residence to anybody, especially for first year. It's a safe, supportive place to live when you have never lived alone before. It gives you the experience to begin adulthood, but with helpful outlets.

CALEB

I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Being close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.

University of Windsor

WE WELCOME YOU BACK!

After first year, you're welcome to come back to the UWindsor Residence!

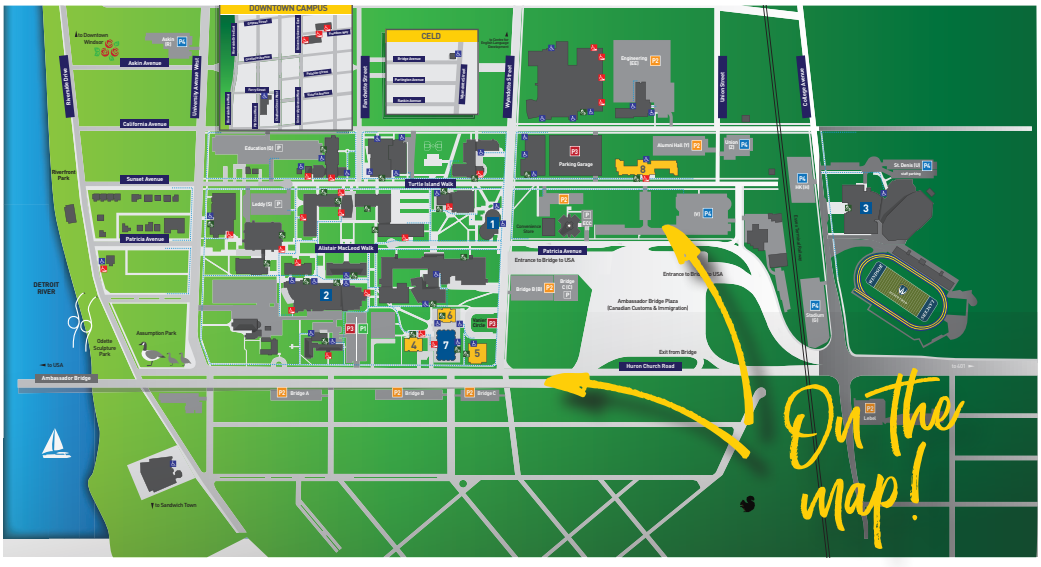

Return to residence and you will be guaranteed a single room – and you can choose the room if you apply by the deadline date. You can apply to return to Residence every year you are a student at the University of Windsor!

For more information, visit **uwindsor.ca/residence**.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

THE GRADUATE SCHOOL

2/7/2019 10:00:00 AM

Divya Keyurkumar Vakil
16,Jaldarshan Society
Behind Umrigar School, Near Gateway Hotel, Umra
Surat 395007
India

University ID: 116848732

Dear Divya Keyurkumar,

Congratulations!

I am pleased to offer you admission to the Graduate School at the University of Maryland for the Fall 2019 term. Your admission is to the Full Time Master of Science in Information Systems program at the College Park - MD campus.

Your tuition and charge-differential classification: Out-of-State

Your graduate admissions status: Conditional Degree Admission

Your condition(s) of enrollment are as follows:

• Submission of final official baccalaureate transcripts from all previous institutions by the end of the first semester of study.
• Completion of the Advanced English Writing Course during the second semester of study.

This admission comes with the condition that you complete an Advanced English Writing Course during your second semester of study.

Our records indicate that we have not received all required transcripts. Final official transcripts from all previous academic institutions (except University of Maryland, College Park) showing evidence of date and award of degree must be received by the end of your first semester or future registration will not be possible. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is also required.

Please mail your official unopened transcript to the Graduate School at the following address:

University of Maryland
Enrollment Service Operations
Application for Graduate Admission
Room 0130 Mitchell Building
College Park, Maryland 20742
USA

Official electronic transcripts may be sent directly from your institution to the following email address:

gradschool@umd.edu

If you have any questions about the transcript requirement, please don't hesitate to contact the Graduate School at 1-800-245-4723 or via email at gradschool@umd.edu.

It is with a great sense of pride that we welcome you to the University of Maryland. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national, and international settings.

In order to reserve your space in the Master of Science in Information Systems program at the Robert H. Smith School of Business, a non-refundable $1,000 deposit is required to be submitted to our office by 3/7/2019 11:59:00 PM. To submit your deposit and confirm your enrollment, please click here. Your deposit will be credited toward your first semester tuition payment. A second deposit of $1,000 will be required by 05/15/2019. Instructions for submitting your second deposit will be emailed to you a few weeks prior to your second deposit deadline.

Please visit the admitted student website at http://networth.rhsmith.umd.edu/welcome for information about Orientation, registration, and other details related to your enrollment in the Master of Science in Information Systems program.

At Smith, you will be empowered as you gain knowledge from world-class faculty who are internationally recognized in the areas of teaching and research. Your study environment will enable you to combine the technology-rich resources of our facilities here on campus with the intellectual, cultural, and social resources of the Washington, D.C. area. A staff of dynamic people who are collectively vested in your educational, professional, and personal development will also be here to support you throughout your matriculation. In addition, you will engage in team oriented projects with students from countries around the world and become immersed in business perspectives from various industries.

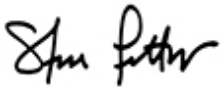

If you have any questions regarding your admission in the Master of Science in Information Systems program please contact:

Kristina Bonfiglio
Associate Director of MS Admissions
Robert H. Smith School of Business
University of Maryland
(301) 405-2559 Office
msadmit@rhsmith.umd.edu

As an international student, the International Student and Scholar Services will be contacting you directly regarding the visa process.

Again, we welcome you with best wishes for a rewarding graduate experience at the University of Maryland.

Sincerely,

Steve Fetter
Associate Provost and Dean of the Graduate School

Dear Jaimish,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 11,500 graduate students on our four campuses who come to us from every state in the Union and from 117 countries.

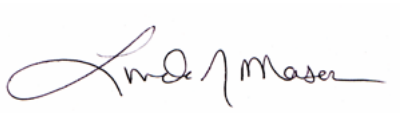

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

We hope that you choose Purdue and join us to make what moves the world forward!

Click here to submit your response to the offer of admission.

With best wishes for success at Purdue,

Dr. Linda Mason
Dean of the Graduate School and Professor of Entomology
Young Hall 170
Purdue University

PURDUE
THE GRADUATE SCHOOL

Admission Information Sheet for Jaimish Topre

PUID: 0032072395
Campus: Purdue West Lafayette (PWL)
Graduate Major: Global Supply Chain Management
Course Delivery: On-Campus
Degree Objective: Master of Science (MS)
Term/Year: Fall 2019
Academic Advisor: To Be Assigned

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Continued Enrollment:

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final official undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original official undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

The University does not permit students enrolled in the professional graduate program to which you have been admitted to hold graduate staff employment, to receive any fee remission associated with graduate assistantships, or to receive graduate tuition scholarships such as those associated with fellowships. Graduate staff employment includes the following Purdue positions: Graduate Research Assistant, Graduate Teaching Assistant, Graduate Administrative/Professional, etc.

General Information:

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within

five business days of viewing your admission letter. Please access https://www.purdue.edu/apps/account/AccountSetup with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

To log into myPurdue and other portals, a personal Boilerkey will be needed, in addition to your career account username. A Boilerkey is the University's two-factor authentication process, which provides an additional level of security. To create your Boilerkey, visit https://www.purdue.edu/boilerkey. For more information, visit the Boilerkey FAQ's.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you can access your academic and financial account information. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:
-Online course registration in real time
-Online credit card payment for tuition
-Access to your financial aid information
-Access to review and update your personal information such as emergency contacts, mailing address, email, ethnicity/race, and gender identity

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue your visa eligibility document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), using the myISS portal. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before visa eligibility document(s) will be prepared and shipped.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre -Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold valid F-1 or J-1 status and are transferring your SEVIS record to Purdue University from another US Institution, our office will advise you on how to complete your SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation website: http://tutorial.ace-in-testing.com/Default.aspx?p=videos. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any

income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of an immunization information form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: http://www.purdue.edu/PUSH/.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu.

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 16, 2019, beginning at 8:30 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Questions? Please direct them to your graduate program.

Required materials can be submitted to:
Purdue University Graduate School
Office of Graduate Admissions
Young Hall Room 170
155 South Grant Street
West Lafayette, IN 47907

Dear Kush Sanjaykumar,

On behalf of the faculty and administration of Lawrence Technological University, it is my great pleasure to inform you of your conditional provisional acceptance to Lawrence Technological University for the Fall 2019 semester! You are now a member of the College of Engineering pursuing a Master of Science in Mechatronic Systems Engineering. Our faculty, staff, and students are anticipating your arrival on campus and welcome you to the Lawrence Tech community of dedicated students and successful alumni.

Provisions must be followed as written, if you are unable to meet the following provisions it will result in the withdrawal from the program.

Provisions:
Student must complete current Mechanical Engineering degree with at least 3.00 cumulative GPA.

Your conditional acceptance also requires that all final and official transcripts, documents are received prior to registration for your second semester at LTU. Once the transcripts are received, you will receive an official course evaluation of your transfer credits. Please contact the appropriate school(s) and ask them to forward an official transcript to us immediately.

You are missing the following items:
Confirmation of Degree
Document of Support
Document of Support Verification Form
Final College Transcripts (Official: Not Required for Reading)
Sponsor Letter

By selecting Lawrence Tech, you are opening yourself up to limitless possibilities. The Faculty members are eager for you to engage with them in order to cultivate a lasting relationship dedicated to academic investigation and professional development. We look forward to assisting you throughout your studies here and well into the future as a successful alumni.

Your student ID is **000764342**. Please include your student ID when communicating with us. Any updates to your file can be reviewed on your Lawrence Tech admissions status page. Please review all updates we send to keep track of your application status. If you do not register in the semester in which you were admitted, please contact us to change your date of entry. If you have any questions or concerns please don't hesitate to contact us as 248.204.3160 or email at graduateadmissions@ltu.edu. We welcome you to Lawrence Tech and look forward to making your graduate experience both personally and professionally rewarding.

Sincerely,

Lawrence Technological University

Mechanical Engring-MS TH

WE CHOOSE YOU!

Congratulations Reuben Joshua!

It is my privilege to inform you of your offer of GRAD Probationary admission to the Mechanical Engring-MS TH program at the University of Texas at Arlington for the 2019 Fall semester.

In order to ensure your continued success, the following probationary conditions will need to be satisfactorily completed to end your probation. **Submit official 7th and 8th semester mark sheets and degree awarded.**

Admission to UTA is competitive, and your selection was not taken lightly. We chose you based not only on your academic record, but by evaluating your potential for continued success. We don't just believe that you will continue to excel, we expect it.

UTA is recognized by the New America Foundation as a model 21st century university. We're bringing resources, technology, teaching, and research together to shape our students and the world around us. In short, UTA will challenge you and engage you.

Please access the accept/decline link on your Student Center page in MyMav to either accept or decline your admission. You can find a checklist outlining the items you need to complete before enrolling at https://www.uta.edu/admissions/graduate/enroll/

Again, congratulations and welcome to the Maverick family.

Sincerely,

Troy Johnson

Letter of Admission

Deadline Date for Fees Payment
(MM/DD/YY): 07/12/18

Dear **Megha Rajeshkumar Patel,**

Congratulations! You have been accepted to Fanshawe College. This letter contains information to facilitate your application for a Study Permit and should be submitted to Immigration, Refugees and Citizenship Canada (IRCC).

Fanshawe College Student ID	**: WC2018F13817**
Date of Birth	: 02/23/1997 (MM/DD/YY)
Type of School	: Public; Member, CICan www.collegesinstitutes.ca; DLI # O19361039982
Program of Study	: RPA1 - Community Pharmacy Assistant, London Campus
Academic Status	: Full Time
Level of Study	: Post-Secondary Certificate Program
Semester of Study	: Level 1
Program Start Date	: 09/04/18 (MM/DD/YY)
Length of Program	: 1 Year (2 Levels)
Co-Op/Work Term	: N/A
Expected Date of Completion	: 04/30/19 (MM/DD/YY)
Fees (Approximate and subject to change)	: C$14,911.22
Fees Due	**: C$14,911.22**
Fees Payment Deadline	**: 07/12/18 (MM/DD/YY)**
Condition(s) (if applicable)	: NA. Student accepted under SPP.
Last date to update your visa	: 08/20/18 (MM/DD/YY)
Last date for registration	: 08/29/18 (MM/DD/YY)

The Deadline Date is important, as fee deadline extension will only be given if there are seats open in the program. Payment should be made in Canadian dollars through **FlyWire ONLY**. Your seat will be confirmed subject to availability of seats in your program at the time of your payment. To hold your place, fee of **C$14,911.22** must be received by the "Deadline Date" mentioned above. **You MUST** send an electronic copy of your FlyWire receipt with scanned copy of this offer letter to vmathur@fanshawec.ca and intspp@fanshawec.ca. Fee Receipt can be downloaded from your FlyWire account after 48-72 hours of making the payment.

Each year more than 22,000 students choose Fanshawe College as the pathway to their education and career goals. We want to help you get where you want to go. In the recently released Ontario College Key Performance Indicator (KPI) survey, Fanshawe's graduate employment rate was announced at 87% -- 3% higher than the provincial average. Our campus is located in London, Ontario. Metropolitan area of London, Canada has a diverse population of more than 500,000, and is above all a clean and safe place for students like you. It is a 2 - 3 hour drive from London to Toronto, Detroit, and New York State.

Fanshawe College provides free-of-charge arrival services for all our international students. Once your study permit application is granted **YOU MUST** inform us on vmathur@fanshawec.ca before 08/20/18 (MM/DD/YY). We look forward to having you study at Fanshawe College. If you have any questions, please contact our South Asia Office.

Sincerely,

Wendy Curtis,

FlyWire Payment Instructions

Fanshawe College has partnered with FlyWire to streamline the tuition payment process for international students. The FlyWire system allows you to pay from any country and any bank. Additional online methods such as Visa, MasterCard, and UnionPay are also available for many countries.

Note: You will need your student number to complete your payment. You can find your student number on your letter of admission.

Once you make the fee payment, you must send the FlyWire transfer proof to Fanshawe College on intspp@fanshawec.ca and vmathur@fanshawec.ca

To make a payment:

1. Go to https://www.flywire.com/pay/fanshawec to begin the payment process.
2. Select the country from which your funds will be coming from and the payment amount (in Canadian dollars) you wish to make to Fanshawe College.
3. In most cases, the Canadian dollar amount will be converted into your home currency at preferential exchange rates. [Note that FlyWire offers a "Best Price Guarantee" for bank transfer methods.]
4. After providing some basic information, you get 3 options to make payment to send funds from your local bank to FlyWire. 1) Domestics Bank Transfer 2) Mastercard and 3) Visa. The Canadian Dollar amount you mention is converted into INR amount.
5. If you select Domestic Bank Transfer option and proceed, you will get 3 steps of instructions. The first step will be to pay the fee to the Yes Bank, India bank account details that you get. Step 2 provides instructions to print A2 form and Step 3 provide instructions to send the A2 form.
6. Through the FlyWire student dashboard you will be able to track where your payment is in the transfer process.
7. You will receive an email confirmation from FlyWire when your payment is deposited into the Fanshawe College bank account.
8. FlyWire send you an official receipt with your student ID and the amount you have paid. This receipt should be used for the visa application.

Sincerely,

Hanna Eroglu, Associate Dean, International Education

Dean
Faculty of Pharmacy
Dharmsinh Desai University
Nadiad - 387 001. (INDIA)

Faculty of Pharmacy NADIAD-1

Name: PATEL, HEMANGIBEN KIRITBHAI
Student#: C0801118
Program: Pharmacy Technician - PHRM
Location: Sarnia

To hold your seat, a pre-payment of **$7,310.00 Canadian Dollars** must be received by the "**First Semester Fee Due Date**". In order to process your payment, visit **www.lambtoncollege.ca/SecurePay**, and use the payment code found in box 22.

ESTIMATED ANNUAL LIVING EXPENSES

Accommodation and Food @ $700.00/month	$8,400.00
Transportation @ $60.00/month	$720.00
Books and Supplies $1,500.00	$1,500.00
Miscellaneous @ $80.00/month	$960.00
Total Living Expenses	**$11,580.00**

ESTIMATED ANNUAL SCHOOL FEES

Tuition	$11,730.00
Ancillary/Student Fees	$1,400.00
Student Health Insurance	$660.00
Total School Fees	**$13,790.00**

IMPORTANT INFORMATION
Refer to www.lambtoncollege.ca/International for arrival, orientation, refund and withdrawal information.

The Sarnia campus is located 300 kilometers from Toronto. By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Sarnia Applicants PDF. If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment.Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review https://www.lambtoncollege.ca/Services/Co-op_and_Career_Services/Co-op_FAQs/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Students in certain programs may be required to complete a series of technical writing workshops to progress into the second semester of study.

Students must follow their prescribed program map and follow the academic schedule. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of $600.

Please contact international@lambtoncollege.ca if you require this document in an accessible format.

CALIFORNIA STATE UNIVERSITY, LONG BEACH

May 23, 2018

Vrushang Soni
A 16 Meghdoot Society
BH Aryakanya Vidhlaya Karelibaug
Vadodara Gujarat India 390018

Dear Mr. Soni:

I am pleased to inform you that your application has been reviewed by Health Care Administration Program, and we will be recommending to Office of Enrollment Services that you be accepted for Fall 2018. Instruction for the semester begins on August 27, 2018. If you are an international student, please make your travel arrangements to ensure you can attend the first meeting of all your classes.

There will be a mandatory Student Orientation on August 16, 2018 that you must attend. You will receive this information electronically in July 2018. All questions related to the graduate program will be answered at this time.

The University will send you an email with your registration materials and student identification number. Registration for classes is completed through MyCSULB, which can be accessed through the CSULB website. If you would like to start registering for classes, I recommend starting with the following in the order listed:

HCA 502 Health Care Systems
HCA 505 Organizations and Systems in HCA
HCA 536 Hospital Management OR HCA 515 (if you have taken the Accounting prerequisite)
HCA 503 Health Care Economics (if you have taken the microeconomics prerequisite) OR
HCA 535 Quantitative Methods in Health Care (if you have taken the statistics prerequisite)

**9 units or more is considered full time at the graduate level (there is a 15 unit max allowed) **You may choose to take 1 to 5 classes. **If you have to take any pre-requisites, you may take up to 3 pre-requisite courses this semester in addition to HCA 502 and 505.

Please sign and return the enclosed agreement to complete the application process for the Health Care Administration Office. After you have completed your application file (see enclosed agreement), completed six (6) graduate units with a grade of "B" or better, this department will finalize your program by filing your advancement to candidacy.

Your advisor will be Dr. Grace Reynolds and she can be reached either by telephone (562) 985-5885 or by email Grace.Reynolds@csulb.edu. Once again, congratulations on your admission to the Health Care Administration Department and we look forward to your enrollment with us.

Sincerely,

Tony Sinay, Ph.D.
Chair and Professor

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: February 04, 2021

Jainesh Jaykrishna Desai
245,Holi Chakla,Desai Vago Nadiad,
Kheda , Gujarat
387001, India

Student Number: 8761522

Dear Jainesh Jaykrishna Desai

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

B.Y.O.D. - Bring Your Own Device
Some programs require you to bring your own device. It is your responsibility to ensure that you bring the appropriate device for your program. Please visit the Conestoga College website to verify if your intended program requires you to bring your own device.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: !International3
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at internationaloffice@conestogac.on.ca.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations
Conestoga College

Conditions of Acceptance: • N/A	

Signature and name of institution representative:
Anita Couto, Director, International Enrolment and Operations

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assistance.

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Education Office at internationaloffice@conestogac.on.ca.

Arrival and Orientation

The International Student Services department can provide you with valuable information regarding arrival and orientation. Please email internationaloffice@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

ILLINOIS TECH

ILLINOIS INSTITUTE OF TECHNOLOGY

July 16, 2020

Foram Shah
A-93, Santoshi Nagar, Opp Reliance Fresh, Nizampura, New Sama
Vadodara, FL 390024
India

Dear Foram,

Congratulations on your admission to the Illinois Institute of Technology! Your acceptance is the first step in becoming a member of the ever-growing professional network of Illinois Tech alumni.

Our faculty is pleased to offer you admission to the Master in Information Technology and Management Program for the Fall 2020 semester.

You are entering a selective program at a world-renowned university. Please note that your admission is contingent upon completion and submission of your conferred baccalaureate degree and, if applicable, a masters degree. Your Campus Wide ID is A20468378.

We sincerely look forward to welcoming you to the IIT community. I personally wish you every success as you begin your graduate studies with Illinois Tech.

Sincerely,

Rishab Malhotra

Dear Foram,

Congratulations on your recent admission to the Illinois Institute of Technology and the Master in Information Technology and Management program!

The funding below provides tuition support for your first academic year at Illinois Tech and will be disbursed as follows. Awards listed below are based on full-time graduate enrollment of 9 credit hours. Support levels may change in later academic years. Funding is intended for the program to which you were originally admitted and may be subject to additional restrictions. Contact your department for more information.

Award Name	Semester	Year	Tuition Support
TechEdge Scholarship	Fall 2020	2020-2021	$1250
TechEdge Scholarship	Spring 2021	2020-2021	$1250
TechEdge Scholarship	Fall 2021	2021-2022	$1250
TechEdge Scholarship	Spring 2022	2021-2022	$1250

Your Campus Wide ID is A20468378

We sincerely look forward to welcoming you to the IIT community. I personally wish you every success as you begin your graduate studies with Illinois Tech.

Sincerely,

Rishab Malhotra

Letter of Recommendation

It gives me immense pleasure to write a recommendation for Parth Parmar. He was my student under the program of Bachelor of Technology in Computer Engineering at Dharmsinh Desai University between 2011 and 2015.

I have known him in my capacity as his Professor for over four years during which I taught him Computer Programming in C in 2nd semester, Data Structure and Algorithms in 3rd semester, Discrete Mathematics in 4th semester, Computer organization in 5th semester and Artificial Intelligence in 7th semester. I had the opportunity to guide and supervise him through his preparation and presentation for projects on telephone directory in C and Online Movie database in PHP. During my interaction with him over the years, I have seen him single-handedly pursue his quest for academic advancement, and thus, I am confident that he has all the requisites for the graduate study.

I say this as he has been one of my most enthusiastic and well-prepared students. He used to come prepared with all necessary classroom materials and his questions and participation in discussion showed his conceptual clarity, aptitude and remarkable talent to perceive and interpret new concepts. Parth's attention to details reinforces his strong fundamental base. Besides, he always inclined to contribute relevant current information in terms of technology trends and new developments.

As a part of his pursuits, he also attended workshops and seminars arranged by the University in collaboration with Indian Institute of Technology Bombay in the field of Ethical hacking and Linux. He has proved himself to be a talented and brilliant student who took part in many technical competitions organized in and out of the college. For instance, he participated in Codevita – an online coding competition organized by Tata Consultancy Services. These events enhanced his technical and creative thinking abilities. Along with securing good grades in academics as well as participating in extracurricular activities, he has developed an impressive team building skills by being a member of the department's cricket team.

Overall, Parth's passion for the field of Computer Science put together with his intellect and his ability to work hard will ensure he succeeds in his future endeavours. I, therefore, strongly recommend him for admission to your master's program and urge you to have him as a part of your esteemed University.

21, June 2019

Prof. Apurva A. Mehta,
Assistant Professor,
Department of Computer Engineering,
Faculty of Technology, Dharmsinh Desai University.

Letter of Recommendation

I am writing this letter of recommendation in support of Akshay Aman Gera who is applying to the Master's program at your esteemed university. I have been Akshay's professor in 3 subjects, namely Database Management Systems, Network & Information Security and Compiler Construction. Through my observation, I would like to say that he is a diligent, sincere and attentive student.

Throughout his study, Akshay has shown great interest in the subjects taught to him, especially Database Management Systems, which I helped him learn and practice during the 3rd semester. He has demonstrated the skill-set to analyse and implement essential concepts like normalization and join operations. His understanding of Entity-Relationship diagrams in RDBMS made me believe that he was genuinely interested in the subject. With Network & Information Security, Akshay strived to gain a better understanding of cryptography and its concepts.

He has also worked hard to understand the complicated concepts of compiler construction and the various methods of parsing languages. He has scored well in the subsequent sessional examinations for the same subject as well. He has always actively taken part in class discussions with eagerness to learn new concepts. Moreover, he strives to resolve his ambiguities with high confidence. A crucial trait that Akshay possesses is his punctuality. He has always submitted his assignments and lab work on time and handles priorities with a positive attitude. His aspirations to go for a master's program are well visible in his ability to explore the domain of his interest. He has gained considerable knowledge of the fundamentals taught to him throughout the course.

Akshay can manage time and prioritize tasks efficiently. He is a disciplined student with a willingness to step out of his comfort zone to learn something new. He possesses excellent communication skills and is an active participant. I am confident that Akshay is a deserving candidate for a master's program at your university.

Sincerely,

Prof. Ashish K. Gor
Assistant Professor
Department of Computer Engineering
Dharmsinh Desai Institute of Technology

LETTER OF RECOMMENDATION

This is with the reference in recommending Mr. Divyang Chodvadiya to your university whom I have known for the last four years. I have taught him subjects which includes Network Information & Security, CompilerConstruction and Database Management System and to my knowledge his meritorious conduct is noticeable in his candidature. His curiosity within the Lab sessions is also noteworthy.

In his 4th semester, He worked on a project named 'Online Car Rental System'. This project was aimed to provide a platform where user can easily book Car in advance and it was developed using Python and Django framework. Along with this project, during his sixth semester, he also developed a system titled 'Library Management System' which comprised of a user friendly interface and this system allows user of the system to make request for any book online. The system also encompasses of basic authentication, authorization and it was created using various technologies like PHP, JavaScript as backend technologies and HTML , CSS and Bootstrap as the frontend technologies.

Divyang's active participation and tenacious volunteer ship is not only restricted to classrooms. He actively participated in workshops and technical events. He has participated in workshops including Internet of Things and Cybersecurity. He also participated as a volunteer for the same. He has remarkable Leadership skills, Interpersonal skills which includes fine oratory and Management skills. During this three year of my acquaintance, I find a well combination of Boldness, Peculiarity and Caliber in him.

Higher studies will provide him the right platform to learn and enhance his skills and experience. His ability to learn and implement new technologies will get a new stage with a graduate program. I therefore strongly recommend Divyang for Graduate Studies at your university. I wish him best of luck and I am ready to provide any assistance in order to assess his candidature.

Sincerely,

Prof. Ashish k. Gor

Letter of Recommendation

I am happy to provide this recommendation letter for my student Mr. Harsh Vadalia whom I know for the last four years as his professor during his undergraduate studies. I taught him Database Management System, Network Information and security, Compiler Construction during 3rd, 6th and 7th semester respectively as a part of study towards a Bachelor's degree in Computer Engineering.

I found him to be fundamentally sound in these subjects. The feature that struck me most about this young engineer was his perseverance and potential towards hard work. I have observed his growth during his period here. His consistent first class distinction grades are a mark of his hard work and perseverance. He had a lasting impression on me for his skillful application of theoretical knowledge in practical aspects. A prime example of this was his project on Fault Detection System using Generative Adversarial Networks. For this project he collected relevant data from research journals, books and magazines, and the net. He then lucidly explained to the class about how a Generative Model works and how it can be implemented on statistical data. The project was done in a team and among his team members his pragmatic thinking ability, problem solving skills and motivation stood out from others. His ability to amalgamate with team and work toward the end result was noteworthy. He did work designated to him and when the need arose took on the mantle of a leader with ease.

I had consistently observed his strong grasping powers, communication skills and organizational abilities during my interactions with him in class. He was regularly raising the right questions and increasing class learning. He also freely shared additional information he had with classmates and juniors. He read, researched and has good depth in almost all topics of Computer Engineering and thus was able to contribute positively in the classroom.

All of the above showed his intellect, perseverance, teamwork ability and inclination required for a master's program and thus making it very easy for me to recommend him strongly for admission to your university.

Sincerely,

Prof. Ashish K. Gor
Assistant Professor
Department of Computer Engineering
Dharmsinh Desai Institute of Technology

NAAC ACCREDITED

Letter of Recommendation

It gives me a great joy in recommending Mr. Jaykumar Ghanshyambhai Goyani to your university and I would like to elucidate few points about his strong deserving case for the enrolment in the graduate program at your university.

Having known him for the last three years, I have firsthand knowledge of his intellectual ability, conceptual clarity and zeal to learn. I have taught him subjects of Compiler Construction, Network Information & Security and Database Management System and I have drawn conclusion that he has a strong hold over the basics of the subjects taught. His performance and diligence in laboratory sessions is also admirable. He has always completed the tasks and assignments in given time with utmost diligence and has shown extreme politeness in his conduct. A quick learner, Jaykumar is attentive and focused in lectures and contributes actively during discussions.

In his 4th semester, He worked on a project named 'Movie Ticket Booking System'. This project was aimed to provide a platform where user can easily book movie tickets and it was developed using Python and Django framework. Along with this project, during his sixth semester, he also developed a system titled 'Online Photo Frame Selling System' which comprised of a user friendly interface capable of performing CRUD operations. The system also encompasses of basic authentication, authorization and it was created using various technologies like Asp.net and MVC.

His learning and scholastic activities are not just limited to classroom, he is an active participant of various workshops and seminars such as Ethical hacking and Internet of things. This definitely showcases his belief that theoretical knowledge should come into practice. His active participation in various events on college evinces his good managerial and interpersonal skills.

To recapitulate, his technical skills are his biggest asset and it would be a mutually profitable decision for him to join your university. I feel confident that further studies at your esteemed university will see his emergence as a prominent student and he will be great asset to his peers and superiors. I am sure he will bring same level of commitment and enthusiasm to your prestigious university as he did here at our college. I would be glad to provide any further information required to assess his candidature.

LETTER OF RECOMMENDATION

It is my pleasure to write this letter in support of Mr Jil Patel who possesses the ability to work smart and has excellent relationship building skills. I've been his mentor in the subject of Database Management System, Network and Information Security, Compiler Construction for last three years of his bachelor's degree. He is a focused and diligent individual who will thrive in a competitive environment and so I recommend his name for graduate studies at your reputed university.

Jil is hardworking and ambitious student. He has always been able to retain good score in my subjects. During the lab sessions, he always strives to use the knowledge he has gathered and translate it into practical ability. He has good understanding and command over SQL queries. In the lab of Compiler Construction he has worked on different parsers and that has made his fundamentals strong. In the subject of Network and Information Security he has shown great interest in understanding the topics in depth and is evident from his academic scores.

Apart from his curriculum courses he has also attended two day workshop on Internet of Things conducted by Institute of Electrical and Electronics Engineering Computer Society. He has learned flutter through online courses which shows his innate desire to get the best knowledge in latest technology.

During the final semester of his bachelor's degree he undertook internship at SoftSages Pvt. Ltd. This has not only helped him to learn various languages, Frameworks, Databases and AWS but also helped him to enhance his knowledge and to gain good technical and managerial skills.

I believe that he, as a student with great zeal for higher academic pursuits, will do well and hereby I strongly recommend Jil for the Master's program at your esteemed university.

LETTER OF RECOMMENDATION

I take immense proud in writing this letter of recommendation for Khushboo Oza. She has studied Database System, Network Information and Security and Compiler Construction under me in her 5th, 6th and 7th semester respectively. I have known her because of her excellent Performance, good programming skills, good practical knowledge, grasping ability and regular attendance at all my lectures. I believe that Khushboo will be an excellent candidate for your program. She has impressed me with her constant alertness, quality of work, reflecting her analytical bent of mind, determination to pursue goals and achieve these diligently. She has dealt very efficiently with all the patients and this demonstrates her excellent interpersonal and communication skills.

Khushboo was very much interested in learning various encryption algorithms and always tried to implement all the algorithms herself and spent additional time of hers to come up with new solutions and challenges for herself. She used to be keen to learn about various languages, attribute grammar, lexical analysis, parsing and semantic analysis. Her ready to learn attitude and alertness in the class encourages other colleagues also towards learning.

She shows fastidious behavior towards her studies along with a strengthen efficacy for research. She is an industrious student. She is able to complete her assignment within the stipulated period. She is always attentive to whatever has been taught in the class and well prepared with her course work. She is willing to put in extra efforts to update herself on the latest developments in the field of computers.

She is an intelligent, dedicated person who is ready to achieve her goals. I am confident that with a specialized focus at the graduate level, she will be able to utilize her full potential which excels at the professional level. I strongly recommend her to your University for Master's degree. I wish grand success is all her future endeavors.

Ashish K. Gor

12th January 2019

LETTER OF RECOMMENDATION

Ms.Krishna Bhatt would be an asset to any educational institution. This confidence comes from having observed her dedication and discipline towards her studies and all her rounded performances. Her conceptual clarity and ability to explore the core of subject places her among our top-notch students of our Computer Engineering department. What makes her special is that she is that she is confident of her abilities and is able to achieve whatever she sets her mind to.

I have taught her three subjects which include Database Management System, Network & Information Security and Compiler Construction. Through my personal observations and close interactions with her, I know of her fascination to understand new concepts and a variety of subjects. In fact, she has portrayed her technical skills during her lab sessions. She has prospective problem-solving capability and is also a punctual and disciplined student.

She is articulate and can express herself very well both in formal teaching contexts and in informal discussions. In these years of acquaintance, I have found her ideas to be innovative and creative.She is interested in strengthening her academic proficiency by pursuing her Masters degree. I believe that her endurance and analytical skills will contribute significantly to the research at your institute. I strongly recommend her for the graduate program at your university.

Sincerely,

Prof. Ashish K. Gor
Assistant Professor

NAAC ACCREDITED

LETTER OF RECOMMENDATION

This letter is with reference to the application for admission, sent in by Krutika Verma for Master's program at your prominent university. I have known Krutika since she was in the third semester of her undergraduate engineering study, during which I taught her the coursework of Database Systems. I have been Krutika's professor in Network and Information Security and Compiler Construction as well. I am pleased to affirm that Krutika is a student with good intellectual capacity and caliber, which makes her an ideal candidate for higher studies. She is hardworking, inquisitive, a team player with an exceptional desire to expand her knowledge base.

Sincere and dedicated, she takes great interest in her studies, and participated in classroom discussions. With strong analytical and logical skills, she can undertake and accomplish challenging tasks. Her interest in the field was apparent in her consistent efforts to go beyond the textbook and contribute new information and ideas to the class. She was able to logically analyze problems and use her theoretical grounding to come up with effective solutions. She has the ability to work efficiently and maintains a strong rapport with peers and professors alike. I am confident that her determination and passion for work will foster her success in graduate studies.

As a versatile and talented student of our college, she has demonstrated admirable leadership skills through actively participating in college events and activities. Possessing a creative bent of mind and an eye for detail, she has been an active member of the photography club of college. Also, she is well aware of her responsibility towards society and has undertaken several tasks being a member of our college' Social Service Club. Krutika also has excellent interpersonal and communication skills.

ISO 9001 : 2008
Certificate No. 5673 QMS 001

I believe graduate studies will further enhance her prospects and enable her to reach her full potential in this dynamic field. Krutika is a self-motivated and diligent student who would be an asset to your university. I, therefore, strongly endorse her application for admission and wish her success for her future endeavors.

Sincerely,

Prof. Ashish Gor,
Assistant Professor,
Department of Computer Engineering
Dharamsinh Desai University

NAAC ACCREDITED

Letter of Recommendation

This letter of recommendation is for one of my highly motivated student, Ms. Mansi Golakiya. She has been my student during her bachelors of computer engineering. I have taught Mansi three subjects namely Database System, Network Information & Security and Compiler construction. She was an outstanding student. Her grades do recognize her diligent nature. She secured 'BB', 'AA' and 'AB' grades in respective subjects mentioned earlier, which displays her academic proficiency.

Mansi carried out her work with great sincerity and great depth of understanding. I assure this based on the performance she has shown during laboratory sessions on the subject of Network Information and Security. Her effective lab work proves that she can very well correlate and utilize her academic knowledge in practical uses. Thus, clearly suggesting her caliber as a promising computer professional. On the personal front, she is always ready to help her batch mates. I remember Mansi's one more novel drive – her Academic Notes. Mansi writes all concepts thoroughly that were taught in the class. Her comprehensively written notes helped her fellow students to prepare the subjects. Apart from her classroom sessions, she also approached me to clear her doubts.

Apart from academics, Mansi also participated in various non-technical events organized during university festival. She volunteered during 'Star of DDIT' event held by 'Spandan', social club of DDIT. She has also been a committee member of Computer Society of India (CSI), technical club of the campus, which shows her eagerness to explore computer world. Additionally, she has been a part of the cultural committee of *Felicific 16*, the annual cultural event of our college.

In conclusion, I feel that Mansi is an intellectual sharp, focused and persistent to be a credit to the University of her choice. I am confident that she will continue to accomplish higher goals and will be successful at whatever she chooses to undertake.

Letter of Recommendation

Mr. Meet Mehta is an exceptional student who has always exceeded our expectations. He actively participated in technical as well as extracurricular activities. He is one of my top students of Bachelors of Technology majoring in Computer Engineering. His academic record speaks for his hard work. Being his professor for Data Management System in 3rd semester, Network Information and Security in 6th semester and Compiler Construction in 7th semester, I had an opportunity to evaluate his knowledge of subject. He is an observant and attentive student.

Through our share interaction I am aware of his project on 'Expense Tracking System'. This was an Android application designed to help user manage and track daily expenses. Major tools used for developing was React Native Framework. This application was hosted on Microsoft Azure Cloud and uses Cloud Storage for data storage. His responsibilities were to write codes for the project and host the application on cloud. Meet's exceptional leadership skills and technical acumen has always helped him to achieve positive result.

Meet possess innate desire to get the best knowledge in trending technology. To achieve that he is always aware of various workshops organized. He attended two day workshop on 'Internet of Things' conducted by Institute of Electrical and Electronics Engineering Computer Society. Through this workshop he achieved detailed knowledge related to IOT. They also got hands on experience on IOT. This experience helped him during his projects.

His experience through various projects, seminars, workshops and academics ignited his curious mind. I am aware of his desire to pursue Computer Science as future study interest. To broaden his horizon he undertook Research Internship in 'SMART' program, an initiative by Space Application Center, ISRO, Ahmedabad. There under supervision of Dr. V. Sathiyamoorthy, Meet had chance to learn about MOSDAC Data and application of Machine Learning Algorithms.

To sum up, Meet has always been hardworking and consistent toward his goals. With his technical acumen he has been able to succeed academically so far and I'm sure he will carry on the same in future. He will be a great asset for your prestigious university. I recommend him for admission in master's program at your university.

NAAC ACCREDITED

Letter of Recommendation

I feel overwhelming pleasure in recommending Mr. Mirat Gajerafor his master's in computer science at your well-known university. At Dharmsinh Desai Institute of Technology, during Mirat's undergraduate studies in computer engineering, I got to associate very well with him for a period of two years and also received the delight of sharing my knowledge, vision and good virtues with him. It is my understanding as his professor and guide for a variety of projects that Mirat is strongly motivated to utilize his skills for the betterment of society. I wish my student's good ambitions to become a success and hence, I highly recommend him for your program without any reservations.

As a part of his academic curriculum, Mirat attended my classes on Network & Information Security and Compiler Construction during his sixth and seventh semester respectively. Showing uniform efforts in both of his subjects, he was able to grasp all its content and master the technical concepts associatedwith it. While monitoring Mirat, I found him to be a creative thinker, be it with solving the problems or coming up with novel ideas for a computer science project. Rather than blindly memorizing the topics, Mirat enjoys deeply understanding the topics and exploring them in a practical manner. This particular trait has developed his logical as well as strategic problem-solving abilities and enabled him to become a self-learner. According to my knowledge, Mirat has worked on three projects namely, Airline Ticket Booking System, Movie Ticket Booking System, and Event Planning & Managing Web Application. Working on the aforementioned projects, he gained hands-on experience in Java, PHP, MySQL, C#, .NET Framework,MS Express,and Oracle.

Managing his studies, Mirat also actively got involved in several extra-curricular events at an intra-college as well as inter-college level. He was among the few students of our college that got to take part in the e-Yantra Robotics Competition (2018), an annual competition conducted to empower the budding engineers to develop practical solutions for some of the challenging real-world problems. While participating in the GTU Techfest at A.D. Patel Institute of Technology, Mirat entered the Relay Coding and the Logo Design competition and secured the third and second position respectively. Adding to that, during his engagement in the DDIT Techfest "FELICIF", he also associated with the events: Techno Crane, Hardware Rush, Techno Quizzeria, and Counter Strike, giving exceptional performance in the same.

In my view, Mr. Mirat Gajerais a sincere student; he showed complete dedication in both his academics and extra-curricular activities. He is very much motivated to learn more in the domain of computer science and is capable of developing innovative products in the same. Hence, with immense enthusiasm, I highly recommend him for the M.S program at your university.

Sincerely,

Prof. Ashish K. Gor
Assistant Professor

LETTER OF RECOMMENDATION

I am pleased to write this letter in support of Mr. Nisarg Shah, a wise, intelligent and capable individual who has been my student for the past three years. Being his professor for Database Management System, Network and Information Security and Compiler Construction, I had a chance to assess him. I have no hesitation in recommending Nisarg for the Master's program and I assure you that he will prove to be a true asset to your University.

Studious and attentive is how I would describe him. He has excelled academically in my subjects. Apart from theory, he has also shown great potential in practical implementations of the knowledge which was evident during the lab sessions. He has the capability to understand the subject in depth and logically apply the concepts to solve real world problems.

Nisarg is a quick learner and he is always eager to learn new technology. To accomplish this, he is aware of various workshops and seminars organized. He attended a two-day workshop on 'Virtual Reality' conducted by Mozilla where they got hands on experience on VR. He also attended multiple Game Development seminars conducted by Unity Framework where he learned about how to develop 2D and 3D games.

As a part of his curriculum, Nisarg undertook a full time internship in Prakash Software Solutions Pvt. Ltd. for a span of an entire semester. This is during the final semester of his bachelor's degree, which is intended to train the students for industrial work. There under supervision of experienced employees, he had the chance to learn about various languages, frameworks and databases.

Therefore, I think that Nisarg will excel in the Master's program and would prove to be the right candidate for any kind of graduate fellowship given to him by your reputed university.

LETTER OF RECOMMENDATION

I am pleased to write this letter in support of Mr. Shivang Patel, a wise, intelligent and capable individual who has been my student for the past three years. Being his professor for Database Management System, Network and Information Security and Compiler Construction, I had a chance to assess him. I have no hesitation in recommending Shivang for the Master's program and I assure you that he will prove to be a true asset to your University.

Studious and attentive is how I would describe him. He has excelled academically in my subjects. Apart from theory, he has also shown great potential in practical implementations of the knowledge which was evident during the lab sessions. He has the capability to understand the subject in depth and logically apply the concepts to solve real world problems.

Shivang is a quick learner and he is always eager to learn new technology. To accomplish this, he is aware of various workshops and seminars organized. He attended a two-day workshop on 'Virtual Reality' conducted by Mozilla where they got hands on experience on VR. He also attended multiple GDG seminars conducted by Google Developers Group where he learned about multiple upcoming technologies and Machine learning.

As a part of his curriculum, Shivang undertook a full time internship in Softsages Pvt. Ltd. for a span of an entire semester. This is during the final semester of his bachelor's degree, which is intended to train the students for industrial work. There under supervision of experienced employees, he had chance to learn about various languages, frameworks, databases and AWS.

Therefore, I think that Shivang will excel in the Master's program and would prove to be the right candidate for any kind of graduate fellowship given to him by your reputed university.

Letter of Recommendation

It is with great pleasure I write this letter in support of Mr. Jay Naik who aims to pursue his graduate studies at your prestigious university. In his entire curriculum of Bachelor of Computer Engineering, I have taken two courses which are Operating Systems and Knowledge Discovery along with practical laboratory sessions for the same. He was able to consistently complete all the demanding tasks and assignments with intense focus in a given time period.

He has been immensely attentive and interactive in his last course that I had taught him which was Knowledge Discovery. Having seen his enthusiasm and I can assert he is keenly interested in Machine Learning and Data Analysis. His ability to grasp the intricate complexity of Artificial Neural Networks quickly impressed me and only solidified my belief in his ability to learn quickly. Apart from his curriculum, Mr. Jay completed the Machine Learning course by Andrew Ng and Applied Data Science in Python specialization by Michigan Universlty from Coursera and also started working on Kaggle competitions. This introduced me to his passion for Data Science.

He has always been very interactive in the teaching sessions displaying clear intent of interest in current developments of technologies. Considering my time spent with him during the study of Operating Systems, I can content he has great ability to comprehend and get a fix on even those subjects which are completely neurotic for him, He also exhibited the ability to approach a practical problem with a creative solution and grasp them really efficiently.

Again I highly recommend Mr. Jay Naik and believe he will surely excel at your graduate program in Computer Science. I think he will make a great contribution to your school. I'm very much looking forward to seeing and experiencing the contributions he makes in the field of Computer Science.

NAAC ACCREDITED

Letter of Recommendation

Mr. Kaivalya Shah has graduated with Bachelor's Degree in Computer Engineering from our institute, Dharmsinh Desai University. He is now keen to pursue master's degree. Having interacted with him for four years and having assessed his class contribution, I can say that he is a student with good potential. The courses which I took in his curriculum are Data Structure and Algorithm, Software engineering and Operating System as well as laboratory sessions in Data Structures.

What also makes me confident in recommending him for higher studies is his ability to take up challenging assignments and do full justice to tasks at hand. I have noticed this firsthand during his project on Blood Bank Application which was developed using Android Studio, Asp.net, MS visual studio and WampServer. Here, I was impressed with his willingness to put in dedicated efforts and long hours to achieve set parameters and tangible results. His work not only demonstrated his understanding of theory and principles, but also his ability to apply.

Kaivalya has regularly exhibited his communication skills, organizational abilities and research potential in all academic and co-curricular work done at our college. This has established him as one of our preferred team member. Whether it is project work, class assignments or extracurricular activities, he showed his leadership potential, team spirit and ability to communicate effectively. As a coordinator of Finance, Discipline and Campaign Committee during our tech-fest 'Felicific 2017' where he did impressive job in terms of planning, implementing and execution of events. He worked very well with the group showing his teamwork skills.

Kaivalya is now keen to pursue master's degree and I have no doubt that he will be able to do it. He has my full support and enthusiastic endorsement for admission to the graduate program in your university. He will surely make the entire teaching process a more rewarding one with his zest.

Letter of Recommendation

I am pleased to write this letter of recommendation for Kartik Gevariya, alumni of the Department of Computer Engineering of our institution. I have known him since 5th semester.

I have taught him **Software Engineering** in 5th semester and **Service Oriented Architecture** in 6th semester of his degree. This has given me ample opportunity to interact with Kartik and observe him.

As a person, Kartik is hard working and enjoys challenging tasks. His diligence, analytical skills and punctuality in submitting the assignments has always impressed me. In my opinion, systematic approach to problem solving and logical thinking are his strengths. He has very good communication ability and has excellent command over English writing, reading and speaking. As a teacher, I feel these qualities will help him to make a successful career.

As a senior faculty at the college, I strongly support his decision of pursuing his graduate degree at your esteemed university, and I am sure that he will give his best during the course of the same. It is thus my pleasure to strongly recommend Kartik Gevariya. I am confident that he will add to the excellence of your student population. I wish him success in all his future endeavours.

Letter of Recommendation

I am pleased to compose this letter of recommendation for Mansi Gevariya, she has successfully her Bachelor of Computer Engineering in 2016 from our Institute.

I have been her faculty in **Software Engineering** in 5th semester and **Service Oriented Architecture** in 6th semester of her degree. This has given me adequate chance to connect with Mansi and observe her performance and abilities.

As an individual, Mansi is dedicated and keen to accomplish tough tasks. Her tirelessness, systematic abilities and timeliness in presenting the assignments has constantly amazed me. As I would like to think, deliberate way to deal with critical thinking and intelligent reasoning are some of her strengths. She has an awesome correspondence capacity and has noteworthy order over English composition, perusing and talking. As an educator, I feel these characteristics will prove to be asset to the institute.

To conclude I would only say if given a chance, Mansi would come to you with qualities like intelligence, curiosity to learn and understand new concepts as well as motivation to successfully complete the graduate program. All this makes her ideal candidate for graduate program offered at your university. I unhesitatingly and strongly urge you to consider her for admission.

Letter of Recommendation

It is true pleasure for me to write this letter of recommendation for **Mr. Milan Lakhani** who has been my student in various subjects at this institute during his four-year bachelor degree program in computer science.

I have been his teacher for subjects like Operating Systems, Service Oriented Computing and as an instructor for Advanced Technology Project. During this process, I have been closely acquainted with him. When it came to clarifying doubt, raising questions or giving inputs, he was never shy. This was always done with an aim to comprehend and understand the core of the subject matter. In the practical sessions I came to form a favorable opinion of him due to his good laboratory skills and capacity to practically implement theoretical knowledge. During final presentation of his project he was able to successfully deliver the product due to his communication skills and domain knowledge.

I have always found him updated with the latest technology and its evolution in his field of interest. He has the ability to apply his academic knowledge for problem solving in a particular area. I have keenly observed Milan when working in group situations as well as on his own and in both situations, he was able to deliver his high-quality work. He has also interests in extracurricular activities. I am aware about his participation in various technical and non-technical events which took place in our institution.

He is confident, ardent, well-mannered individual with a penchant for learning. Considering his motivation, determination and intelligence, I strongly believe that he will surpass highest peaks in his interests. In a view of all above facts, I strongly recommend him for admission to the graduate program at your institution.

24th January 2020

Letter of Recommendation

It is a pleasure to write letter of recommendation for Mr. Nikunj Shamjibhai Dhola, who is my student from Computer Engineering Department. He has studied "Operating System" and "Object Oriented Software Engineering" under my guidance. He has been an excellent student along with being sincere and punctual. He is a student with excellent ability for logical and intuitive thinking and he has proved himself to be a talented and brilliant student.

Nikunj has shown keen interest during the practical sessions of the various subjects he has studied under me. His approach to tackling any problem in hand is one of his remarkable traits. During his final year, I am mentoring him in the subject of "Knowledge Discovery" in which he has a particular interest. He is avid learner and likes to go beyond the theoretical purview, to practical applications of his subjects.

During the course of his study he has always secured good grades. I have seen his interest to implement his academic knowledge in the practical's exam and I believe that it is a vital trait for one wants to research at the Masters level. Also his curious mind is always full of intelligent queries that not only help him to grow as an individual but also allows his other peers to get in depth knowledge about the subjects. His perseverance and hard work for gaining a strong knowledge base at undergrad level show his desire to study in internationally renowned University.

It is my sincere belief that he will succeed in any undertaking largely because of his determination to adhere to these standards and accomplish his goals with integrity; I would like to recommend him for Masters Degree and wish him the very best for his studies.

NAAC ACCREDITED

Letter of Recommendation

I gladly write this Letter of Recommendation for Sagar Patel for his admission to an esteemed institute like yours. As an assistant professor at Dharmsinh Desai Institute of Technology, I can give credence for Sagar Patel, who learned subjects of Software Engineering and Knowledge Discovery in fifth and seventh semesters respectively. I also supervised one of his projects in the fourth semester.

Sagar is always active in classroom discussions and does not hesitate to voice his opinions. He always pushes himself to go extra miles. For his project where he had to develop an Online Examination System, he went extra miles to enhance his understanding of the programming languages and executed the project astonishingly well. As it was the first project for him as an engineering student, he learnt stylesheet language for the same to have a better rendering of the elements in the website.

What has always stood out about Sagar is his extrovert personality. He has clarity of goals and works with complete dedication in that direction. His presentation skills are extraordinary. I remember when in the 6th semester the students had to give presentation to entire class about computer peripherals, its working and applications. He was excellent with his presentation and covered all the points comprehensively. In the follow-up question-answer round, he was honest about the answers that he did not know. This simple instance shows his work ethic and I was extremely impressed by the same.

Apart from academics, I observed Sagar's keen interest in writing. He regularly wrote articles and poems for our college magazine. In our conversations, he also told me about his dream to publish his own book. With the dedication that he has, I am confident that he woule be able to achieve his goals.

Throughout the four years, Sagar has grown professionally as well as personally. His never-give up attitude has contributed to his success. I am confident that he has the personality and ability to cope up with the rigour of an esteemed program like yours. I recommend his application and wish him best for the future.

Letter of Recommendation

I am happy to be penning down this letter of recommendation for my creative and dynamic student, Mr. Shaival Mehta. His sound performance in various fronts makes speaks much about his caliber. His technical proficiency with a strong mathematical foundation enabled him to quickly grasp new concepts, theories and principles with ease. With the amount of discipline he brings to his work, I can easily say he has the potential to reach greater heights.

Through my personal observations and having evaluated his performances, Shaival has diligently and with utmost sincerity completed his assignments. Either a team project or an individual assessment, his analytical thinking enabled him to get them done in the scheduled period. He also has delegated individual responsibilities to team members based on their knowledge and skills and thus derived optimum results. He uses his fluent communication skills to present and put forward his insights on a subject. Such qualities really make him stand out from rest of his classmates.

Shaival has also attended my lectures on Software Engineering both theory and practical sessions in 5th semester, Object Oriented Software Engineering in 6th semester and Knowledge Discovery in the 7th semester. Having successfully executed wide array of projects he has achieved a sound understanding in programming. He is adept at R Programming, Python and has good knowledge in Data Science.

To summarize, Shaival has what it takes to deliver substantial qualitative and quantitative work. He has set high standards of benchmark for achieving excellence and will continue to contribute within research and development. Thus, I wish him very well for his future and highly recommend his application for Master's program at your premier university.

LETTER OF RECOMMENDATION

It is with pleasure I write this letter of recommendation for Sufiyan Gani, in support of his application to pursue graduate studies at your esteemed University. In my capacity as a professor in the Department of Computer Engineering at Dharmsinh Desai University, I have known Sufiyan since 5th semester of his undergraduate study. I was his subject teacher of Operating Systems, Service Oriented Architecture and Object oriented Software Engineering. I also conducted the laboratory sessions of Operating Systems and Knowledge Discovery.

Over the course of my association with Sufiyan, he has always come across as an intelligent, industrious and determined student. His systematic approach, attention to details and the ability to grasp complex concepts enable him to perform exceptionally well in academics. He scored 10/10 in Operating systems and 9/10 in Service oriented architecture and Object oriented software engineering. His top grades reflect his excellent intellectual abilities and he currently ranks 6th in a class of 145 students. He has always been interactive and responsive during class discussions and very productive in his assignments. He is a person with a very high caliber and thus, I believe that he has the right blend of aptitude, merit and tenacity.

Beyond the purview of academic curriculum, Sufiyan has participated in various co-curricular activities. During his 6th semester, he participated in e-yantra, a national level robotics competition organized by IIT-Bombay, and reached stage 2. The competition required participation in teams, and Sufiyan's impressive performance in the same reflects upon his ability to work in collaboration with teammates and carry out results in group.

Sufiyan's vast knowledge of computer science, dedication to surmounting difficult problems, curiosity and questioning nature assures me that he can go on to achieve a lot in this field. Further, with great communication and interpersonal skills, he is someone who can adapt to any kind of situation with relative ease. In view of the above-stated accomplishments, I can corroborate for Sufiyan Gani's potential and competence, and hence strongly recommend him for admission to the graduate program at your university.

Letter of Recommendation

It is my pleasure to recommend Mr. Vasu J Patel for Graduate program at your esteemed University. I, as an Assistant Professor at Computer Engineering, got to know him very closely while I taught him the following subjects: Operating System, Service oriented Architecture, Knowledge Discovery, and Object-Oriented Software Engineering. He has always proved himself to be one among those exceptional and polite students I have encountered.

Vasu has been very attentive and interactive during lectures. His inquisitiveness showed in the intriguing and intelligent queries posed by him, thus revealing his creative open mind. Vasu has a strong hold over the basics of the subject taught, and his performance and diligence in laboratory sessions are also admirable. He has been involved in different co-curricular activities and social services.

Considering his motivation, tenacity, and intelligence I strongly believe he will surely peak in his field of interest. In view of the above fact, I strongly recommend him for a Graduate Program at your university. I wish him the very best in his pursuit of graduate studies.

Letter of Recommendation

I am very pleased to have this opportunity to warmly recommend Mr. Milind Ghiya as a prospective student for the Graduate Program at your university. He is an outstanding person and a student of exceptional promise who can contribute substantially to your program.

I first met Milind in 2014 when he enrolled in DDU's bachelor's program in Computer Engineering. He took my C programming class in the first year. I found his class comments to be relevant and thoughtful. In addition to teaching him, I have followed his progress throughout the program in my role, meeting with him once a week in this capacity. I remember giving an assignment of writing a C program which took input as a country name and would return the current time in that country. Out of all the students, Milind was one of 2% students in his batch who were successful in accomplishing the assignment accurately. Moreover, Milind never missed an opportunity to meet with me during my office hours for discussing different solutions of assignments or for seeking feedback on improvement in his performance. In addition to it, he has accomplished the assigned lab tasks efficiently and has always performed outstandingly well in lab exams.

Apart from academics, Milind also participated in online coding contests such as the National Programming Aptitude Test, HackEarth contests, and many others. He secured 94th percentile in NPAT out of 25000 contestants participating from all across India.

In sum, Milind has the self-discipline, determination, problem-solving, and academic abilities to succeed in a rigorous engineering curriculum and career. This letter represents my strong and sincere endorsement of Milind's application for his admission and also for financial aid/ assistantship.

Letter of Recommendation

This recommendation is written in support to seeking admission of **Akshit Jariwala** for Graduate Program at your esteemed university. He has been taught the subject of C Programming and Database Management System during his 2nd and 5th semester respectively by me. I was also his lab instructor in both the subjects. Akshit has actively participated in sessions while exhibiting an inclination towards practical implementation. Be it a classroom session or general discussion, he tried to be a keen observer and careful listener.

I have seen a keen urge in him to understand programming concepts beyond the theoretical purview. These qualities were evident in his project **"CampusKnot - Discussion Forum"** which he did under my supervision. This project aimed at providing a platform to university students which allowed them to interact with other students within the university about study related topics and post their queries on the discussion forum. Over the project duration, I got opportunity to assess his abilities closely.

I observed that he has positive attitude towards all the problems and has his fundamentals clear which assists to relate his knowledge in practical implementation. Additionally, he also possesses good presentation skill which was reflected in the project presentation of final semester.

It has been brought to my observance that apart from academics, Akshit also diligently participated in co-curricular activities. He was a member of the organizing committee during the annual technological festival of the college.

I have faith in Akshit and his decision to pursue higher studies at you Institution. I am wishful about him being an asset to your program.

Letter of Recommendation

I am Jigar M. Pandya and in my capacity an Assistant Professor at Dharmsinh Desai University. I am glad to know that **Crupanshu** has decided to pursue his higher studies. Hence I take this opportunity to give a formal recommendation for him.

I have known Crupanshu since July 2013, during his enrollment year to college for his undergrad. He has studied subjects such as LINUX Operating Systems & Programming, Computer Programming in C, Data Structures and Algorithms, Database Management System, Operating System under my tutorate. I have also examined his project Sudoku Game Solver which gave him the opportunity to gain knowledge about making a real-life based application. I had supervised on his internship training and he has undergone Foundation Program rolled out on campus.

During this tenure I was thoroughly impressed with his determination and hard working nature. He has delineated the same in several lab classes and the results were always positive. All the while that I have known Crupanshu I found him to be a very sincere student. The lab complexity of lab experiments he was able to understand and thus proving his intelligence. I must say that his overall academic performance was very good.

There are numerous occasions when Crupanshu has demonstrated a good sense of analytical problem solving ability, even with the term project work System Design Practices. His leadership quality and keen sense of responsibility in pursuing and completing the tasks allotted to him and his team had impressed me a lot. He has always exhibited sound knowledge of various technical concepts along with the alacrity to know more in depth knowledge of the same.

Crupanshu has participated in several extracurricular activities be it academic or non-academic. He frequently participated in various coding competitions. He has good oral and written skills which make him work efficiently and discuss new ideas and issues with the other team members and faculties. I wish him all the best.

Letter of Recommendation

I gladly write this Letter of Recommendation for Sagar Patel for his admission to a prestigious institute like yours. As an instructor and mentor, I can vouch for Sagar Patel, to whom I have taught C programming and Database Management System in first and fifth semesters respectively. I have also been his project guide. I have observed Sagar to be sincere, enthusiastic and a hard working student.

Sagar has perceived sincerity and was keen to his academics. He was always participative in class discussions. What I liked about him was that he never refrained from sharing his opinions in the class and always confidently participated in class discussions.

I was impressed by Sagar's attitude to go extra miles and gain more knowledge. In the sixth semester, he worked on a web based application named National Park Transportation System. He and his team used Java Technologies for the same. He was not well-versed with the subject; however, he mentioned that he has learnt the language to be able to apply and executed the project very efficiently. He finished his work in time. This shows his teamwork and commitment.

Along with having a technical know-how, Sagar was also active outside classroom. He wrote articles and poems in the quarterly tabloid of our university. For the contributions that he made in the newsletter, he was recognized in the hall of fame of the same. He never stopped writing and I was extremely happy to know when he told me that his book, named 'A Roundabout – Thoughts & Dreams,' a book of his poems would be published in October 2019.

Through multiple conversations, I have understood Sagar's strong desire to pursue his graduate degree from reputed international institution like yours. With his skill-set, his determination and enthusiasm, I am sure that he will be able to excel in his desired field.

In all, Sagar has a good blend of skills and I recommend him as a positive candidate for the rigorous graduate program.

LETTER OF RECOMMENDATION

This recommendation is written to support the application for admission, sent in by Mr. Dhruv Patel for Graduate Program at your esteemed university. I have known him for the past two years during the studies at Dharmsinh Desai University. Under my guidance, he has studied the subjects of Software Engineering and Embedded Systems during his 5th and 7th semester respectively. I was also his lab instructor in both the subjects.

Dhruv has actively participated in sessions while exhibiting an inclination towards practical implementation. A keen observer and a careful listener, he knows how to optimize time efficiently. Be it classroom lessons or general discussions, his insightful queries and arguments open doors to new possibilities and ideas. He also developed a project in a team on "E-commerce system" under my supervision. This project aimed at exploring online shopping for customers while maintaining administrator side functionalities too. It allowed the customers, vendors and managers to maintain their own criteria of functionalities with ease. He developed this project using Python, .Net and MySQL. I noticed that he possess a creative bent of mind, has his fundamentals clear and is well versed in developing innovative applications. Additionally, he also has a very good command over written English which was reflected in the project summary report.

To expand his knowledge base, Dhruv has attended seminars and workshops in campus as well off campus on topics such as Ethical Hacking, Web Development, and Internet of Things.

I believe that Dhruv's decision to pursue higher studies at your institution is based on his confidence and motivation for higher studies. I am sure he will do good in his higher studies. I strongly recommend his candidature for admission to your university.

LETTER OF RECOMMENDATION

This recommendation letter is written to support the application for admission, sent in by Mr. Nilay Desai for Graduate Program at your esteemed university. Nilay is a final year student in the Computer Engineering Department of this university. I taught him Software Engineering subject in his 4th semester.

Nilay is a careful listener and a keen observer. He has good programming knowledge. He knows how to optimize time efficiently. Be it classroom lessons or general discussions, his insightful queries and arguments open doors to new possibilities and ideas. I noticed that he possess a creative mind and he has his fundamentals clear. Additionally, he also has a very good command over spoken and written English.

I believe Nilay has keen interest in pursing higher studies at your institution. I am sure that he will do hard work in his study at your university to deliver outcome. I believe that he has potential to succeed and hence I recommend his candidature for admission to your prestigious university.

Letter of Recommendation

Mr. Parth Dixit is planning to apply for master's degree course in your renowned institute. I know him since last 1.5 years. I taught him Software Engineering in his 5th semester and Embedded System in his 7th Semester. I was also his project guide for semester project in his 6th semester.

During my association with him, I found Parth to be very hardworking student. His insatiable curiosity has always led him to know the subject from the grass roots level and thus could consistently maintain good academic record. However, I do believe that his academic performance is good, but it can be better and now that he has found what he is particularly looking for I believe he will be able to tap his full potential and be performer.

His projects and presentations were result of his sincere endeavors and thus were highly informative. He thoroughly covered important aspects of the topic and his research work was very impressive. He was apt at gathering information from multiple sources such as the Internet as well as reading books and research articles. This trait will greatly facilitate him at graduate level especially while working on research based assignments. He has conceptual clarity and confidence he displayed while handling question answer session. All of this was evident from his project on Let's Plan It. For his project on Let's Plan It, he worked on Java Technologies for developing an application and followed Agile Scrum Process model.

In class, he was attentive and that made him responsive and interactive. Parth has the passion for higher studies, ability to undertake advanced theoretical and practical assignments, team spirit and the mental strength to excel at Master's level. I strongly recommend him for admission to your esteemed university.

TO WHOM SO EVER IT MAY CONCERN

This is with reference to the application for admission sent in by Sufiyan Gani for the graduate program at you prestigious University. I write this recommendation for Sufiyan whom I know since 2017. I have taught him the subjects of Software Engineering and Embedded Systems in his 5th and 7th semester respectively. I have further been his lab instructor for the Embedded Systems laboratory in the same subject.

As a student of computer engineering, Sufiyan has developed a strong foundation through his work. He has scored AB grade in both Software Engineering and Embedded Systems. Sufiyan as a student is always curious and possesses a strong desire to acquire a comprehensive understanding of subjects studied. He frequently joins discussion and asks doubts in the class and lab sessions. He has an inherent problem-solving ability and uses his theoretical grounding to come up with effective solutions which can be seen in his participation in various contests and online competitive coding.

As a part of requirement of the subject Software Engineering, he developed one project in 5th semester. He has understanding of topics like, agile methodology, software analysis, design, planning, testing, database management etc., taught in class.

As a person he is always ready to take up responsibility and carries out his duties with immense dedication. Considering his overall acumen and academic caliber, I strongly recommend him as a candidate for the master's program at your university.

LETTER OF RECOMMENDATION

I am writing this reference letter in support of Parth Prajapati whom I am acquainted for the past three years. I am ecstatic to know that he is willing to pursue Master's at your university. I found him to be sincere and had shown dedication to keep improving his performance through constant hard work.

I have been his course mentor for the subjects Object Oriented Programming with Java, Database Systems, and Service Oriented Architecture. His comprehension of the topics like joins, and aggregation in Database Systems, and JSON, REST api taught during the lab sessions of Service Oriented Architecture course etc. is laudable. During his course of study in this institution, I had the opportunity to observe and appreciate his academic calibre, as well as the versatility of his personality. Through my observation, I would like to say that he is dedicated, disciplined, studious, and possesses a positive attitude towards academics.

During his final year, he undertook a project named "kiwispecs-commerce". The aim of the project was to enable the merchant to get his business online easily. There were two interfaces created for the merchant and customer. The merchant could modify the store components such as products, title, theme, shipping methods, payments, and many other aspects of the store remotely by authenticating with the server. The project was implemented using the latest web development technologies: NodeJS, React, and MongoDB. His implementation of backend part of the application fully as REST api that made the code to be reusable for any other e-commerce site, and the use of the socket connections to make the real time updates to the store without necessitating to reload the page was very much appreciable.

Apart from academics, he has always remained enthusiastic in programs which can further increase his knowledge. He participated in the 2-days workshops on Internet Of Things, and Ethical Hacking on our campus.

All inclusive, I appreciate his ability to work hard, meticulousness, organizational and planning skills and also his capability to work independently as well as a teammate. He has my strong recommendation for admission in the Master's Program at your university. I wish him all the best for a bright future. I will be glad to provide any further information if required to assess his candidature.

Sincerely,

Prof. Prashant M. Jadav
Associate Professor,
Department of Computer Engineering,
Faculty of Technology.

LETTER OF RECOMMENDATION

It is with pleasure I write this letter of recommendation for Mr. Hardikkumar Makwana, in support of his application to pursue the MS in Computer Science program at your esteemed University.

Hardik has been studying under my guidance for the past two years. I have taught him the subjects- Computer Networks and Image processing. During Computer Networks' classes, he had a hard time grasping concepts at first, but after some time, because of his dedication and nature of not giving up, he was able to understand the subject well and that helped him getting very good scores in the tests. He can think creatively to find the best solution to a problem and always completes his work. He is passionate about his field and always tries to learn something new.

Hardik has done many projects during his undergraduate studies. He, along with two more students, developed BRTS Helper, an android application (An app which shows you timings of buses with real-time location tracking using GPS). The project aimed to solve the problems faced by passengers of the BRTS buses which it did to a great extent. Along with this, he has also worked on Python, ASP.NET and WCF Services in various other projects as a part of his course work.

Apart from studies, he also took part in various coding competitions, some of them being at the university level while some were at the international level. He was also an active member of a tabloid known as DDU CONNECT run by the students at our university. He served the team as an Associate Graphics Designer during the second and third years of his term of undergraduate studies. Also, he actively took part in an annual event Felicific organized at our university.

I feel that with his passion for computer science and ideas, he can contribute immensely and I strongly recommend him for admission at your esteemed university.

Shaifali Malukani,
Assistant professor,
Department of Computer Engineering,

LETTER OF RECOMMENDATION

I, Shaifali P. Malukani, Assistant Professor at Department of Computer Science, Dharmsinh Desai University, Nadiad, would like to recommend one of my students Ms. Krishna Bhatt for Master's programs in your reputed University. I know Krishna since last year, during which I have taught her the subjects of Computer Networks and Image Processing. She has always been a polite and sincere student throughout the entire course.

Firstly, she has always been an obedient student. She is amongst the top 15% of students of her department consisting of 147 students in all. Along with this, she has always been an inquisitive student, trying to grasp as much as possible from all that is being taught. As her mentor, I have had an opportunity to observe her participation and overall progress. Krishna has a particular liking for mathematics which can be seen from her performance in logical topics, particularly Fourier Transform. Our University conducts monthly examinations in which Krishna has performed consistently well, which can be substantiated from her results. She is helpful and friendly to her classmates.

I evaluate Krishna as an intelligent, dependable, dedicated person, who is ready to achieve her goals. I am positive, that Krishna would be a promising student for your program and I highly recommend her to you. If you have any further questions concerning her background or qualifications, please do not hesitate to contact me.

Regards,
Prof. Shaifali P. Malukani,
Assistant Professor,
Computer Engineering Department,
Dharamsinh Desai University, Nadiad.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

It gives me great delight to write this recommendation letter for my student Ms. Krutika Verma's application for graduate studies at your reputed university. As an assistant professor at Dharmsinh Desai University, I taught Krutika the subjects Computer Networks in 6th semester and Image Processing in 7th semester of her bachelor's study. On all occasions, I have observed her to be a sincere and hard working student.

During lectures, she was attentive and focused on understanding the core concepts of the subject to attain fundamental clarity. In beginning she faced problems in grasping the concepts but never gave up on learning. She strives to improve on a constant basis. Keeping pace with the current demands, she perseveres to develop her technical capabilities in accordance.

Considering her passion, perseverance and intelligence, I believe that, with her potential, she will scale new peaks in her field of interest. Besides academics, she is passionate about photography and community service. She was a part of the respective clubs at college and attended to her responsibilities diligently.

To sum up, I am certain that, given the resources and environment provided by your university, Krutika would be able to fully develop her talents and make a bright future for herself. Thus, I recommend her for a graduate program in her chosen field. I wish her all the best for future.

24th December, 2019

LETTER OF RECOMMENDATION

I wish to put on record my impression about Mr. Milan Lakhani, whom I have known for past two and a half years where he was pursuing his bachelor's degree in Computer Engineering at Dharmsinh Desai University. I have been teaching in this profession for the past 8.5 years and have successfully guided many students in this institute. I have taught him subjects like Computer Networks in 6th semester and like Image Processing in 7th semester.

During the interaction with him I found him to be attentive, intelligent and enthusiastic learner. Two and a half years of interaction have been an ample time for me to understand him and to know his strength and weaknesses. As a student, I have found Milan sedulous student with commitment and focus towards his academic work, his ability to use time efficiently, leadership qualities and his commitment to his work will add well suit to the program. He is a student who will work hard towards his commitment and fulfillment of any responsibility he undertaken that makes him a confident and independent person.

Milan has always been active in extracurricular activities. He has helped to arrange various cultural and college events. He was part of the finance team in the annual Tech-Fest of our Institute. He has also won first prize in the group dance category of the cultural fest which supports his indulgence in extracurricular activities.

I am fully assured that he will demonstrate himself worth enough at your institute and fulfill all the need that expected from an aspiring student. He has the capacity to work efficiently and productively in a group as well as alone. In my view masters study in your renowned institute definitely helps him to be a successful person. Therefore, I strongly recommend him for the post-graduation studies in your institution. I wish him all the success in his future attempt.

Sincerely,
Shaifali P Malukani
Assistant Professor,
Department of Computer Engineering,
Faculty of Technology,
Dharmsinh Desai University, Nadiad.

NAAC ACCREDITED

LETTER OF RECOMMENDATION

I am writing my highest recommendation for Mr. Jaydeep Chauhan, who has applied for admission to graduate studies at your prestigious University. He had successfully undertaken the subjects of Discrete Mathematics and Artificial Intelligence under my guidance during his 4th and 7th semesters respectively.

Throughout my tenure of interaction with Jaydeep, I have had the opportunity to assess his overall academic performance as well as his general temperament. He had regularly attended all my sessions and had shown keen interest and dedication in learning the subjects which were reflected in his cumulative grades. He had always completed the tasks and assignments in a given time with utmost diligence and has shown extreme politeness in his conduct. He is very receptive to feedback and possesses the courage to learn new things.

He had shown an intellectual curiosity that often leads him to think about interesting projects. Once he has decided what he wants to work on, he is focused on his endeavors to learn new technology. In his sophomore year, he undertook a project titled "Infocrawl" using PHP to learn about how the search engine works. The project was a small crawler-based search engine, which crawled some portion of the web to fetch available web pages and indexed them to identify keywords and expressions. Then based on query, relevancy was calculated for each website based on algorithm and the result was displayed based on relevance score. The accuracy of the search engine was good and it showed pretty good results.

His exuberance was not only limited to academics, but I have also been informed that he had actively participated in most of the cultural and sports events conducted within the university. I am also impressed by his role in society by participating in blood donation camps organized in university.

To conclude, He is deeply interested in Artificial Intelligence. I have witnessed he was studying AI via Coursera to Stanford online learning. He was fluent in different techniques in machine learning. No doubt his ability to focus and experiment will help to serve him well for the future. Hence, It is without a doubt that he will contribute greatly to the program he will undertake in the university. I hope the committee will consider him seriously as a strong candidate for his application.

Dear Ms. Palakshi Choksi:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Data Analytics Engineering and will begin the first day of classes of the Fall 2021 term. Please go to Northeastern's Office of the University Registrar website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

Waleed Meleis

CAMPUS: Boston

STATUS: Full-time

DEGREE LEVEL: Master of Science

CONCENTRATION: Not Applicable

ACADEMIC PROGRAM POINT OF CONTACT

NAME: Prof. Sagar Kamarthi
EMAIL: s.kamarthi@northeastern.edu

You are encouraged to visit the department or program website for your program of acceptance and to read the Degree Requirements section carefully. If you have questions pertaining to your program of acceptance, please direct them to the person named above under ACADEMIC PROGRAM POINT OF CONTACT. Questions pertaining to health insurance, immunization requirements, and student tuition, billing and accounts should be

directed to the appropriate offices referenced below. Otherwise for answers to common admissions questions (e.g. orientation, registration, visa-related) or to send an inquiry, visit https://coe.northeastern.edu/admissions/help

NEW STUDENT INFORMATION

The below information is provided to assist you during your preparation to begin or to continue your graduate studies at Northeastern University. It is important to note that new students should not register for courses until orientation or until receiving official guidance (typically provided via email within a month of the start of the term). Meanwhile, feel free to visit our new student information page to review pre-orientation information that was provided to new students who began here over the past year. This page will be updated as your term of entry approaches. Also visit https://coe.northeastern.edu/admissions/help for answers to common questions or to send an inquiry.

Accept or Decline Your Enrollment:
Please **CLICK HERE to ACCEPT or to DECLINE** this offer of acceptance. If you decide to Accept this offer, you will be prompted to provide a non-refundable deposit to confirm your attendance. This deposit is applied towards student fees, which all students will eventually incur upon enrollment. For planning purposes, we ask that you confirm your enrollment by paying the deposit by the enrollment deposit deadline. Print a receipt for your records.

Your enrollment deposit deadline: May 15, 2021

Activate Your Northeastern University Student Account (myNortheastern)**:**
-If eligible, you will receive an email from Northeastern to your personal email ID that you used during the application process, and is associated with your Applicant ID/Record: palakshichoksi19@gmail.com
-The email is/was launched on or around the date published on this decision letter: 4/13/2021

-The email will come from the following generic Northeastern email ID: do-not-reply@northeastern.edu

-The subject of the email is **Claim Your Northeastern University Online Account**, and will contain a unique link, which will be valid for 30 days from the date of the email

-Claiming your myNortheastern account will allow you to check your brand new Northeastern email account, and will allow you access to a variety of university services, systems, and resources

If you need assistance or have questions about claiming your online account, or for any of your Northeastern technology needs, the university's IT Service Desk is available to support you 24/7 by phone at 617.373.HELP (4357) or email at help@northeastern.edu. If you send an email, include the personal email address that you provided on your application, include your NUID (referenced above as NU ID No.), and include your first name, last name, and your phone number.

For more information on how to claim your student account, please visit this website.

Student Financial Services:
For tuition and fee, billing, payment methods, and financial aid information, go to: https://studentfinance.northeastern.edu/.

I-20/F-1 Visa Request Process and Instructions:
If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.

- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.

- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.

- Our electronic system is referred to as **myOGS**.

- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).

- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.

- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.

- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:
1. **Color copy** of the identity page of your passport

2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, CLICK HERE.

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account, and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

Office of Global Services (OGS) orientation is mandatory for all international students. Please visit www.northeastern.edu/ogs/ for further information.

Graduate Cooperative Education (Co-op) Program:
The Graduate Cooperative Education program in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements

Completing Your Official Admissions File:
As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to mail to us your official transcripts (or their equivalent) to complete your official admissions file. Official transcripts are those that are sent from your previous institution directly to Northeastern University. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. Mail to:

ATTN: Admissions
Graduate School of Engineering
Northeastern University
130 Snell Engineering Center
360 Huntington Avenue
Boston, MA 02115

Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations. Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned.

If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

Health Insurance:
The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's

student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, http://www.northeastern.edu/uhcs/

Immunization Requirements:
In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: http://www.northeastern.edu/uhcs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf. You can contact the University Health and Counseling Services Center for further information.

On-Campus Housing:
All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, https://www.northeastern.edu/housing/university-housing/

Off-Campus Housing:
Students may search for housing, sublets, and roommates through the listings and message boards on http://www.northeastern.edu/offcampus/ This free service requires account registration with your Northeastern e-mail account.

Contact a Current Student!
You are invited to contact one or more currently enrolled *Graduate School of Engineering* students to learn more about the graduate student experience at Northeastern! For more information, visit: http://web.northeastern.edu/coe-graduate-student-ambassadors

Northeastern Videos:
http://www.youtube.com/user/Northeastern

Attend a Northeastern Admitted Student Webinar
You are invited to an upcoming webinar to learn more about important next steps in the enrollment process. The webinars are open to admitted students from any and all colleges and programs at Northeastern and are not specific to the *Graduate School of Engineering*. For more information, visit:
https://pages.northeastern.edu/COMPOLEWBR2019-08-06AdmittedStudentWebinar_LP1.html

Admission Offer for IMT's Two-Year Post Graduate Program

Institute of Management Technology
Ghaziabad | Nagpur | Dubai | Hyderabad

Dear Ami Marfatia (IMT Application No: 2003961)

Congratulations and welcome to the IMT family!

We are delighted to offer you provisional admission to the **PGDM (Marketing) program 2020-22** at **IMT Nagpur.**

At IMT, you have an opportunity to be groomed into a world class management professional with the help of reputed academicians, a diverse and talented peer group, strong alumni connections and industry exposure along with a vibrant cultural life.

In order to accept this admission offer, you are required to deposit an amount of **INR 100,000 (Rupees one lakh only)** by **Saturday, April 04, 2020** towards admission fees.

The details of fee payment modes are appended to this letter.

Non-receipt of fees within given date mentioned above will imply cancellation of this offer of provisional admission.

For any further clarification(s) regarding IMT Nagpur, please contact:
admissions@imtnag.ac.in , 91-712-2805221/220/219, 91-712-2805100, 7447777668

Wishing you all the success as member of the IMT family.

Kindly note that due to Government Advisory for closure of educational institutes to stop the spread of Coronavirus, IMT Ghaziabad is closed with effect from March 16, 2020 to March 22, 2020. All admission related queries over call and email will be addressed post this date. Since this is an evolving situation, please keep checking the website and your registered email for any further updates on closure of the institute.

Yours sincerely,
IMT Admissions Office
Institute of Management Technology
Raj Nagar, Post Box No. 137
Ghaziabad, Delhi NCR - 201001, India
admissions@imt.edu

Kindly make sure you mention the Application Number, Name of the Candidate and Program Name on the reverse of demand draft. The above demand draft can be submitted by post, courier or in person.

2. **Online Mode (NEFT/RTGS):**

You can also pay online via NEFT/RTGS as per details mentioned below.

BENEFICIARY BANK :	Kotak Mahindra Bank
BENEFICIARY NAME:	Institute of Management Technology Nagpur
ACCOUNT TYPE:	Savings
ACCOUNT NO:	9613741843
IFS CODE:	KKBK0001837
BRANCH	Central Avenue, Gandhibagh, Nagpur 440032
PURPOSE	Mention Your IMT Application Number Here
REFERENCE	Mention Your IMT Application Number Here

After you make payment through NEFT, pl. send an e-mail at accounts@imtnag.ac.in giving details of receipt no., transaction reference number, your name, IMT application number for confirmation at our end.

For detailed Fee Structure, Refund Policy and Education Loan Facility, please check the following link.

http://www.imtnagpur.ac.in

IMT Nagpur:

IMT Nagpur is one of the top half percent of B-Schools in the country and is being ranked among the premier B-schools consistently over the last few years. It is the youngest B-School to receive highest grade accreditation for its program from National Board of Accreditation (NBA) at its very first attempt, a very rare feat by any B-School in India.

Located at the center of the country, the institute offers three programs - **PGDM, PGDM - Finance and PGDM - Marketing,** duly recognized by AICTE. A fully residential campus equipped with state-of-the-art infrastructure and having students from all over the country, also, occasionally from other countries, the place has turned into a cultural melting pot.

IMT Nagpur has a consistent placement record with companies like Amazon, KPMG, Deloitte, Hero MotoCorp, Diageo, Bain & Company, Khimji Ramdas, Euromonitor International, HDFC, ICICI, Nielsen, Schindler, Schneider Electric, USHA International, MCNROE, Crisil, Mu Sigma, Bharat Forge to name a few, coming down to the campus for recruitment on a regular basis**. Highest CTC offered so far this year is Rs. 16 LPA.** Over the years, institute has also inculcated an entrepreneurial gene in its students leading to creation of a number of successful start-ups at the campus.

The IMT Nagpur Advantage:

- 24x7 pure oxygen, 27 acre lush green campus in the midst of the nature with all modern amenities for a comfortable life
- Dual specialization with 70+ elective courses to offer
- A very strong corporate connect with over 100 senior corporate experts (above GM level) visiting campus and interacting with students every year
- 350+ hours of experiential learning
- A student driven campus having very active 35+ forums, clubs and committees
- Global connect with approx. 30 partner institutions offering exchange programs
- Scholarships to meritorious students
- A host of outdoor and indoor sports facilities, such as, football ground, basketball court, tennis court, volleyball court, badminton court, cricket ground, pool room, and fully-equipped gym (both indoor and outdoor)

IMT Nagpur has a unique combination in its faculty body with almost 50 per cent of the faculty members having rich industry experience across diverse sectors. This combination allows the course curriculum of the Institute to be aligned with the dynamic requirements of the corporate world. There are various lab courses available for specialized subjects, e.g. investment lab, leadership lab, marketing lab, which provides hands-on experience to students to analyze and work in a simulated corporate environment. The institute has also started a unique fifteen month long Social Entrepreneurship Project (SEP) as a mandatory

component in its PGDM curriculum.

For more details about the campus, curriculum, pedagogy, specializations and placements, please visit the IMT Nagpur website at www.imtnagpur.ac.in and admissions brochure.

Be assured that, being a priming ground for budding business leaders, IMT Nagpur is fully equipped to provide you the necessary career push that you are looking for.

Welcome to IMT Nagpur!

Student ID: 110053138
Person Access Code (PAC): 533197
DLI: O19358946722

Dear Ashish Narendrakumar,

Congratulations! We are pleased to offer you admission to the University of Windsor in the following graduate program:

Academic Program (Level of Admission): Master of Applied Computing (Master's Candidate (M2))
Academic Program Start Date: InterSummer 2021
Enrollment Status: Full Time

This offer of admission is made provided that you meet the following conditions:

(i) maintain a competitive average for entrance to the above program and,
(ii) submit the following item(s) by the required Due Date(s).

Conditions and Provisions:

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (Laurier Hall 2nd floor) by the last day to add courses within the first term of registration.

To reserve your place in this program you must **confirm your acceptance of this Offer of Admission by February 19, 2021.**

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://web2.uwindsor.ca/finance/fee-estimator/.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.

Transcripts and English Language Proficiency scores are to be mailed to: University of Windsor, Office

University of Windsor

Faculty of Graduate Studies & Office of Quality Assurance

of the Registrar-Graduate Division, Windsor, ON Canada N9B 3P4; or emailed to: transcripts@uwindsor.ca.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Sincerely,

Patricia Weir

Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. See the University of Windsor website for the refund policy.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. The mailing address is as follows:

  University of Windsor
  Office of the Registrar - Graduate Studies Division
  401 Sunset Ave.
  Windsor, Ontario, N9B 3P4

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

  You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca. Direct inquiries can be directed to applyesl@uwindsor.ca.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

- All fees subject to change upon approval of the Board of Governors
- Fees are mandatory and will vary term to term.

Deposit Information

Submission of a $4,000.00 deposit is required within 21 days of your date of admission to secure your place in your program. The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to **TUITDEP@uwindsor.ca**.

Learn more about fee payment options at www.uwindsor.ca/finance/student-accounts.

Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE.

Residence offers you the chance to be a part of a community that fosters an environment of personal growth while supporting your efforts to become an academically and socially responsible individual. Our focus in residence is life outside of the classroom and we make it easy for you to get involved! You can participate in events, work as a desk services staff, or serve on a residence committee.

Living in residence means you're not alone when you need help. Resident Assistants (RA) help you transition to university life, make friends, and become a part of the Lancer community. We also have full-time staff who live on campus and are available for support 24/7.

Living on campus puts you just steps away from classes, Lancer events, social activities and dining halls, making it easy for you to fully experience campus life.

24/7

Academic and personal help on hand

900+

Possible friendships

LIVING LEARNING COMMUNITIES

Live with students who share your academic program. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Engineering, Nursing and Science Communities.

CHOICE OF ROOMMATES

A preferred roommate can be requested. Both students must identify each other on their residence application. If a roommate is not specified, you will be matched based on preferences selected on your residence application.

SPECIAL CONSIDERATIONS

A limited number of rooms are available to students who require special accomodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit **uwindsor.ca/residence**

BOOKSTORE PLAN

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence**

** Information on these pages are subject to change.*

MEAL PLANS*

Residence students are required to choose a meal plan from a variety of options, with values ranging from $2,475 - $2,825 per semester. *You may use the meal plan to pay for food at all outlets on campus as well as several nearby restaurants. For more information, please visit **uwindsor.ca/food**

** Meal Plan rates are based on 2020-2021 and are subject to change for 2021-2022*

RESIDENCE GUARANTEE

Accomodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability and on a first come, first serve basis.

Students may apply to residence before accepting their offer of admission to the University of Windsor, however, please see the Residence and Meal Plan Licence Agreement for details on the cancellation/ withdrawal policy.

Note: An offer of residence does not constitute an offer of acceptance to an academic program.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

UNIVERSITY OF WATERLOO
200 UNIVERSITY AVENUE WEST, WATERLOO, ON, CANADA N2L 3G1
519-888-4567 | uwaterloo.ca

Offer of admission

November 18, 2021

Bansi Donga
57
Manasnagar Co. Op. Society
Zadeshwar
Bharuch 392011
India

Student ID number: 20989264
Application number: 00995244

Dear Bansi,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program:	Electrical & Computer Engineering, MEng
Term of admission:	Spring 2022
Attendance:	Full-Time
Term begins:	May 1, 2022
Registration ends:	May 31, 2022

See the calendar of important dates for academic term deadlines.

Please complete the admission conditions listed below by the due date(s) listed in Quest. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent by email or courier
GSPA accepts official secure electronic transcripts provided by the issuing institution and from services such as MyCreds, Digitary, CHESICC, Parchment, National Student Clearinghouse, eScript-Safe, or TranscriptsNetwork. If your institution issues a secure electronic transcript, please have it sent to gradadmissions@uwaterloo.ca.

Or arrange for official documents to be sent by courier to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and

stamped by your institution, must be provided with your official documents. The official documents must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the Graduate Studies website for new students. This website contains valuable information on estimated study and living costs for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the Graduate Studies Academic Calendar contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our Intellectual property (IP) rights policy.

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!

Jeffrey M. Casello
Associate Vice-President
Graduate Studies and Postdoctoral Affairs

Jeanette Nugent
Associate Director, Admissions
Graduate Studies and Postdoctoral Affairs
519-888-4567 ext. 43933

Department of Electrical & Computer Engineering program information

Bansi Donga

Congratulations and welcome! We look forward to you joining our program.

We are pleased to offer you admission to Master of Engineering. As this is a course-based program, the Department of Electrical and Computer Engineering is not able to offer funding in the form of scholarships or assistantships. Students should be prepared to fund their graduate program, including both tuition and living costs, from their own resources for the duration of their studies.

You are encouraged to apply for internal and external awards for which you may be eligible. In the event that you receive awards, the offer of financial support may be revised at an equivalent level. A comprehensive list of all scholarships, awards and bursaries administered by the University of Waterloo can be found on the Graduate Studies and Postdoctoral Affairs Awards and funding website (https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/awards/database).

University of Waterloo offers a number of bursaries to graduate students who require support for parental leave, day care, or have other financial needs: https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/current-students/financial-need-funding. We want to ensure that you are successful in your studies and encourage you to apply for these opportunities, if needed.

Waterloo attracts the best students for graduate studies and we are pleased that you are among these students. After you have carefully reviewed the offer of admission, please go online to Quest: https://uwaterloo.ca/quest/ to accept (or decline) within 3 weeks of the date of this offer.

Please ensure you review your program's degree requirements in the Graduate Studies Calendar prior to starting your studies at the University of Waterloo - https://uwaterloo.ca/graduate-studies-academic-calendar/engineering.

Should you have any questions or concerns, please feel free to contact Pavneet Kaur, the Department of Electrical and Computer Engineering Graduate Coordinator at p59kaur@uwaterloo.ca or 519-888-4567 ext. x 38231.

On behalf of the Department of Electrical and Computer Engineering at the University of Waterloo, I welcome you to our program. By pursuing this degree, you are joining an impressive network of students, alumni and faculty members. We look forward to you joining our graduate program.

Sincerely,
The Department of Electrical and Computer Engineering

Letter of Acceptance

Initiate the process of applying for your Canadian study permit (and work permit if applicable) by including the enclosed Offer of Admission and Letter of Acceptance in your application through the Canadian visa office serving your home country or country where you have been legally admitted. For more information, refer to Immigration, Refugees and Citizenship Canada https://www.canada.ca/en/immigration-refugees-citizenship.html and our International students resources https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/future-students/international-students.

Graduate Admissions

April 18, 2020

Mr. Karan K. Shah
2,Dhayber Colony,Nr Motibaug,Opp Polo Ground
Vadodara Gujarat 390001
India

Dear Karan:

I am pleased to inform you that you have been admitted to the Computer Science master's program in the Charles V. Schaefer, Jr. School of Engineering and Science at Stevens Institute of Technology. Congratulations!

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please complete the Admission Reply Form here (https://gradadmissions.stevens.edu/apply/form?id=ccbd0838-13e9-459d-9401-973595f01f61) at your earliest convenience.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.

Sincerely,

Dr. Jean Zu
Dean of the Schaefer School of Engineering & Science
Stevens Institute of Technology

Terms of Admission

Name: Mr. Karan K. Shah

Degree Program: Master of Science

Major: Computer Science

Advisor: Xu, Jun
jxu69@stevens.edu
(201) 216-5484

Term: Fall 2020

Important Reminders:

- All offers of admission are valid for one academic year. Deferrals may be requested for two semesters and must be approved by the Office of Graduate Admissions. If you do not enroll within one academic year, you will need to reapply for admission.
- All final official documents, including official transcripts, conferment of degree, and official test scores, must be submitted to the Office of Graduate Admissions. Please review any missing items via your application status page. All required documents must be received before you will be permitted to enroll for your second semester.
- **ALL International graduate students must meet The English Language Proficiency Requirements prior to enrolling in courses.**
  A copy of the policy can be found at www.stevens.edu/sit/graduate/ELC (http://www.stevens.edu/sit/graduate/ELC)

Next Steps

- Confirm or decline your enrollment by filling out the Admissions Reply Form here (https://gradadmissions.stevens.edu/apply/form?id=ccbd0838-13e9-459d-9401-973595f01f61). The deadline for confirming your attendance is **June 02, 2020**, but we encourage you to confirm your enrollment as soon as possible.
- To confirm you attendance, in addition to submitting the Admissions Reply Form, you must submit a **$500 enrollment deposit** which will secure your seat in the class. The enrollment deposit is not refundable, but will be credited toward your first tuition bill. After accepting the offer of admission, pay your enrollment deposit by clicking on the "Enrollment Deposit" link on your Applicant Status Page.
- Upon receipt of your confirmation of attendance you will receive the credentials for your Stevens user account, which will give you access to your Stevens email, course enrollment system, and other internal Stevens websites.
- If you have not done so, you can already begin to upload the documents required for the issuance of the **I-20 Form** to your Applicant Status page. The International Student and Scholar Services office will begin the review of your documentation once you have confirmed your attendance.
    - **Graduate Financial Verification Form (FVF) (https://www.stevens.edu/sites/stevens_edu/files/files/ISSS/Graduate_Financial_Verification_Form.pdf)**. This form must be completed in its entirety. Note that the form for Fall 2020 entry will be available in January 2020.
    - **Financial documentation** that proves your ability to meet all education and living expenses for at least the first year of study. If you are the recipient of a graduate fellowship or assistantship, or other form of financial award, your signed award letter must also be uploaded to your application.
      All Forms and Guidelines for submitting Financial Documents are available on the ISSS website here (http://www.stevens.edu/sit/isss/new).
    - Copy of passport identification page with photograph
    - International transfer students: If you are transferring to Stevens from another U.S. institution, you must submit additional documents; a list of documents can be found here (http://www.stevens.edu/directory/international-student-and-scholar-

services/newly-admitted-international-students/applying-form-i-20-f-1).

- **Please note:** An I-20 will be issued only once you have submitted all required documents, and a determination by the International Student and Scholar Services office has been made that the documents comply with regulatory requirements. I-20s are generally issued within 10 business days and express-mailed to the mailing address provided on your admissions application. If there are additional issues regarding your submission, you will be contacted directly by a staff member of the International Student and Scholar Service office.
- Contact your advisor indicated in the acceptance letter to receive guidance on course enrollments and your study plan.
- Participate in online webinars with the Office of Graduate Admissions, Office of Graduate Student Life, International Student and Scholar Services, and Program Directors. You will receive invitations to these webinars via email.
- Attend pre-arrival webinars for career preparation and resume reviews with our career services staff. You will receive invitations to these webinars to your Stevens email.
- Visit the **Newly Admitted Student Page (http://www.stevens.edu/admissions/graduate-admissions/accepted-students)** for information on events.
- Please check your @stevens.edu email address regularly via the **my.stevens.edu (https://my.stevens.edu)** intranet site, as your program emails may be sent to your @stevens.edu address instead of your personal email.

Dear Arshitbhai Arvindbhai,

Congratulations! We are pleased to offer you admission to the University of Windsor in the following graduate program:

Academic Program (Level of Admission): MEng-Electrical Computer Engg (Master's Candidate (M2))
Academic Program Start Date: Fall 2021
Enrollment Status: Full Time

This offer of admission is made provided that you meet the following conditions:

(i) maintain a competitive average for entrance to the above program and,
(ii) submit the following item(s) by the required Due Date(s).

Conditions and Provisions:
Transcript(s):

Confirmation of degree completion must be received by the Office of the Registrar-Graduate Division by the stipulated deadline. Documents must be received directly from your institution or delivered in a sealed envelope issued by your institution.
Date Due: December 1, 2021

Final transcripts indicating all courses & grades must be submitted prior to the end of the first academic semester. Documents must be received directly from your institution or delivered in a sealed envelope issued from your institution to the Office of the Registrar-Graduate Division.
Date Due: December 1, 2021

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (Laurier Hall 2nd floor) by the last day to add courses within the first term of registration.

To reserve your place in this program you must **confirm your acceptance of this Offer of Admission by March 25, 2021.**

Dear Meet Bharatkumar Patel,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Industrial Engineering (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2020 fall semester.

Important: Your department has determined that you must successfully complete the following course(s) or equivalent(s) with a grade of B (3.0). Your progress will be monitored by the academic unit.

IEE376-Oper Rsrch Det Tech/Apps by first year

IEE470-Stochastic Operations Research by first year

Important: For detailed information regarding I-20 requirements, please visit **My ASU** at my.asu.edu and the International Admission Services website at international.asu.edu/student-visa.

For immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-8177. Proof of immunization is required before registration for classes will be permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password.

ASU and Industrial Engineering (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at cidse.advising@asu.edu or at 480-965-3199.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by all graduate policies (graduate.asu.edu/policy-manuals), as well as ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu. Please note that ASU graduate students are required to maintain continuous enrollment from the time of admission through graduation.

As a New American University, ASU believes that your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you to watch this brief video to find out how current students describe the Sun Devil experience at yourfuture.asu.edu/culture.

We look forward to you joining the Sun Devil family. I wish you success in your graduate studies at ASU.

Sincerely,

Study Plan Acceptance Form

03 February 2020

Student Name: Mr Manmit Dineshkumar JADAV
Application ID: IN:E1724089Q

We are thrilled that you plan to join the Hofstra University family! We are confident you will be an outstanding addition to our campus community. I am pleased to inform you that your application to study at Hofstra University has been successful and we are able to provide you with an offer to the following program(s).

Engineering Management (M.S.)
Start Date: August 2020

Confirm your place!

1. Review, sign and submit this **Study Plan Acceptance Form**
2. Provide any proof of funding documents as outlined in the Offer email

Once you have completed the above items we will mail and email you a confirmation packet which includes immigration information and other important information about your enrollment.

Academic Registration Requirement, Official Documents:
Any outstanding documents listed below must be received by the date of your orientation, or you will not be able to register for your classes. Please provide them to us as soon as possible. If there are no documents listed below, then you do not have any outstanding documents to turn in at this time.

Official transcript and degree certificate from Dharmsinh Desai University sent to Hofstra University in a sealed envelope.

Please read the following. By signing this form, I agree and acknowledge:

I, Mr Manmit Dineshkumar JADAV, accept the offer of a place in the above program(s) for the start date indicated.I understand that official, original documents must be certified or attested by the appropriate school official in a sealed envelope and issued directly by the institution attended and/or government educational body. If only a single original document is issued, we will accept copies of the original that are certified or attested and sealed by the appropriate school official.

I confirm that the I-20 Shipping Address provided in the application is an address where I personally receive mail.

Varun Patel
Patel Vago Latipura, Tal Padra
Vadodara, Gujarat India 391440
Application ID#: 40184

Dear Mr. Patel:

The Graduate Studies Committee in the College of Engineering and Applied Science (CEAS) at the University of Cincinnati is pleased to offer you admission to the **MS program** in **Mechanical Engineering**. This offer is for full-time study beginning with the 2020-2021 academic year. In recognition of your past academic achievements and your potential for continued academic success, you will be offered the **Graduate Incentive Award (GIA)** in the amount of $10,582.00 per semester for two semesters in the 2020-2021 academic year. To maintain this award, you will be required to enroll as a full-time student throughout the academic year, make satisfactory academic progress, and maintain your academic standing according to all the rules of your program, the College and the University. See other specific conditions on the next page. Your cost will be approximately $4,332.00 per semester for the remaining tuition, fees, and health insurance. See Table 1 "GIA Award & Student Cost Details" for itemization of the GIA award and your costs. Your temporary advisor will be Dr. Manish Kumar (email: Manish.Kumar@uc.edu).

Important Program Dates:

a) College of Engineering and Applied Science Orientation - TBA (attendance mandatory)
b) Fall Semester begins August 24, 2020
c) You must register and pay any outstanding balance by August 19, 2020

Please indicate your acceptance of this admission offer within 15 days of the date of this letter. Per a resolution by the Council of Graduate Schools, you are not required to respond to the attached offer of financial support until April 15, 2020 (http://cgsnet.org/april-15-resolution)

If you wish to accept this offer, please log into the application site "Check My Status". You must pay a $100.00 acceptance confirmation fee and complete the "Enrollment Form". Once the confirmation fee is paid you will receive information on how to start your I-20 processing within 5 - 10 working days. Please sign and return all pages of the offer letter by FAX to 513-556-3930 or send a scanned copy by email to: *engrgrad@uc.edu*.

Please note: The acceptance confirmation fee is non-refundable and you will forfeit the $100.00 (USD) deposit if you do not attend the University of Cincinnati in the Fall 2020 semester.

Please accept my congratulations. We look forward to your reply and acceptance of our offer into our program. If you have any questions you can contact the Graduate Studies Office at engrgrad@uc.edu.

Manish Kumar

Dr. Manish Kumar
Graduate Studies Director

I _____ ACCEPT / DECLINE admission, as stated above, for Fall semester of the 2020-2021 academic year. I have read, agree to, and understand both pages of this offer letter. I understand that the $100.00 (USD) non-refundable acceptance confirmation fee will be applied towards my first tuition bill.

Student Signature *Date*

Table 1. GIA Award & Student Cost Details

Fall Semester				
GIA Amount:	**$10,582.00**	**Items:**	**Total Cost:**	**Student Cost:**
		Tuition	$12,266.00	$1,684.00
		Program Fee	$504.00	$504.00
		International Fee	$125.00	$125.00
		General & Campus Life Fee	$655.00	$655.00
		ITIE Fee	$184.00	$184.00
		Health Insurance	$1,180.00	$1,180.00
		Total:	**$14,914.00**	**$4,332.00**
Spring Semester				
GIA Amount:	**$10,582.00**	**Items:**	**Total Cost:**	**Student Cost:**
		Tuition	$12,266.00	$1,684.00
		Program Fee	$504.00	$504.00
		International Fee	$125.00	$125.00
		General & Campus Life Fee	$655.00	$655.00
		ITIE Fee	$184.00	$184.00
		Health Insurance	$1,180.00	$1,180.00
		Total:	**$14,914.00**	**$4,332.00**
Total GIA Amount:	**$21,164.00**		**Total Student Cost:**	**$8,664.00**

As a recipient of the **GIA**, you must maintain a minimum 3.0 grade point average (GPA) and take a minimum of 15 graduate credit hours per semester in your program. The program reserves the right to terminate your award for unsatisfactory grades, unsatisfactory research progress or for academic dishonesty. Admission must begin in Fall semester of the 2020-2021 academic year and cannot be deferred. **By accepting the award, changes to a different advisor or program will not be permitted**. Your offer letter is based on either in-state or out-of-state rates. A change in your residency status would change the amount of your GIA. You must notify the GSO if you have a residency change.

Graduate Incentive Award is paid toward tuition as described above. All fees are subject to increase. Awards beyond the first year will be based on performance and availability of funds. You are responsible for all living expenses and all other expenses. You may obtain a health insurance waiver if you can show that you already have an equivalent or better health insurance policy. Offer letter is not valid unless signed by a Graduate Studies Director. All offers are contingent on the receipt of electronic confirmation of GRE and TOEFL scores through ETS and receipt of original Bachelor degree transcript. UC reserves the right to rescind offers due to clerical or other errors made in preparing the offer. You will be notified if an error is found.

Re: Offer of Admission - Master of Engineering Program (MEng), Department of Mechanical and Materials Engineering

Dear Yash

Based on your outstanding academic record, I am pleased to offer you admission as a full-time graduate student in the Master of Engineering (MEng) program starting September 1, 2020. You will be provided with the official Offer of Admission electronically from the School of Graduate and Postdoctoral Studies. Due to the competitive nature of this program, the offer must be accepted no later than 30 days from official admission. Failure to do so may result in the cancellation of the admission offer.

As outlined by the School of Graduate and Postdoctoral Studies Program Regulations, you are required to maintain an average of at least 70% over all courses taken, with no grade less than 60%. Term and Cumulative averages, and individual marks are assessed at the start of each term. If, after your first term of enrollment, you fail to meet either of these minimum requirements, you may be asked to withdraw from the MEng program.

Throughout the MEng program you are required to maintain continuous enrolment within your Academic Load (fulltime or part-time) as specified in the Offer of Admission letter from The School of Graduate and Postdoctoral Studies. The MEng program may be completed in three terms, provided you are a full-time student.

If you plan to be in the London area, I invite you to visit us to review our program more fully and to meet some of our graduate students and graduate faculty. In September, I will meet with you to discuss some details of your program and answer any questions you may have at that time.

There will be no financial assistance or Teaching Assistantship provided to you during the course of this program. Please ensure that you have sufficient funds to support yourself over the entire period of your MEng program. For information on Graduate Tuition Fees please go to www.uwo.ca/registrar and select Graduate Tuition Fee option either for International or Domestic students depending on your Immigration Status.

The annual tuition fee is payable over 3 terms (September, January and May). These fees are subject to change and are set by Western University (http://www.registrar.uwo.ca/student_finances/fees_refunds/fee_schedules.html).
A tuition deposit of $500 is required to hold your spot in the MEng program and is due by June 15th at the latest. Failure to pay your tuition deposit by this date will result in the cancellation of your Offer of Admission.

You will receive an email (to your Western provided email address) with payment instructions, once we receive confirmation of admission from Western.

Upon payment of your tuition deposit, your Western Student Center account will reflect a credit balance of -$500. This credit balance will remain on your account until tuition is calculated at which time, your tuition deposit will be credited towards your first term tuition fee.

It is your responsibility to obtain health insurance for yourself and, if applicable, your family. You may apply to the University Health Insurance Plan (UHIP), organized by a consortium of universities, for coverage. To enroll or to make inquiries about UHIP, please contact UWO Human Resources at hrhelp@uwo.ca or 519-661-2194.

If you require additional information, please send an e-mail to mmeprofessionalgrad@uwo.ca. We would be pleased to clarify any aspect about the MEng program.

Meanwhile we look forward to your joining our Graduate Program as a MEng student in September 2020.

Yours truly,

S. Asokanthan, Ph.D.
Professor and Associate Chair, Professional Program

Dear Saurin Viren,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 11,500 graduate students on our four campuses who come to us from every state in the Union and from 117 countries.

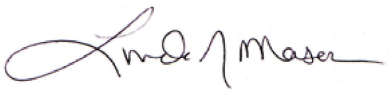

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

We hope that you choose Purdue and join us to make what moves the world forward!

Click here to submit your response to the offer of admission.

With best wishes for success at Purdue,

Dr. Linda Mason
Dean of the Graduate School and Professor of Entomology

Condition(s) of Continued Enrollment:

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final official undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original official undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information:

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access https://www.purdue.edu/apps/account/AccountSetup with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

To log into myPurdue and other portals, a personal Boilerkey will be needed, in addition to your career account username. A Boilerkey is the University's two-factor authentication process, which provides an additional level of security. To create your Boilerkey, visit https://www.purdue.edu/boilerkey. For more information, visit the Boilerkey FAQ's.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you can access your academic and financial account information. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:

-Online course registration in real time
-Online credit card payment for tuition
-Access to your financial aid information
-Access to review and update your personal information such as emergency contacts, mailing address, email, ethnicity/race, and gender identity

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue your visa eligibility document (I-20 or DS -2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), using the

myISS portal. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before visa eligibility document(s) will be prepared and shipped.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold valid F-1 or J-1 status and are transferring your SEVIS record to Purdue University from another US Institution, our office will advise you on how to complete your SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation website: http://tutorial.ace-in-testing.com/Default.aspx?p=videos. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of an immunization information form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: http://www.purdue.edu/PUSH/.

Housing: Purdue University offers a variety of housing options for graduate students. Single graduate students may want to consider Purdue University Residences, which offer one and two bedroom, furnished and unfurnished apartments. The Purdue residences are limited to one student per bedroom. All apartments include a kitchen with refrigerator and stove. Furnished apartments also include a bed, desk, and dresser for each student. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. More University-endorsed, residential options are available for graduate students, including those with families, through Blackbird Farms II apartment complex. Visit their website for more information.

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 21, 2020, beginning at 8:30 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Questions? Please direct them to your graduate program.

Required materials can be submitted to:

India

Dear Mrunal Himanshubhai

Congratulations on being accepted into Griffith University. It gives me great pleasure to extend to you an invitation to study the following program(s):

Masters Qualifying Program
Master of Professional Engineering

Griffith University is proud to be ranked in the top 250 universities in the world, and in the top 50 under 50 years old. With approximately 50,000 students from 130 countries studying across our campuses in South East Queensland, we offer a vibrant campus experience in a beautiful natural environment. The support offered to international students at Griffith University has won a number of awards, including for our Griffith English Language Enhancement Strategy, and you will be welcomed by our Griffith Mates from the moment you arrive.

We recognise that your academic study is a stepping stone to your chosen career, and we look forward to supporting you through real-life industry experiences, access to career mentors and a range of other initiatives that will enhance your employability, as well as the skills and knowledge sought after by today's employers. When you are ready to graduate, there are a range of support services available to help you in making that next step.

Having been an international student myself, I am well aware of the significance of your decision. I know the life changing impact studying and living in another country can have. It is important to us that you feel supported and secure both in your choice of university, and during the application process. If you have any questions at all about accepting your offer or studying at Griffith, please contact your Admissions Officer.
I do want to take this opportunity to congratulate you and wish you success in your chosen education path.

Together with the rest of the Griffith community, I look forward to you joining us at Griffith.

Kind regards

Professor Sarah Todd
Vice President (Global)

CRICOS Provider Number: 00233E

Congratulations…

Griffith ID Number: 5231745 **Date:** 6 March 2020
Date of Birth: 27 January 1997

Dear Mrunal Himanshubhai

We are pleased to offer you a place in:

Masters Qualifying Program
Master of Professional Engineering

Your Letter of Offer contains the following information:

1. Program details and conditions of offer.
2. Tuition and other fees.
3. Griffith University Acceptance of Offer form.
4. Griffith University conditions of acceptance.
5. Refund of fees policy.

We will send you a **Confirmation of Enrolment (CoE)** once you have:

- paid your total deposit fee
- returned the completed Acceptance of Offer form
- returned evidence of meeting any conditions of offer. If you have applied for an English and full degree package, your CoE will be conditional upon you successfully completing your English course at Griffith English Language Institute.

IMPORTANT: You must not apply for your Australian student visa until you have received your CoE(s) from Griffith University.

Griffith University offers a diverse range of scholarships for international students. Please visit our scholarship page for a full list of scholarships, eligibility criteria, deadlines and how to apply for a scholarship.

Details on Griffith's accommodation partners and our on-campus accommodation are available at Griffith.edu.au/accommodation.

If you have applied for or have been granted residency status in Australia, please advise either your agent or the Griffith International Office. This offer is not valid for Australian or New Zealand citizens, Australian permanent residents or Australian permanent protection visa holders.

Please refer to your Letter of Offer Explained for more information about how to accept your offer, English language study options, orientation, and commonly-used terms.

Please do not hesitate to email me if you have any questions.

Warm regards

Simmi Yadav

1 - Program details and Conditions of Offer

Griffith University

PROGRAM	9354 Masters Qualifying Program
CRICOS Code	095623E
Campus	Mt Gravatt
Compulsory orientation start date	Monday 29 June 2020
Program commencement date	Monday 6 July 2020
Credit awarded*	
Program length	half a year (40 Credit Points)
Additional information	* If you have been awarded **credit,** your reduced program length is conditional on successfully completing the required Griffith University courses within the standard timeframe. For more information on credit please refer to the Credit Precedent Database. Please also note that the estimated total degree tuition fee indicated on your Letter of Offer is calculated for the entire degree program. However, if your program length has been reduced as a result of credit awarded, the applicable total degree tuition fee may vary accordingly. You can access information about your degree program and plan for your enrolment in individual courses by accessing the published information on the degree and career finder website. The degree and career finder website will provide information about your degree program and the modes of study for each course, including compulsory online and/or work-based training, placements, and/or other community-based learning and/or collaborative research training arrangements. Please ensure that you take the time to review this information before accepting your offer.

Please be advised that progression into 5728 Master of Professional Engineering is conditional upon your successful completion of the 40 Credit Point Master Qualifying Program with a GPA of 4.0 or higher. If you do not successfully complete the Master Qualifying Program, you will not be able to progress to the Master's program.

CRICOS Provider Number: 00233E

Griffith University

PROGRAM	5728 Master of Professional Engineering
CRICOS Code	097689D
Campus	Gold Coast
Compulsory orientation start date	Monday 22 February 2021
Program commencement date	Monday 1 March 2021
Credit awarded*	
Program length	2 years (160 Credit Points)
	* If you have been awarded **credit,** your reduced program length is conditional on successfully completing the required Griffith University courses within the standard timeframe. For more information on credit please refer to the Credit Precedent Database. Please also note that the estimated total degree tuition fee indicated on your Letter of Offer is calculated for the entire degree program. However, if your program length has been reduced as a result of credit awarded, the applicable total degree tuition fee may vary accordingly.
Additional information	You can access information about your degree program and plan for your enrolment in individual courses by accessing the published information on the degree and career finder website. The degree and career finder website will provide information about your degree program and the modes of study for each course, including compulsory online and/or work-based training, placements, and/or other community-based learning and/or collaborative research training arrangements. Please ensure that you take the time to review this information before accepting your offer.

Conditions of Offer:

- A certified/attested true copy of your 6th semester failed attempt (Apr 19 attempt), 7th and 8th Semester academic transcripts (mark sheets) and award certificate for your Bachelor of Technology (Mechanical Engineering) undertaken at Dharmsinh Desai University, Nadiad with a minimum GPA of 5.0 on a 7.0 point scale/showing (successful) completion.
- Successful completion of the Masters Qualifying Program with a minimum Grade Point Average of 4.0.
- Bank draft (cheque), telegraphic transfer or credit card payment for the total deposit fee. The components of the total deposit fee and payment methods are set out in 2 - Tuition and other fees section in this letter of offer
- Fully completed and signed Acceptance of Offer form.

If you are currently studying at another education institution in Australia and you wish to enrol with Griffith University prior to completing the first six months of your program, you must provide a letter of release from that institution supporting your transfer to Griffith University.

CRICOS Provider Number: 00233E

2 – Tuition and other fees

You will need to pay the 'total deposit fee' listed below before Griffith University can issue you with your CoE.

Current fees due

Total deposit fee* *(comprising the below)*	AUD$16,035.00
Application Fee	A$.00
Deposit fee****	A$14,250.00
Overseas Student Health Cover ***	Visa length plan: SINGLE Cover start date: 8 June 2020 Cover end date: 15 March 2023 Premium amount: AUD$1,785.00
Additional information	***The TOTAL DEPOSIT FEE is the total amount you are required to pay before Griffith University will issue your CoE. It will include the English enrolment fee and the degree application fee, if applicable.** The **Degree deposit fee** is usually equal to one teaching period of tuition fees for your program. Please refer to information under **total program fees** for additional information on your tuition fees. ***Griffith University's preferred provider of OSHC for student visa holders is Allianz Global Assistance. Griffith will organise OSHC for the duration of your visa. The cost of your visa-length plan is shown above and is included in your total deposit fee. If you have alternative OSHC for the duration of your student visa, please provide evidence with your acceptance of offer.

Total program fees

Estimated total degree tuition fee	Masters Qualifying Program: A$14,250.00 Master of Professional Engineering: A$72,000.00
Additional information	**Student fees and charges** The fees quoted in your Letter of Offer are current at the time of issuing your offer. However, tuition fees are increased annually and the tuition fee you will pay is the tuition fee for your program in the year you commence your study. Once you are enrolled in your first teaching period you will be invoiced for any balance owing. The annual tuition fee increase after your commencement year will be no more than 2.5%. Griffith University tuition fees are published for each degree program and can be found at degrees.griffith.edu.au The tuition fees you pay for each teaching period will depend on the program in which you are enrolled and the number of credit points in which you are enrolled. A standard full-time teaching period enrolment is 40 credit points, however some programs require you to enrol in more or fewer than credit points per teaching period. If you receive an offer for multiple degree programs the tuition you will pay for each program is the tuition fee applicable to the year in which you commence each program. Please note that the fees quoted do not include any special equipment or resources that may be required. Information in relation to late payment of tuition fees or other circumstances in which additional fees may apply can be found at *policies.griffith.edu.au/pdf/Fees and Charges Policy Schedule I.pdf*

How to pay your 'Total deposit fee':

Bank transfer: You can pay your fees by bank transfer (telegraphic transfer) at: student.globalpay.wu.com/geo-buyer/griffithuni

Please quote your Griffith ID *(*5231745*)* when paying and attach a copy of your transfer receipt to the Griffith University Acceptance of Offer Form. Students paying by bank transfer are responsible for any bank charges.

Credit card: (Visa & MasterCard accepted) You can pay in many local currencies using your credit card at: student.globalpay.wu.com/geo-buyer/griffithuni Please quote your Griffith ID (5231745) when paying.

You may also pay using a bank cheque or draft in AUD$ (payable to Griffith University). Personal cheques are not accepted.

CRICOS Provider Number: 00233E

3 - Griffith University Acceptance of Offer Form

By signing this document, I agree that:

- I have read and understood the conditions of acceptance (sections 4 and 5).
- I have evidence of meeting any conditions of offer that must be met (section 1) *(Note: if you plan to meet your English condition through study at Griffith English Language Institute you will be required to provide your English results at the completion of your English study).*
- I have read and understood the section on *refund of fees.*

I accept the offer of a place at Griffith University in the following program(s):

9354 Masters Qualifying Program 5728 Master of Professional Engineering	Start Date: Trimester 2 2020 Start Date: Monday 1 March 2021

Griffith ID number	5231745	
Family name	Patel	
Given names	Mrunal Himanshubhai	
Home address		
Personal email address		Phone
Australian diplomatic office where I will apply for my student visa:		Passport number:
Overseas Health Cover (OSHC)	I wish to revise my OSHC Plan (complete if applicable): ☐ I am bringing my partner to Australia with me and require DUAL OSHC ☐ I am bringing my child/children to Australia with me and require DUAL OSHC ☐ I am bringing my family to Australia with me and require FAMILY OSHC ☐ I do not require OSHC as I have alternate cover arranged (attach supporting documentation) ☐ I do not require OSHC as I am a Belgian or Norwegian citizen.

4 - Griffith University conditions of acceptance

By accepting this offer I declare that:

- I am a Genuine Temporary Entrant and a Genuine Student as defined by the Department of Home Affairs (HA) and confirm that studying the program for which I am accepting my offer is my primary purpose for coming to Australia and I fully understand my obligations as an Australian student visa holder.
- I am academically qualified for the program I am accepting and have, or will have, the English proficiency level required to commence the program.
- The documents that I have provided to support my application are true and correct. I understand that Griffith University reserves the right to withdraw my admission or terminate my enrolment if false or misleading information has been provided.
- I have genuine access to the total funds required, while in Australia, to cover all tuition costs, return airfare, overseas student health cover and living expenses for myself and any dependants (approximately A$21,041 per year for living expenses for myself).
- I have read and understood the Refund of Fees section which is an extract from Griffith University's Tuition Fees and Charges Policy.
- I have read and understood the Letter of Offer Explained booklet, which provides important information about any non-tuition fees that I may incur, including as a result of having my study outcomes reassessed, deferring my study, fees for late payment of tuition fees, or other circumstances in which additional fees may apply.
- I have read and understood the Griffith University Student Review and Appeal process.
- As soon as I arrive in Australia and am studying with Griffith University, I will advise the University of my home and mailing address in Australia, my mobile phone number, my email address and who to contact in emergency situations. I will ensure that this information is updated within seven days of any change during my studies.

By accepting this offer I understand that:

- I am responsible for obtaining a student visa (if required) and to meet the HA Student Visa conditions to permit me to study full-time in Australia for the duration of my study.
- If I supply fraudulent documents or information, the HA will refuse my visa application or cancel my visa if it has already been granted.
- My visa may also be refused if HA is not satisfied that I am a Genuine Temporary Entrant and a Genuine Student or if I do not meet health and character requirements.
- Once I pay my OSHC to Griffith University, my details will be forwarded to Allianz Global Assistance OSHC, and I agree to enter into and be subject to the terms and conditions of the OSHC Allianz Assistance policy, available at www.oshcallianzassistance.com.au/
- The fees quoted in my Letter of Offer are current at the time of issuance. However, tuition fees are increased annually and the tuition fee I will pay is the tuition fee for my program in the year I commence study. Once I am enrolled in my first teaching period I will be invoiced for any balance owing. The annual tuition fee increase after my commencement year will be no more than 2.5%. Griffith University tuition fees are published for each degree program and can be found at degrees.griffith.edu.au. The tuition fees I pay each teaching period will depend on the program in which I am enrolled and the number of credit points in which I am enrolled. A standard teaching period enrolment equates to 40 credit points, however some programs may require me to enrol in more or fewer credit points per teaching period. If I receive an offer for multiple degree programs, the tuition I will pay for each program is the tuition fee applicable to the year in which I commence each program.
- The fees quoted do not include any special equipment or resources that may be required.
- Information in relation to late payment of tuition fees or other circumstances in which additional fees may apply can be found in the Fees and Charges Policy Schedule I.
- Any reduction in the normal program duration in my Letter of Offer is a result of credit for prior studies.
- If I am a sponsored student I cannot change my program without receiving prior written approval from my sponsor/scholarship provider.
- I am responsible for keeping a copy of this Letter of Offer (written agreement), and receipts of any payments of tuition fees or non-tuition fees.

I authorise Griffith University:

- to release information to my sponsor/scholarship provider (if I am sponsored) relating to my studies, including enrolment details, academic progress, visa information, fees; and
- to check details of my migration status (study and/or work entitlements) with the Department of Home Affairs.

Privacy Policy

Griffith University collects, stores, uses and shares personal information for the purposes of administering student and prospective student admissions, enrolments and education and for the other purposes specified in the University's privacy plan which is available at griffith.edu.au/privacy-plan. By accepting this offer, you agree that personal information provided by you to the University will be handled in accordance with the University's privacy plan and the laws of the State of Queensland rather than the laws of any other country and you accept that information may be disclosed by

CRICOS Provider Number: 00233E

the University to third parties including third parties outside of Australia in the circumstances set out in the University's privacy plan. You also acknowledge that the laws of the State of Queensland do not afford you rights to data portability or the right to be forgotten. Information disclosed to third parties may also include details about your compliance with the conditions of your Student Visa and your obligations under Australian immigration laws and to the Tuition Protection Services Director pursuant to obligations under the ESOS Act 2000 and the National Code of Practice 2018. For further information, consult the University's privacy plan which is available at griffith.edu.au/privacy-plan.

5 – Refund of fees

(This is an extract from Section 3.6 of the Tuition Fees Policy)

3.6.1 - Refund of Tuition Fees – Commencing Student

For the purpose of this section of the refund policy, a commencing student is an international student commencing with Griffith University (including students who have accepted a packaged offer) or an international student enrolled in their first period of study at Griffith University.

Reason for refund	Refund payable	Time to pay refund
Provider Default		
Griffith University is unable to provide the program or program does not start on the agreed start date for which an offer has been made.	Griffith University will endeavour to offer an alternative program or location or the student can choose to receive a full refund of pre-paid tuition fees. In the unlikely event that Griffith is unable to meet these obligations, the Tuition Protection Service (TPS) will assist you in finding an alternative program or to get a refund if a suitable alternative is not found.	14 days from the date the program ceases to be provided.
Student Default		
The student provides documentary evidence that their application for a visa has been refused.	Refund of any pre-paid tuition fees less an administration charge of $500 or 5% (whichever is the lesser amount).	28 days after receiving a complete refund application from the student.
The student is unable to satisfy prescribed conditions stipulated in the University's letter of offer and the University determines the student made a genuine attempt to meet the conditions.	Full refund of any pre-paid tuition fees.	28 days after receiving a complete refund application from the student.
The student withdraws their Acceptance(s) of Offer or cancels their enrolment in writing at any time prior to the first day of teaching and up until the census date.	Refund of any pre-paid tuition fees less a $3000 penalty. Unless the provisions of section 3.7 apply	28 days after receiving a complete refund application from the student.
The student is granted Australian permanent residency and subsequently withdraws their Acceptance(s) of Offer or cancels their enrolment in writing at any time prior to the first day of teaching and up until the census date and does not apply for a place as a domestic student.	Refund of any pre-paid tuition fees less a $3000 penalty. Refer to section 3.8	28 days after receiving a complete refund application from the student.

Reason for refund	Refund payable	Time to pay refund
The student cancels their enrolment in a program or takes leave of absence from a program or withdraws from a course for any reason after the census date.	No refund Unless the provisions of section 3.7 apply	
The student is found to have provided fraudulent documents or incorrect or misleading information with their application for admission.	No refund	
The University cancels a student in a program due to non-enrolment after the census date.	No refund Unless the provisions of section 3.7 apply	

Note: The application fee is non-refundable

CRICOS Provider Number: 00233E

3.6.2 - Refund of Tuition Fees – Continuing Student

For the purpose of this section of the refund policy, a continuing student is an international student enrolled in their subsequent period of study at Griffith University.

Reason for refund	Refund payable	Time to pay refund
Provider Default		
Griffith University ceases to provide the program for which an offer has been made after it has started, but before it is completed by the student.	Griffith University will endeavour to offer an alternative program or location or the student can choose to receive a full refund.	14 days from the date the program ceases to be provided.
Student Default		
The student provides documentary evidence that their subsequent application for a visa has been refused	Refund of any pre-paid tuition fees less an administration charge of $500 or 5% (whichever is the lesser amount).	28 days after receiving a complete refund application from the student.
The student cancels their enrolment in the program or requests leave of absence from the program, and written notification is received from the student prior to the commencement of trimester.	Full refund of any pre-paid tuition fees.	28 days after receiving a complete refund application from the student.
The student cancels their enrolment in the program or requests leave of absence from the program, and written notification is received on or after the first day of teaching and prior to the census date.	Refund of any pre-paid tuition fees less a $3000 penalty. Unless the provisions of section 3.7 apply	28 days after receiving a complete refund application from the student.
The student is granted Australian permanent residency and subsequently cancels their enrolment in writing at any time prior to the first day of teaching and up until the census date and does not apply for a place as a domestic student.	Refund of any pre-paid tuition fees less a $3000 penalty. Refer to section 3.8	28 days after receiving a complete refund application from the student.
The student is excluded from the University for failing to satisfy academic progress requirements.	All fees paid in respect of the teaching period from which the exclusion takes effect are refundable.	28 days after receiving a complete refund application from the student.
The student's enrolment is cancelled for non-payment or partial payment of fees by the due date and payment is subsequently received, but it is so late in the teaching period that reinstatement of enrolment is denied on academic grounds.	Full refund of any pre-paid tuition fees or the payment applied against the fees for the next teaching period.	28 days after receiving a complete refund application from the student.
The student cancels their enrolment in a program or takes leave of absence from a program or withdraws from a course for any reason after the census date.	No refund Unless the provisions of section 3.7 apply	
The University cancels a student in a program due to non-enrolment after the census date.	No refund Unless the provisions of section 3.7 apply	
The student breaches their student visa conditions and their student visa is subsequently cancelled by the Department of Home Affairs.	No refund	
The student is found to have provided fraudulent documents or incorrect or misleading information and the student is subsequently cancelled for student misconduct.	No refund	

CRICOS Provider Number: 00233E

3.6.4 - Refund Conditions for Off-shore

The University reserves the right to apply specific and different fee refund conditions to students enrolled in off-shore programs delivered with the assistance of off-shore partner organisations. Any such specific and different fee refund conditions will be outlined in the offer letter.

3.6.5 - Program Transfer

If the student transfers from one program to another, the student is liable for the tuition fee related to the new program. Where the student has already paid the tuition fee for the first program, and the new program has a higher tuition fee, the student must pay the additional tuition fee. Where the new program has a lower tuition fee, any tuition fees in credit will be credited towards the remaining tuition fees, or refunded as provided in section 3.10.

3.6.6 - Withdrawal from Course

If the student withdraws from a course but does not withdraw from the program, and the withdrawal is affected prior to the census date (refer to Schedule H), the tuition fee for that course will normally be credited towards the remaining or future tuition fees.
Alternatively, on application from the student, approval may be given for the tuition fee to be refunded as provided in section 3.10.

3.6.7 - Withdrawal from course on granting of credit

If a student receives credit for a course in which they are enrolled, the full tuition fee paid by the student for that course will be treated according to section 3.6.6, even if notification of credit approval is received after the census date.

3.7 - Withdrawal in Compassionate Circumstances - Grounds for Refund

Withdrawal in compassionate circumstances may be accepted as grounds for a full or partial refund of tuition fees. Compassionate circumstances may include but are not limited to:

- serious illness or disability which prevents the student from being able to study; or
- death of a close family member (parent, grandparent, sibling, spouse or child); or
- political or civil event or natural disaster which prevents payment of fees.

These reasons may be accepted as grounds for a full or partial refund of fees for any of the reasons prescribed in section 3.6, provided that adequate documentary evidence is provided to support the application for a refund.
The student may also be eligible for withdrawal without academic penalty.
The process for applying for a refund and withdrawal without academic penalty in compassionate circumstances, including the time period within which an application must be lodged, is set out in the Student Administration Policy.

3.8 - Permanent Residency

3.8.1 If a student provides evidence of becoming a permanent resident of Australia prior to their commencement of study in the program and they subsequently apply for a place as an Australian resident student either as a Commonwealth supported student or a fee-paying student through the normal processes the offer of an international student place will be withdrawn and all tuition fees will be refunded.

3.8.2 If, after commencing study in the program, a student obtains permanent resident status in Australia and provides evidence of permanent resident status prior to the census date, the student will be provided with a domestic fee-paying place. The student will be eligible for a refund of the difference between the fee as an international student and the fee for a domestic fee-paying student for the period of study in which the residency status changed.

3.8.3 If a student obtains permanent resident status but does not fulfil the conditions set out in section 3.8.2 by the census date, the student will not be eligible for a full or partial refund of tuition fees paid for the period of study in which the residency status changed. On continuing their enrolment in the next period of study, the student will be enrolled as an Australian resident student in a domestic fee-paying place.

3.8.4 A student who is enrolled as a domestic fee-paying student because of a change of residency status may apply for a Commonwealth supported place at the next admission period, provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place, as set out in the Undergraduate Programs Admission Policy.

3.8.5 The above processes also apply to an international student who becomes a New Zealand citizen during the course of their study.

3.9 - Remittance of Refund

Students must use the University's online or hard copy refund application form and attach any required supporting documents.
In the event that the information provided in the refund application is not complete and further information is required, the processing timeline will not commence until the requested information has been submitted.
All refunds for which students are eligible, with the exception of refunds arising from withdrawal from a course (refer to sections 3.6.5, 3.6.6 and 3.6.7), will be:

- Refunded to the student via the original payment method to the student's home country, less any costs associated with the refund process; or
- Upon application by the student, remitted to another Australian education institution to which the student is approved to transfer, subject to the receipt of documentary evidence from the education institution regarding the student's transfer.

An application by a student for a refund to be paid to them at an Australian address will only be considered in exceptional

CRICOS Provider Number: 00233E

circumstances.
Student refunds are normally paid to the person or organisation which originally paid the fees unless documentary evidence is available to justify payment to a third party.
Refunds cannot be paid until Griffith University is in receipt of the monies into its account as cleared funds.
Any debts to Griffith University must be paid in full or the outstanding amounts will be deducted from the refund which is due.

3.10 - Review of the Refund Assessment Decision

If a student is dissatisfied with the refund assessment decision, the student may forward an application for review of the decision to the Associate Director, International Administration, Griffith International, using the Review of a Decision form in accordance with the University's Student Review and Appeals Policy and Student Review and Appeals Procedures. The decision of the Associate Director, International Administration is final.

Note: This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the *Australian Consumer Law* if the *Australian Consumer Law* applies.

NUID: **002708128**
Campus: **Boston**

Dear VISHWA KAMLESHKUMAR:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies Master of Science in Regulatory Affairs program for the Winter 2023 term at the Boston campus with a January start date.

Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies, we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):
You must submit your official transcript with degree conferral within your first term of course enrollment. Please refer to the following website on requirements:

- https://cps.northeastern.edu/admissions-aid/international-admissions/applications/

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, please confirm that you plan to attend by completing the enrollment confirmation form. This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at https://registrar.northeastern.edu/group/catalog/. It is important to note that you are required to follow the program curriculum that is in effect during the Winter 2023 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Winter 2023 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

All admitted students who will be studying with an F-1 visa would need a Form I-20. Please contact the office of Global Services to begin your I-20 process at https://international.northeastern.edu/ogs/getting-started/

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,

David Fields

FOR ALL STUDENTS

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Student Account Claim:

Students eligible for a Northeastern online account will receive an automated account claim email 1 business day after decision is published. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account.

To claim a student account:

1. Open Account Claim email.
2. Click on the "Claim your Northeastern online account now" claim token in email
3. Follow the prompt to enroll in Duo, the university's two-factor authentication provider.
4. Complete the "Student Account Claim" form.
5. Review and accept the "Northeastern University Appropriate Use Policy"
6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be unable to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn't meet the minimum length requirement.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617. 373.HELP [4357] or email help@northeastern.edu.

Admissions Support

To complete your official admissions file, visit this website for information. For admissions questions, visit this website to submit an inquiry.

Advising & Student Support

The Office of Academic Advising is here to support you as you begin your academic journey with the College of Professional Studies. For information regarding course registration, academic requirements or Orientation, please contact our Learner Services team. Your advisors and student support team look forward to meeting you at Orientation!

December 3, 2020

Dear Bhargav,

Congratulations! I am excited to have you join the Advanced Standing Program for International Dentists [ASPID] at the University of Oklahoma, College of Dentistry. I and Mrs. Jennifer Panicci, will be working closely with you for the next six months as you go through your Preclinical Skills Development course.

We have paired you with a current ASPID student to assist you in your transition here:

Current ASPID:
Dharmik Patel
Dharmik-Patel@ouhsc.edu
630.605.4504

Should you have any questions prior to or after your arrival in Oklahoma City, please feel free to contact me, Mrs. Panicci or the current ASPID Student you are paired with. Our contact information is as follows:

Dr. Paul Mullasseril
Assistant Dean Clinical and Pre-Clinical Education
Office Phone: 405.271.5444
Cell Phone: 509.688.3295
Email: paul-mullasseril@ouhsc.edu

Mrs. Jennifer Panicci
Administrative Assistant
Office Phone: 405.271.5444
Cell Phone: 231.250.1899
Email: jennifer-panicci@ouhsc.edu

Congratulations once again!

Sincerely,

Paul Mullasseril, D.D.S., M.S.

Conestoga College Institute of Technology and Advanced Learning
Office of the Registrar

299 Doon Valley Dr.
Kitchener, Ontario N2G 4M4

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: May 04, 2020

Dhrupal Jayantilal Bhalani
102, Shangrila Bunglows, Hebatpur Road, Thaltej.
Ahmedabad , Gujarat
380059, India

Student Number: 8697371

Dear Dhrupal Jayantilal Bhalani

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

B.Y.O.D. – Bring Your Own Device
Some programs require you to bring your own device. It is your responsibility to ensure that you bring the appropriate device for your program. Please visit the Conestoga College website to verify if your intended program requires you to bring your own device.

Students accepted to a program that includes a practicum within the School of Health and Life Sciences must complete mandatory health and safety requirements to be eligible for work-integrated learning experiences (WIL). These prerequisites are required by legislation and WIL agencies for all persons working in this sector. To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca:
Login ID: WILdocumentforms
Password: International2
Your WIL document requirements must be completed prior to attending any WIL experience.

Please contact WIL Document Services at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at internationaloffice@conestogac.on.ca.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process after you receive your letter of acceptance and BEFORE you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution.

To request a credit transfer, please submit the following three components:

1. **Completed Credit Transfer Request Form**
2. **An official transcript from your previous post-secondary institution(s)**
   Note: Transcripts must be in an envelope sealed by the sending institution. Opened copies, as well as those that have been photocopied/printed/scanned, cannot be accepted. International transcripts must be formally assessed by an agency like ICAS or WES; we would require an official copy of the assessment.
3. **Course outline(s) for the course(s) you previously completed and are using as the basis for exemption.**
   Note: Course outlines must include: course title, number/code, description, learning objectives, topics covered, textbook(s) used, assignments, evaluation scheme, etc. The outline should reflect the semester in which you successfully completed the course. (i.e. Same Academic year)

Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

The Credit Transfer Request Form and corresponding outlines may be submitted via email. If you do not have an official, sealed transcript (as described above), please request your previous institution(s) to mail one to: CreditTransfer@conestogac.on.ca

Please review the Advanced Standing and Credit Transfer Policy:
http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Before you leave to come to Canada
https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing** - various options available to you.
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Education Office at internationaloffice@conestogac.on.ca.

Arrival and Orientation

The International Student Services department can provide you with valuable information regarding arrival and orientation. Please email internationaloffice@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process after you receive your letter of acceptance and BEFORE you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution.

To request a credit transfer, please submit the following three components:

1. **Completed Credit Transfer Request Form**
2. **An official transcript from your previous post-secondary institution(s)**
   Note: Transcripts must be in an envelope sealed by the sending institution. Opened copies, as well as those that have been photocopied/printed/scanned, cannot be accepted. International transcripts must be formally assessed by an agency like ICAS or WES; we would require an official copy of the assessment.
3. **Course outline(s) for the course(s) you previously completed and are using as the basis for exemption.**
   Note: Course outlines must include: course title, number/code, description, learning objectives, topics covered, textbook(s) used, assignments, evaluation scheme, etc. The outline should reflect the semester in which you successfully completed the course. (i.e. Same Academic year)

Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

The Credit Transfer Request Form and corresponding outlines may be submitted via email. If you do not have an official, sealed transcript (as described above), please request your previous institution(s) to mail one to: CreditTransfer@conestogac.on.ca

Please review the Advanced Standing and Credit Transfer Policy:
http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Before you leave to come to Canada
https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing** - various options available to you.
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Education Office at internationaloffice@conestogac.on.ca.

Arrival and Orientation

The International Student Services department can provide you with valuable information regarding arrival and orientation. Please email internationaloffice@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

September 15, 2021

Dear Divya Makhija,
Congratulations! The Admissions Committee of the Internationally Trained Dentist Program has reviewed your application and interview materials, and we are pleased to grant you provisional admission to the ITDP 2022 entering class, which will begin with online Orientation activities in **mid-December 2021**. Provisional admission means that a place is definitely being reserved for you and that we will finalize your admission upon 1) receipt of the enrollment deposit, 2) clearance of the Criminal Background Check, and 3) financial certification documents (depending upon your visa status).
Within the next day or so, you should receive an email from Certiphi Screening Inc. with instructions for completing the criminal background check. Please look for this email and instructions, as this process is time-sensitive and we ask you to act quickly.

To accept the offer of admission from the University of Michigan School of Dentistry, you must first log into the University of Michigan's Wolverine Access database and formally accept the offer. To access Wolverine Access, you will first need to create a University of Michigan Friend Account (Instructions on how to create a friend account). You will also need your University of Michigan identification number (UMID), which is **01764161**. Once you successfully create a University of Michigan Friend Account you can then log into Wolverine Access (https://wolverineaccess.umich.edu). Log into your 'new and prospective student business' account and select the admissions decision link. Carefully follow the instructions for accepting your admission offer.

When you accept your admission offer, a non-refundable enrollment deposit in the amount of $1,500 will be required to hold your seat in the entering class. The $1,500 enrollment deposit will be applied toward your tuition for your first semester. You may pay the enrollment deposit with an electronic check / transfer from a U.S. bank account or by credit card. Please make sure to have your checking account / credit card information available when you are ready to pay the deposit. If you back out of these Wolverine Access pages or you allow the session to time out, it will be difficult to access them properly a second time. The deadline to pay the enrollment deposit is **October 11, 2021**. If you plan to attend the University of Michigan's ITDP, we would encourage prompt payment of the enrollment deposit. Once the deposit is paid, we can then begin processing your visa (if you need one) and finalize your admission. If you fail to pay the deposit by October 11, 2021, your seat will be offered to another candidate.
If you choose not to accept the offer of admission, please follow the proper links in Wolverine Access and then email us (internationaldent@umich.edu) as soon as possible, so that we can make an offer to another deserving candidate.
If you are planning to attend our program while on a student visa (F1), the following two paragraphs pertain to you! Note that the following information is very important and time-sensitive. One of the steps necessary to complete your final acceptance is to submit certification that you will have sufficient funds to cover expenses for your education. The length of the ITDP is a total of 7 terms (28 months). For the F1 visa, you must certify a total minimum of $112,745 (U.S.) to fund the first twelve months of the program. This figure is based on current and projected expenses, and for this process, you are only required to certify funds for the first year of your program. A breakdown of **estimated** expenses is below:

Tuition & Fees	$75,344
Books/supplies/insurance	$11,691
Living Expenses	$25,710
Total Estimated Expenses	**$112,745**

If you will be studying on an F1 student visa, you will be required to complete the International Student

SCHOOL OF
DENTISTRY
UNIVERSITY OF MICHIGAN

Admissions
1011 N. University Avenue
Ann Arbor, MI 48109-1078
T: 734.763.3316 F: 734.764.1922

Supplemental Application Form and return it by email to internationaldent@umich.edu at the same time you pay your enrollment deposit. You will be contacted shortly after this by the Human Resources department of the School of Dentistry with instructions on how to submit your financial certification and any corresponding deadlines. It is important to note: even if you plan to eventually secure private loans to fund your education, the student visa process **requires** you to submit the financial certification described above.

The Orientation for ITDP entering class of 2022 will be held online in mid-December 2021. Further information will be forthcoming, but **Orientation is mandatory for all admitted students**, and you must attend all planned online sessions. Classes for the Winter 2022 term will begin on Monday, January 3, 2021 - including all planned online didactic courses and in-person preclinical (sim lab) courses. A detailed schedule for the term will be made available to you as soon as it is final.

In closing, I offer my congratulations on your acceptance – we look forward to your participation in Orientation and then later, your arrival in Ann Arbor for Winter 2022 semester! After your enrollment deposit is received, we will contact you again for completion of additional forms/paperwork needed for matriculating students. In the meantime, if you have any questions, please don't hesitate to contact me or the Admissions Team at internationaldent@umich.edu.

Congratulations and Go Blue!

Dear Ms. Patel:

On behalf of the Rutgers School of Graduate Studies, I am pleased to inform you of your acceptance as a matriculated student in the Dental Scholars Track of our Master's program, beginning in the Spring 2022 semester. We hope you will agree this is an excellent program that will earn you a prestigious master's degree and help you meet your career goals. I look forward to welcoming you to our campus. Orientation/Registration for new matriculated students has been scheduled for December 9th and will be offered remotely. You will be receiving further information soon. Depending on the public safety guidelines concerning the COVID-19 pandemic, we may also organize optional on-campus orientation activities. You will be receiving further information via soon.

The current year Master's Degree Program fee is billed at the per credit rate of $930 (resident) or $1,200 (non-resident) per semester. Attached is a complete tuition and fee schedule that outlines the other costs associated with this program.

Please be advised that acceptance is contingent upon receipt of an official ECE report and an official National Board report sent directly from ADA. Official documents must be received by December 1, 2021. Please acknowledge your acceptance by signing one copy of this letter. By signing this letter of admission I acknowledge that I have read and understand the attached Essential Functions/Technical Standards for SGS Document, which all students must satisfy, with or without reasonable accommodations, for the course of study for which I have been offered admission.

Please return the signed documents to lucyle@gsbs.rutgers.edu and a $100.00 non-refundable tuition deposit payable at https://www.schoolpay.com/pay/for/Deposit/SROcuq. The Master's Program has a limited enrollment and students are accepted on a rolling admissions basis, so you are advised to respond as soon as possible. If we do not hear from you by **November 8, 2021**, we will inactivate your application.

Please visit the Office of International Services website (https://global.rutgers.edu/international-scholars-students/students/prospective) for the proper forms to complete your I-20 process. If you choose to accept our offer please read the I-20 application carefully and return the completed forms along with clear copies of your completed immigration documents to the RBHS, Office of International Services located at 65 Bergen Street, Room GA 72, Newark, NJ 07101

The Spring 2022 semester begins in January. The Spring 2022 course schedule will be available soon but you can refer to previous spring schedule for the layout of course at the following link: http://njms.rutgers.edu/sgs/current_students/course_information.php. For housing information, please visit: http://njms.rutgers.edu/gsbs/prospective_students/housing.php. If you decide to accept this offer you will need your student ID number to access your email account and other school related information. Please keep this number in a safe place: **A00849537**

Sincerely,

A.P Thomas

Andrew Thomas, Ph.D.
Senior Associate Dean

Junagadh
INDIA, 362001

June 03, 2021
Dalhousie ID Number: B00901612

Dear Ashish Jayeshkumar:

Congratulations! On behalf of Dalhousie University I am pleased to inform you of your admission to the Full Time Master of Engineering program in Internetworking for the session beginning January 1, 2022. For your information, the Master of Engineering program is per-course fee based. Full time students in this program typically complete in 2 years.

Please be advised that you are not automatically enrolled in the Dalhousie Health and Dental Insurance Plan. If you wish to opt into this health plan please contact dsuhealth@dal.ca or 902-494-2850 before you begin your studies at Dalhousie University.

Please confirm by email, to your department, if you will be accepting this offer. Questions concerning your program should also be directed to the Graduate Co-ordinator of your department.

Please visit http://dal.ca/gradnextsteps for further information on paying your deposit, as well as other important next steps.

If there is pre-requisite work to complete before you begin your graduate program, you will be notified by your department.

If you are presently enrolled in a degree program, you must complete your current degree with a minimum B average prior to the start of the new program, and submit your final transcript to the Faculty of Graduate Studies within 90 days of beginning your studies at Dalhousie.

It is a condition of your admission that you will not be enrolled in any additional program at Dalhousie, or elsewhere, during the course of the program for which you have been admitted, unless special arrangements have been made and approved. The University reserves the right not to offer the program in any year for which there is insufficient enrollment, or to withdraw the offer of a seat.

DALHOUSIE UNIVERSITY

An estimate of annual tuition fees and related costs (based on 2020/2021 fees) is listed below to assist you with your budget planning.

Program:	Master of Engineering
Faculty:	Faculty of Engineering
Date of Birth:	November 21, 1999
Start date:	January 1, 2022
Typical Length of Program:	2 years*
	*

**Master of Journalism - September entry is a 2 year program/Master of Journalism - January entry is a 1.5 year program*

Dalhousie's Designated Learning Institution (DLI) number:
O19209939282 (Required for Visa Application)

Typical Graduate Fees at Dalhousie University

Fee Table 2020-2021

An estimate of annual tuition fees and related costs are listed below based on full time status.

Program Fee Degrees[1]	Typical Range of Fees for Year One	Division of Annual Fees[1]
Architecture & Planning	$11,625 - $17,235	Fees divided over 3 terms
Arts and Social Science	$10,487	Fees divided over 3 terms
Computer Science	$12,058 - $18,072	Fees divided over 2 or 3 terms
Dentistry	$17,736 - $19,488	Fees divided over 3 terms
Engineering	$11,860 - $15,732	Fees divided over 3 terms
Fine Arts	$12,575	Fees divided over 3 terms
Health Professions	$11,325 - $16,319	Fees divided over 2 or 3 terms
Law	$10,126	Fees divided over 2 or 3 terms
Management	$7,810 - $27,105	Fees divided over 2 or 3 terms
Medicine	$11,325 - $12,141	Fees divided over 3 terms
Science	$10,248 - $11,325	Fees divided over 3 terms
PhD[3]	$5,841 - $8,202	Fees divided over 3 terms
Continuing Fees once program fees have been paid[2]	$4,236	Fees divided over 3 terms

1 Number of terms for which program fees are due varies by program
2 Continuing fees apply after program fees have been paid the requisite number of terms
3 PhD programs are Program Fee for the entire program duration. PhD programs do not have Continuing Fees. There are no International Tuition Fees for PhD programs

Per Course Fee Degrees	Based on Full Time Registration	Fees Applied per Course Registration
Architecture & Planning	$16,511 - $17,235	
Health Professions	$15,783 - $16,319	
Internetworking*	$10,766 - $15,732	
Journalism	$4,200 - $8,885	

DALHOUSIE UNIVERSITY

Management	$10,882 - $33,750	
Other Related Costs	**Per year**	
International Tuition Fee	$6,972 (Thesis Based) or $13,077 (Non-thesis)	
Health Insurance	$728 (single) $1,832 (family)	
Books / Supplies	$1,800	
Residence including meal plan	$11,133 - $13,869	
**no international tuition fees for Internetworking*		

For more information on tuition and fees please visit: www.moneymatters.dal.ca

We hope your graduate studies at Dalhousie will be both productive and enriching. If you have questions, please contact the Faculty of Graduate Studies at 902.494.2485 or email graduate.studies@dal.ca. With all correspondence, please reference your Dalhousie ID number. Additional information is available on our website: http://www.dalgrad.dal.ca.

Welcome to the Dalhousie community, we look forward to working with you.

Sincerely,

Adam Robertson

9	Medical Fitness Certificate (certified by a registered medical practitioner). Format available on website, original may be submitted by programme commencement date. A copy is suggested to be uploaded.
10	Mediclaim Policy receipt (minimum Rs.1 lakh) may be submitted by programme commencement date. A copy is suggested to be uploaded.
11	The affidavit by the student and parent/guardian with reference to UGC regulation on Curbing the Menance of Ragging may be self-attested.
12	For Final Year Graduation (Appearing Candidates) :- Provisional admission will be given subject to clearing the final examination with minimum 55% aggregate marks & completion of all exams (including backlogs) before course commencement date. The last date of submission of the degree marksheet and provisional passing certificate will be the date of commencement of the programme. Please note that failing to meet this requirement, will result in the cancellation of your studentship and the fees paid will be refunded as per prescribed refund rules.

Note:

Sr. No.	Description
1	You are requested to confirm your admission by paying fees on approval of admission and receipt of email confirmation and upload the above mentioned documents along with e-admission form - https://nmims.secure.force.com/NMAT_Admission_Login within the registration period i.e. between 31st March to 6th April 2021 for document upload and fee payment up to 7th April, 2021. (Candidates are required to carry original documents at the time of commencement for verification with one set of self-attested copies).
2	Payment of tuition fees Rs. 8,52,000/- (First Year) to be paid online as per instruction mentioned in communication.
3	Please note that it is responsibility of the candidate to check whether he/she is eligible to apply for the Program as per the eligibility criteria declared on the website. Your credentials will also be verified by professional verification agency. NMIMS has full right to disqualify a candidate at any stage of admission process, if found ineligible. In such case, the admission of the candidate, even if selected and fees paid, stands cancelled and the fees will be refunded as per prescribed refund rules.
4	Hostel Facility: The Hostel application Portal link will be available on NMIMS website (www.nmims.edu/students). Interested candidates can apply online for hostel after completing the admission fee payment formalities. On approval of your application and receipt of mail communication for hostel fee payment, please make payment online. The hostel accommodation is on first come first served basis

Refund Rules on cancellation of admission:

The Schedule of refund of fees will be as follows for MBA Digital Transformation Program -Batch 2021
Refund Rules: If a student chooses to withdraw from the program of study in which he / she is enrolled, the institution shall follow the following five-tier system for the refund of fees* remitted by the student.

Sr. No.	Percentage of Refund of Aggregate Fees*	Point of time when notice of withdrawal of admission is received in the Higher Educational Institutions (HEI)
1	100 %	15 days or more before the formally-notified last date of admission (on or before 10.06.2021)
2	90 %	Less than 15 days before the formally-notified last date of admission (11.06.2021 to 26.06.2021)
3	80 %	15 days or less after the formally-notified last date of admission (27.06.2021 to 11.07.2021)
4	50 %	30 days or less, but more than 15 days, after formally-notified last date of admission (12.07.2021 to 26.07.2021)
5	0 %	More than 30 days after formally-notified last date of admission (27.07.2021 onwards)

In case of (1) in the table above, the HEI concerned shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.
Note: Candidates to refer Important Dates of the respective programme.

The above refund rules are as per University Grants Commission (UGC) notification on Refund of Fees and Non-Retention of Original Certificates of October, 2018 and are subject to revision as per UGC notification (as applicable). Please note the closure of admission/last date of admission as mentioned in the dates is 26.06.2021.

If you do not upload your documents by 6th April 2021 and pay stipulated fees up to 7th April 2021 it will be presumed that you are not interested in joining the Programme and this offer of admission will stand cancelled automatically.

Wish you all the Best!

Registrar

SVKM's NMIMS

* This is a computer generated document, does not require signature.

* This letter can be used for obtaining Bank Loan

* Please note that it is the responsibility of the candidate to check whether he/she is eligible to apply for the Program as per the eligibility criteria declared on the website. NMIMS has full right to disqualify a candidate at any stage of admission process, if found ineligible.

Eligibility Criteria:

1. Bachelor's Degree in Engineering (Any stream) / MCA,/B.Sc. (IT) / B,Sc. (Computer Science) / BSc. (Electronics) / BSc. (Physics) / BSc(Maths) / Any other graduate degree with Mathematics as compulsory subject till graduation. Minimum pass marks 55% plus minimum two-year years of industry experience is desirable.
2. The candidate must have appeared for all his subject(s) / exams before the commencement of the respective program (s) of NMIMS (Deemed to be University). The examination of none of the subjects should be held after the commencement of the respective course. Also the candidate should be declared pass in all the above referred subjects (s) / examinations by the University from where he / she is graduating from, with minimum stipulated marks in the aggregate (of all years). (However, in case the candidates' graduating University schedules the final year / semester / trimester examination/s (as applicable) during / after the commencement of the respective program the candidates' candidature may be considered subject to NMIMS (Deemed to be University) discretion).

Dear Harsh Sanjaykumar Nagoriya,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Software Engineering (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Polytechnic campus for the 2021 fall semester.

Your application to study in the Computer Science (MCS) program has been reviewed by the department. You will notice that you have been admitted to the Software Engineering (MS) program in the Ira A. Fulton Schools of Engineering at the Polytechnic School at the ASU Polytechnic campus, and not the Computer Science (MCS) program you indicated as your first choice on your application.

After careful review of your credentials and interests, we believe you will be most successful in this innovative and comparable program, which is why we selected you. I invite you to take time to explore the Software Engineering (MS) program including the core curriculum, faculty accomplishments and career outlooks, by visiting asu.edu/programs.

Important: Continued registration beyond your first semester is contingent on the receipt of the transcript listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

Dharmsinh Desai University

Documents must be submitted in the original language with a literal English translation from the institution and must show your final grades, the degree received and the date the degree was granted.

Important: For detailed information regarding I-20 requirements, please visit **My ASU** at my.asu.edu and the International Admission Services website at international.asu.edu/student-visa.

For immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-8177. Proof of immunization is required before registration for classes will be permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password.

ASU and Software Engineering (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at cidse.gradpoly@asu.edu or at 480-727-3520.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by all graduate policies (graduate.asu.edu/policy-manuals), as well as ASU's policies related to academic

Dear Parth Arvindbhai Kachhadiya

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

B.Y.O.D. - Bring Your Own Device
Some programs require you to bring your own device. It is your responsibility to ensure that you bring the appropriate device for your program. Please visit the Conestoga College website to verify if your intended program requires you to bring your own device.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: !International3
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://international.conestogac.on.ca/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations
Conestoga College

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assistance.

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Transition Coordinators at internationaltransition@conestogac.on.ca.

Arrival and Orientation

The International Transition Coordinators can provide you with valuable information regarding arrival and orientation. Please email them at internationaltransition@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

PROVISIONAL ADMISSION LETTER

Date: 08.03.2021

SNAP ID : 210111946
Category : OPEN
GE-PIWAT ID : 20ITAG0203

Constituent: Symbiosis Institute of Computer Studies and Research (SICSR)
Programme : MBA (Information Technology) - MBA-IT

Dear THAKKER VIDHI DEVALBHAI ,

Congratulations!

We are pleased to inform you that you have been selected for admission to the two year full time **MBA-IT 2021-2023** at **Symbiosis Institute of Computer Studies and Research (SICSR)**.

Please note that this admission is provisional and will be confirmed on payment of fees **(As per Annexure I)** on or before **18-March-2021**, **midnight** subject to the fulfilment of eligibility conditions **(As per Annexure II)** and in accordance with the rules of the Symbiosis International (Deemed University) [SIU].

As a constituent of the prestigious Symbiosis International (Deemed University), we strive to provide you with a learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty will be drawn from accomplished academicians and practicing professionals with rich and varied experience.

Your programme commences on: June 1, 2021. Please go through the various details given in the Post Graduate Prospectus and SICSR website. SIU reserves the right to change these dates in view of uncertainties prevailing across the country on account of Covid-19 pandemic or any other unavoidable circumstances.

You are advised to bring all relevant self-attested documents as mentioned in Annexure II for submission on the day of commencement of your programme.

We look forward to having you amidst us. Welcome to Symbiosis!

With Best Wishes,

Prof. Dr. Jatinderkumar R. Saini

Professor & Director,
SICSR

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://web2.uwindsor.ca/finance/fee-estimator/.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.

Transcripts and English Language Proficiency scores are to be mailed to: University of Windsor, Office of the Registrar-Graduate Division, Windsor, ON Canada N9B 3P4; or emailed to: transcripts@uwindsor.ca.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Sincerely,

Patricia Weir

Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. See the University of Windsor website for the refund policy.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. The mailing address is as follows:

  University of Windsor
  Office of the Registrar - Graduate Studies Division
  401 Sunset Ave.
  Windsor, Ontario, N9B 3P4

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

  You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca. Direct inquiries can be directed to applyesl@uwindsor.ca.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.

The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to **TUITDEP@uwindsor.ca**.

Learn more about fee payment options at www.uwindsor.ca/finance/student-accounts.

Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE.

Residence offers you the chance to be a part of a community that fosters an environment of personal growth while supporting your efforts to become an academically and socially responsible individual. Our focus in residence is life outside of the classroom and we make it easy for you to get involved! You can participate in events, work as a desk services staff, or serve on a residence committee.

Living in residence means you're not alone when you need help. Resident Assistants (RA) help you transition to university life, make friends, and become a part of the Lancer community. We also have full-time staff who live on campus and are available for support 24/7.

Living on campus puts you just steps away from classes, Lancer events, social activities and dining halls, making it easy for you to fully experience campus life.

24/7

Academic and personal help on hand

900+

Possible friendships

LIVING LEARNING COMMUNITIES

Live with students who share your academic program. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Engineering, Nursing and Science Communities.

CHOICE OF ROOMMATES

A preferred roommate can be requested. Both students must identify each other on their residence application. If a roommate is not specified, you will be matched based on preferences selected on your residence application.

SPECIAL CONSIDERATIONS

A limited number of rooms are available to students who require special accomodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit **uwindsor.ca/residence**

BOOKSTORE PLAN

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence**

** Information on these pages are subject to change.*

MEAL PLANS*

Residence students are required to choose a meal plan from a variety of options, with values ranging from $2,475 - $2,825 per semester. *You may use the meal plan to pay for food at all outlets on campus as well as several nearby restaurants. For more information, please visit **uwindsor.ca/food**

** Meal Plan rates are based on 2020-2021 and are subject to change for 2021-2022*

RESIDENCE GUARANTEE

Accomodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability and on a first come, first serve basis.

Students may apply to residence before accepting their offer of admission to the University of Windsor, however, please see the Residence and Meal Plan Licence Agreement for details on the cancellation/ withdrawal policy.

Note: An offer of residence does not constitute an offer of acceptance to an academic program.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at http://web2.uwindsor.ca/finance/fee-estimator/.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Sincerely,

Patricia Weir

Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. See the University of Windsor website for the refund policy.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. The mailing address is as follows:

  University of Windsor
  Office of the Registrar - Graduate Studies Division
  401 Sunset Ave.
  Windsor, Ontario, N9B 3P4

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

  You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca. Direct inquiries can be directed to applyesl@uwindsor.ca.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

- All fees subject to change upon approval of the Board of Governors
- Fees are mandatory and will vary term to term.

Deposit Information

Submission of a $4,000.00 deposit is required within 21 days of your date of admission to secure your place in your program. The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to **TUITDEP@uwindsor.ca**.

Learn more about fee payment options at www.uwindsor.ca/finance/student-accounts.

Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE.

Residence offers you the chance to be a part of a community that fosters an environment of personal growth while supporting your efforts to become an academically and socially responsible individual. Our focus in residence is life outside of the classroom and we make it easy for you to get involved! You can participate in events, work as a desk services staff, or serve on a residence committee.

Living in residence means you're not alone when you need help. Resident Assistants (RA) help you transition to university life, make friends, and become a part of the Lancer community. We also have full-time staff who live on campus and are available for support 24/7.

Living on campus puts you just steps away from classes, Lancer events, social activities and dining halls, making it easy for you to fully experience campus life.

24/7

Academic and personal help on hand

900+

Possible friendships

LIVING LEARNING COMMUNITIES

Live with students who share your academic program. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Engineering, Nursing and Science Communities.

CHOICE OF ROOMMATES

A preferred roommate can be requested. Both students must identify each other on their residence application. If a roommate is not specified, you will be matched based on preferences selected on your residence application.

SPECIAL CONSIDERATIONS

A limited number of rooms are available to students who require special accomodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit **uwindsor.ca/residence**

BOOKSTORE PLAN

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence**

** Information on these pages are subject to change.*

MEAL PLANS*

Residence students are required to choose a meal plan from a variety of options, with values ranging from $2,475 - $2,825 per semester. *You may use the meal plan to pay for food at all outlets on campus as well as several nearby restaurants. For more information, please visit **uwindsor.ca/food**

** Meal Plan rates are based on 2020-2021 and are subject to change for 2021-2022*

RESIDENCE GUARANTEE

Accomodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability and on a first come, first serve basis.

Students may apply to residence before accepting their offer of admission to the University of Windsor, however, please see the Residence and Meal Plan Licence Agreement for details on the cancellation/ withdrawal policy.

Note: An offer of residence does not constitute an offer of acceptance to an academic program.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. See the University of Windsor website for the refund policy.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. The mailing address is as follows:

  University of Windsor
  Office of the Registrar - Graduate Studies Division
  401 Sunset Ave.
  Windsor, Ontario, N9B 3P4

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

  You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca. Direct inquiries can be directed to applyesl@uwindsor.ca.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

BUILDING AMENITIES*

- 24-hour secured building access
- Kitchens or microwave rooms
- Laundry facilities
- Common lounges with cable TV
- Study rooms

**Amenities may vary by building*

WE PROVIDE:

- Bed, mattress, armoire or closet, desk, chair, study lamp, and fridge
- Wireless internet
- Telephone landline with voicemail, call display and call forward.

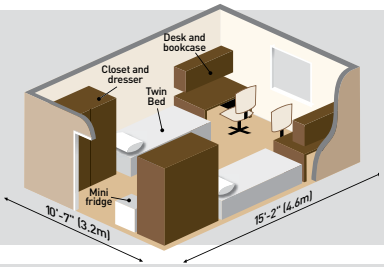

AFTER FIRST YEAR, YOU'RE WELCOME TO COME BACK TO RESIDENCE!

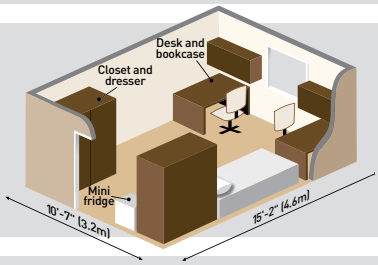

Return to Residence and you will be guaranteed a single room — and you can choose the room if you apply by the deadline date. You can apply to return to Residence every year you are a student.

MACDONALD HALL

Fall 2020 $4,150* Winter 2021 $3,486 (single)
Fall 2020 $3,463* Winter 2021 $2,896* (double)

Double and limited single rooms • Twin beds • Common bathrooms • Traditional style • Student lounges • Study rooms • Science & Engineering Living Learning Communities • First Year Students (coming directly from high school)

LAURIER HALL

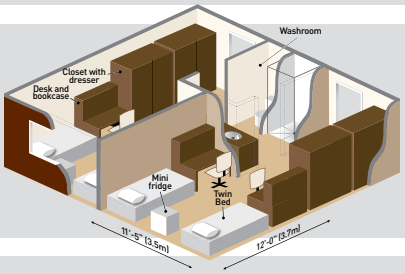

Fall 2020 $4,150* Winter 2021 $3,486 (single)

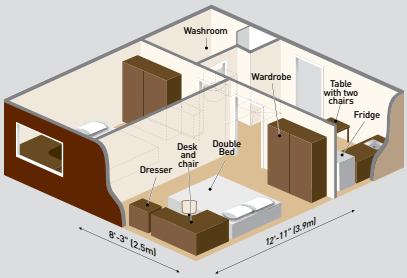

Single rooms • Twin or double bed • Common bathrooms • Traditional style • Student lounges • Study rooms • Beyond-First Year Students • Home to the International Student Centre

CARTIER HALL

Fall 2020 $3,979* Winter 2021 $3,337* (double)

Double rooms • Twin beds • Semi-Private Bathroom • Open atrium • Main floor student lounge • Study rooms • First Year Students (coming directly from high school)

ALUMNI HALL

Fall 2020 $4,560* Winter 2021 $3,386* (single)

Two-Bedroom suites • Double beds • Kitchenette • Semi-Private Bathroom • Student lounges • Nursing & Engineering Living Learning Communities • GPA required for first-year students only • Beyond First Year & First Year Students (coming directly from high school) • The Bru Convenience store

**Compulsory and non-refundable fees are included in residence fees. All fees are based on 2020-2021 and are subject to change for 2021-2022. Information on these pages are subject to change.*

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

Re: Offer of Admission - Master of Engineering Program (MEng), Department of Mechanical and Materials Engineering

Dear Smit Mehul Lakdawala,

Based on your outstanding academic record, I am pleased to offer you admission as a full-time graduate student in the Master of Engineering (MEng) program starting September 2021. You will be provided with the official Offer of Admission electronically from the School of Graduate and Postdoctoral Studies. Due to the competitive nature of this program, the offer must be accepted no later than June 1st, 2021. Failure to do so may result in the cancellation of the admission offer.

As outlined by the School of Graduate and Postdoctoral Studies Program Regulations, you are required to maintain an average of at least 70% over all courses taken, with no grade less than 60%. Term and Cumulative averages, and individual marks are assessed at the start of each term. If, after your first term of enrollment, you fail to meet either of these minimum requirements, you may be asked to withdraw from the MEng program.

Throughout the MEng program you are required to maintain continuous enrolment within your Academic Load (full-time or part-time) as specified in the Offer of Admission letter from The School of Graduate and Postdoctoral Studies. The MEng program may be completed in three terms, provided you are a full-time student.

We are planning to return to face-to-face (in-person) instruction in September 2021 and resume on-campus activities that have been discontinued due to COVID-19. However, it is subject to the situation and related guidelines and instructions from the Provincial Government and local health authorities. We will contact you as soon as we have more details. However, regardless of the mode of instruction (in-person or online), we assure you that Western Engineering is fully committed to supporting your academic program and maintaining effective learning experiences and learning outcomes.

If you plan to be in the London area, I invite you to visit us to review our program more fully and to meet some of our graduate students and graduate faculty. In September, I will meet with you to discuss some details of your program and answer any questions you may have at that time.

There will be no financial assistance or Teaching Assistantship provided to you during the course of this program. Please ensure that you have sufficient funds to support yourself over the entire period of your MEng program.

A non-refundable tuition deposit of $500.00 CAD is required to hold your spot in the MEng program and is due by June 15th, 2021.
If you are a domestic student, please note that tuition deposits cannot be made until June 1st, 2021. You will receive an email from Western Engineering with payment instructions in May 2021.

Upon payment of your tuition deposit, your Western Student Center account will reflect a credit balance of -$500.00 CAD. This credit balance will remain on your account until tuition is calculated at which time, your tuition deposit will be credited towards your first term tuition fee.

Considering the current situation caused by COVID-19, Western Engineering recognizes that students may experience difficulties related to tuition deposits, ability to travel, and the possible need to delay the start date. If you require additional consideration or accommodation due to COVID-19, please contact Claire Naudi, MME MEng Program Coordinator (cnaudi@uwo.ca) as soon as possible to discuss the options available to you.

It is your responsibility to obtain health insurance for yourself and, if applicable, your family. You may apply to the University Health Insurance Plan (UHIP), organized by a consortium of universities, for coverage. To enroll or to make inquiries about UHIP, please contact UWO Human Resources at hrhelp@uwo.ca or 519-661-2194.

If you require additional information, please send an e-mail to Claire Naudi, MEng Program Coordinator cnaudi@uwo.ca. She would be pleased to clarify any aspect about the MEng program.

Meanwhile we look forward to your joining our Graduate Program as a MEng student on September 1, 2021.

Yours truly,

Samuel Asokanthan, PhD
Associate Chair, Graduate Professional Programs

Dear Monark Bandishbhai Parekh,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Robotics and Autonomous Systems (Mechanical and Aerospace Engineering) (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2021 fall semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the transcript listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

Dharmsinh Desai University

Documents must be submitted in the original language with a literal English translation from the institution and must show your final grades, the degree received and the date the degree was granted.

Important: For detailed information regarding I-20 requirements, please visit **My ASU** at my.asu.edu and the International Admission Services website at international.asu.edu/student-visa.

For immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-8177. Proof of immunization is required before registration for classes will be permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password.

ASU and Robotics and Autonomous Systems (Mechanical and Aerospace Engineering) (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at semtegrad@asu.edu or at 480-965-2335.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by all graduate policies (graduate.asu.edu/policy-manuals), as well as ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu. Please note that ASU graduate students are required to maintain continuous enrollment from the time of admission through graduation.

As a New American University, ASU believes that your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you to watch this brief video to find out how current students describe the Sun Devil experience at yourfuture.asu.edu/culture.

We look forward to you joining the Sun Devil family. I wish you success in your graduate studies at ASU.

OFFICE OF ADMISSIONS

TEXAS A&M UNIVERSITY

March 03, 2021

Yash R Pancholi
A-16 Rajdeep Society Opp Pologround
Nr. Baroda High School
Vadodara 390001
India

UIN: 731007990

Dear Yash Pancholi,

Congratulations! It is my pleasure to inform you of your admission to Texas A&M University for the Fall 2021 semester to pursue a Master of Science in Industrial Engineering. Texas A&Ms more than 3400 graduate faculty include winners of the Nobel Prize, Wolf Prize, Pulitzer Prize, National Medal of Science, and members of the National Academy of Sciences, National Academy of Engineering, and Institute of Medicine. Classified by The Carnegie Foundation as a "Doctoral/Research University-Extensive," Texas A&M consistently ranks in the top tier in research expenditures, with more than $920 million.

While this is your official admission letter, you *may* receive a separate letter directly from your program. With approval from the admitting program, admission to graduate studies remains valid for **one year** from the term of acceptance; however, if it is necessary to defer your admission, we ask that you make this request before the start of the Fall semester. For answers to any questions concerning your course of study, please contact the graduate advisor in your program.

Please check the Applicant Information System (AIS) via howdy.tamu.edu for any items needed to complete your application for admission. The Office of Admissions must receive all official transcripts (including those needed to replace uploaded transcripts) **before** you will be allowed to register for any classes for your first semester. Academic Records from China must be verified by CHESICC and CDGDC.

International Student Services (ISS) issues the I-20 or DS-2019s for international students at Texas A&M University. Important information about applying for the I-20 or DS-2019, applying for a visa, and/or completing the ISS Check-In is located at http://iss.tamu.edu/Prospective-Students. All international students on any visa status must complete the ISS Check-In prior to enrolling for courses. After reveiwing the website, please direct questions regarding the I-20/DS-2019 process, applying for a visa, or completing the Check-In to ISS by email iss@tamu.edu or by phone at (979) 845-1824.

Within 24 hours after receiving the offer of admission, your TAMU Email box will be created. It is important that you monitor this new email box for important information from various campus offices. Please visit email.tamu.edu (or google.tamu.edu) to log into your TAMU Email account, and contact Help Desk Central at 979.845.8300 or helpdesk@tamu.edu for assistance if you encounter any problems.

On behalf of the faculty and administration, I am delighted to offer you this opportunity to share in the many rewarding educational and leadership opportunities offered by Texas A&M University. We look forward to seeing you on campus.

Sincerely,

Chris Reed
Executive Director of Admissions

LETTER OF ACCEPTANCE

Date of Issue: February 19, 2021

Congratulations on Gaining Admission to Cambrian College!

PERSONAL INFORMATION

Family Name: Brahmbhatt	**CAQ:** No
Given Name: Dhruv Mehulkumar	**Student's Full Mailing Address:** Gitanjali Appt Nr Kashiba Children Hospital D-60 Karelibaug , Gujarat 390018, India
Date of Birth: September 18, 1999	
Student ID #: A00239885	**Referring Agent (if applicable):** ESPI Visa Consultants Pvt Ltd.

INSTITUTIONAL INFORMATION

Name of Contact: Tina Dinunzio, International Admissions Officer **Phone:** 1-705-566-8101 ext. 3003 **Email:** mailboxadmissions@cambriancollege.ca	**Full Name and Address of Institution:** Cambrian College of Applied Arts and Technology 1400 Barrydowne Rd Sudbury, Ontario P3A 3V8, Canada Phone: +1 705 566 8101
Type of School/Institution: Public	
Website: https://cambriancollege.ca/	**Designated Learning Institution #:** O19394699409

PROGRAM INFORMATION

Academic Status: Full-Time **Program of Study:** MECHANICAL TECHNICIAN - MANUFACTURING/MACHINING (MMTN) **Campus:** Barrydowne **Program Length:** 4 Semester(s) **Start Date:** September 07, 2021 **Approx. Completion Date:** April 28, 2023 **Credential:** Ontario College Diploma **Level of Study:** Level 1 **Hours of Instruction:** 21 **Exchange Program:** No	**Fee Structure:** **First Payment DUE:** $8,519.15 by March 12, 2021 **Second Payment DUE:** $7,624.52 by December 10, 2021 Tuition Fees: $14,344.46 Mandatory Ancillary Fees: $1,799.21 Total Annual Fees: $16,143.67*
Internship/Work practicum: Not Available	**Scholarship/Teaching Assistantship/Other Financial Aid:** No
Conditions of Acceptance: • N/A	**Expiry of Letter of Acceptance:** September 07, 2021
Notes: *All fees presented are estimates for the first academic year of study. Students are responsible for full program fees. Please contact the college for estimates on full program fees.	

Signature and name of institution representative:
Ryan Dearing, Manager of Admissions

LETTER OF ACCEPTANCE

Date of Issue: February 19, 2021

TO ACCEPT THIS LETTER OF ACCEPTANCE

Remit your fees according to the Payment Schedule on the Letter of Acceptance (LOA). If your fees are not paid by the specified due dates, we will be unable to hold your seat in the program.
http://cambriancollege.ca/international/international-students-apply/international-students-refund-requests/

PAYMENT OPTIONS

Cambrian College uses Flywire for all international payments made from accounts outside Canada. This system is built to save you money on currency exchange rates. Pay from any bank and any country.

Go to CambrianCollege.Flywire.com to learn more and make a payment.

Please make sure that your name (as seen on your passport) and student number appears on the transfer. Once we receive your fees we will send you a copy of your receipt to be used for your study permit application.

CAMPUS LIFE

Cambrian College is home to a vibrant community of over 11,000 Canadian and international students in more than 75 career-focused programs. It also has the distinction of being centrally located in 'Canada's Happiest City'*, and there are plenty of reasons why!(*Source: 2015 Statistics Canada Report)

Sudbury is home to a diverse community that contributes to the city's evolving entertainment, culture, indoor/outdoor recreation, dining, and retail sectors. As the largest city in northern Ontario, this safe, welcoming and thriving urban centre is uniquely surrounded by peaceful and beautiful scenery of natural landscapes.

On campus, you'll find places to live, eat, play, study, and relax! Whether you're looking to join a student group or sports league, are seeking academic advice, or simply need a place that feels like home, Cambrian College has everything you'll need.

Starting learning more about your new city:

- **Living in Sudbury:** greatersudbury.ca/living
- **Sudbury Transportation System:** greatersudbury.ca/living/transit
- **Where to Eat:** sudburytourism.ca/eat
- **Where to Shop:** sudburytourism.ca/shop
- **Things to See and Do:** sudburytourism.ca/explore
- **Nearby Communities to Explore:** northeasternontario.com

IMPORTANT INFORMATION

You are required to submit a copy of your valid study permit and passport to Cambrian International upon arrival.

If you have any questions concerning the above, please do not hesitate to e-mail Tina Dinunzio at mailboxadmissions@cambriancollege.ca

Sincerely,

Ryan Dearing, Manager of Admissions
Cambrian College of Applied Arts and Technology

LETTER OF RECOMMENDATION

It is my pleasure to recommend Mr. Sourabh Nikam for Master's program at your esteemed university. I have known him since last two years of his undergraduate tenure, and he has been an impressive student who is well equipped to undertake higher education.

I have taught him subjects such as Artificial Intelligence and Data Structure and Algorithms. He always submitted good quality work well on time, and enthusiastically attended lectures.

He worked on a project, "Store Locator" in the fourth semester under the subject Discrete Mathematics. The project was allocated to a team of 3 students with an objective to develop a system which could help the end user to find stores like General store, Medical Store etc., within a given radius. It is a web application built using php and MySQL for database, from building this project to making the documentation related to it everything was flawless, during his team work I have monitored him closely as how he supports his team members and listen them deliberately and always tried improvising his project and encountered his leadership qualities. He always completed his work on time and tried to learn more deeply about a topic. He is very enthusiastic about his work and research-oriented, which was reflected during laboratory sessions.

Sourabh has been very attentive and interactive during lectures. His inquisitiveness showed in the intriguing and intelligent queries posed by him, thus revealing a creative mind.

Since, I have observed his meticulousness and dedication in the assigned work, I feel confident that further studies at your esteemed university will see his emergence as a prominent student and he will be an asset to his peers and superiors. I recommend him for admission to your master's program.

LETTER OF RECOMMENDATION

I have known Ms. Zarmy Patel as a student of the CE department, Faculty of Technology, Dharmsinh Desai University. In the past two years, I have witnessed her ethics towards work, and she has also shown a firm willingness to pursue any task given to her. Her tendency to dissect the topics from their core and her ability to express her views are impressive.

I have taught her Web Development in DotNet and Service Oriented Computing in the 5th and 6th semesters respectively. As a guide, I have monitored a couple of her projects. She has developed a website of E-Learning Application using Angular, NodeJS and back-end with MongoDB which helps the students and other people to study various subjects online. And another one was about General store management system. It was a client server desktop application built using Windows Communications Foundation.

She is having excellent problem-solving skills and good knowledge of algorithms and data structures. I think her endeavors in the extracurricular events have inculcated a great deal of technical abilities in her and combining them with her drive, she can do great things in the field of IT.

I believe that your program will equip her for a successful career while also developing a strong practical understanding. As an intelligent and hardworking student, I will strongly endorse her admission to your reputed institute.

Wishing her all the best for her bright career.

With regards,

Mr. Apurva A. Mehta
Assistant Professor

LETTER OF RECOMMENDATION

This letter is a formal recommendation for Zeel Soni, with regards to her application for a Master's program at your eminent university. I am an Assistant Professor at the Computer Engineering department of Dharmsinh Desai University, where Zeel pursued undergraduate studies in Computer Engineering. During the program, I taught her the subjects of Discrete Mathematics, Artificial Intelligence, and Knowledge Discovery.

Zeel's proactive approach towards learning was apparent from her participative behaviour in my classes. She was a brilliant student who showed a higher level of keenness towards studying Artificial Intelligence and often sought my guidance for reference books and websites on the subject. Her classroom discussions highlighted her aptitude for the domain as well as her articulation skills. In addition to being updated with the latest developments in Artificial Intelligence, Zeel is also well-versed with Database Management and PHP technology, which she demonstrated while developing an Online Quiz platform under my guidance. In this project, she was able to incorporate new ideas and exhibit a broad range of skills in understanding and managing inherent complexities.

Zeel was an active participant during recreational activities and technical events held in college. Her exceptional programming skills also brought her accolades in prestigious events like VISA, a Women's CodeSprint contest, and CodeVita organized by the Tata Consultancy Services (TCS), as well as at coding competitions held by the CSI. She also contributed to the college as a member of Shutterbugs, the photography club. Zeel's conduct during such extra-curricular activities highlighted her traits of creativity, dedication, and cooperative attitude.

As her teacher and mentor, I am confident of Zeel having a bright future in the field of technology. Her dedication to growth is unquestionable. To hone her skills better, Zeel seeks admission to a specialized graduate program at your university, for which, I believe, that she is a suitable candidate. I, therefore, strongly recommend her for admission to the program.

Sincerely,

Prof. Apurva A. Mehta
Assistant Professor,
Department of Computer Engineering, Dharmsinh Desai University.

LETTER OF RECOMMENDATION

I have had the opportunity to teach Mr. Maharshi Patel during his tenure of Bachelor's of Computer Engineering from Dharmsinh Desai University. His academic graph may seem average, but I would not judge his performance only from point of view. This confidence comes from having observed his dedication and discipline towards his academics, ability to delve deeper and explore his subjects from their core and apply taught concepts within real life situations.

Maharshi started off well but owing to his low grades in 3rd semester diminished his self-confidence. This affected his performance in 4th and 5th semester. But knowing his persistence, he more than made up for this shortcoming from 6th semester onwards. To expand his knowledge, he explored diverse sources and gathered relevant information and material on taught subjects. He has also attended workshop on Internet of Things which equipped him with valuable learning on Information Security, Automation and Design for data. I have taught him on Database Management System in 3rd semester, Network Information Security and Compiler Construction in 6thand 7thsemester respectively.

Maharshi demonstrated his technical acumen using angular and Node Js while working on his project, 'Home Cleaning Services' during 5th semester. The project aimed at developing website for online cleaning services for Home, Office and other establishments. The customer can book cleaning services, make online payments and can also purchase maintenance services online.

From my personal observations, I know of his affinity towards Management Information Systems. His interest evolved from study of subject, Big Data Analytics. To gain in depth knowledge, he has also undertaken online course on the subject. A specialized master's program will bring out the best from Maharshi and help him to excel in his studies. I extend my support and wholeheartedly recommend his admission at your esteemed university.

Sincerely,

Mr. Ashishkumar K Gor
Assistant Professor,
Faculty of Technology-Computer Engineering Department
Dharmsinh Desai University
Nadiad, Gujarat, India.

LETTER OF RECOMMENDATION

I am writing this letter for Miss. Mona Shah who is seeking admission for her higher studies at your institution. I have known her for three years during her undergraduate studies at Dharamsinh Desai University and I have had many opportunities to mentor her. I have taught her subjects such as Basic Java and Network Information Security.

Mona contributed with active participation in all my lectures and consistently performed well throughout her undergraduate tenure. During her pre-final year, my interactions with Mona while guiding her project titled "Online Placement Management System" provided me with the opportunity to evaluate her capabilities more closely. This project aimed to manage the whole placement system of the University online, providing the students with an easy, attractive portal to access and manage their campus interview applications. In this project, she used Java Spring MVC framework along with Hibernate for the backend, and for the frontend, she used CSS and HTML.

Mona had worked on another project called "Online Restaurant Management" during her 5th Semester. The Project aimed at providing effective and seamless software to manage a restaurant's operations. The documentation of this project included the Software Requirement Specifications, UML Diagrams, Database Designs, and the web-application built using ASP.NET

Over the course of my association with Mona as her project guide as well as her Professor, I have come to know her better and have observed her meticulousness and dedication towards her work. I believe she will be a suitable graduate student who will work with diligence and perseverance to achieve the best possible outcomes. I therefore most warmly recommend her for admission and would be glad to provide any further assistance that may be required to evaluate her candidature.

Sincerely,

Mr. Ashishkumar K Gor
Assistant Professor,
Faculty of Technology-Computer Engineering Department
Dharamsinh Desai University
Nadiad, Gujarat, India.

LETTER OF RECOMMENDATION

I am pleased to recommend **Param R. Patel** for the desired course at your esteemed university. He has been my student for the past four semesters and I have taught him 'Design & Analysis of Algorithms', 'Advanced Algorithms', and 'Network Information & Security' in 4th, 5th, 6th semesters respectively. He definitely is a fine student, in terms of aptitude, hard work and motivation.

An intelligent, sincere and conscientious student, Param has maintained a good academic record in my courses. He has been among the few students who completed their assignments before time with optimal results. His performance can be attributed to his clear concepts and strong fundamentals, which have always enabled him to grasp new ideas and topics with relative ease.

Data Structures, Sorting and Searching are important tools which form the foundation of programming languages and he handled these concepts quite well. Param comes up with innovative ways of applying his concepts.

Always an independent thinker seeking to learn more, he has shown great promise by venturing beyond the scope of the subject syllabi. He keeps himself abreast with the latest developments and goes through various technical literature which was evident from the technical discussions that I have had with him.

A student who believes in performing to the best of his ability, Param will work very hard towards the fulfilment of any responsibility that he undertakes. His zest to constantly be on the learning path and his time-management abilities will surely take him a long way. I strongly recommend him for admission to your university.

Prof. Ashish K. Gor

LETTER OF RECOMMENDATION

Success requires constant hard work, and hard work requires immovable motivation. Mr. Ravi Dayani possesses motivation in spades and also tries to motivate others in his pursuit for knowledge. This pursuit for knowledge has now motivated him to cross international waters in order to make a better future for himself by pursuing the master's program at your university.

Mr. Dayani was never hard to spot as he often came up with intriguing and thoughtful queries during the lectures. I have taken his lectures in the subjects of DBMS (Database Management Systems), Operating System, Network & Information Security as well as Compiler construction and his exuberant disposition was evident throughout. Apart from being a well endowed engineering student, he also possesses effluent interpersonal skills such as coordination, communication and cognitive skills. His skills with a variety of software as well as web development practices are also admirable for an emerging prospect. I recall him coming to me for guidance regarding his project works of Online Hotel Management System as well as Online Examination System. I would like to point out that at the time of his work on the latter project, he was in his 4th semester and back then, he had not learnt the concepts of HTML, Angular and other technologies but he still delivered the topic and showed his self-improvement and self-learning capabilities.

Apart from that, he has also shown impeccable skills in implementation of some security algorithms such as AES (Advanced Encryption Standard), DES (Data Encryption Standard), SHA (Secure Hash Algorithm), and Public Key algorithms as he delivered excellent assignments based on the subject of Network & Information Security. While all of the aforementioned incidents showcase his ability of grasping and learning, he is also someone who has the ability of imparting knowledge as he has conducted lecture about python programming and data connectivity with different kind of databases. He even lived up to my expectations of him as he built working models(programs) of such kind of data manipulation tasks; which I gave to him even though the subject was not taught in his class by that time.

He has also displayed a competitive edge throughout his studies and has even cracked the top 100 positions in the competitions of Coding for Fun competition and CodeFusion 20.9. Not only does he possess a robust technical skill-pool, but he has also displayed that he has the ability to work under situations of pressure. Besides this, he was a part of Discipline Committee during our technical and cultural fest "Felicific 2017" as well. Therefore, I strongly recommend his admission to the post-graduate program of your university.

Prof. Ashish K. Gor
Assistant Professor

LETTER OF RECOMMENDATION

It is a pleasure to recommend my student, Mr. Smit Hirpara, to your graduate program. He graduated from our bachelor's program in Computer Engineering with consistent first class with distinction grades and placed among our best students. Over the past four years, he has attended my lectures on Database Management System in the 3rd semester, Network Information & Security in the 6th semester, and Compiler Construction in the 7th semester.

Smit is an astute student who would do well in whatever he took up. I am captivated to mention that Smit has demonstrated impressive academics and the ability to put theory into practice. He can confidently use diverse programming languages, operating systems, database applications, web development technologies and custom software platforms for developmental applications. This was evident from his projects on Employee Performance Evaluation System and Institutional website with a student portal, which he did under my guidance. Smit was never found satisfied with the knowledge he accumulated from the curriculum. I observed this in his presentations at regular intervals on various subjects. He gave an admirable account of his research skills, organizational abilities, and communication skills.

Apart from academics, Smit has been an outstanding individual to have in the department. He is good-natured and has an excellent temperament. He has been an all-rounder in a real sense since he has participated in various co-curricular activities organized by the department in the university.

To recapitulate, Smit is a commendable student with immense potential. I feel confident that further education at your esteemed university will see his development as an outstanding scholar and be a great asset to his peers and superiors. I am positive to recommend him for admission into your graduate program as he will prove his caliber at your institute just as he has done at ours. I will be glad to provide you any further information concerning the candidature of Smit if required.

Regards,

Mr. Ashish K. Gor

LETTER OF RECOMMENDATION

I am happy to recommend Vishva Deliwala for the Master's Program at your esteemed University. I have taught Vishva various subjects like Database Management Systems, Network and Information Security and Compiler Construction during the eight semesters of her Bachelor's Degree. Being her professor, I have got a chance to evaluate her understanding of the subjects as well as her personality. Without any hesitation, I recommend Vishva for the Master's Program and I assure you that she will prove to be a true asset to your University.

Vishva has been very studious and attentive during the classes. She always had an eye for details and noticed the essential elements of any topic taught. She has the qualities of a good listener and can grasp the concepts quickly. She has the capability to give logical explanations to any question that comes her way.

She has been very particular about her studies and, apart from theory, has worked sincerely in her practical lab sessions. She has always been eager to understand the problems given to her during the lab sessions and was quick at solving them. She likes diving deep into issues to find their root cause and solve them. I would indeed say she has excellent problem solving skills. Excluding her academics, she was curious about new technologies and has attended various seminars like "Cloud Computing" and "Ethical Hacking" conducted by Techfest, IIT Bombay.

As a part of her curriculum, Vishva undertook a full-time internship at Crest Data Systems for an entire semester. This was during the final semester of her bachelor's degree, which is intended to train the students for industrial work. There she got a chance to work with a large amount of data, analyze and visualize it using Splunk and develop Splunk apps and add-ons using python.

Thus, I firmly believe that Vishva will outshine in Master's program and will prove to be a perfect candidate for further education at your University.

Sincerely,

Mr. Ashishkumar K Gor
Assistant Professor,
Faculty of Technology-Computer Engineering Department
Dharmsinh Desai University
Nadiad, Gujarat, India.

Letter of Recommendation

It is a matter of great pride and pleasure to recommend Mr. Monil Andharia for the graduate program at your prestigious University. I had known him for the last two years during his undergraduate studies at Dharmsinh Desai University and taught him the subjects of Operating Systems, Object Oriented Software Engineering and Service Oriented Architecture under my tutelage.

Throughout my tenure of interaction with Monil, I had the opportunity to evaluate his overall academic performance as well as his general constitution. He had been regular in attending all of the sessions I delivered and had shown complete attentiveness and commitment in learning the subjects about which his cumulative grades speak. He had always been active in on-time completion of the tasks and assignments with utmost diligence and had shown extreme courtesy in his conduct. I was impressed with his keenness and ability to come up with pertinent queries during class discussions.

Monil has a notable sense of team spirit which was showcased as a part of the laboratory activities of the subjects I taught him. From working with core operating system level commands to developing complex commands providing sophisticated functionalities, Monil has shown his grip over the concepts of numerous operating systems. Along with his immense knowledge in operating systems, he succeeded in showcasing his capability to understand and implement various design patterns prevailing in diverse system architectures.

Apart from the regular coursework, he approached me to discuss the concepts and techniques mentioned in some of the extra-curricular courses and has sought ways to implement them in real life scenarios. It was through these interactions that I learned about Monil's desire to always pursue more.

Taking into consideration the above-mentioned qualities and keeping his overall performance in perspective, I am extremely optimistic recommending Monil Andharia for the Master's program at your University.

Letter of Recommendation

Diligent and hardworking is how I can describe my student Mr. Niket Kathiriya. My statement comes from having observed an upward inclined curve during his bachelor's of Computer Engineering. What is to be admired is his never give up attitude toward learning. He more than made up for his shortcomings by putting in long hours of dedicated studies and concentrated work. As he achieved understanding and his fundamental concepts cleared did his grades improve. Having observed a brilliant score of 8.22 SPI in his final semester displays his potential to achieve whatever he sets his mind to.

Niket attended my lectures for Operating Systems Theory and Practicals in 5th semester, Service oriented Architecture Practicals in 5th semester and Knowledge Discovery Practicals in 7th semester. I have closely observed his innate passion for computer-based technologies. His profound interest in understanding subject and active class discussion bears testament to this.

To understand practical implementation of learned theories was evident during 2nd semester project 'Platform for Sharing Resources.' He developed a PHP based platform through which teachers can share learning resources in any format and students can download required material.

Niket's project on 'Accounting Software' required to develop an application using Graphical User Interface for accounting at any market yard store. It keeps track of all buying and selling records, generates bills, calculates and adds taxes. He implemented the project using .Net and MySQL.

His 6th semester project on 'Chat Software' was a desktop application with graphical user interface that allows users in same network to chat with each other. This project was implemented using MySQL, core java, java swing for GUI. Networking and multithreading concepts were implemented manually.

During these, I observed his systematic planning, logical reasoning and ability to take correct decisions. His ability to manage work with focus and in a calm demeanor even under pressurized situations enabled him to execute his projects successfully.

Niket is driven and willing to go that extra mile and do what it takes to excel in his academic endeavors. He will put in extra efforts and strive towards achieving excellence. Thus, I extend my support and favorably recommend his admission for master's program at your renowned university.

Letter of Recommendation

I take this opportunity to pen down this letter of recommendation for Mr. Pranavkumar Jayrajbhai Mehta, one of the bright and creative students of his lot. His quick grasping skills and ability to put in long hours of concentrated work to achieve end result. With good collegiate record, he has done well in subjects and possesses good analytical skills.

He has attended my lectures on Object oriented programming & design in semester-III and Advanced Computer Architecture in semester-VI as a part of his undergraduate degree curriculum at Dharamsinh Desai University. During the course of study, I had ample opportunities to assess his professional and personal abilities. His classroom communication skills are commendable and he has a desire to grasp the core of the subject matter. He secured good grades in my courses to his all-round abilities.

Pranav has impressive oral and communication skills that have proved to be effective in projects and seminars. He has actively taken part in cultural as well as extracurricular activities apart from his academics. His critical thinking enabled him to think from several different angles and suggest suitable alternatives as problems on hand. These qualities distinguished him and made him a valued team member.

He is an exceptional candidate for higher studies. He would greatly benefit from the opportunities of intellectual development provided at your University. He has vast knowledge in the core subjects of engineering and has always shown eagerness in various projects. Thus I recommend him and wish him all the best for his future endeavors.

Dr. Bhavika M. Gambhava

Letter of Recommendation

I have known Vishal as his professor, where I have taught him subjects like Computer Networks, Design of Digital Circuits, etc. He is excellent at academics, which is well reflected in his grades; but the qualities in him that are most admirable are persistence and diligence.

Vishal did not start out as a computer engineer. In fact, he was first admitted into the B.Tech in Civil Engineering program at our university and pursued it for a year. Even though later he would come to the conclusion that his interests lie somewhere else, he showed no signs of having made the wrong decision in pursuing Civil Engineering. In fact, for the first two semesters, he was at the top of his class. This proved really helpful for him, as change-of-branch happened only on the basis of merit, and seats for Computer Engineering were very competitive as hundreds of students apply each year but only a handful get in. However, things went very smoothly for Vishal, as he was on the top of the merit list and so he was the first to get a seat in Computer Engineering.

During the first few semesters after the change of branch, Vishal had a small setback. His grades, although above average, failed to meet the high standards he had set for himself. However, he kept on persevering and, as his grades reflect, he improved consistently. In lectures, he would not only be well-versed in the curriculum material but would regularly cite external references while answering questions. In Computer Networks, he would even read the RFCs for various internet protocols like TCP, IP, the QUIC draft, etc. In his lab, I would always find him helping out his fellow classmates, having already finished his own assignment. Even though he is one of the best performers in his class, his persistent nature is what makes him stand out.

Sincerely,

04/10/2021

Dr. Bhavika M. Gambhava,
Associate Professor,

Letter of Recommendation

I recommend Ms. Ayushi Walia candidate for graduate studies in your university. I have known her well for past four years as my student who has shown immense potential throughout her time as an undergrad.

Having tutored her in the subjects of Elements of LINUX & C Programming, Machine Learning, Data Structures and Analysis. I have noticed her academic progress in the field. She is a practical oriented person who always looks for ways to supplement her knowledge with additional edification whenever given you a chance. Being Computer student, her keen interest in computational skills and application of these skills in the project was truly noticeable. Apart from critical thinking skills sir also showed her progress in python programming language. She is also a member of Computer Society of India (CSD).

Besides this, she also is an extraordinary individual and having humble nature. She always tries to help fellow students with their queries and even showed that she has a very hard working nature, she is a teamworker and has great leadership qualities. I believe that a student of her qualities and abilities can surely be beneficial to your institute and as such, I am recommending her admission.

I am certain that given the larger platform of your university, she will realize her full potential. My best wishes are with her.

LETTER OF RECOMMENDATION

I feel enormous pleasure in recommending Mr. Darsh Shah, an aspiring student of mine, for the graduate program at your estimable university. I have known him as an earnest and hard-working student. I taught him the subjects of Elements of Linux OS & C Programming - I, C Programming - II, and Machine Learning during his undergraduate course.

Darsh possesses remarkable proficiency in the laboratory tasks assigned and constantly comes up with innovative ideas to solve them. As a part of his curriculum, he has developed a project titled, 'Speech Recognition and Voice Detection' using the technologies, TensorFlow (Keras) and Python (Django Framework) under my guidance. In this project, he used MFCCs (Mel Frequency Cepstral Coefficients) features for Speech Recognition and Voice Detection to identify the speaker of the audio using Neural Networks, demonstrating his abilities to apply theoretical knowledge into practice. I have been greatly impressed by his coding ability and profound knowledge during the laboratory sessions and project work.

His core concepts about the fundamentals of the subjects he learns are very strong.. His solid foundations offer him a leg up on the competition when it comes to pursuing advanced computer science concepts. Apart from the curriculum, to broaden his knowledge he has even completed online courses on Introduction to Python (Data Science) and Neural Networks (ANN) using Keras and Tensorflow.

He is a student who is eager to grasp anything new in his field, which showed me his penchant for keeping himself updated about the latest developments in the field. I am confident that Mr. Darsh Shah is sound in each of the stated disciplines and is capable of finely undertaking higher education in it. I strongly recommend Mr. Darsh Shah for admission at your University and I am sure that he will prove out to be a great asset to the program.

Sincerely,

Letter of Recommendation

I gladly write this letter of recommendation for Miss. Dhara Mehta for her aspiration to pursue Master's program at your university. I have known her since 3rd semester as an undergraduate student of Computer Engineering at Dharmsinh Desai University. She shines out as an individual who possess a strong sense of ownership towards her work and is highly committed to her academics.

I have taught Dhara three subjects namely "Data Structures and Algorithms", "Operating System" and "Object Oriented Programming with Java". Her grades do recognize her diligent nature. She used to work with sincerity and great depth of understanding. I assure this based on her performance in the laboratory sessions on the subject of Java Technology. In the beginning of the course, she was not much confident, however, gradually, she started co-relating and utilizing her academic knowledge in practical uses. She was an outstanding student and her proficiency in Java programming kept on increasing. She has a tendency to obtain deeper knowledge and absorb complex concepts, which I figured it after observing her in classroom and laboratory discussions. Apart from the classroom sessions, she also approached me to clear her doubts.

Apart from academics, Dhara also participated in non-technical events held at University. She volunteered in the technical and cultural events of Felicific 16, the annual event of our University. For 4 years, she was also committee member of paper-media association "DDU Connect", which helps in connecting faculty and students of the university. On the personal front, she is always ready to help anyone. I remember, she writing all the concepts thoroughly that were taught in the class and these notes helped her fellow students prepare the subject.

In conclusion, I feel that she is an intellectual sharp, focused and persistent to be a credit to the University of her Choice. Her passion for programming, creativity and leadership prepare her beautifully for the CS program. Thus, I highly recommend her for pursuing Masters at your University. If you have any questions about this recommendation, please feel free to contact me.

LETTER OF RECOMMENDATION

Diligent and disciplined towards his academics is how I would like to describe my student, Mr. Harsh Vaghasiya. He was among my aspiring students of bachelor's of Engineering in Computer Engineering and graduated with an overall CGPA of 8.74. What separates him from others is that he is not a student who confined his learning to only the class curriculum. On the contrary, he ventured outside his comfort zone participating in a number of classes and other developmental activities that held his interest. Through all of this, he displayed his interest which runs much deeper, and his potential which is much higher.

He attended my regular lectures for Element of Linux OS and C Programming-I in 1st semester, C Programming-II in 2nd semester, and Machine Learning in 7th semester. He is attentive and has active class participation. He is a keen learner and never left any opportunity to gain knowledge, be it through an in-class curriculum or seminars. He is among those students who would be ready with prescribed materials and does not shy away from raising pertinent questions that arose from his fundamental desire to grasp the core of the subject.

Harsh designed and implemented a collaborative filtering model in python to suggest movies based on end-users watch history and interests for his 6th semester Software DevelopmentProject on 'Movie Recommendation Web Application' under my supervision. He had implemented a collaborative filtering model of Machine Learning and achieved final accuracy of 91.86%. He had additionally contributed to implementing an easy-to-use web user interface for the system with the help of the Flask framework in Python.

I could always count on him to complete assigned work within given deadlines and to the best of his abilities. His innate curiosity to know more, sincere work ethic, responsibility towards tasks on hand, readiness to take on challenges has helped him to excel in his academics.

To summarize, Harsh has a clear focus on achieving what he has so diligently strived for. He will leave no opportunity to enhance his knowledge or develop his skills to succeed in his academics. Therefore, he has my sincere recommendation for admission to the master's program at your esteemed university.

LETTER OF RECOMMENDATION

Mr. Harshil Patel's unfailing quest for higher learning and urge to grow, evolve and excel in his academics will take him far. I would place him among my promising students of bachelor's of Computer Engineering. He has studied under me, Elements of Linux OS and C Programming 1 in 1st semester, C Programming 2 in 2nd semester, Database Management System in 3rd semester, Java Technology in 4th semester, Lab sessions of Operating System in 5th semester and Compiler Construction in 7th semester.

What distinguishes Harshil is that he is not complacent and has consistently endeavored to know more and better his given performance. Among the various projects, that he has successfully attempted on diverse topics, his significant work has been on 'Student result Management System' in 5th semester using ASP.NET framework which demonstrated his expertise in C# language and Database management. Similarly, in 6th semester he successfully developed an Online Movie Review System using Windows Communication Foundation services which helped him enhancing his intelligence in the domain of Service Oriented Computing.

While working on these, I observed his familiarity and comfort in using different operating platforms, languages, software and tools and concepts to develop his work. He ensured his team members were well aware of project priorities and cohesively worked in sync with them to arrive at desired results. His ability to manage work with focus and complete assigned work even under pressurized situations is to be appreciated.

In addition to this, he is a member of Developer Student Club and member of reader's Community at University level which displayed his affinity towards the field.

I certainly believe there is more to Harshil and his best is yet to come. Therefore, he deserves an opportunity to achieve cutting edge knowledge through pursuit of specialized master's program. I extend my support and heartily recommend his candidature for admission at your prestigious university.

Sincerely,

H.A. Pandya

TO WHOM SO EVER IT MAY CONCERN

I am pleased to write this letter of recommendation for Mr. Keval Vinubhai Padashala in support of his application to pursue a graduate program at an esteemed University. I have known him for four years and he has learned various subjects such as Operating System, Data Base Management System, and Java Technology, I have monitored his overall academic success as well as his general temperament during my relationship with Keval. He attended all my sessions regularly and showed keen interest and commitment in studying the topics that were expressed in his cumulative grades. In the time given, he has always completed the tasks with utmost diligence and has shown extreme politeness in his conduct.

Keval has a strong sense of team spirit which was showcased when he was part of a team that undertook the project title "Hospital Management System" in his 4th semester. This project was based on MTV Architecture (Model, Template, and View) using the Python Django framework. It has the facility for the registration of patients and stores the detail of every patient and doctor automatically. Users can search for the availability of a doctor and the details of a patient. Furthermore, It is accessible either by the administrator or receptionist. Only they can add the data into the database. The data can be retrieved easily. I can say that he keeps a good amount of exposure to the latest developments happening in the Computer Engineering field.

Apart from the regular curriculum, Keval has expanded his interest and knowledge by participating in a national level technical event named FOOTPRINT-X8 organized by The Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda on 23rd-25th FEB 2018. He took part in "Dfa 3.0" and "Technokick". These competitions were about the innovative and creative design of the futuristic robot car.

Taking into consideration above mentioned qualities and keeping his overall performance in perspective, I strongly recommend Keval Padashala for the Master's program at your University. I am extremely optimistic that he will prove his caliber at your University.

LETTER OF RECOMMENDATION

As a professor at Dharmsinh Desai University, I am writing this letter for Ms. Krinal Bhadiyadra. She has been with us for four years and attended my lectures on Elements of Linux OS & C Programming in 1st and 2nd semesters, Database Management System in 3rd semester and Advance Technologies in 5th semester.

I know Krinal as an intelligent student having focus on academic, project and seminar work. She has credited herself with some outstanding work in terms of projects and presentations. This is in addition to her pursuit of independent coursework in areas of machine learning and big data analysis. She has also gained skills and working knowledge in C, C+, Java, Python, HTML CSS, ASPNet, AngularjS, NodelS, Matlab, Prolog and several other tools and technologies. These have given her good exposure and confidence in attempting and doing justice to demanding developmental work.

During class I have observed notable hardwork by Krinal towards applying and understanding various theories and development of practical/usable solutions. Besides her zest, she uses her knowledge and intelligence to arrive at solutions and it is this ability that suggests that she will be a successful graduate student.

I have also noticed good communication skills during her seminar presentations and project descriptions. Krinal is an excellent member to have on a team. She has also been a member of technical festivals held at our college.

Her organizational ability is well tuned and thus she is capable of taking on multiple assignments. Finally, from the standpoint of achieving higher education, I have to mention her research skill and potential and her intellectual ability, the qualities that she demonstrated amply during class and during her projects.

I strongly recommend her for admission to your master's degree program.

Yours sincerely,

H. A. Pandya

TO WHOM SO EVER IT MAY CONCERN

This can be to suggest Mr. Mukund Manubhai Tarsariya, who is applying for a Master's at your prestigious university. I have known him for the four years amid which I instructed him on the subjects of Database Management System, Java Technology, Operating System, and Compiler Construction.

During his Bachelor's program, my acquaintance with him allowed me to closely observe him and judge his capabilities. He is a student with clear thinking skills that are logical and intuitive. Mukund has also been actively involved in both technical and non-technical activities organized at our college, apart from being technically sound. To increase his knowledge, he has completed various certificate courses like "The Fundamental of Digital Marketing" on Google Digital Unlocked in May 2020, and "Introduction to Cloud Services" on Microsoft Student Partners in February 2019.

He developed a project called "Travel management system" using the Python framework Django. The main purpose of the system is to provide a convenient way for a customer to book hotels, flights, trains, and buses for tour purposes. In this system, providers of services can list their services in this application and include their images, details, and prices. By using the application, clients can compare services from different service providers and book the preferred service. The software requirement specifications, UML diagrams, and database design were included in the documentation of this project. His commitment, hard work, and technological abilities were highlighted by the project and also by the laboratory sessions.

Considering his intuition, execution, and constancy, I emphatically prescribe Mukund Tarsariya for the Master's program at your university with all the conceivable monetary help. I am sure that he will be an extraordinary resource for your program. I wish him all the leading for his future endeavors.

H. A. Pandya

LETTER OF RECOMMENDATION

I am delighted to know Mr. Sahil Kalathiya's decision of pursuing his Master's education from an internationally renowned university like yours as I am certain that a student of his calibre will be able to excel in the intensive program of your institute.

He has studied the subjects of Machine Learning and System Design Practice under me, and has shown excellent knowledge in both. As of writing of this letter, he is working on his final year project of 'Restaurant Recommendation' with his team under my guidance. In this project, his team is working on developing a system where the system takes details of all restaurants in a city using Zomatoapi, and depending upon your favorite restaurant, it shows you same type of restaurants. The rigor and hard work he and his team are putting in this project are commendable.

Beyond academics, he is also a very humble individual. He can solve many problems while remaining calm and has the ability work well even under deadlines and pressure. He is an extremely punctual individual who is attentive in class and is also very vocative. His smarts and knowledge in the field will surely help him achieve great things in his future. I will recommend his candidature to your university's program as I am certain he will do great things at the bigger platform provided by your institute.

Regards,

H. A. Pandya 22/oct/2020

Letter of Recommendation

This letter of recommendation is for one of my hardworking students, Mr. Vineet Khanna who has shown an urge to grow, evolve and excel in his academics. He has attended my lectures on Elements of Linux and C Programming in 1st semester, C programming in 2nd semester and Compiler Construction in 7th semester during his tenure of bachelor's of Computer Engineering. His all rounded performance places faith in his abilities to meet demanding challenges of Post graduate studies.

I have seen Vineet, amalgamate and cohesively work in sync with other team members. This was evident while working on 5th semester project on 'Digital Library'. The project aimed at developing a web application in MEAN stack where user can upload, find and share any digital document. He learnt how to use custom passport authentication and encryption techniques to store user data, keeping in mind security and integrity constraints. He also worked at designing front end in Material UI.

Apart from this, his exemplary work has been on 5th semester project on 'Online Discussion Forum.' The project objective was to develop an online forum where people could post their views on a topic for discussion. He worked on.Net and implemented model view control structure. The website included all basic operations including admin level features.His ability to manage work with focus and complete assigned work even under pressurized situations is to be appreciated.

Among extra-curricular activities, Vineet's organizational capabilities were at forefront when he effectively handled registrations, coding events and managed other administrative work. He did a splendid job in terms of his planning, implementation and execution of events.

Vineet has clear focus on achieving what he has so diligently strived for with action plan in mind. He will do justice to opportunities given and tasks assigned. I extend my support and wholeheartedly recommend his admission for master's program at your esteemed university.

TO WHOMSOEVER IT MAY CONCERN

It is with immense pleasure that I write this letter of recommendation for Mr. Yash Amethiya. He is our student of bachelor's degree in Computer Engineering. His optimistic approach towards his academics and willingness to achieve his best differentiates him from others. I admire his positive approach and his consistent endeavors to better his given performance. I have seen him put in extra efforts of dedicated research and concentrated work to achieve excellence in his chosen field.

He attended my lectures for Elements of Linux Operating System and C Programming in 1st semester, C Programming- II in 2nd semester, Object Oriented Programming with Java Practical in 3rd semester, and Machine Learning in 7th semester. His genuine interest in basic functioning and concept can be observed through his active class participation. He is a keen learner and never leaves any opportunity to gain knowledge, be it through class studies or seminars.

Under my tutelage, Yash carried out his a project 'Image Classifier'. The main objective was to train a Convolutional Neural Network following a similar classification algorithm to identify a dog and cat in a given picture. His role in this was to select the layers, activation functions, tune the hyper parameters, and train the model. He used python libraries such as Sklearn, Pandas, and Matplotlib. He also used Jupyter notebook as IDE, Git, and Github for collaborative work and version management.

His 'Sentimental Analysis' project's aim was to design and train a model for analyzing sentiments such as Positive, Negative, and Neutral with the text using LSTM. This system also focuses on feeling/emotions (angry, happy, and sad) and intention (interested or not interested). He used RNN with LSTM. His contribution included adding the pad sequence, removing annotations, and refining the data. To implement, Python libraries like Keras, NumPy was used.

To sum up, Yash is a perfect blend of energy, intellect, and enthusiasm. There is more to him and I assure you that he will perform his best in future endeavors. I extend my support and strongly recommend him for admission to the master's program at your prestigious university.

LETTER OF RECOMMENDATION

I, Hariom A. Pandya, Assistant Professor at Dharmsinh Desai University, pen down this letter of recommendation on request of Mr. Yug Rajani, who was a student of mine during his Bachelor's program in Computer Engineering. I have interacted with him intermittently throughout his stay at our department, and through these colloquies, I can positively state that he possesses a great deal of passion for engineering and science.

Being his Professor of Machine Learning, I took the responsibility to introduce him to the complex principles which he managed to grasp in a short span of time. Also, as I heeded his project on 'Speech Recognition and Voice Detection', I had ample opportunities to interact with him in an assiduous environment. The approach of identifying the speaker relied on the extraction of 40-dimensional features from speech frames using Neural Networks. The project was made using TensorFlow (Keras) and Python (Django Framework) as he demonstrated exceptional programming skills. It was a team effort of a group of 3 students where he worked on analyzing different datasets and use-cases and actively coordinated with experimenting and finding the best model. I was impressed by his competency to work under pressure without buckling, on account of his excellence in task handling and management capabilities. He even showed a willingness to go beyond conventional norms to augment his knowledge, having completed a certification in Python by Hackerrank and an online course from Udemy on Neural Networks (ANN) using Keras and Tensorflow.

I would also add that he truly believes in giving back to the community by contributing actively to Open Source. He successfully created an Action for Google Assistant as a part of the "Google Assistant Developer Community Program" (2019) and has also completed the Hacktoberfest Open Source Contribution Challenge in 2020 as well as 2021.

On a personal ground, Yug has certainly shown his ability to convey his thoughts into materialistic outcomes which is a testament to his skillfulness as an engineering prospect. With disciplinary behavior and a level of professionalism, he showed that he possesses the necessary qualities to validate his ambitions of pursuing graduate studies. I wish him the very best in life and earnestly support his decision to study at your university.

Sincerely,

H. A. Pandya

LETTER OF RECOMMENDATION

I greatly recommend Ms. Zarmy Patel's candidature for graduate studies in your university. I have known her well for past four years as my student who has shown immense potential throughout her time as an undergrad.

Having tutored her in the subjects of Elements of LINUX & C Programming and Machine Learning, I have noticed her academic prowess in the field. She is a practical oriented person who always looks for ways to supplement her knowledge with additional edification whenever given a chance. Being Computer student, her keen interest in computational skills and application of these skills in the project was truly noticeable. Apart from critical thinking skills she also showed her prowess in python programming language. She is also a member of Computer Society of India (CSI).

Besides this, she also is an extraordinary individual and having humble nature. She always tries to help fellow students with their queries and even showed that she has a very hard working nature. I believe that a student of her qualities and abilities can surely be beneficial to your institute and as such, I am recommending her admission. I am certain that given the larger platform of your university, she will realize her full potential. My best wishes are with her.

Regards,

H. A. Pandya

LETTER OF RECOMMENDATION

I am writing this letter of recommendation with pleasure for Mr. Zeel Patel, who has applied for the Master's program in your esteemed university. I have known him as one of our hard-working pupils and in my capacity; he has proved to be a sincere student at our university. Under my supervision, I taught him subjects of Elements of LINUX & C Programming and Machine Learning and would like to say that he has given his best performance by being attentive and gradually increased his level of growth throughout the study.

As a student, he displays good analytical skills and I have found him to be a consistent and enthusiastic learner. He delved deeper into the core fundamentals of the subject and his grasp over the academic concepts is strong which is reflected in his academic performance. He has always been actively participating in all the lab practicals and classroom events. I have observed him perform enthusiastically in transforming his theoretical knowledge to practical implementation.

Apart from academics, he actively participates in co-academic and extracurricular activities. He has always proved himself helpful to his team members, this quality of his was observed while performing a group project - "Chatbot", which is a software application used to conduct an online chat conversation via text or text-to-speech. Here, he showcased his leadership qualities by willing to perform all possible efforts and satisfy the team demands.

I believe that a student of his excellence can outclass at your University as he can demonstrate his potential in studies and work at the same time.

With Regards,

LETTER OF RECOMMENDATION

I am pleased to recommend Deepang Raval for an MS in Data Science at your esteemed university. Deepang has been my student for 3 semesters during his undergrad and I have taught him Java and Big Data Analysis. He is up to the mark student in terms of aptitude, hard work, and motivation.

An intelligent, sincere and conscientious student, Deepang has maintained a good academic record in my courses. His performance can be described through his clear concepts and strong fundamentals, which have always enabled him to grasp new ideas and topics with relative ease.

He has always submitted his assignments and project reports well before deadlines and he is well focused and showed keen interest in the practical application of the subject. His assignments demonstrated a high degree of originality and creativity.

He has handled the foundation of programming languages like Java and Python with much ease and he handled the concepts quite well. Deepang comes up with innovative ways of applying his concepts as he did while doing a project in the penultimate year based on data visualization.

I was informed that Deepang has also been an extremely active component of the technology team in college. He was part of the team that created a Speech Recognition project. He has participated in Build for Digital India Hackathon where he developed a Guide Bot.

Always an independent thinker and is seeking to learn new ideas and concepts and also has shown great dedication by venturing beyond the scope of the subject. He keeps himself updated on the latest developments and goes through various technical literature which was evident from the technical discussions and interactions that I have had with him. A student who believes in performing to the best of his ability, Deepang will work very hard towards the fulfillment of any responsibility that he undertakes. I strongly recommend him for admission to your college for graduate studies.

Letter of Recommendation

Writing this letter of recommendation for **Kaivalya Shah** so that he can pursue further studies . He was a good student in terms of project work, technical presentations and training. Thought the fact that he has not out performed academically, he is improving and achieving milestones in his career.

Kaivalya attended my lectures/labs on Linux OS & C Programming; Database Systems ; and Knowledge Discovery during his undergrad. Besides this, he did his project titled "Online Hostel Management System" as part of Project and Industrial Training (internship) under my internal mentorship. His project on Online Hostel Management System entailed use of ASP.net and Oracle using SQL, PL/SQL and C# languages, MS Visual studio and UMLET tools. In the Industrial training (internship) he developed Automated Test Script for the organization's application using Selenium and TestNG integrating it with Jenkins.

Overtall, I saw him improving proficiency in using multiple tools and technologies and also helped him develop his database managing skills which will be truly beneficial for his future studies.

Kaivalya has also improvised with strong communication skills are his forte. He is a mature individual who has set himself a goal for higher studies. I am sure he will give his best to achieve this goal. He has my best wishes and recommendation for admission to graduate program.

Recommendation Letter

This recommendation letter is written to support the application for admission, sent in by my once student Kartik Kakadiya for the Master's program at your esteemed university. Under my guidance, he has learned Database Systems during his fifth semester of Bachelor's education (undergrad). I was also his lab instructor in the Database Systems subject. Kartik has actively participated in every session while exhibiting an inclination towards practical implementation and usage of Database Systems.

Good skills of Kartik were also evident in his project **"Online Ticket Reservation System for Cinema Halls"**, which he (along with his classmates) completed under my mentorship during the class System Design and Practice. Here students are learning team work as well as put on different hats while working on full stack development. A web application that uses a MySQL database system to maintain data efficiently using advanced Database concepts. It allows cinema halls to add shows for a movie along with the seat structure of the cinema hall screens and normal users to book a ticket for any available shows for the movie. I got an opportunity to evaluate his skills and abilities from a closer perspective. I noticed that he possesses a computer professional attitude.

I was informed that Kartik also keenly participated in co-curricular activities. He participated in the annual event EYantra-2016 (All India robotics competition) organized by the Indian Institute of Technology, Bombay. He also completed a certification course of LINUX organized at Dharmsinh Desai University with course material provided by the Talk to A Teacher project at IIT, Bombay.

I have faith in Kartik and his decision to pursue higher studies at your University. I am sure he will prove to be a great asset to your program and I know he has the potential to succeed and hence I strongly recommend his candidature for admission to your University. I wish him all the best for graduate studies at your University.

Letter of Recommendation

I am pleased to recommend Saloni Patel for an MS in Computer Science at your esteemed university. She has been my student for the past four years and I have taught her C Programming (part), Java Technology, Data Structures & Algorithms and Big Data and Analytics. She definitely is a fine student, in terms of aptitude, hard work and motivation.

An intelligent, sincere and conscientious student, Saloni has maintained a good academic record in my courses.Her performance can be attributed to her clear concepts and strong fundamentals, which have always enabled her to grasp new ideas and topics with relative ease.

Data Structures and Sorting & Searching are important tools which form the foundation of programming languages and she handled these concepts quite well. Saloni comes up with innovative ways of applying her concepts.

Always an independent thinker seeking to learn more, she has shown great promise by venturing beyond the scope of the subject syllabi. She keeps herself abreast with the latest developments and goes through various technical literature which was evident from the technical discussions and interviews that I have had with her. Her leadership qualities are extremely impressive.

A student who believes in performing to the best of her ability, Saloni will work very hard towards the fulfillment of any responsibility that she undertakes. Her zest to constantly be on the learning path and her time-management abilities will surely take her a long way. I strongly recommend her for admission to your university for higher studies.

Letter of Recommendation

Mr. Parth Dixit is planning to apply for master's degree course in your renowned institute. I know him since last 1.5 years. I taught him Software Engineering in his 5th semester and Embedded System in his 7th Semester. I was also his project guide for semester project in his 6th semester.

During my association with him, I found Parth to be very hardworking student. His insatiable curiosity has always led him to know the subject from the grass roots level and thus could consistently maintain good academic record. However, I do believe that his academic performance is good, but it can be better and now that he has found what he is particularly looking for I believe he will be able to tap his full potential and be performer.

His projects and presentations were result of his sincere endeavors and thus were highly informative. He thoroughly covered important aspects of the topic and his research work was very impressive. He was apt at gathering information from multiple sources such as the Internet as well as reading books and research articles. This trait will greatly facilitate him at graduate level especially while working on research based assignments. He has conceptual clarity and confidence he displayed while handling question answer session. All of this was evident from his project on Let's Plan It. For his project on Let's Plan It, he worked on Java Technologies for developing an application and followed Agile Scrum Process model.

In class, he was attentive and that made him responsive and interactive. Parth has the passion for higher studies, ability to undertake advanced theoretical and practical assignments, team spirit and the mental strength to excel at Master's level. I strongly recommend him for admission to your esteemed university.

LETTER OF RECOMMENDATION

I am glad to recommend Mr. **Kartik Kakadiya** for admission at your well-known university for Masters Program. I know him as a very sincere and hardworking student.

In the undergraduate program, he attended my lectures on "Design & Analysis of Algorithm" and "Service Oriented Architecture" in 4th and 6th semester respectively. He had a very good understanding of the subject Service Oriented Architecture which can be realized by his project titled "Notes". In this project various features of managing notes, reminders and user login facilities were developed by him.

He possesses a strong background in programming. He participated in a programming contest CODEVITA by Tata Consultancy Service (TCS), on July 13th, 2017. He completed a Linux test organized at Dharmsinh Desai University with course material provided by the "Talk to A Teacher" project at IIT Bombay. He participated in EYantra-2016 (All India robotics competition) organized by Indian Institute of Technology, Bombay.

Kartik is not only good at technical activities but also at the co-curricular activities. He represented Computer Engineering Department in Annual Cricket Series organized by Sports Department, Dharmsinh Desai Institute of Technology, held in 2nd semester. He also took part in the examination conducted by National Defence Academy & Naval Academy at M.G. Science Institute, held on September 28, 2014.

Considering the all-around ability, I assure you that he will have a bright future ahead based on the qualities he possesses. Therefore, I would strongly recommend him for admission at your reputable institution for Masters. Feel free to contact me at any point of time for any further queries.

I wish him all the very best for his future.

Letter of Recommendation

I am happy to support Mr Pranavkumar Jayrajbhai Mehta as a candidate for Masters' Program at your esteemed university I have been acquainted with him for the past two years of his undergraduate studies as an Assistant Professor teaching him subjects such as Operating Systems and Language processor Also I happen to be his guide for the project titled "Integrated Portfolio Management (Financial Planning)"

Pranav having a mixture of both theoretical as well as practical knowledge is one of the most focused, result oriented and versatile student of his batch. His theoretical knowledge of the operating system is quite good. During his project, he studied thoroughly the portfolio management software and designed and developed the most challenging module of Financial Planning. Financial planning module consisted of various functionality and involved the use of advanced knowledge of SQL and programming in Microsoft .Net.

Apart from his busy schedule in academics, he excels in extracurricular and co-curricular activities also. He was the captain of the university Football team and led the team in Interuniversity football tournament organized at national level.

He finished all the assignment work with meticulous effort and utmost sincerity I am sure that he will prove his potential and enthusiasm for doing study when given an opportunity to study at your university

A decent personality, coupled with leadership qualities makes him an asset to any team he may work with. Having seen him evolve as a person and as an engineer closely over the years and watching his all round development as an individual, I highly recommend his candidature for your Masters' Program.

LETTER OF RECOMMENDATION

I am glad to recommend Mr. **Sagar Gajera** for admission at your well-known university for Master's Program. I know him as a very sincere and hardworking student.

In the undergraduate program, he attended my lectures on "Design & Analysis of Algorithm" and "Image Processing" in 5^{th} and 7^{th} semester respectively. Mr. Sagar is enthusiastic, dedicated, zealous, quick learner, committed and determined individual. His academic performance in the class was satisfactory. He has effectively participated in the class discussion and possesses good presentation & communication skill as well.

Outside the classroom, his capacity to organize and lead a team was also good. He usually maintains the deadlines for completion of his work and assignment. He was enthusiastic to take part in the college events. He was always ready to face challenging task during his academic in the projects.

I am convinced that once he puts heart in the assignment, taken up by him, can pursue it and hence I recommend him for any assignment suitable to his qualifications and capacities.

I wish him all the very best for his future.

NAAC ACCREDITED

To whomsoever it may concern,

I am contented to endorse this letter of recommendation in favour of Mohit Mandlewala for his admission to the master's programme at your prestigious university. I have taught him the subjects of Computer Networks, Computer Peripherals and Image Processing during the course of his undergraduate studies. This acquaintance has let me gauge his academic soundness, and I can proudly say that he has proved his merit yet every time. He is very attentive and interactive in the lectures and laboratory sessions and has always been penchant about different kinds of problems and tries to give a creative tinge to the solution. He has always been punctual in submitting his assignment works, and that, I think, is because of his meticulousness and dedication towards education.

Mohit is an avid learner. He is always curious to learn about new technologies and algorithms. His conceptual clarity and intuitive problem-solving ability have helped him in our laboratory sessions. Moreover, he has always believed that change is the only constant, so he is ever-ready to accept anything that comes to him and tries to find out the best that can be done with it.

He has undertaken various projects during his bachelor's programme, here. One of his many projects, 'Online MCQ Test Portal', is using WCF services. The services were consumed by a Java client – JSP and Servlets styled using CSS and Bootstrap. The ardent hard work put into the development of the project by Mohit and his teammate was visible. Besides this, he has also worked on many other projects and each of which is per se creative in some or other way.

It is because of the interpersonal skills that landed him in teams of various clubs at our university. Being a part of these clubs, he was associated with numerous events conducted as a part of extracurricular activities. He has, many a time, performed a commendable job as a leader, and the other times he has shown his capability of being a fervent team's person.

I am pleased that he has decided to go for graduate studies, in a more elite and international environment that your prestigious university provides. Having seen his performance in both classrooms and laboratories, I can indubitably say that he will be an equally conscientious student at your esteemed university. I am ready to provide any further information that might help you decide his candidature.

LETTER OF RECOMMENDATION

I am extremely pleased to learn of Mr. Purvil Bharthania decision of pursuing his Master's degree from an internationally reputed institute like yours. He is one of the most outstanding alumni of our college and knowing of his capabilities, I am sure he will suit your university quite well.

Purvil was always one of the more exuberant students who could turn his passion into results. His ability to excel in the subjects of Computer Networks and Image Processing, which he studied under my mentorship, was always a delight to witness. As I acted as an internal guide for his internship program, I was able to see his excellent prowess in the field of computer engineering. I guided him over the duration of his internship program and he was successfully able to complete his project on 'Interfacing Hospital Management System and Radiology Information System' at TechSmith Solutions Pvt. Ltd. He developed an industry level project and he did it with an effortless grace as he developed a system for Interfacing Hospital Management System and Radiology Information System (various modality equipment like X-RAY, CT-SCAN, MRI, etc.) through DICOM server and he also tested the system at SMVS Hospital, Gandhinagar on CT-SCAN machine.

As I worked closely with him during his project work, I got to know of his excellent personal character. He is an extremely kind individual who is willing to get out of his way to help someone. He has a humble nature and can communicate easily with industry professionals as he has excellent command on his vocational abilities.

Overall, I am impressed with his ability to work hard, meticulousness, organizational and planning skills and also his capability to work independently as well as with a teammate. He is an ideal student who will do great things at the bigger platform provided by your institute. Thus I strongly recommend Mr. Purvil Bharthania for admission in the Master's Program at your prestigious university.

LETTER OF RECOMMENDATION

It gives me great pleasure as the faculty of Computer Engineering in writing a letter of recommendation for Mr. Sagar Gajera (102035), who has completed his Bachelor of Technology from the institute in 2014, and who I've had the opportunity to observe in the seven years from an inquisitive young student to a sensitive engineer. I have taught him the course of "Discrete Mathematics". Through my observation, I would like to say that he is focused and scholarly and always possesses a positive attitude towards academics.

Academically a keen learner and diligent student. Mr. Sagar Gajera has shown great interest in practical aided learning techniques. We engaged in several courses and research-related discussions in which, he confidently talked about his aspirations towards higher education.

Outside the classroom-sitting, his capacity to organize & lead a team was also good. He usually maintains the deadlines for the completion of his work and assignment. He was enthusiastic to take part in the college events. He was always ready to face challenging tasks during his academic projects. He was liked by his classmates.

I have the deepest personal and professional respect for him and sincerely believe Mr. Sagar Gajera will bring his unique energy, optimism, passion, and tireless creativity to your class and university as a whole. Thus he has my highest endorsement for admission into his desired course at your university, if you have any questions about his recommendation, please do not hesitate to contact me for I will gladly try to help.

Thanking you.

Sincerely,

Prof. Apurva A. Mehta

TOTAL	$ 42,000	TOTAL	$ 63,000

REMARKS

Student ID#1305606 Student program of study is MS Electrical & Comp Engineering. If SEVP COVID guidelines are still in effect for the Spring 2022 semester, the institution may continue to operate on a hybrid model and will not be operate entirely online. Student will not take an entirely online course load, and upon registration the institution will certify that the student is taking the minimum number of in person and online classes required to make normal progress in the degree program

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

X Indrawatie Nandlal

SIGNATURE OF: Indrawatie Nandlal, International Processing Specialist	**DATE ISSUED** 06 November 2021	**PLACE ISSUED** New York,NY

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. **Parent or guardian, and student, must sign if student is under 18.**

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Type of School	: Public; Member, CICan www.collegesinstitutes.ca; DLI # O19361039982
Program of Study	: BIA1B - Business and Information Systems Architecture, London South Campus
Academic Status	: Full Time
Level of Study	: Graduate Certificate
Semester of Study	: Level 1
Program Start Date	: 09/07/21 (MM/DD/YY)
Length of Program	: 2 Years (4 Levels)
Co-Op/Work Term	: N/A
Expected Date of Completion	: 08/31/23 (MM/DD/YY)
Fees (Approximate and subject to change)	: C$17719.00
Fees Due	**: C$17719.00**
Fees Payment Deadline	**: 03/30/21 (MM/DD/YY)**
Condition(s) (if applicable)	: Completion of masters with 60%. Do not submit to IRCC for Study Permit. Student accepted under SDS.
Last date to update your visa	: 08/20/21 (MM/DD/YY)
Last date for registration	: 08/29/21 (MM/DD/YY)

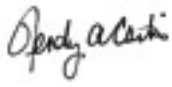

Program fees for International students for 2021-2022 are listed here by Program Name:
https://www.fanshawec.ca/sites/default/files/2020-07/2020-21_international_fees_july302020.pdf

The Deadline Date is important, as your seat is not confirmed until full payment has been made. Your seat will be confirmed subject to availability of seats in your program at the time of your payment. To hold your place, the fee of **C$17719.00** must be received by the "deadline date" mentioned above. Payment should be made in Canadian dollars through Flywire ONLY and you **MUST** send an electronic copy of your Flywire receipt with a scanned copy of this offer letter to atandon@fanshawec.ca and intspp@fanshawec.ca. The fee receipt can be downloaded from your Flywire account approximately 48-72 hours after making the payment.

Each year, more than 21,000 students choose Fanshawe College, including more than 5,000 international students from 80 countries. Arrival Services are provided at no additional charge to all new international students. This includes being met by an Airport Greeter, transportation from Pearson Airport to London, and two nights of accommodation, if required.

Once your visa is approved, you MUST email atandon@fanshawec.ca before 08/20/21 (MM/DD/YY). We look forward to seeing you in Canada at Fanshawe College.

Sincerely,

Wendy Curtis,
Executive Director, Fanshawe International Centre

FlyWire Payment Instructions

Fanshawe College has partnered with FlyWire to streamline the tuition payment process for international students. The FlyWire system allows you to pay from any country and any bank. Additional online methods such as Visa, MasterCard, and UnionPay are also available for many countries.

Note: You will need your student number to complete your payment. You can find your student number on your letter of admission.

Once you make the fee payment, you must send the FlyWire transfer proof to Fanshawe College on intspp@fanshawec.ca and atandon@fanshawec.ca

To make a payment:

1. Go to https://www.flywire.com/pay/fanshawec to begin the payment process.
2. Select the country from which your funds will be coming from and the payment amount (in Canadian dollars) you wish to make to Fanshawe College.
3. In most cases, the Canadian dollar amount will be converted into your home currency at preferential exchange rates. [Note that FlyWire offers a “Best Price Guarantee” for bank transfer methods.]
4. After providing some basic information, you get 3 options to make payment to send funds from your local bank to FlyWire. 1) Domestics Bank Transfer 2) Mastercard and 3) Visa. The Canadian Dollar amount you mention is converted into INR amount.
5. If you select Domestic Bank Transfer option and proceed, you will get 3 steps of instructions. The first step will be to pay the fee to the Yes Bank, India bank account details that you get. Step 2 provides instructions to print A2 form and Step 3 provide instructions to send the A2 form.
6. Through the FlyWire student dashboard you will be able to track where your payment is in the transfer process.
7. You will receive an email confirmation from FlyWire when your payment is deposited into the Fanshawe College bank account.
8. FlyWire send you an official receipt with your student ID and the amount you have paid. This receipt should be used for the visa application.

Dear Yug Deepak:

Thank you for informing us of your plans to defer your arrival as a Full-time student in the Master of Science degree program in Computer Science until the Spring 2023 semester.

Below you will find the details of your admission.

Thank you for your interest in our program. We look forward to your arrival.

Sincerely,

Amal Ahmed
Associate Dean and Director of Graduate Studies
College of Computer and Information Science
Northeastern University

CONDITIONS OF ADMISSION

Original Date of Admission: 4/6/2022
Applicant: Yug Deepak Rajani
Program Admitted To: Master of Science in Computer Science
Campus: Boston
Admission Term: Spring 2023
NUID: 002774416

STUDENT ACCOUNT CLAIM

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Students eligible for a Northeastern online account will receive an automated account claim email, which is typically generated overnight after your admissions decision is posted. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account.

To claim a student account:

1. Open Account Claim email.
2. Click on the “Claim your Northeastern online account now” claim token included in the account claim email.
3. Follow the prompt to enroll in Duo, the university’s two-factor authentication provider.
4. Complete the “Student Account Claim” form.
5. Review and accept the “Northeastern University Appropriate Use Policy for Computer Network Resources.”
6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be unable to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn’t meet the minimum length requirement.
- You have not yet been assigned an NUID (please contact khoury-gradschool@northeastern.edu)

If your graduate information does not match, contact Khoury College to see if the admission data on file indicates you should receive an account claim email.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617.373.HELP [4357] or email help@northeastern.edu.

ENROLLMENT

Your admission to the Khoury College of Computer Sciences at Northeastern University is contingent upon fulfillment of all of the following requirements, and satisfaction of all applicable local, state, and federal laws.

OFFICIAL TRANSCRIPTS

Additionally, all new students are required to submit a final official transcript from your undergraduate/bachelor's degree-granting institution. Official transcripts must be sent directly from the reporting institution electronically to khoury-

gradschool@northeastern.edu or by mail to either address below. Students may also send certified, sealed copies to either address.

Northeastern University - Khoury College of Computer Sciences - Applicant ID: #######
Graduate Application Documents
360 Huntington Ave
Boston, MA 02115 USA

Or

Northeastern University - Khoury Computer Science - Applicant ID: #######
Graduate Application Processing Center
P.O. Box 1417
Portsmouth, NH 03802 USA

Your Applicant ID may be found by logging into Apply Yourself and clicking Edit Application. Your Applicant ID is located on the main welcome page. Please allow 5-7 business days for processing after receipt.

Per university policy, transcripts must be submitted within 30 days of the start of the semester. Unsubmitted transcripts may result in a registration hold for the following term. If you are unsure as to whether you already provided us with your final transcript, please email khoury-gradschool@northeastern.edu to check.

CAMPUS CHANGES

Accepted students may request to change their campus by submitting this form by the deadline posted on the form. This process ensures applicants' equal access to preferred campuses and helps Khoury College monitor campus capacity. Requests will be considered after the deadline and will be approved based on campus capacity at that time. Students will receive a decision by the date posted on the form.

REMARKS

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Student Number: 8858554

Dear Yash Harihar Shah

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to appl your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take sev weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

As a student committed to becoming a health care or community service professional, you must complete health a safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are require legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myCone webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: WIL4International
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** four the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements aft viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approx 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classe** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unp field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are requi have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for th permit. The work permit required for co-op placements, internships or unpaid field education can only be used for a assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Ca (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://www.conestogac.on.ca/international/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations

As part of acceptance into this program, the student must complete the following practical experience. Since the w term(s) are an integral part of the program, they must be completed in order to graduate.

TOTAL NUMBER OF HOURS: 420

TOTAL NUMBER OF WORK TERMS: 1 terms

TYPE OF PRACTICAL EXPERIENCE: Co-op Required

Due to work permit processing times and tight timelines upon acceptance into this program, **a co-op work permit required at this time** to meet the above requirement should the opportunity for the student become available.

Please contact the Conestoga College International Office at internationaladmissions@conestogac.on.ca should y require any additional information.

Sincerely,

Anita Couto
Director, International Enrolment and Operations
Conestoga College

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://www.conestogac.on.ca/international/apply-to-conestoga/fees-and-payment.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://www.conestogac.on.ca/international/apply-to-conestoga/fees-and-payment#refundwithdraw.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must b process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be req you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests ar forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assi

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://www.conestogac.on.ca/international/student-support

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help contact the International Transition Coordinators at internationaltransition@conestogac.on.ca.

Arrival and Orientation

The International Transition Coordinators can provide you with valuable information regarding arrival and orientation email them at internationaltransition@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission t diploma program is based on successful completion of English for Academic Studies. Students entering degree/p graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4

Sub : Admission Offer Letter to M Tech Programme

Dear Mr./ Ms./ Mrs. CHAVDA DHAVAL CHANDULAL

We are delighted to inform you that you have been provisionally selected for admission to the **M Tech Programme** in **COMPUTER SCIENCE AND ENGINEERING**, under the **OBC(NCL)** category.

Your provisional selection is based on your **GATE** - **776 score** and performance in interview/written exam (as applicable).

Please go through the terms and conditions attached with this letter, COAP Guidelines on their website and also Annexure-A before exercising your option COAP portal. Please complete your online admission formalities by logging on to the COAP portal (https://coap.iitb.ac.in/) as per timeline mentioned on their website.

If you accept the offer, please complete admission procedure by logging on to **IISc Applicant's Interface** and pay the Admission Fees between **June 10, 2022 to June 20, 2022.**

You are welcome to get in touch with the department if you wish to have any more information about the programme.

If you have any queries / need clarifications, you may contact us at email:admission.acad@iisc.ac.in or call us on 080-2293-3726/ 2210/ 2977.

We look forward to your joining the programme.

Best Wishes,

Yours sincerely,

ASSISTANT REGISTRAR
(ACADEMIC)

Encl: Terms and conditions

This is a computer generated Offer Letter and requires no signature.

Terms and conditions:

1. This offer is made based on the credentials you have entered while filling the online application form and declaring them as correct.

2. This offer made is subject to yourself possessing the prescribed educational qualification with the marks and GATE score indicated by you, based on which you are offered admission. You should fulfill all the eligibility criteria as laid down in the online admission information brochure 2022.

3. Applicant must accept and freeze offer on COAP portal before making admission fee payment on IISc admission portal. It must be noted that applicant who will Accept and Freeze the offer on COAP will only be eligible for admission.

4. You are required to submit the original certificates in support of qualification, National Entrance Test, other academic records at the time of admission You are also required to produce Income and Asset (EWS) Certificate/Scheduled Caste/ Scheduled Tribe / OBC-NCL certificate / Disability Certificate/ Kashmiri Migration Certificate/ Domicile Certificate for Kashmiri Pandits/Kashmiri Hindu Families (non-migrants) living in the Kashmir Valley and other documents mentioned in Annexure A as applicable to you at the time of Physical reporting to Institute.

5. Applicant selected through EWS and OBC-NCL category must ensure that they are in possession of valid category certificates issued on or after 01 April 2022.

6. If you have completed all the formalities for the award of a degree but are yet to receive the marks cards/degree certificate of your qualifying examination, you are required to upload a Course completion certificate on admission portal on or before July 10, 2022. The sample format of course completion certificate is available at https://iisc.ac.in/admissions/certificate-formats/. You should produce the final degree certificate / provisional degree certificate on or before 31 October 2022, and till this condition is fulfilled, your admission will be treated as provisional.

7. Hostel accommodation will be provided on payment of monthly charges. The hostel deposit amount will not be accepted at the time of admission. You will be intimated regarding payment of the hostel deposit later. **Please note that hostel accommodation is subject to availability and cannot be guaranteed**

8. All the regular(non-sponsored) students will be paid monthly scholarship as stated in the online Brochure 2022 under the heading" Fee and Scholarships". By default, you are agreeing to and give assurance that you will not leave the course midway. If for any reason you discontinue the course midway, before leaving the institute, you must refund the entire scholarship amount paid to you.

9. You will be governed by Rules and Regulations framed/ followed by the Institute from time to time.

10. Legal issues, if any , are subject to the jurisdiction of courts in the City of Bengaluru.

11. If you accept the offer on the terms and conditions indicated above, please convey your acceptance of the offer of admission on COAP portal, and please login to Applicant's Interface and click on **"Pay your Admission Fees"** link and remit the admission fee of **Rs. 30800 (Rupees Thirty Thousand Eight Hundred)**.

You can pay the admission fee through any one of the following modes using the appropriate links provided therein:

(1) Online payment - using gateway through Credit/Debit Card, or
(2) Net banking (Account to Account transfer)

DO NOT MAKE A SECOND PAYMENT. If you have got a transaction ID for having made your payment and amount deducted from your account, just check the application status after 24 hours. The status should have changed to "Admission Fee Received". In case you do not see this status after 24 hours, you may send an email to admission.acad@iisc.ac.in giving particulars of your Application number and payment transaction ID.

12.If, after acceptance of the offer and payment of the fees, you are not in a position to join the Institute please inform us by updating it online by clicking on "Withdraw Admission" **on or before June 25, 2022**. In the event of withdrawal of admission, you will be refunded the amount as per Institute norms.

13.You should report at the Faculty Hall of the Institute on July 18/19, 2022 (tentative dates) along with the documents and certificates as detailed under item-I of the Annexure-A link available in the Applicant's Interface. The exact date of reporting will be intimated to you later.

14.Since the M Tech Programmes are highly structured, the classes will start in full swing from August 01, 2022.

Patel, Dev Rakesh
UFID: 2328-5413

Dear Dev Rakesh:

Congratulations! Your academic record of achievement within your undergraduate degree program is to be commended. In view of your outstanding credentials, you have been selected to receive a **University of Florida, Herbert Wertheim College of Engineering Achievement Award Scholarship** for New Engineering Graduate Students. This offer includes a partial tuition waiver of $1,500 a semester for up to three semesters (minimum of nine hours enrolled per semester). The three semesters must be used within the first two years of enrollment. No other support (e.g., assistantship, fellowship, scholarship) is permitted while receiving the Achievement Award Scholarship.

The Achievement Award Scholarship for New Engineering Graduate Students is offered to incoming graduate students, classified as non-Florida residents for tuition purposes, to convey our enthusiasm in attracting you to the University of Florida and our commitment to supporting your professional development. The Achievement Award Scholarship represents a savings of $4,500 during your Master's degree program. The academic year officially begins August 16, 2022.

We are very pleased to extend this offer and hope that you will agree to join UF Department of Computer & Information Science & Engineering. Please confirm your acceptance online through the steps below.

Herbert Wertheim College of Engineering Master's Admission Offer Accept/Decline Instructions:

DEADLINE:
April 15, 2022

1) Go to https://admissions.ufl.edu/appstatus and login
2) Click **VIEW UPDATE** (wait 15 minutes after you review the decision for page to update)
3) Click **YOUR RESPONSE TO OFFER OF ADMISSION**
4) Select **ACCEPT** or **DECLINE** and then **SUBMIT**
5) If **ACCEPTING** offer also sign & email attached form to Kristina Sapp klsapp@ufl.edu

The University of Florida participates in the Council of Graduate School's resolution regarding acceptance of an offer of financial support. The resolution can be viewed at http://www.cgsnet.org/april-15-resolution. It indicates that you are not required to provide a formal response to this offer prior to April 15, although you are certainly free to do so.

Congratulations on this prestigious offer. We look forward to having you join the Gator Engineering Nation!

Best wishes,

Requirements:

- Must be enrolled for a minimum of 9 credit hours/semester to receive award. May be more if you have enrollment requirements for a visa. The three semesters must be within the first two years of enrollment.
- Students must maintain a cumulative and departmental GPA of 3.0 as a graduate student.
    - GPAs below 3.0 for the **first semester only** may be petitioned to the Associate Dean of Academic Affairs. If below 2.5, there must be extenuating circumstances
- Student must be classified as a non-Florida resident for tuition purposes as defined by Florida Statue 1009.21 therefore paying out-of-state fees.
- No other support (e.g., assistantships, fellowships, scholarships, EDGE online with reduced tuition, etc.) is permitted during an awardee's participation in the scholarship.
- If you do not confirm that you will attend and accept the Achievement Award by May 1, 2022, the offer is rescinded.
- The University of Florida has a mandatory health insurance requirement for all newly admitted or re-admitted students who are enrolled at least half time in a degree-seeking program and are attending any campus of the University of Florida. Computer Science MS (NT)

WE CHOOSE YOU!

Congratulations Meet! It is my privilege to inform you of your offer of GRAD Provisional admission to the Computer Science MS (NT) program at the University of Texas at Arlington for the 2022 Fall semester.

In order to ensure your continued success, the following provisional conditions will need to be satisfactorily completed by the end of your first semester of enrollment in order to continue your studies. **Provisional: Student must submit official final transcript and degree awarded.**

Before the end of your first semester of enrollment, your official transcripts/degree verification documents must be mailed or delivered in person in institution sealed envelopes to Graduate Admissions. For the definition of official documents and mailing address access: Official Transcripts

Admission to UTA is competitive, and your selection was not taken lightly. We chose you based not only on your academic record, but by evaluating your potential for continued success. We don't just believe that you will continue to excel, we expect it.

UTA is recognized by the New America Foundation as a model 21st century university. We're bringing resources, technology, teaching, and research together to shape our students and the world around us. In short, UTA will challenge you and engage you.

Please access the accept/decline link on your Student Center page in MyMav to either accept or decline your admission. Access the Graduate Admissions Checklist outlining the items you need to complete before enrolling https://www.uta.edu/admissions/apply/graduate.

Again, congratulations and welcome to the Maverick family.

Sincerely,

An Image

Dear Muktan Rahulkumar,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Computer Science program for the Fall 2021 semester! We share your excitement as you begin this new stage in your education.

Please be aware that your major requires completion of the following pre-requisite(s) within the timeline established by your department:

-- CS 3341 - Probability and Statistics in Computer Science and Software Engineering

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/nextsteps/graduate.

You will be contacted by the department regarding the new graduate student orientation dates and any other specific information. Contact information for the Department of Computer Science is located at cs.utdallas.edu/contact.

Your out-of-state, non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or admission@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas. We promise you a welcoming environment, intellectual challenges, great faculty in your field of study, and a diverse University family.

Sincerely,

D.T. Huynh, Ph.D.

Let me be the first to welcome you to the Lancer family. You are about to embark on an important journey. We could not be happier that you have chosen the University of Windsor as your partner in learning.

All the best,

DKane
Dr. Debbie Kane
Acting Dean, Faculty of Graduate Studies
University of Windsor

School of Computer Science

May 24, 2022

Dear Jainam Shah:

The School of Computer Science has recommended to the Faculty of Graduate Studies and Research that you be admitted to our Master of Science Program in Computer Science M2, beginning the **Fall 2022 (September 2022) term** under the supervision of **Dr. Saeed Samet.**

You have been selected to receive a School of Computer Science departmental scholarship valued at **C$4,000**. This scholarship is a one-time payment that is payable in the second term of full time M2 registration, pending budgetary approval. This scholarship is contingent upon you clearing all conditions listed on your offer of admission and remaining in good academic standing with an overall GPA of 80% or higher in all graduate level courses.

The School of Computer Science encourages you to apply for a Graduate Assistant (GA) position when the posting for GA/TA application occurs for the Fall, Winter and Summer terms. Note you must be residing in Windsor Ontario Canada by early to mid-August 2022 and have applied for a Social Insurance Number (SIN) upon arrival to be eligible for consideration for your first GA position. When awarded, each GA position is worth approximately C$5500 (minus taxes) - total sum for three GA positions C$16,500 (minus taxes) per academic year.

All students registered in our Master's program residing in Canada may apply for a co-op placement, subject to approval by your Supervisor and the Graduate Coordinator. Co-op placement is subject to availability of a company that is willing to hire you, by following an interview-based process. You will be able to apply for co-op placement after you have completed one semester of study. For the past two years, during a pilot project for coop placement, we had 100% success rate in placing our Master's students. However, there is no guarantee that you will be placed. If you are given a placement you will be able to earn while you learn. Co-op placement allows you to work in a Canadian company giving you the possibility of acquiring hands-on experience in industry, while maintaining high-level standards in our research-based Master's program. Previous years' experience was that a student was able to earn and save about C $10,000 during one placement. The feature of co-op placement of graduate students is not available at many Universities.

We look forward to working with you during your studies in the graduate program. Please note that requests such as change of supervision, area of interest or program of study will require that you reapply to the program and be considered for the next available term. If you have any questions, please contact the Graduate Secretary (csgradinfo@uwindsor.ca), or after you arrive, the Graduate Program Coordinator.

Sincerely,

Dr. Alioune Ngom
Graduate Program Coordinator

July 20, 2021

Dear : **sani ashokbhai ranpariya**

Congratulations! This has reference to your application for admission to M.Tech.programme at IIIT Bangalore. I am happy to inform you that the Admissions Committee has recommended your name for admission to the **M. Tech (CSE)** programme that is beginning from Monday 9th August, 2021. You will be eligible to apply for AICTE scholarship as per AICTE norms.

This offer of admission to the IIITB M.Tech Programme is subject to the following conditions:

1. You meet all the eligibility conditions as mentioned in the call for admissions.
2. That you shall submit the original marks memos in respect of all semesters and degree certificates for verification and return.
3. That you shall arrange to submit a valid GATE scorecard from the competent authority.
4. That all information stated (including marks obtained, etc.) in the online application form is verified to be true by IIITB against relevant original documents

Please confirm your acceptance of the offer no later than **July 26, 2021 (Monday)** by paying the first-semester Tuition fee of **Rs. 1,60,000/-**(Rupees One Lakh Sixty Thousand only). The estimate of expenses is indicated in Annexure I. The payments can be done after logging into the admission page.

If we do not receive the payment by the date given above, we will assume that you are no longer interested in joining the offered programme at IIITB and the admission offer would automatically lapse.

Preparatory Term for the M.Tech. programme will be held in online virtual mode between 9th of August 2021 and 28th of August 2021. The Classes for the first semester will start from 30th of August 2021. If it is not possible to start the classes in physically at the Institute, the classes will start in online virtual mode. Details of the schedule will be shared with you in the first week of August 2021.

The process of document verification will be shared with you in the month of August 2021. Keep all your original certificates (10th, 12th, BE/B Tech/MSc/MCA and GATE Score card) for final verification, and a medical fitness certificate (in the enclosed format at Annexure II) from a Registered Medical Officer. If you are currently employed, please provide proof that you have been either granted leave of absence by your employer, or that you have been relieved of your duties (in case of resignation).In case of discrepancies between the data reported in the application form and that in the original documents, this admission offer stands cancelled.

Every student admitted shall comply with the following statutory requirements before August 9, 2021, to be eligible to get any payment from the institute (like scholarship, refund of inpatient medical expenses from Insurance company, and other refunds etc.) during the stay in the institute.

1. Must have a Bank account and submit the details of Bank Account number, IFSC code and address of the Bank.
2. Have Aadhar Number allotted by UID Authority of Govt of India and share the same.
3. Shall submit PAN number allotted by Department of Income Tax, Govt of India

COVID-19 Policy

IIITB is fully committed to the health and safety of the students as the whole nation battles the COVID-19 pandemic. IIITB will follow all guidelines and norms issued by the government from time to time. In the best interests of the students and academics, till on-campus activities resume, IIITB would conduct all academic activities in online mode. These activities would include online classes, online submission of assignments, attending quizzes online, etc. In addition, the Institute may impose additional health safety requirements as necessitated by the health protocols notified by the authorities. The details would be communicated by the competent authority of IIITB from time to time and the students are expected to comply with the instructions accordingly.

Welcome once again to IIITB and we look forward to hearing from you by the last date. In case of any further enquiry, you may please send an email to admissions-mtech@iiitb.ac.in.

With best wishes,

(SR Sridhar)

Commodore (Retd)

Registrar

registrar@iiitb.ac.in

Refund Policy:

In order to avoid depriving seats to other deserving candidates, the candidates are advised to pay acceptance fee only after due consideration of other options, if any. The admission offer is valid till the date noted in the admission offer letter, which provides time to explore opportunities. Refund requests will be taken up and processed with due approval of IIITB Academic Senate in the month of September 2021.. If a student sends a formal request to withdraw (in the prescribed proforma) before the 9, August 2021, then the fee is refunded after retaining an administrative fee of Rs. 16,000.

Best Wishes,
Team Admissions,

International Institute of Information Technology - Bangalore

---

Marmik Vinayak Upadhyay
A/8 Shrushti Flats, Opp. Vinit Park
Manjalpur
Vadodara
Gujarat 390011 India

NAME: Marmik Vinayak Upadhyay
DATE OF BIRTH: 2/12/1998

Dear Mr. Upadhyay:

On behalf of the Faculty of Graduate Studies, I am pleased to offer you admission to the Department of Chemical and Petroleum Engineering leading to the degree of Master of Engineering (M.Eng.) course-based program, with a specialization in **Energy & Environment**, for the session beginning **January 04, 2021** as a full-time student.

Your University of Calgary student identification number is **UCID# 30138061**. The expected time of study for the MEng course-based program is **two years**. You will have a maximum of six years from your program start date to complete all the degree requirements.

This is your official letter of acceptance to be used as part of your study permit application. We recommend attaching a screenshot of the page on your online student centre that shows that you have no further conditions to meet for your admission to the University. This can be found under "Admissions">My Applications" and click on "status". In addition, please print out the tuition information from the official UCalgary Academic Calendar, and attach it to your letter of acceptance.

We understand that choosing a graduate program is a significant decision, and want to provide you with the information you need to make this choice.

Please let us know by **September 24, 2020** whether you will accept or decline our offer of admission by logging into your Student Centre and selecting the 'Accept/Decline' link under the "My Application" section. (Please note that this can take up to 3 business days to be available).

A C$500 non-refundable admissions confirmation deposit is also required by **September 24, 2020** which will be applied towards your tuition assessment in your first term of study, please visit **Payment Options for more information to process payments. If we have not received your response and admission deposit by this date, we will assume that you wish to decline our offer of admission**.

DEPARTMENT/CENTRE/ SCHOOL CHEMICAL ENGINEERING

No. IITD/Admission/M.Tech/2021-22/17782 **Date: 25th June, 2021**

Subject: Offer of Admission to M.Tech. Programme as **Full–time Student with Institute Teaching Assistantship (*GATE QUALIFIED CANDIDATES)*** for 1st Semester, 2021-22

Mr./Ms. **Vasundhara Agarwal**

(Application No **PG-212201- 17782**)

Dear Candidate,

It gives me pleasure to inform you that you have been selected for admission to the M.Tech. Programme in **Chemical Engineering** of this Department/ Centre/ School on Full-time (Institute Assistantship) basis subject to the following terms and conditions:

1. ***[IMPORTANT] If you wish to accept this offer, you will need to do so by registering at Common Offer Acceptance Portal (COAP) and choosing "Accept and Freeze". If you wish to decline or wait for a while to accept the offer, even then you will need to register on this portal and choose 'Reject and Wait' or "Retain and Wait*". COAP is a common portal for viewing and accepting offers from participating IITs for GATE QUALIFIED CANDIDATES. Registration portal is available at https://coap.iitd.ac.in Detailed procedure for Registration and Acceptance of Offers is also given on the portal.***

   **** Option not available in the Round 5.***

2. Once you have accepted this offer on the COAP by selecting ***"Accept and Freeze"***, you will have to deposit the first installment of Institute dues amounting to **Rs. 26450/- (For Gen/EWS/OBC)/ Rs. 16450 (For SC/ST/PwD)** through "State Bank Collect" utility of State Bank of India by visiting the following link https://www.onlinesbi.com/sbicollect/icollecthome.htm

   You must mention/ write the application number indicated above while depositing the dues. (Use your Application Number in the field "Entry Number".)

   The receipt of the amount deposited Online must be sent to the Department / Centre / School Office by email on (**mtech.che.iitd@gmail.com**) latest by **28th June 2021**, failing which the offer of admission will automatically stand cancelled and the seat will be offered to the next candidate on the panel.

3. Your Admission is ***provisional*** subject to:
   a. Production of attested copies of the qualifying **Degree Certificate and Mark Sheets** showing the required % of marks/ CGPA by 31.07.2021*.
   b. Production of proof of having appeared / passed in the qualifying degree examination
   c. Production of GATE Certificate showing score obtained
   d. Production of OBC/EWS /SC/ ST/ PwD Certificate
   e. Production of **Relieving Certificate** from Employer
   f. _____

   **** Subject to change. Please keep checking date of Registration on*** (https://home.iitd.ac.in/academic-calendar.php).

   If you are in the final year of your qualifying examination, you must inform Academic (P.G.) Section, IIT Delhi **in writing** on the date of registration in case the requirements of your qualifying degree including Viva-Voce, if any, are not met on the date of last registration. Failure to inform the Academic (P.G.) Section about non–completion shall result in forfeiture of entire fees deposited by you, in addition to cancellation of admission.

4. It is expected that you have good general physique. You will have to produce a certificate to that effect in the prescribed format (copy enclosed). The admission is subject to your being found medically fit.

KHARAGPUR - 721302
ACADEMIC (PGS&R) SECTION

No. : IIT/Acad (PGS&R)/MBA/Offer/2021-2022/2021102814023
Dated : 27-07-2021

To
Mr./Ms. SHETH MRUNAL SUBHASHCHANDRA
138, NEHRUNAGAR, NEAR RAMDEVPIR TEMPLE Vill/City : NADIAD P.S. : Dist. : State : GUJARAT
Pin : 387002

SUBJECT: Provisional Offer of Admission to the MBA Programme 2021

Dear Mr./Ms. SHETH MRUNAL SUBHASHCHANDRA

Congratulations! You have been provisionally offered admission to the Master of Business Administration programme , you are required to download other forms from link: https://erp.iitkgp.ac.in/IITKGPApplications/offerLinks that you have to submit duly filled in at the time of physical reporting at IIT Kharagpur or as asked for at a later stage. This offer is purely provisional subject to fulfillment of all eligibility criteria both Academic Qualifications and category certificate (if any).

At the time of physical reporting at IIT Kharagpur or as asked for at a later stage, you will be required to produce (a) original certificates and mark-sheets of your educational qualifications, (b) evidence of the work experience, if any (c) category certificate (EWS/OBC-NCL/SC/ST/PwD) issued by the competent authority, if applicable (d) A person who is in employment and selected for admission, he/she can either resign and produce the ptance of resignation by the employer at the time of joining or he/she can submit 'No Objection Certificate' along with santioned leave from the employer for the entire course duration.

Please note that all the candidates must have a minimum of 60% marks (or a CGPA of 6.5 in 10 point scale) in the final qualifying examination for GE/EWS/OBC-NCL categories and 55% marks (or a CGPA of 6.0 in 10 point scale) for SC/ST/PwD categories. The CGPA will not be converted into percentage marks if the degree awarding Institute provides marks in CGPA system. Their admission will be based on the CGPA awarded in the transcript. No conversion of percentage of marks into CGPA and vice-versa will be accepted. The details of document submission procedure will be intimated to all candidates at later date. However, you are required to submit your degree certificate and/or mark sheet, with minimum marks as mentioned above, by **31.10.2020**, failing which your admission is liable to be cancelled.

Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the Master of Business Administration Programme at IIT Kharagpur and the student will have to leave the programme.

The acceptance fee paid by you will be adjusted against the total registration fees at the time of physical reporting at IIT Kharagpur or as asked for at a later stage. The date for **balance amount payment will be intimated in due course.** The fee structure is given below for information.

Sl.No.	Particulars	Amount (Rs.) (For GE/EWS/OBC category)	Amount (Rs.) (For SC/ST/PwD category)
1.	Institute Fees	2,11,850.00	11,850.00
2.	Institute Fees (Electricity & Water charges and Technology Film Society)*	1100.00	1100.00
3.	International Immersion Program (Refundable if not availed)	1,00,000.00**	1,00,000.00**
4.	Caution Money Deposits (Refundable)	6,000.00	6,000.00
5.	Hall Establishment Charges	15,125.00	15,125.00
6.	Hostel Overhead Charges*	730.00	730.00
7.	Mess Charge/Advance*	12,000.00	12,000.00
8.	Insurance premium	2,500.00	2,500.00
9.	Student Brotherhood Fund	200.00	200.00
10.	Hall Budget*	1000.00	1000.00
	TOTAL	3,50,505.00	1,50,505.00
	Already paid	1,00,000.00	30,000.00

** ***Plus GST if applicable***
*Concession for these fee heads is being given to all students for registration for Autumn Semester 2021-22.

Due to COVID-19 pandemic condition, no student will be called to the campus in Autumn Semester 2021-22. However classes will begin from **10th August, 2021 through online mode**.

You need to enroll by creating an ERP profile at https://erp.iitkgp.ac.in . After completion of this process you may contact your School/Faculty Adviso for further instruction.

You are requested to keep visiting the institute website for updated dates and academic calendar.

Sub : Offer Letter of Admission to M Tech Programme

Dear Mr./ Ms./ Mrs. PATEL ROHANKUMAR KIRANBHAI

Hearty Congratulations! (Welcome to the highest ranked Institute in India based on Government of India rankings published recently.)

We are delighted to inform you that you have been provisionally selected for admission to the M Tech Programme in **CHEMICAL ENGINEERING**.

Your provisional selection is based on your **GATE** score in **Chemical Engineering – 645** (as provided by you) under the **OBC** category. Please go through the terms and conditions attached with this letter, COAP Guidelines at their website and also Annexure-A before exercising your option accordingly. Please complete your online admission formalities by logging on to the COAP portal (http://coap.iitm.ac.in/) and choosing your option during July 15 and 16, 2020.

If you accept the offer, please complete admission procedure by logging on to **IISc Applicant's Interface** and pay the Admission Fees during **July 15 to 22, 2020**.

You are welcome get in touch with the department if you wish to have any more information about the programme.

If you have any queries/ need clarifications, please feel free to send an email to admission.acad@iisc.ac.in / ar.acad@iisc.ac.in or contact me over telephone 080-22932977/2333 or meet me in person.

We look forward to your joining the programme.

Yours sincerely,

ASSISTANT REGISTRAR

Offer of admission

April 28, 2022

Chirayu Pranav Darji
A-302 Staff Quarters
Svnit Ichchhanath
Surat City 395007
India

Student ID number: 20995216
Application number: 01003025

Dear Chirayu Pranav,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program:	Electrical & Computer Engineering, MEng
Term of admission:	Fall 2022
Attendance:	Full-Time
Term begins:	September 1, 2022
Registration ends:	September 30, 2022

See the calendar of important dates for academic term deadlines.

Please complete the admission conditions listed below by the due date(s) listed in Quest. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent by email or courier
GSPA accepts official secure electronic transcripts provided by the issuing institution and from services such as MyCreds, Digitary, CHESICC, Parchment, National Student Clearinghouse, eScript-Safe, or TranscriptsNetwork. If your institution issues a secure electronic transcript, please have it sent to gradadmissions@uwaterloo.ca.

Or arrange for official documents to be sent by courier to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and stamped by your institution, must be provided with your official documents. The official documents

must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the Graduate Studies website for new students. This website contains valuable information on estimated study and living costs for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the Graduate Studies Academic Calendar contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We value the diverse and intersectional identities of our students, faculty, and staff and strive to reflect this in our work. We support an equitable learning environment rooted in anti-racism, accessibility, and equity; and are guided by the University's Ethical Behaviour Policy and the Ontario Human Rights Code. By choosing to join us at Waterloo, we expect you to uphold these values in person and virtually, both on and off campus, in your studies and in your contributions to the graduate student community.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our Intellectual property (IP) rights policy.

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!

Department of Electrical & Computer Engineering program information

Chirayu Pranav Darji

Congratulations and welcome! We look forward to you joining our program.

We are pleased to offer you admission to Master of Engineering. As this is a course-based program, the Department of Electrical and Computer Engineering is not able to offer funding in the form of scholarships or assistantships. Students should be prepared to fund their graduate program, including both tuition and living costs, from their own resources for the duration of their studies.

You are encouraged to apply for internal and external awards for which you may be eligible. A comprehensive list of all scholarships, awards and bursaries administered by the University of Waterloo can be found on the Graduate Studies and Postdoctoral Affairs Awards and funding website (https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/awards/database).

University of Waterloo offers a number of bursaries to graduate students who require support for parental leave, day care, or have other financial needs: https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/current-students/financial-need-funding. We want to ensure that you are successful in your studies and encourage you to apply for these opportunities, if needed.

Waterloo attracts the best students for graduate studies and we are pleased that you are among these students. After you have carefully reviewed the offer of admission, please go online to Quest: https://uwaterloo.ca/quest/ to accept (or decline) within 3 weeks of the date of this offer.

Please ensure you review your program's degree requirements in the Graduate Studies Calendar prior to starting your studies at the University of Waterloo - https://uwaterloo.ca/graduate-studies-academic-calendar/engineering.

Should you have any questions or concerns, please feel free to contact Kaylen Norris the Department of Electrical and Computer Engineering Graduate Coordinator at kaynorris@uwaterloo.ca or 519-888-4567 ext. 38231

On behalf of the Department of Electrical and Computer Engineering at the University of Waterloo, I welcome you to our program. By pursuing this degree, you are joining an impressive network of students, alumni and faculty members. We look forward to you joining our graduate program.

Sincerely,
The Department of Electrical and Computer Engineering

Letter of Acceptance

Initiate the process of applying for your Canadian study permit (and work permit if applicable) by including the enclosed Offer of Admission and Letter of Acceptance in your application through the Canadian visa office serving your home country or country where you have been legally admitted. For more information, refer to Immigration, Refugees and Citizenship Canada https://www.canada.ca/en/immigration-refugees-citizenship.html and our International students resources https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/future-students/international-students.

Arizona State University

February 15, 2022

ID number: 1225685526
Valid only for 2022 fall
Residency status: International

Nishita Laxmanbhai Luhana
A 601 Takshshila East End Opp
Gurudwara road Maninagar
Ahmedabad GJ 380008
India

Dear Nishita Laxmanbhai Luhana,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Electrical Engineering (MSE) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2022 fall semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

Dharmsinh Desai University

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at **admission.asu.edu/international/graduate-apply**.

For more information on required documentation, please visit your Priority Tasks at **my.asu.edu**.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at **admission.asu.edu/international/student-visa**. To monitor the progress of your I-20, view the I-20 Tracker in **my.asu.edu**.

For MMR immunization requirements, contact Student Health Services at **students.asu.edu/health** or 480-965-8177. Proof of MMR immunization is required before registration for classes is permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at **my.asu.edu**. You can access this page by logging in with your new ASURITE User ID and password.

ASU and the Electrical Engineering (MSE) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at askee@asu.edu or at 480-965-3424.

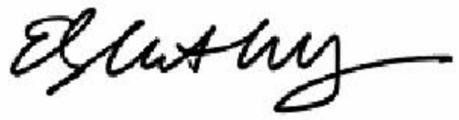

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at **provost.asu.edu/academicintegrity** and **researchintegrity.asu.edu**.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting **newamericanuniversity.asu.edu**. I also recommend you go to **yourfuture.asu.edu/culture** to watch a brief video and find out how current students describe the ASU community.

We look forward to you joining the ASU family, and I wish you success in your graduate studies here.

Offer of admission

June 28, 2022

Kush Patel
A/39, Anand Baug Tenament,
Near Subodh Nagar,
Manjalpur
Vadodara 390011
India

Student ID number: 21048094
Application number: 01075630

Dear Kush,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program: Electrical & Computer Engineering, MEng
Term of admission: Winter 2023
Attendance: Full-Time

Term begins: January 1, 2023
Registration ends: January 31, 2023

See the calendar of important dates for academic term deadlines.

Please complete the admission conditions listed below by the due date(s) listed in Quest. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent by email or courier
GSPA accepts official secure electronic transcripts provided by the issuing institution and from services such as MyCreds, Digitary, CHESICC, Parchment, National Student Clearinghouse, eScript-Safe, or TranscriptsNetwork. If your institution issues a secure electronic transcript, please have it sent to gradadmissions@uwaterloo.ca.

Or arrange for official documents to be sent by courier to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and

stamped by your institution, must be provided with your official documents. The official documents must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the Graduate Studies website for new students. This website contains valuable information on estimated study and living costs for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the Graduate Studies Academic Calendar contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We value the diverse and intersectional identities of our students, faculty, and staff and strive to reflect this in our work. We support an equitable learning environment rooted in anti-racism, accessibility, and equity; and are guided by the University's Ethical Behaviour Policy and the Ontario Human Rights Code. By choosing to join us at Waterloo, we expect you to uphold these values in person and virtually, both on and off campus, in your studies and in your contributions to the graduate student community.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our Intellectual property (IP) rights policy.

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!

Jeffrey M. Casello
Associate Vice-President
Graduate Studies and Postdoctoral Affairs

Department of Electrical & Computer Engineering program information

Kush Patel

Congratulations and welcome! We look forward to you joining our program.

We are pleased to offer you admission to Master of Engineering. As this is a course-based program, the Department of Electrical and Computer Engineering is not able to offer funding in the form of scholarships or assistantships. Students should be prepared to fund their graduate program, including both tuition and living costs, from their own resources for the duration of their studies.

You are encouraged to apply for internal and external awards for which you may be eligible. A comprehensive list of all scholarships, awards and bursaries administered by the University of Waterloo can be found on the Graduate Studies and Postdoctoral Affairs Awards and funding website (https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/awards/database).

University of Waterloo offers a number of bursaries to graduate students who require support for parental leave, day care, or have other financial needs: https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/current-students/financial-need-funding. We want to ensure that you are successful in your studies and encourage you to apply for these opportunities, if needed.

Waterloo attracts the best students for graduate studies and we are pleased that you are among these students. After you have carefully reviewed the offer of admission, please go online to Quest: https://uwaterloo.ca/quest/ to accept (or decline) within 3 weeks of the date of this offer.

Please ensure you review your program's degree requirements in the Graduate Studies Calendar prior to starting your studies at the University of Waterloo - https://uwaterloo.ca/graduate-studies-academic-calendar/engineering.

Should you have any questions or concerns, please feel free to contact Kaylen Norris the Department of Electrical and Computer Engineering Graduate Coordinator at kaynorris@uwaterloo.ca or 519-888-4567 ext. 38231

On behalf of the Department of Electrical and Computer Engineering at the University of Waterloo, I welcome you to our program. By pursuing this degree, you are joining an impressive network of students, alumni and faculty members. We look forward to you joining our graduate program.

Sincerely,
The Department of Electrical and Computer Engineering

Letter of Acceptance

Initiate the process of applying for your Canadian study permit (and work permit if applicable) by including the enclosed Offer of Admission and Letter of Acceptance in your application through the Canadian visa office serving your home country or country where you have been legally admitted. For more information, refer to Immigration, Refugees and Citizenship Canada https://www.canada.ca/en/immigration-refugees-citizenship.html and our International students resources https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/future-students/international-students.

Academic Session

The normal duration of a term is 12 weeks with three hours of class instruction per week plus tutorials as required. In some programs such as Engineering and Science, students may have additional hours of class instruction, labs, tutorials, field study, etc. Courses offered during the Summer Term have equivalent workloads but are concentrated into a shorter period of time.

The academic year is divided into three terms:
Summer Term - May to August
Fall Term - September to December
Winter Term - January to April

Courses are offered in the following patterns:
Early Summer - May and June
Late Summer - July and August
Full Summer - May to August
Fall term - September to December
Winter term - December to April
Fall/Winter - September to April

Language

The language of instruction at Carleton University is English.

Undergraduate Programs

Definition of Full Time & Part Time for Undergraduate Students

A full-time undergraduate student is one who is registered in at least 1.5 credits per term. A part-time undergraduate student is one who is registered in less than 1.5 credits per term.

Year Equivalents

Number of Credits	Year Standing
Fewer than 4.0	First Year
4.0 to 8.5	Second Year
9.0 to 13.5	Third Year
14.0 or more	Fourth Year

Approximate Length of Undergraduate Programs (full-time studies)

- Honours degrees (4 Years)
- General degrees (3 Years)
- Undergraduate certificates/diplomas (1 Year)

Graduate Programs

Master's Program

Full-time

All master's students admitted as full-time students must normally complete their degree requirements within two calendar years after the date of initial registration, unless their program states otherwise and regardless of any subsequent change of status to part-time. Terms of non-registration are equated to full-time registration terms when calculating the overall time to program completion.

Part-time

All master's students admitted as part-time students must normally complete their degree requirements within six calendar years after the date of initial registration, unless their program states otherwise. Terms of non-registration are equated to part-time registration terms when calculating the overall time to program completion. A change of a student's status from part-time to full-time status will result in a pro-rated reduction in the required time to completion for each subsequent term of full-time study.

Doctoral Program

Full-time

All Ph.D. students admitted as full-time students and admitted on the basis of a master's degree must complete the Ph.D. degree requirements within five calendar years after the date of initial Ph.D. registration, regardless of any subsequent change of status to part-time. Terms of non-registration are equated to full-time registration terms when calculating the overall time to program completion.

Part-time

All Ph.D. students admitted as part-time students must complete the degree requirements within nine calendar years after the date of initial Ph.D. registration. Terms of non-registration are equated to part-time registration terms when calculating the overall time to program completion. A change of a student's status from part-time to full-time status will result in a pro-rated reduction in the required time to completion for each subsequent term of full-time study.

For more information about our degree programs and important dates and deadlines, please visit our website (carleton.ca).

Year 1 of 1-2 year program	20-SEP-2022

13. Condition of acceptance: Note - Conditions must be met and registration complete by the first day of classes.

Not applicable

14. Estimated first year tuition (fall-winter only):

$26,466 - $37,459 CAD ($17,827- $24,709 CAD, Summer term fees not included in this estimate)

15. Other relevant information:

Students who arrive on campus after the registration period may not be permitted to register for University courses and/or programs. They may be considered for admission for the next available academic term provided they have contacted the appropriate department.

Tuition fees are current to the fall and winter terms only in the 2021-2022 academic year and are subject to an estimated annual increase of 5% to 8% pending Board approval. Specific fall and winter tuition fees will vary within the stated range dependent on the program. Students may be required to register in the summer term and will be subject to the appropriate tuition fee for that term. Official tuition fee information is available at: www.carleton.ca/fees.

Cost of Living Estimate:

Estimating the cost of living for a year at Carleton will vary depending on lifestyle preferences and personal needs. The approximate costs provided below are given in Canadian dollars and are based on a 12-month period unless otherwise noted.

On-Campus Accommodation.....$8,304 – $13,354 (8-months; September-April only)

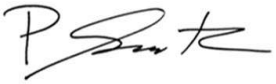

Off-Campus Accommodation.....$8000-$10,000 (8-months; September-April only)

Books and Supplies.....$1,200

Food.....$4,000

Additional Cost of Living information can be found at https://graduate.carleton.ca/international/cost-and-fees/.
Additional admission and program information can be found on the Statement of Standing on Admission.

Yours truly,

Patrice Smith, Dean
Faculty of Graduate and Postdoctoral Affairs

Graduate Admissions

January 28, 2022

Mr. Shiv H. Bhatt
14, Ashutosh Society, Vip Road, Karelibaug
Vadodara, Gujarat 390018
India

Dear Shiv:

I am pleased to inform you that you have been admitted to the Master of Engineering program in Robotics in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2022 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of $8000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.
Sincerely,

Dr. Jean Zu
Dean of the Schaefer School of Engineering & Science
Stevens Institute of Technology

Terms of Admission

Name: Mr. Shiv H. Bhatt

Degree Program: Master of Engineering

Major: Robotics

Mode of Study: On-campus classes on the Stevens campus

Faculty Academic Advisor:
Professor Damiano Zanotto
(201) 216 8296
Damiano.Zanotto@stevens.edu

Entry Term: Fall 2022

Enroll Status: Full-time

Important Reminders:

- Deferrals may be requested for one semester and must be approved by the Office of Graduate Admissions.
- All final official documents, including your official transcripts, proof of conferment of degree, official test scores, and financial documents must be submitted to the Office of Graduate Admissions. Please review any missing items that are indicated on your application status page. All required documents must be received prior to the start of your first semester. If you do not submit the required documents, you will not be permitted to enroll for your second semester.

Next Steps

- Confirm your attendance here (https://gradadmissions.stevens.edu/apply/form?id=26085bd8-8dcc-45ae-9f4f-c737c432ebb0) as soon as possible, but no later than March 14, 2022

- To confirm your attendance at Stevens, you must submit a $500 enrollment deposit which will secure your seat in the class. The deposit is not refundable, but will be credited toward your first tuition bill. After accepting the offer of admission, pay your enrollment deposit by clicking on the "Enrollment Deposit" link on your Applicant Status Page.

- Review **The English Language Proficiency Requirements** to understand if you will need to take any English Language course in your first semester at Stevens. A copy of the policy can be found at www.stevens.edu/sit/graduate/ELC (http://www.stevens.edu/sit/graduate/ELC). **Note**: Placement in any English Language course will be made based on the English Language test score used during the application review process.

- Upload to your Application Status page all documents listed below required for the issuance of the I-20 Form*:

    - Copy of passport identification page with photograph
    - **Graduate Financial Verification Form (FVF) (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1)**. Form must be completed in its entirety.
    - Financial documentation that proves your ability to meet all education and living expenses for at least the first year of study (for the total amount please refer to the FVF /Part II)
    - Transfer students: If you are transferring to Stevens from another U.S. institution, you must submit additional documents; a list of documents can be found **here (http://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1)**.

    **Guidelines for Submitting Financial Documents are available on the ISSS website here (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1) and on your Application Status page under "I-20 Documents Tips"*

    Please Note: I-20s are generally issued within 10 business days of receiving all required documents (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1). If additional documentation or information is needed, an ISSS staff member will contact you directly once the review of documents is completed. When processed, the Form I-20 will be forwarded electronically to the e-mail address provided on your admissions application.

Stevens Master's Scholarship
Terms and Conditions

Mr. Shiv H. Bhatt
14, Ashutosh Society, Vip Road, Karelibaug
Vadodara Gujarat 390018
India

Congratulations! As indicated in the letter from the Dean, you have been awarded a Master's Scholarship Award for the Fall 2022 semester in the amount of $8000.

Please read the terms and conditions of this award.

- This is a one-time award that will be disbursed over two consecutive semesters; the award can only be applied toward your tuition and fees for two subsequent semesters, beginning with the Fall 2022 semester.
- The award cannot be deferred to a future term and is non-transferable.
- To accept the award, the enrollment deposit of $500 must be paid on your Applicant Status Page by **March 14, 2022.** The enrollment deposit is non-refundable, but will be credited toward your tuition.
- The award will be disbursed in two equal installments and applied towards your student account after the drop/add period of respective semester.
- This award is contingent upon you maintaining a full-time on-campus enrollment status as a Master's student in the program for which this award was made. At any time during the semesters should your enrollment status change your award will be cancelled and any funds disbursed for that semester will be removed from your student account. You will be responsible for making any outstanding balances that result due to the fellowship cancellation.
- The award is only valid for students enrolled full-time in an on-campus Master's program.
- The award will also be cancelled should you decide to withdraw from Stevens at any time during the above-mentioned semester.
- If you are a current Stevens Institute of Technology student and have been admitted into a new program, you are not eligible for the scholarship.
- Failure to accept the offer of admission and pay the enrollment deposit will result in the automatic forfeiture of the scholarship award.

SJSU SAN JOSÉ STATE UNIVERSITY

Electrical Engineering
College of Engineering

San José State University
One Washington Square
San José, CA 95192-0084

TEL: 408-924-3950

April 11, 2022

Name: Zalavadiya, Kush **Student ID**: 016703557

Dear EE Graduate Program Applicant:

Congratulations on being accepted to the **Fall 2022** Graduate Program in Electrical Engineering at San José State University (SJSU). According to 2020 Money magazine, SJSU ranked #1 "Most Transformative College" in the nation and the Charles W. Davidson College of Engineering at San José State University is #30 in "Best Colleges for Engineering Majors."

Your admission status is **Conditionally Classified Standing**, meaning you must satisfy the following conditions in order to become a fully classified student: Successfully complete two of the four graduate core courses, EE210, EE221, EE250, EE275 with a grade of "B" or better in each course. Note that all students (conditional classified and fully classified) are required to complete two core courses. The only difference between conditionally and fully classified is the requirement of the "B" or better grade in each core course.

Because SJSU is in the heart of the Silicon Valley, you will have the privilege of easy access to a network of internships with local companies. This provides you the opportunity to gain working experience while attending school and at the same time earning income. The internship experience is very valuable because it often leads to employment after graduation. Moreover, you can apply for on-campus part-time work as a Teaching Associate (TA), Instructional Student Assistant (ISA), or Student Assistant (SA). About 80% of our graduate students receive an internship stipend or financial assistance through campus employment.

For the Fall 2022 semester, San José State University will be delivering courses primarily in-person, and the Electrical Engineering Department will be offering in-person and hybrid courses for students. We will keep you updated with the program status via email, please check your email frequently. There will be a department **Graduate Student Orientation/Advising Session** from **18:00 - 19:00 on Wednesday August 17, 2022 (California time).** The orientation will be online via Zoom and information will be emailed to you one week before the orientation date. In this orientation session, the Graduate Advisors will be available to discuss MSEE degree requirements, help you in selecting a specialization advisor, and provide answers to your questions. **It is important that you attend the orientation.** Note that department meetings and/or orientations are different from the university ones.

The EE Department's website is at https://www.sjsu.edu/ee/, and the "Prospective Students" webpage, the "Graduate Program" webpage, and the "Resources" webpage will be very helpful to you.

Please do not contact the EE Department for financial and/or payment information. You can find that information at https://www.sjsu.edu/bursar/.

Best regards,

Thuy T. Le

NEW YORK INSTITUTE OF TECHNOLOGY

March 16, 2022

ID #: 1317278

Ravi Prajapati
C-7, Purnima Park, Pavan Chakki Rd, B/H Dena Bank, Nadiad
Nadiad Kheda, Gujarat 387002
India

Dear Ravi,

Congratulations! On behalf of the admissions committee, I am pleased to extend you an offer of admission to New York Institute of Technology. You have been admitted to the Computer Science, M.S. program at our New York City campus beginning in the Fall 2022 semester. I am pleased to congratulate you on this fine achievement!

As you prepare to enroll at New York Institute of Technology, there are certain conditions that you must fulfill to ensure a successful and smooth matriculation. The Computer Science, M.S. Department has granted you admission on the condition that you fulfill the below item(s). Assigned core coursework may be discussed with your academic advisor. A list of graduate advisors can be found online at nyit.edu/advisors. You will need to speak to your advisor in order to schedule classes.

Conditions of Acceptance:

Must submit official GRE test scores;Must submit official IELTS test scores;You must either maintain a minimum 3.3 GPA during your first 12 graduate credits or retake the GRE and score at least a 300 before registering for your next semester.

Must submit Official Final Transcript with 8th Mark-sheet, and Proof of Degree.

The Scholarship Committee is pleased to award you the Graduate Scholar Award in the amount of $3000 per year. This award was established to recognize, support, and encourage bright and talented students like yourself. Your accomplishments place you among the best and brightest of this year's applicant pool.

You will receive an official letter with your I-20 in your acceptance package, which will be delivered to you via UPS. This will be prepared once you have submitted your financial documents required for your I-20, including a notarized Affidavit of Support and bank statement with bank seal from your or your sponsor's bank demonstrating financial support.

Please review your official letter for more information about the terms of your admission.

Ravi, we are quite proud of your accomplishments. When you join us at New York Tech, we'll challenge you with a career-oriented curriculum that will encourage you to develop critical skills and give you hands-on experiences both inside and outside of the classroom.

Your admission is contingent upon successful completion of your academic work now in progress. We encourage you to keep up the good work.

Next Steps

Check your Admitted Student Portal frequently for details about all of your next steps and any upcoming events. We will also send you email reminders to help guide you through your next steps. We look forward to you joining New York Tech! Please accept our offer of admission and secure your place. To deposit, select the "reply to offer" button in this

letter. If you are ready, select “accept offer.” You will then be prompted to complete your $500 payment within four weeks.

If you have any questions about your acceptance to the Computer Science, M.S. program, please email us at nyitgrad@nyit.edu or call us at 516.686.7520 with questions about your admission or any other issues that will help you choose New York Tech as your new home.

Congratulations again, Ravi! I look forward to personally welcoming you to campus this Fall 2022 semester.

Sincerely,

Karen Vahey
Dean of Admissions and Financial Aid

Terms and Conditions for the Graduate Scholar Award

This award applies to full time study in the fall and spring semesters only. The award will be automatically renewed for up to six semesters of graduate study at New York Tech if you satisfactorily complete all requirements regarding coursework and maintain a semester and cumulative GPA of at least 3.3. Proration may be available for applicants taking less than nine graduate level credits per semester, but you must register for at least three graduate-level credits per semester for this proration. No combination of scholarships and tuition credit awards shall exceed tuition charges. Please see the New York Tech catalog for more information.

E-Mail: international@gre.ac.uk
App ID: 142149
Date: 26 September 2022

OFFER OF PLACE

Full Name as shown in Passport: Jaykumar Parbatbhai Bapodra

Passport Number: V1501796

Date of Birth: 19/07/2000

Programme Offered: Machine Intelligence MSc

Academic and English Language conditions: Unconditional

Mode of Attendance: Full Time

Start Date: 09/01/2023

Duration of Programme: 1 year

Campus: Medway

Campus Location: Pembroke, Central Avenue, Chatham Maritime, Kent ME4 4TB

Tuition Fee for Year of Offer: £15100

Financial Condition: Minimum pre registration deposit of £3000 (See conditions below):

University of Greenwich
Greenwich Campus
Old Royal Naval College
Park Row
London SE10 9LS
Telephone: +44 (0)20 8331 8000

University of Greenwich, a charity and company limited by guarantee, registered in England (reg. no. 986729). Registered Office: Old Royal Naval College, Park Row, Greenwich, London SE10 9LS.

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at https://www.gre.ac.uk/finance/fees or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at http://www2.gre.ac.uk/current-students/regs/?a=1441173.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at https://www.gov.uk/browse/visas-immigration/student-visas

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link http://www.ukcisa.org.uk/

University of Greenwich
Greenwich Campus
Old Royal Naval College
Park Row
London SE10 9LS
Telephone: +44 (0)20 8331 8000

University of Greenwich, a charity and company limited by guarantee, registered in England (reg. no. 986729). Registered Office: Old Royal Naval College, Park Row, Greenwich, London SE10 9LS.

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are *'in London'* and our Medway Campus is '*outside London'.* Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

University of Greenwich
Greenwich Campus
Old Royal Naval College
Park Row
London SE10 9LS
Telephone: +44 (0)20 8331 8000

University of Greenwich, a charity and company limited by guarantee, registered in England (reg. no. 986729). Registered Office: Old Royal Naval College, Park Row, Greenwich, London SE10 9LS.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

University of Greenwich

Dear VAIBHAV RAMESHBHAI,

Congratulations! It is my pleasure to welcome you to California State University, Northridge (CSUN) for the fall 2022 semester.

CSUN is a place where you can rise and realize your dreams, and where a successful academic career can lead to professional and personal satisfaction. As a CSUN student, you will have access to an affordable education, the latest high-tech resources, a genuinely caring and dedicated faculty made up of respected scholars and researchers, and a beautiful campus located close to major Los Angeles-area attractions.

Since our founding more than a half-century ago, we have awarded degrees to more than 370,000 graduates. From the corridors of multinational corporations to science laboratories, from the seats of government to major entertainment studios, CSUN alumni work as leaders, innovators, and creators within every sector of our society.

Offering an education that has breadth as well as depth, through internships, fieldwork, and service-learning projects, CSUN gives our students the experience and agility needed to embrace new technologies and plan for changing economic, social and environmental conditions.

Welcome to CSUN. I look forward to seeing you on campus.

Sincerely,

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under Section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A' grade (3.58/4) | Awarded Category - I by UGC

Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

PROVISIONAL ADMISSION LETTER

Date: 10.03.2022

SNAP ID : 220124337
Category : OPEN
GE-PIWAT ID : R26YG0503

Constituent: Symbiosis Institute of Business Management, Pune
Programme : Master of Business Administration

Dear PUROHIT HETVI DALPAT ,
Congratulations! We are pleased to inform you that you have been selected for admission to the two-year full-time **Master of Business Administration** programme for the batch 2022-2024 at **Symbiosis Institute of Business Management, Pune**.

As a constituent of the prestigious Symbiosis International (Deemed University) [SIU], we strive to provide you with a learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty is drawn from accomplished academics and practicing professionals with rich and varied experience.

Please note that this admission is provisional and will be confirmed on payment of fees **(As per Annexure I)** on or before **27-March-2022** , **11:59 PM** subject to the fulfilment of eligibility conditions as mentioned in the Post-Graduate Studies Prospectus 2022-23 and in accordance with the Eligibility Rules of the Symbiosis International (Deemed University) as amended from time to time.

Your programme commences on **8th June 2022** and hostel registrations begin on **6th June 2022**. Please study the details given in the Post Graduate Studies Prospectus 2022-23 and the **Symbiosis Institute of Business Management, Pune** website. We are happy to provide shared hostel accommodation (as applicable) to students admitted to the programme. SIU reserves the right to change these dates in view of the uncertainties prevailing across the country on account of the Covid-19 pandemic or any other unavoidable circumstances.

Please bring all relevant self-attested/ original documents for submission on the day of commencement of your programme. In case of cancellation of provisional admission for any reason whatsoever, the SIU refund rules shall be applicable.

We look forward to having you amidst us. Welcome to Symbiosis!

With Best Wishes,

Dr. R. Raman
Director SIBM, Pune

Annexure-1 to Offer Letter, Batch 2022-2024

Details of fees for the Master of Business Administration programme at Symbiosis Institute of Business Management, Pune as applicable for Batch 2022-2024 is as under:

Particulars	Year 1		Year 2	
	1st Installment (Amount in Rs.)	2nd Installment (Amount in Rs.)	3rd Installment (Amount in Rs.)	4th Installment (Amount in Rs.)
Academic Fees	5,28,000	5,28,000	5,28,000	5,28,000
Institute Deposit (Refundable)	20,000	-	-	-
Hostel Deposit (Refundable)	15,000	-	-	-
Hostel Fees (Three Sharing) *	53,550	53,550	**	**
Mess Fees	39,000	39,000	**	**
Total Fees	**6,55,550**	**6,20,550**	-	-
Last Date for payment of Fees	**27-March-2022**	**25-Nov-2022**	**25-June-2023**	**25-Nov-2023**

Note:
*
(i) Hostel fees could change, depending on the guidelines issued by UGC for the shared accommodation from time to time due to the COVID19 pandemic.
(ii) Hostel fees are subject to change in campus and accommodation type e.g. Single Sharing, Twin sharing, Triple Sharing, Four Sharing, and Dormitory. (The fees indicated herein are for Lavale Hilltop Campus)

**Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable. Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

For completion of formalities related to admission and payment of fees please login to https://siufinance.ishinfo.com/StudentAdmission **and perform below steps:**

1. (Go to **Admission** menu): Submission of Provisional Admission Form is mandatory before making payment of fees.
2. **Please make payment using any one of the payment modes mentioned below. Please do remember that you can generate your eReceipt from the 'Make Payment' menu on the portal.**

a. **Using Payment Gateway of SIU:**
Please login to the URL mentioned above and make an online payment using the payment gateway of SIU which you can access through various modes/options including Debit Cards and Credit Cards such as (Visa MasterCard, RuPay Credit Cards, Diners Credit Cards, American Express Credit Cards, Visa, MasterCard Debit + ATM Pin Debit Cards, RuPay Debit Cards), Internet Banking, Telco, Private Wallets & other Prepaid Cards, UPI based payments, Bharat QR. **Please note that a successful transaction will automatically get authenticated and an e-receipt can be generated immediately from the portal itself.**

b. **EFT (Online NEFT / RTGS):**
PLEASE REFER TO THE DETAILED INSTRUCTIONS ON THE PORTAL REGARDING EFT PAYMENT. **ENSURE THAT THESE INSTRUCTIONS ARE FOLLOWED STRICTLY SO THAT YOUR PAYMENTS ARE RECORDED EFFECTIVELY.**

Please login to the URL mentioned above and make payment of fees through EFT CHALLAN (Online NEFT / RTGS).
Step 1: Generate challan from portal
Step 2: Add beneficiary using this challan and make payment/ you may go to bank for making payment using this challan if you do not have net banking facility. (For payment of subsequent instalments, ensure to generate new challan and follow step 1 and 2 each time)
Please note that validity of EFT challan is 2 calendar days from generating the challan, this challan is meant for single transaction and is not transferable as well. Do not round off the transfer amount even for the second decimal place.

Please don't update the payment details like UTR, transaction reference number etc. In case if you make online payment through payment gateway of SIU / EFT, otherwise amount will be refunded back automatically in your bank account through the system.

c. **Demand Draft:**
If it is not possible for you to pay your fees through an Online NEFT / RTGS or the payment gateway of SIU, you may submit a Demand Draft (DD) in favour of **'Director, Symbiosis Institute of Business Management"** payable at **Pune.'**

Please ensure that you write your Student Registration ID, Name and mobile number on the reverse of the DD (so that we may identify this fee payment against your name) and send it to Accounts Department of Symbiosis Institute of Business Management, Pune on below mentioned address:

Symbiosis Institute of Business Management, Pune
Symbiosis Knowledge Village, Gram Lavale, Tal Mulshi, Pune, Maharashtra 412115
Telephone: 020- 28116000 / 020-61936000

Important to Note:

1. It is mandatory to update details of the DD on the URL mentioned above (Go to Make Payment menu). Institute will not be able to authenticate your payment unless the details are updated and DD is realized.
2. **Symbiosis Institute of Business Management, Pune** will not be responsible for late or non-receipt of DD due to postal / courier delays

Important Instructions:

1. You can generate eReceipt from 'Make Payment' menu.
2. Visit 'Apply for Bonafide Certificate' menu, incase if you wish to apply for bank loan.
3. Visit 'Apply for Cancellation' menu, in case if you wish to cancel your provisional admission.
4. Visit 'Apply for Transfer within SIU' menu in case if you wish to transfer your Provisional Admission.
5. **NO CHEQUE PAYMENT OR CASH DEPOSITS** will be accepted for payment of Fees. Please note that in case it is found that CASH is directly deposited in Bank Account of the Institute, such payment will not be considered towards confirmation of your provisional admission.
6. For payment of second and subsequent installments, a similar process is to be followed.
7. For Refund Rules of SIU, please visit https://siu.edu.in/pdf/Refund-Rules-of-the-University.pdf
8. For cancellation of admission, the last date of admission will be considered as one day prior to the date of commencement of programme as mentioned in the offer letter. This date will be used for the calculation of refund of fees (as per UGC directions).

Dear Preet:

Re: University ID: 2001058454

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Data Science MS Residential** program beginning in **Fall 2022**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School.

Our offer **expires on April 15, 2022.** Once you have made your decision, please let us know by completing the Luddy Fall 2022 Student Decision Form at https://go.iu.edu/4eXl

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Warm regards,

Selma

Dear Priyam:

Re: University ID: 2001040036

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Data Science MS Residential** program beginning in **Fall 2022**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School.

Our offer **expires on April 15, 2022.** Once you have made your decision, please let us know by completing the Luddy Fall 2022 Student Decision Form at https://go.iu.edu/4eXl

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Warm regards,

Selma

Selma Šabanović
Associate Dean of Graduate Education

DLI Number: O19376943122

Dear Bony Ghadiya,

Congratulations and welcome to Humber College Institute of Technology and Advanced Learning! We are pleased to give you an offer to:

Program Name:	Project Management
Level of Study:	College Graduate Certificate
Program Duration:	1 Year - 2 Semesters
Semester of Study:	1
Type of Program:	Academic
Academic Status:	Full-time
Campus:	North Campus
Class Start Date:	September 6, 2022
Expected Program Completion Date:	April 2023
Last Day to Register/Offer Expired Date:	September 12, 2022
Tuition Fees and Payment:	$16,350.00 to $20,995.00 for two semesters Please refer to your offer letter email for a link to your program invoice.
Textbooks & School Supplies:	$1,000.00 (minimum)
Mandatory Co-op/Work Placement Internship:	No

To secure your seat in the program you must do the following:

- Confirm your offer by **March 13, 2022** on MyHumber http://humber.ca/myhumber by visiting and selecting Applicant then Confirm Offer. Please use Google Chrome or Mozilla Firefox web browsers.

- Ensure your tuition payment is received by Humber College on or before **June 15, 2022**. For information on payment options and our refund policy please visit http://international.humber.ca/fees. Failure to confirm your attendance or pay your fees by the due dates in this offer will jeopardize your seat in the program.

- Submit this letter to Immigration, Refugee and Citizenship Canada (IRCC).

- Upload your study permit here. Your study permit must be uploaded prior to registration.

Thank you for choosing Humber! On behalf of the faculty and staff at Humber College, we would like to welcome you to Humber and wish you every success in your educational journey.

Sincerely,

Sara Rumsey

Dear Ms. Drashti Pravinbhai Bhingradiya:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Information Systems and will begin the first day of classes of the Fall 2022 term. Please go to Northeastern's Office of the University Registrar website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

Waleed Meleis

START Term: Fall 2022

CAMPUS: Boston

STATUS: Full-time

DEGREE LEVEL: Master of Science

SPECIAL ADMISSIONS NOTE: Please note that graduate courses completed (e.g. previously) outside of the approved curriculum for the program are not accepted for transfer. The approved courses (Core Requirements and Electives) are specified in the PROGRAM REQUIREMENTS section on the program's official web page.

CONCENTRATION: Not Applicable

ACADEMIC PROGRAM POINT OF CONTACT

NAME: Prof. Kal Bugrara
EMAIL: Program-related inquiries may be sent to:
https://coe.northeastern.edu/admissions/help

You are encouraged to visit the department or program website for your program of acceptance and to read the Degree Requirements section carefully. If you have questions pertaining to your program of acceptance, please direct them to the person named above under ACADEMIC PROGRAM POINT OF CONTACT. Questions pertaining to health insurance, immunization requirements, and student tuition, billing and accounts should be directed to the appropriate offices referenced below. Otherwise for answers to common admissions questions (e.g. orientation, registration, visa-related) or to send an inquiry, visit
https://coe.northeastern.edu/admissions/help

NEW STUDENT INFORMATION

The below information is provided to assist you during your preparation to begin or to continue your graduate studies at Northeastern University. It is important to note that new students should not register for courses until orientation or until receiving official guidance (typically provided via email within a month of the start of the term). Meanwhile, feel free to visit our new student information page to review pre-orientation information that was provided to new students who began here over the past year. This page will be updated as your term of entry approaches. Also visit https://coe.northeastern.edu/admissions/help for answers to common questions or to send an inquiry.

Accept or Decline Your Enrollment:
Please **CLICK HERE to ACCEPT or to DECLINE** this offer of acceptance. If you decide to Accept this offer, you will be prompted to provide a non-refundable deposit to confirm your attendance. This deposit is applied towards student fees, which all students will eventually incur upon enrollment. For planning purposes, we ask that you confirm your enrollment by paying the deposit by the enrollment deposit deadline. Print a receipt for your records.

Your enrollment deposit deadline: May 1, 2022

Activate Your Northeastern University Student Account (myNortheastern**):**
-If eligible, you will receive an email from Northeastern to your personal email ID that you used during the application process, and is associated with your Applicant ID/Record: drashtibhingradiya28@gmail.com

-The email is/was launched on or around the date published on this decision letter: 4/1/2022

-The email will come from the following generic Northeastern email ID: do-not-reply@northeastern.edu

-The subject of the email is **Claim Your Northeastern University Online Account**, and will contain a unique link, which will be valid for 60 days from the date of the email

-Claiming your myNortheastern account will allow you to check your brand new Northeastern email account, and will allow you access to a variety of university services, systems, and resources

If you need assistance or have questions about claiming your online account, or for any of your Northeastern technology needs, the university's IT Service Desk is available to support you 24/7 by phone at 617.373.HELP (4357) or email at help@northeastern.edu. If you send an email, include the personal email address that you provided on your application, include your NUID (referenced above as NU ID No.), and include your first name, last name, and your phone number.

For more information on how to claim your student account, please visit this website.

Student Financial Services:
For tuition and fee, billing, payment methods, and financial aid information, go to: https://studentfinance.northeastern.edu/.

I-20/F-1 Visa Request Process and Instructions:
If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.

- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.

- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.

- Our electronic system is referred to as **myOGS**.

- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).

- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.

- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.

- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:
1. **Color copy** of the identity page of your passport

2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, CLICK HERE.

Problems?
If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account, and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

Office of Global Services (OGS) orientation is mandatory for all international students. Please visit www.northeastern.edu/ogs/ for further information.

Graduate Cooperative Education (Co-op) Program:
The Graduate Cooperative Education program in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements

Completing Your Official Admissions File:
As soon as you decide that you plan to enroll at Northeastern University, arrange to

send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to submit official transcript(s) from any and all colleges and universities that you previously attended, including providing evidence of the completion of an undergraduate degree. Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations.

Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

Please see the below options instructions to submit your transcripts:

Option 1. If you are in the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:
Northeastern University - College of Engineering - Applicant ID: XXXXXXX
Graduate Application Processing Center
P.O. Box 1490 Portsmouth, NH 03802 USA

Option 2. If you are outside of the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:
Northeastern University – College of Engineering – Applicant ID: XXXXXXX
Graduate Application Documents
360 Huntington Ave.
Boston, MA 02115 USA

NOTE: If you choose option 1 or option 2, you will need your Applicant ID listed on the envelope to complete your record.
Your Applicant ID is: 7506920

NUID, International ID, email addresses, etc. are not acceptable and your documents will not be processed.

Option 3. If you are an international student, with only one personal copy of your original, final, and complete documents, you may visit 130 Snell Engineering at the beginning of the semester, once on campus, Monday – Friday from 9:00 AM – 3:00 PM EST to show proof of your transcript. Please ensure you bring both the original official documents **and** a photocopy of the documents to the office for verification.
Note: If you are currently studying in Silicon Valley or Seattle and need to arrange a time to meet the staff in person, please be in touch with your academic advisor.

Health Insurance:
The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, http://www.northeastern.edu/uhcs/

Immunization Requirements:
In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: http://www.northeastern.edu/uhcs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf. You can contact the University Health and Counseling Services Center for further information.

On-Campus Housing:
All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, https://www.northeastern.edu/housing/university-housing/

Off-Campus Housing:
Students may search for housing, sublets, and roommates through the listings and message boards on http://www.northeastern.edu/offcampus/ This free service requires account registration with your Northeastern e-mail account.

Contact a Current Student!
You are invited to contact one or more currently enrolled *Graduate School of Engineering* students to learn more about the graduate student experience at Northeastern! For more information, visit: http://web.northeastern.edu/coe-graduate-student-ambassadors

Northeastern Videos:
http://www.youtube.com/user/Northeastern

website: www.iiitb.ac.in

8th July, 2022

Dear Gautam Rizwani [APFE2210113]

Congratulations! This has reference to your application for admission to the M.Tech. programme at IIIT Bangalore. I am happy to inform you that the Admissions Committee has recommended your name for admission to the M.Tech. in **Computer Science and Engineering (CSE)** programme that is beginning from Monday, 11th July, 2022. You will be eligible to apply for AICTE scholarship as per AICTE norms.

This offer of admission to IIITB M.Tech. programme is subject to the following conditions:

1. You meet all the eligibility conditions as mentioned in the call for admissions.
2. That you shall submit the original marks memos in respect of all semesters and degree certificates for verification and return.
3. That you have uploaded a valid GATE score along with other details issued by the competent authority .
4. That all information stated (including marks obtained, etc.) in the online application form is later verified to be true by IIITB against relevant original documents.

Please confirm your acceptance of the offer no later than **14th July, 2022 (Thursday)** by paying the first semester tuition fee and the miscellaneous fee of **Rs. 2,80,800/-** (Rupees Two Lakh Eightly Thousand Eight

Hundred only) in total. The estimate of expenses is indicated in Annexure – I. The payments can be done after 8th July, 2022, and the payments procedure will be sent to you in the next few days. The day of reporting is scheduled for **15th July, 2022 (Friday)**.

If we do not receive the payment of Rs. 2,80,800/- on or before 14th July, 2022, we will assume that you are no longer interested in joining the offered programme at IIITB and the admission offer would automatically lapse.

Since the programme is very demanding, and classes, tutorials and laboratory sessions often extend beyond regular working hours and during the weekends, staying at the hostel provided by the Institute is mandatory. The preparatory term for the M.Tech. programme will be held on IIITB campus from 11th July, 2022 to 29th July, 2022. The classes for the first semester will start from 1st August, 2022. Details of the schedule will be shared with you in the second week of July 2022.

The process of document verification will be shared with you close to the date of reporting. Keep all your original certificates (10th, 12th, BE/B Tech/MSc/MCA and GATE Score card) for final verification, and a medical fitness certificate (in the enclosed format at Annexure II) from a Registered Medical Officer. If you are currently employed, please provide a proof that you have been either granted leave of absence by your employer, or that you have been relieved of your duties (in case of resignation).

In case of discrepancies between the data reported in the application form and that in the original documents, this admission offer stands cancelled.

Every student admitted shall comply with the following statutory requirements on or before the date of reporting to be eligible to get any payment from the Institute (like scholarship, refund of inpatient medical expenses from the insurance company, and other refunds etc.) during the stay in the Institute.

1. You must have a bank account and submit the details of the bank account number, IFSC code and address of the bank.
2. You must have an Aadhar number allotted by UID Authority of Govt. of India and share the same.
3. You shall submit your PAN number allotted by Department of Income Tax, Govt. of India

COVID-19 Policy

IIITB is fully committed to the health and safety of the students as the whole nation battles the COVID-19 pandemic. IIITB will follow all guidelines and norms issued by the government from time to time. The Institute may impose additional health safety requirements as necessitated by the health protocols notified by the authorities. The details would be communicated by the competent authority of IIITB from time to time and the students are expected to comply with the instructions accordingly.

Welcome once again to IIITB and we look forward to hearing from you by the deadline mentioned above. In case of any further enquiry, you may please send email to admissions-mtech@iiitb.ac.in.

Attachments: offer letter annexure

With best wishes,

(SR Sridhar)
Commodore (Retd)
Registrar
registrar@iiitb.ac.in

Refund Policy:

In order to avoid depriving seats to other deserving candidates, the candidates are advised to pay acceptance fee only after due consideration of other options, if any. The admission offer is valid till the date noted in the admission offer letter, which provides time to explore opportunities. Refund requests will be taken up and processed with due approval of IIITB Academic Senate in the month of August 2022. If a student sends a formal request to withdraw (in the prescribed proforma) before the 11th July 2022, then the full fee is refunded after retaining an administrative fee of Rs. 1,000.

OFFICE of GRADUATE & POSTDOCTORAL STUDIES

November 15, 2022

University of Guelph Student I.D. #: 1258559
Graduate Office use only Application #: 1298434

Prayag Anilbhai Bhayani
28, Kamal Park Society
Near Zadafiya Circle
Kapodra Police Station
Surat City 395006
INDIA

Dear Prayag Anilbhai Bhayani:

Congratulations! I am pleased to offer you admission to graduate studies at the University of Guelph. Graduate study at the University of Guelph is supported by internationally renowned faculty who are engaged in cutting-edge research and practice. As a graduate student, you will have an opportunity to work closely with faculty members who are committed not only to their research but to the development of their students as future researchers, educators and practitioners. We are delighted you have chosen the University of Guelph and we are excited to present you with the following offer of admission.

Your admission is conditional pending receipt of the following documents:

Official and Final Transcript - BTECH Dharmsinh Desai University
Official Copy - Degree Cert - BTECH Dharmsinh Desai University

All required transcripts must be received **electronically or in a sealed envelope** directly from the university concerned and show courses taken, grades received, and degree conferred. Electronic transcripts can be sent to gradapps@uoguelph.ca directly from the institution. Documents being sent in a sealed envelope, can be sent to **University of Guelph - Office of Graduate and Postdoctoral Studies – UC Level 3 - 50 Stone Road East – Guelph, Ont** – **N1G2W1**. During the pandemic, please be reassured that our mail room is open and documents will be processed. All degree requirements, including thesis defense and submission (if applicable), must be complete prior to entering the program. If your previous university does not indicate degree conferred on the transcript because your convocation will take place during your first registered semester at the University of Guelph, your convocation will take place in a subsequent semester, or the official transcript does not state this information, we require an official letter from the university confirming that the degree is complete and includes the date of convocation.

Courses completed post application/offer of admission must be declared to the Office of Graduate & Postdoctoral Studies prior to commencing study at the University of Guelph.

All official transcripts and other required documentation must be received by the first day of class of the semester in which you start your program at the University of Guelph (see schedule of dates in the graduate calendar for the date corresponding with the first day of classes). Applicants who fail to meet the conditions of their offer of admission as noted above will normally not be permitted to register for classes for the semester in which they have applied and are admitted. Their offer of admission will normally be rescinded and the applicant will be encouraged to apply to a future semester. For students who are in the process of completing their degree at the University of Guelph, or have completed a degree at the University of Guelph, the Office of Graduate and Postdoctoral Studies will obtain your final official transcript on your behalf.

Student ID Card
The University of Guelph requires proof of identity and citizenship before releasing student ID cards. Please carefully review the criteria to obtain your student ID card. Please visit the Campus Card Office website for information on how to obtain your University of Guelph student campus card. In addition, international students are required to submit a valid study permit and passport. Failure to comply with this requirement may result in your inability to register for current or future semesters.

Details of the offer of admission are as follows:

Program: Master of Engineering, Engineering

Expected Completion Period of Program: 6 semesters

Start Term: Summer 2023 Start Date: May 11, 2023

Category: Regular Classification: Full Time

Program contact: B. Gharabaghi E-mail: soeadgr@uoguelph.ca

Response Deadline: December 6, 2022

Program Funding
Offers of financial assistance are the responsibility of the program. For information about funding, please refer to the Graduate Student Guaranteed Income/Funding Form included in this package. For those whose offer of admission includes a funding package, the University of Guelph would appreciate the opportunity to consider matching competing offers from other institutions. In such an instance, please email your would-be University of Guelph supervisor with details of the competing offer. If you have any additional questions about funding, communicate with your program directly.

If you accept this offer of admission, it is of the utmost importance that you retain and print your offer of admission for presentation to the Canadian immigration officials. You will be required to submit the University of Guelph's Designated Learning Institution (DLI) Number on your study permit application. Our DLI number is: O19305391192. You will also be required to submit detailed funding information. Hard copy documents will not be provided. In order to facilitate your entry to Canada, you should apply immediately to the Canadian Consulate or Embassy nearest your current place of residence. You will be required to be in possession of an appropriate study permit as provided by the Consulate or Embassy before you begin your program at the University of Guelph.

Tuition Fees
Tuition fees are subject to change annually each May. Since tuition rates quoted reflect current rates, please take into account the potential increase. Visit the Student Financial Services website for more information:

Expected Completion Period
For details about the expected completion period of the program, please review the policy in the online graduate calendar:

Academic Integrity
Effective Winter 2013, all students registering for the first time at University of Guelph must successfully complete UNIV*7100 Academic Integrity for Graduate Students course within the first 20 days of the semester. Students will be registered automatically by the Office of Graduate & Postdoctoral Studies and will be able to access the UNIV*7100 course on the first day of classes. Please visit the following website to learn more about the academic integrity course.

Offer of Admission and Your Decision
Carefully review your Offer of Admission and Graduate Student Guaranteed Income/Funding Form. If you have any questions about the program, this offer of admission or your funding package please contact the Graduate Coordinator or the Graduate Assistant in the program to which you have been accepted. Once you have made your decision you must select and submit your response electronically through WebAdvisor. In order to complete the admission process, it is necessary for the university to receive your response before the admission response deadline. Please note, if you have applied to and receive an offer of admission to more than one graduate program, your most recent 'I accept' response in WebAdvisor will be the valid admission response and will replace any previous 'I accept' submission(s). For more information about completing the admission process or if you are considering deferring your offer of admission please visit the monitor application section of our website.

Additional Courses
Any additional courses currently in progress or completed post application/offer must be declared to the Office of Graduate & Postdoctoral Studies prior to commencing study at the University of Guelph. Official transcripts and documentation must be submitted, in sealed envelopes, to the Office of Graduate & Postdoctoral Studies (as noted above, during the pandemic, our mail room remains open) by the 1st class day of the semester in which you start your program. Failure to do so is considered withholding information and may result in your removal from the program. See the graduate calendar for more information on withholding.

Graduate Student Housing
The University of Guelph reserves space in its campus residence for new graduate students. Graduate students are eligible to apply for accommodation in West Residence, East Village townhouses and University owned detached houses on the perimeter of campus. Graduate students wishing to be considered for campus housing must submit their application and deposit by June 1. Applications

received after June 1 will be added to a waiting list and may be offered if vacancies allow. Graduate students with partners or families are invited to apply for our Family Housing community. For more information about campus housing and Family Housing and instructions on how to apply, visit housing.uoguelph.ca. For information about Off-campus housing alternatives, visit www.uoguelph.ca/studentexperience/off-campus-living.

Alternate housing options may be sought through Guelph Campus Co-op housing.

Welcome to Guelph!
We look forward to welcoming you to the University of Guelph community. If you have any additional questions, please do not hesitate to contact the Office of Graduate & Postdoctoral Studies (gradapps@uoguelph.ca), communicate with the department directly, or visit the OGPS website. We encourage you to follow us on Facebook, Instagram and Twitter.

During the COVID-19 pandemic, the University of Guelph provides updated information on our 2019 Novel Coronavirus Information page.

We are confident that your graduate experience at the University of Guelph will become an enjoyable part of your personal and professional growth. We look forward to your response.

Yours sincerely,

Pauline Gažo
Manager, Admission and Recruitment
Office of Graduate & Postdoctoral Studies
gradapps@uoguelph.ca

Protection of Privacy: *We are committed to protecting your privacy. Personal information is collected under the authority of the University of Guelph Act and pursuant to the Freedom of Information and Protection of Privacy Act (FIPPA). If you have questions about the use and disclosure of your personal information, call the Office of Graduate & Postdoctoral Studies at (519) 824-4120 ext. 56833 or visit the Office of Graduate & Postdoctoral Studies website. For further information about access to information and protection of privacy at the University of Guelph, visit the University Secretariat website.*

IMPROVE LIFE.

UNIVERSITY of GUELPH

OFFICE of GRADUATE & POSTDOCTORAL STUDIES

GRADUATE STUDENT FINANCIAL INFORMATION

Effective June 2020

Congratulations! The University of Guelph has offered you admission to a graduate program. As you consider whether to accept this offer, you will need information on all financial aspects related to that decision. It is vital that you have sufficient funding for your tuition, fees and living expenses.

Estimated current costs (tuition, compulsory fees, living expenses, etc.) for one graduate student per year of study in Canadian funds range:

- **Domestic Student -** $23,268 to $36,368
- **International Student -** $34,232 to $59,710

Specific details on these figures and cost of living were made available to you on our website at the time of application. To learn more visit our Anticipated Cost of Living website. Tuition and University fees and can also be found online on the Student Financial Services Website.

Please note: Applicants to the MBA program and MA (Leadership) program are encouraged to review the following websites for information on program fees and all associated costs:

- **MBA:** www.uoguelph.ca/lang/mba/fees-and-program-costs
- **MA (Leadership):** www.uoguelph.ca/lang/ma-leadership/fees-and-program-costs

It is important to note, costs incurred by you may vary depending on many factors including, but not limited to, your lifestyle, whether you are supporting family members, and the program to which you are admitted.

If the program is able to offer you funding, the details will be noted on the Graduate Student Guaranteed Income/Funding Form included in this offer package. If the funding detailed on the funding form is less than your anticipated costs, you will be personally responsible for the remaining amount.

University Health Insurance Plan (UHIP) (International Students only)
As an international student at the University of Guelph you may not be covered by the Ontario Health Insurance Plan (OHIP), you will be required to have health care coverage. The University of Guelph participates in UHIP. This plan will provide you and your eligible family members with health insurance coverage (certain limitations may apply). The cost will depend on the number of people covered - single, double or family (3+), and will be your responsibility. Enrolment is compulsory unless you can document other coverage (see below). Details about the UHIP fee for each semester (and for each category mentioned above) can be found online at: www.uoguelph.ca/registrar/studentfinance/index.cfm?fees/uhip

These costs are approximate and subject to change. They must be paid in full at the time of registration or by payroll deduction. If you become a Graduate Teaching Assistant (GTA), you will be entitled to a partial UHIP Reimbursement Plan available each October from your union, CUPE3913. It is mandatory that you enroll yourself, your spouse, and eligible children in the plan unless you provide documentation to support that you are covered under a plan considered equivalent to UHIP. The following plans are acceptable: · Canadian International Development Agency (CIDA) Health Care Plan · Canadian Bureau for International Education (CBIE) Health Care Plan · Canadian Commonwealth Scholarship and Fellowship (CCSF) Plan · World University Services of Canada (WUSC) Plan · International Council for Canadian Studies (ICCS) Plan · Interim Federal Health Care Plan · Embassy of Kuwait · National Insurance Officer for Social Insurance Abroad (Norway).

UNIVERSITY of GUELPH

OFFICE of GRADUATE & POSTDOCTORAL STUDIES

GRADUATE STUDENT GUARANTEED INCOME/FUNDING FORM

Dear: *Prayag Anilbhai Bhayani* Date: *14/11/2022*

Congratulations! The University of Guelph has offered you admission to a *Master's* graduate program. As you consider accepting this offer, you may wish to review all financial aspects of that decision. This Graduate Student Guaranteed Income/Funding Form ("Funding Form") constitutes the University's financial offer to you and is **contingent on satisfactory progress** in your program, as defined by your academic unit, and satisfactory completion of work assignments in Section A per the collective agreement between the University and CUPE 3913 (Unit 1). Any Additional offers of funding not included in the Funding Form are discretionary and may be subject to availability.

You can expect to receive the following minimum income/funding: $ *0.00* ○ per year for *0* semesters of *Full time study* ◉ total for

The source(s) of income/funding will be:

A. Sources of Employment Income: You will be required to work as a:

☐ Graduate Teaching Assistantship(s)(GTA) # GTA(s) each for

☐ Graduate Service Assistantships(s) (GSA) # GSA(s) each for

Your entitlement to GTAs or GSAs may, at the discretion of your department, be split into more than one work assignment. For example, a guarantee of 1 GTA (140 hours) may be split into two 0.5 GTAs (70 hours each). If the department has indicated your GTA/GSA will occur in an academic year (not a specific semester) your entitlement may be split over multiple semesters. For example, a guarantee of 1 GTA (140 hours) may be split into 0.5 GTA in Fall and 0.5 GTA in Winter.

☐ One (1) appointment, which will replace a GTA or GSA above, as a Sessional Lecturer (as a requirement of your program) in (sem or acad year).

If you are successful in winning a major external scholarship (eg., OGS, NSERC, SSHRC, CIHR etc.), the source(s) of income indicated above will be adjusted as follows:

☐ There will be no change to the work assignments specified above.

☐ You may not be offered a GTA/GSA/SL work assignment as part of your guaranteed funding.

☐ You will be required to work GTA/GSA assignments as follows:

GTA(s) each for (list each semester/academic year)

GSA(s) each for (list each semester/academic year)

The work commitments listed above (which define your "Job Security Period"), may be assigned by the Chair of your Department to occur in one of the following academic unit(s):

The work assignments as indicated above defines your "**Job Security Period**". Please ensure that you apply online to at least one work assignment posting in the department(s) indicated above specifying that you are in your Job Security Period (Level of Consideration 1). Failure to apply online, declining an Offer of Appointment which forms part of the Job Security Period or lack of availability (without extenuating circumstances or prior approval from the Chair of your Department) to complete the work assigned, may result in the loss of your guaranteed work assignment for that semester. Should you secure further employment income over and above that indicated in this letter, such income will be in addition to the funding guaranteed in this letter. Work assignments guaranteed as part of the Job Security Period are contingent on satisfactory performance of

assigned duties.

B. Other Sources of Funding

You are expected to apply for internal and external scholarships as appropriate for your background and area of interest. If you are awarded an internal or external scholarship, the funding received by you under a GRA may be reduced such that the overall guaranteed income remains the same.

☐ **Internal Sources**

- ☐ Graduate Research Assistantship(s) (GRA)
- ☐ Internal Scholarship(s) Granted
- ☐ Internal Scholarships(s) Nominated

☐ **External Sources**

- ☐ External Scholarship(s) (e.g. OGS, NSERC, SSHRC, CIHR etc.)
- ☐ External Funding (e.g. 3rd Party) Specify and attach documentation:

C. ☑ **Self-Funded** You are responsible for the entire cost of your program

- ☐ According to our records, you have signed a waiver of guaranteed funding
- ☑ We are unable to fund your program. We will contact you at a later date if funding becomes available.

Bahram Gharabaghi - 2022/11/15

Vadodara, 390012
INDIA

Dear Ram,

Congratulations on your admission to the Master of Science in Information Technology and Management at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2022 semester! We share your excitement as you begin this next stage in your educational career. Your program director, Mark Thouin, and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page, and on the Academic Calendar. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.

For information on accepting your offer of admission and next steps toward enrollment, visit jindal.utdallas.edu/advising/new-students. Please note that all required supporting documents must be received by the University before you will be able to register for classes. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or residency@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas.

Sincerely,

Monica S. Powell, Ph.D.
Associate Dean, Graduate Programs, Naveen Jindal School of Management

Dear Shyam:

Re: University ID: 2001096661

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Computer Science MS** program beginning in **Fall 2022**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School.

Our offer **expires on April 15, 2022.** Once you have made your decision, please let us know by completing the Luddy Fall 2022 Student Decision Form at https://go.iu.edu/4eXl

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Warm regards,

Selma

Computer Science MS (NT)

WE CHOOSE YOU!

Congratulations Kavish Bhavin Khatri!

It is my privilege to inform you of your offer of Provisional admission to the Computer Science MS (NT) program at the University of Texas at Arlington for the 2022 Fall semester.

In order to ensure your continued success, the following provisional conditions will need to be satisfactorily completed by the end of your first semester of enrollment in order to continue your studies. Student must submit 7th and 8th semester marksheets and provisional certificate/diploma.

Admission to UTA is competitive, and your selection was not taken lightly. We chose you based not only on your

academic record, but by evaluating your potential for continued success. We don't just believe that you will continue to excel, we expect it.

UTA is recognized by the New America Foundation as a model 21st century university. We're bringing resources, technology, teaching, and research together to shape our students and the world around us. In short, UTA will challenge you and engage you.

Please access the accept/decline link on your Student Center page in MyMav to either accept or decline your admission. You can find a checklist outlining the items you need to complete before enrolling at https://www.uta.edu/admissions/enroll/accepted-graduate

Again, congratulations and welcome to the Maverick family.

Sincerely,

Dr. Troy Johnson, Vice President

Student#: C0895289
Program: Full Stack Software Development - FSDT
Location: Toronto

To hold your seat, a pre-payment of **$9,130.00 Canadian Dollars** must be received by the **"First Semester Fee Due Date"**. In order to process your payment, visit **www.lambtoncollege.ca/SecurePay**, and use the payment code found in box 22.

ESTIMATED ANNUAL LIVING EXPENSES	
Accommodation and Food @ $1,100.00/month	$13,200.00
Transportation @ $150.00/month	$1,800.00
Books and Supplies $1,500.00	$1,500.00
Miscellaneous @ $100.00/month	$1,200.00
Total Living Expenses	**$17,700.00**

ESTIMATED ANNUAL SCHOOL FEES	
Tuition	$16,480.00
Ancillary/Student Fees	$400.00
Student Health Insurance	$700.00
Total School Fees	**$17,580.00**

IMPORTANT INFORMATION
Refer to www.lambtoncollege.ca/International for arrival, orientation, refund and withdrawal information.

This acceptance is for Lambton College in Toronto (www.lambtoncollege.ca/toronto). By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Toronto Applicants PDF. If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment.Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review https://www.lambtoncollege.ca/Programs/International/Lambton_in_Toronto/Co-op_Career_Services/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Academic scheduling in certain programs may include Saturday classes.

Students must follow their prescribed program map and academic schedule. Students are required to withdraw if their prescribed program map and/or academic schedule is not followed. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of $600.

Please contact international@lambtoncollege.ca if you require this document in an accessible format.

Dear Aishwarya,

On behalf of our distinguished faculty, I am pleased to congratulate you on your admission to the **Mechanical Engineering MS program** for Fall 2022. Your offer of admission is a testament to your academic credentials and should be a source of pride for you and your family.

CSULB prepares graduate students for a wide range of distinguished careers. We develop graduates who become experts in their fields in both the public and private sectors. I am confident that the graduate program you have selected will inspire, challenge, and support you in the achievement of your highest academic and professional goals.

Our faculty are not only distinguished by their scholarly activities but in their commitment to the success of our students. I look forward to welcoming you and anticipate that with your academic preparation and credentials you will contribute to our history of scholarly achievement, diversity and service.

As you consider our offer, I encourage you to contact your graduate department or International Admissions if they can be of assistance to you. On behalf of the entire CSULB family, I hope that you will join our community of graduate student scholars at CSULB this Fall.

Sincerely,

Jody C Cormack

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: February 15, 2022

Chand Sunil Chaniyara
B/2 Santi Niketan Society, College Motibag Road
Junagadh , Gujarat
362001, India

Student Number: 8831873

Dear Chand Sunil Chaniyara

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: WIL4International
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://international.conestogac.on.ca/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assistance.

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Transition Coordinators at internationaltransition@conestogac.on.ca.

Arrival and Orientation

The International Transition Coordinators can provide you with valuable information regarding arrival and orientation. Please email them at internationaltransition@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

Greetings from Saveetha Dental College,

Congratulations on getting selected into **FDS - Endodontics Program** at Saveetha Dental College. Your working hours will be weekly three days morning 8 am to 1.30 pm and three days afternoon 1.30 pm to 8.00 pm.

Fellowship in Endodontics is one of the most prestigious programs offered by Saveetha Dental College, a constituent of Saveetha Institute of Medical and Technical Sciences, Saveetha University. You have made the right choice in selecting the best institute for dental surgery in the country. We are eager to make your training productive and comprehensive. Saveetha is a place that is going to bring out the best in you.

Your Program is scheduled to start on 14.09.2022 (Wednesday) - 8.00 am

Please find attached the list of instruments required for the program
Please bring 2 sets of natural teeth for your pre clinical work

Note:

1. Please make necessary travel arrangements and abide by the government rules and regulations with respect to Covid -19
2. If you have not been vaccinated for Covid 19, please get yourself vaccinated at the earliest.
3. We would recommend that you get vaccinated for hepatitis B and other mandatory vaccinations as well at your convenience.
4. If you have not reported physically and submitted your certificates please do so at the earliest.

Hostel Requirement:

If you would like to get accommodation in the hostel, please use your registration number given to you by the office and apply online on the link below if you have not already applied.

https://saveethadental.com/hostel

Choose the type of room you prefer (Allotment will purely be on the basis of application queue and availability)

Call the office to inform after applying and to know the status of your application.

Contact Number - (Monday - Saturday - 8.30am to 3.00pm)

044-26801050

044-26801580 / 044-26801583 (Request to connect to admissions office)

Kitchener, Ontario N2G 4M4

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: March 24, 2022

Vaishnavi Shaileshkumar Nandha
6,Bharat Society,Ashoknagar,B/H Railway Station Nadiad,
Kheda , Gujarat
387002, India

Student Number: 8836886

Dear Vaishnavi Shaileshkumar Nandha

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

As a student committed to becoming a health care or community service professional, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: WIL4International
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://international.conestogac.on.ca/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations

INFORMATION FOR STUDENTS

Payment of Tuition

A complete list of payment options can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm.

A complete guide to the Refund and Withdrawal Policy can be found on the Conestoga International website at: https://international.conestogac.on.ca/how-to-apply/international-fees.htm#refund.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process **after** you receive your letter of acceptance and **before** you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution. Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

For more information and to request a credit transfer, please review the Credit Transfer process - https://www.conestogac.on.ca/credit-transfer/transfer/individual or email CreditTransfer@conestogac.on.ca for assistance.

Please also review the **Advanced Standing and Credit Transfer Policy:** http://www.conestogac.on.ca/credit-transfer/transfer.jsp

Need help?

Watch the Credit Transfer Request - Instructions video.

Before you leave to come to Canada

https://international.conestogac.on.ca/student-support/index.htm

1. **Arrange for Housing**
2. **Airport transfer** - you may make your airport pick-up reservation.
3. **Health insurance** - the College mandatory health insurance will cover you from the first day of class. Be sure you are adequately covered with alternate insurance until that date.

Remember: It is up to you to make your own housing and airport pick-up arrangements. If you need additional help, please contact the International Transition Coordinators at internationaltransition@conestogac.on.ca.

Arrival and Orientation

The International Transition Coordinators can provide you with valuable information regarding arrival and orientation. Please email them at internationaltransition@conestogac.on.ca.

Other Relevant Information:

If you have been accepted to both English for Academic Studies and a diploma/degree program, your admission to the diploma program is based on successful completion of English for Academic Studies. Students entering degree/post graduate/Nursing programs must achieve an overall grade average of 80% with no grade less than 75% in Level 4 of EAS.

AIAD FCE Confirmation Mail

Inbox

Asian Institute of Advanced... 9 May

to me

This mail is to confirm that we have received the **payment of 7,000/-** as the registration amount towards the FCE *program* starting on 16th Aug 2022 .

The orientation session starts at 9:30 am

CONESTOGA COLLEGE INTERNATIONAL EDUCATION OFFICE

Date: December 13, 2022

Mihir Pradipkumar Rana
15/B Shreenath ji Park Soc. , Mahesana Nagar Road, Kadamnagar Nizampura
Vadodara , Gujarat
390024, India

Student Number: 8909329

Dear Mihir Pradipkumar Rana

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the Canadian Embassy or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for scholarship opportunities.

If you have been accepted to a health care or community service related program ONLY, you must complete health and safety requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
FOR IMMEDIATE ACTION : To locate information on your WIL Document Requirements, please visit our myConestoga webpage at www.myconestoga.ca. Please use the below login information to access the page.
Login ID: WILdocumentforms
Password: WIL4International
Please read through the **Welcome Page** information and then proceed to locate your **WIL Document Forms** found under the **WIL Document Forms tab.** Please select your forms based on your Program of study.
DEADLINES: Your WIL document requirements must be completed prior to attending any WIL experience. Come and see the Nurse as soon as possible upon arrival to Canada. If you have any questions about these requirements after viewing the myConestoga webpage, please do not hesitate to contact **WIL Document Services** at WILdocumentservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit Citizenship and Immigration Canada (CIC) Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at https://www.conestogac.on.ca/international/contact.

We look forward to welcoming you to Canada and Conestoga College.

Best wishes,

Anita Couto
Director, International Enrolment and Operations

Dear Harsh Thakkar,

We are pleased to offer you admission to the Master of Engineering: Engineering Practice (Mechanical) program in the Engineering Practice Unit for the Fall 2023 term.

You can view your formal Statement of Standing offer of admission details by clicking "View Offer of Admission".

You must accept or decline your offer within 21 days of the date of this letter.

Before accepting your offer, you need to read and understand Carleton's Terms and Conditions of Admission and Funding available online at carleton.ca/fgpa/terms. This information is associated with your offer and has important facts about funding eligibility, criteria, the academic integrity policy and other matters.

By accepting this offer, you will be committing yourself to a first-class educational and professional experience.

If you have any concerns or questions, please contact the Engineering Practice Unit or the Faculty of Graduate and Postdoctoral Affairs (carleton.ca/fgpa).

Yours truly,

Patrice Smith, Dean
Faculty of Graduate and Postdoctoral Affairs

Laurentian University is pleased to admit you to the following program(s):

PROGRAM OFFERED	COMMENTS/CONDITIONS
M. Eng. Engineering Science - Course Based	Submit final official transcripts from DHARMSINH DESAI UNIVERSITY. Must be submitted prior to April 15th, 2024. Not eligible for GTA

We await your response to our offer:

In order to reserve your place in the program indicated above, please respond to us within **three weeks** by accepting your offer on your myLaurentian Portal at my.laurentian.ca.

Please note that if you are currently completing courses, and fail to complete the minimum admission requirements for your program, the university reserves the right to withdraw this offer of admission.

Additional Funding Options:

- Select, full-time Graduate students with a GPA of 75% or higher **may be eligible** for a Graduate Teaching Assistantship (GTA) position in their field of study during fall and winter terms (up to $9,180.00 for Master's students; up to $13,307.00 for Ph.D. students). GTA positions will be confirmed at a later date. For more information, please contact us at graduatestudies@laurentian.ca.
    - ***Please note that students admitted to programs without a thesis, including but not limited to Masters of Business Administration (MBA); Masters of Engineering – Fast Track Option; Masters of Forensic Science; Masters of Geology – Mineral Exploration, One- and Two-year Options; Masters of Computational Science - course-based will not be eligible for GTA positions.****

Laurentian also offers a number of internal scholarships, awarded in the Fall semester. For information about additional funding opportunities, please contact graduatestudies@laurentian.ca.

*Subject to change, please contact your program coordinator for further details.

Graduate Admissions

February 7, 2023

Mr. Harsh prakashbhai Parekh
B-7,Navdurga Society,Opp Ranchodji Mandirwadi
Vadodara, Gujarat 390002
India

Dear Harsh prakashbhai:

I am pleased to inform you that you have been admitted to the Master of Science program in Mechanical Engineering in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2023 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of $5000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.
Sincerely,

Dr. Jean Zu
Dean of the Schaefer School of Engineering & Science
Stevens Institute of Technology

Terms of Admission

Name: Mr. Harsh prakashbhai Parekh

Degree Program: Master of Science

Major: Mechanical Engineering

Mode of Study: On-campus classes on the Stevens campus

Faculty Academic Advisor:
Professor Robert Chang
(201) 216-8301
Robert.Chang@stevens.edu

Entry Term: Fall 2023

Enroll Status: Full-time

Important Reminders:

- Deferrals may be requested for one semester and must be approved by the Office of Graduate Admissions.
- All final official documents, including your official transcripts, proof of conferment of degree, official test scores, and financial documents must be submitted to the Office of Graduate Admissions. Please review any missing items that are indicated on your application status page. All required documents must be received prior to the start of your first semester. If you do not submit the required documents, you will not be permitted to enroll for your second semester.

Next Steps

- Confirm your attendance here (https://gradadmissions.stevens.edu/apply/form?id=26085bd8-8dcc-45ae-9f4f-c737c432ebb0) as soon as possible, but no later than March 15, 2023.
- To confirm your attendance at Stevens, you must submit a $500 enrollment deposit which will secure your seat in the class. The deposit is not refundable, but will be credited toward your first tuition bill. After accepting the offer of admission, pay your enrollment deposit by clicking on the "Enrollment Deposit" link on your Applicant Status Page.
- Review **The English Language Proficiency Requirements** to determine if you will need to take any English Language course in your first semester at Stevens. A copy of the policy can be found at www.stevens.edu/sit/graduate/ELC (http://www.stevens.edu/sit/graduate/ELC). **Note**: Placement in any English Language course will be made based on the English Language test score used during the application review process.

- Upload to your Application Status page all documents listed below required for the issuance of the I-20 Form*:

    - Copy of passport identification page with photograph
    - **Graduate Financial Verification Form (FVF) (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1)**. Form must be completed in its entirety.
    - Financial documentation that proves your ability to meet all education and living expenses for at least the first year of study (for the total amount please refer to the FVF /Part II)
    - Transfer students: If you are transferring to Stevens from another U.S. institution, you must submit additional documents; a list of documents can be found **here (https://www.stevens.edu/transferring-in-to-stevens)**.

    **Guidelines for Submitting Financial Documents are available on the ISSS website here (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1) and on your Application Status page under "I-20 Documents Tips"*

    Please Note: I-20s are generally issued within 10 business days after your student record has been created on Workday and all required documents (https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1) are uploaded in your Applicant Status Page. If additional documentation or information is needed, an ISSS staff member will contact you directly once the review of documents is completed. When processed, the Form I-20 will be forwarded electronically to the e-mail address provided on your admissions application.

Stevens Master's Scholarship
Terms and Conditions

Mr. Harsh prakashbhai Parekh
B-7,Navdurga Society,Opp Ranchodji Mandirwadi
Vadodara Gujarat 390002
India

Congratulations! As indicated in the letter from the Dean, you have been awarded a Master's Scholarship Award for the Fall 2023 semester in the amount of $5000.

Please read the terms and conditions of this award.

- This is a one-time award that will be disbursed over two consecutive semesters; the award can only be applied toward your tuition and fees for two subsequent semesters, beginning with the Fall 2023 semester.
- The award cannot be deferred to a future term and is non-transferable.
- To accept the award, the enrollment deposit of $500 must be paid on your Applicant Status Page by **March 15, 2023.** The enrollment deposit is non-refundable, but will be credited toward your tuition.
- The award will be disbursed in two equal installments and applied towards your student account after the drop/add period of respective semester.
- This award is contingent upon you maintaining a full-time on-campus enrollment status as a Master's student in the program for which this award was made. At any time during the semesters should your enrollment status change your award will be canceled and any funds disbursed for that semester will be removed from your student account. You will be responsible for making any outstanding balances that result due to the fellowship cancellation.
- The award is only valid for students enrolled full-time in an on-campus Master's program.
- The award will also be canceled should you decide to withdraw from Stevens at any time during the above-mentioned semester.
- If you are a current Stevens Institute of Technology student and have been admitted into a new program, you are not eligible for the scholarship.
- Failure to accept the offer of admission and pay the enrollment deposit will result in the automatic forfeiture of the scholarship award.

Dear Het,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Mechanical Engineering program for the Fall 2023 semester! We share your excitement as you begin this new stage in your education.

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/graduate-next-steps. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

Please note that the University must receive all required supporting documents before you can register for classes.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or admission@utdallas.edu.

We look forward to welcoming you to UT Dallas.

Sincerely,

Confirmation of degree completion must be received by the Office of the Registrar-Graduate Division by the stipulated deadline. Documents must be received directly from your institution or delivered in a sealed envelope issued by your institution.
Date Due: December 1, 2023

Final transcripts indicating all courses & grades must be submitted prior to the end of the first academic semester. Documents must be received directly from your institution or delivered in a sealed envelope issued from your institution to the Office of the Registrar-Graduate Division.

University of Windsor
Faculty of Graduate Studies & Office of Quality Assurance
401 Sunset Avenue
Windsor, Ontario, Canada N9B 3P4
www.uwindsor.ca/graduate

Date Due: December 1, 2023

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (isc@uwindsor.ca) by the last day to add courses within the first term of registration.

As a reminder: to reserve your place in this program you need to accept this offer of admission by February 21, 2023.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://www.uwindsor.ca/finance/fee-estimator.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.
Do you have a question: Please visit https://ask.uwindsor.ca.

Let me be the first to welcome you to the Lancer family. You are about to embark on an important journey. We could not be happier that you have chosen the University of Windsor as your partner in learning.

All the best,

DKane
Dr. Debbie Kane
Acting Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. The VISA refusal letter for the term in which your offer is valid will need to be provided to the Cashier's Office to receive a refund. See the University of Windsor website for the refund policy.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. Documents need to be submitted in official capacity.

    - You can have your University send the official documents to the University of Windsor directly at transcripts@uwindsor.ca.
    - Alternatively, you can mail the documents at:

University of Windsor
Office of the Registrar - Graduate Studies Division
401 Sunset Ave.
Windsor, Ontario, N9B 3P4 Canada

If you have English Language Conditions on your offer:

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

    You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca.
    Direct inquiries can be directed to applyesl@uwindsor.ca.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of

living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

-Fees are mandaotry and will vary term to term

Deposit Information

Submission of a $4,000.00 deposit is required within 21 days of your date of admission to secure your place in your program. The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to TUITDEP@uwindsor.ca.

Learn More about fee payment options as www.uwindsor.ca/finance/student-accounts

University of Windsor

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

RESIDENT ASSISTANTS

STEPS AWAY FROM CLASSES

SAFE & SECURE

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE!

Immerse yourself in university life by living on campus. UWindsor residence invites you to be part of a dynamic community and offers a memorable university experience.

Steps from classes, on-campus events and additional facilities, residence life supports your personal growth, both academically and socially.

Participate in exclusive events, take a stroll along the riverside or enjoy a diverse selection of food with your meal plan– all at your own convenience.

Beyond your stay as a resident, work as a desk services staff or serve on the residence committee to learn outside the classroom and make lifelong connections.

Staff are on-call 24/7 and resident assistants (RAs) dedicate their time to enhancing your experience and supporting your transition to university.

24/7

Academic and personal help on hand

Living Learning Communities

Live with students who share your academic program or interest. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Black Leadership and Excellence, Nursing and Science Communities.

Choice of Roommate

For the Fall, students will be able to select their roommate through the application portal process.

Residence Guarantee

Accommodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability.

Special Considerations

A limited number of rooms are available to students who require special accommodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit uwindsor.ca/residence

Meal Plans

No need to prepare meals or go grocery shopping. For Fall and Winter, residence students are required to choose a meal plan from a variety of options, with values ranging from $5,100 - $5,800 for Fall/Winter. *You may use the meal plan to pay for food at all outlets on-campus as well as several nearby restaurants. For more information, please visit uwindsor.ca/food

*** Meal Plan rates are based on 2021-2022 and are subject to change for 2022-2023.**

Bookstore Plan

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence** and select Services.

Gender-Neutral Options

Residence offers different gender identity options and all-gender housing, which can be found on the residence application.

Welcome, Future Lancers!

Check out our room layouts

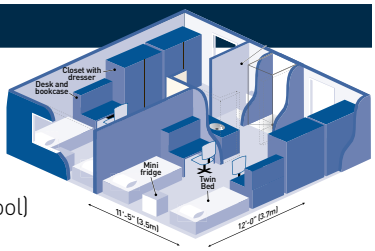

Laurier Hall $7,817*

- Single rooms
- Twin or double bed
- Common bathrooms
- Beyond first-year students
- Home to the International Student Centre

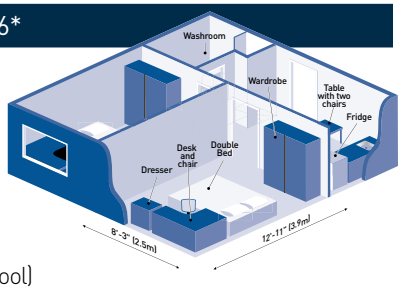

Cartier Hall $7,524

- Double rooms
- Twin beds
- Semi-private bathroom
- First-year students (coming directly from high school)

Alumni Hall $8,556*

- Two-bedroom suites
- Double beds
- Semi-private bathroom
- Kitchenette
- Student lounges
- Beyond & First-Year students (coming directly from high school)
- The Bru convenience store

FUN FACTS about living in residence:

- Meet & live with people from all over the world
- Get involved with our residents council or advisory boards and you have a say in what happens in residence — for both the fun stuff, like events, and our community standards
- Meet other people living the same experience as you!
- This may be the only time in your life where you get to live with hundreds of other people your age and experience the same fun and excitement of living on your own
- Student staff run lots of events, so there is always something to do and different ways to get involved

*** Information above is subject to change.**

- ☑ **LIVE CONVENIENCE:** More time for campus life
- ☑ **LIVE COMMUNITY:** Lifetime friendships
- ☑ **LIVE VALUE (AFFORDABLE):** All-in cost offers

What do you enjoy most about living in residence?

ALYSSA

I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my floor mates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

CALEB

I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Being close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.

University of Windsor

Come back!

After first year, you're welcome to come back to the UWindsor Residence!

You are welcome to live in residence for the duration of your time on campus. For more information, please visit uwindsor.ca/residence

Zulassungsbescheid zum Fachstudium an der Technischen Universität Dortmund
Wintersemester 2023/2024
Studiengang: Master 1-Fach, Automation and Robotics, 1. Fachsemester
Auflagen: Bachelorabschluss und Gesamtnote von mindestens 2,0 im deutschen Notensystem
Staatsangehörigkeit: Indien
Geburtsdatum: 27.05.2001

Guten Tag harsh ramniklal kasundra,

wir freuen uns Ihnen mitteilen zu können, dass Sie im Wintersemester 2023/2024 ein Studium im Studiengang **Master 1-Fach, Automation and Robotics, 1. Fachsemester, Auflagen: Bachelorabschluss und Gesamtnote von mindestens 2,0 im deutschen Notensystem** aufnehmen können.

Die Einschreibung erfolgt ausschließlich in der Zeit vom **01.07.2023 bis zum 15.11.2023.**

Um die Immatrikulation zu beantragen, übermitteln Sie bitte alle immatrikulationsrelevanten Dokumente form- und fristgerecht an das Referat Internationales. Eine persönliche Vorsprache ist nicht nötig. Bitte beachten Sie, dass eine Immatrikulation in das Fachstudium ausschließlich erfolgen kann, wenn Sie die notwendigen Einschreib- und Sprachvoraussetzungen erfüllen. Informationen zu dem Prozess der Einschreibung und zu den benötigten Unterlagen finden Sie auf der folgenden Internetseite: www.international.tu-dortmund.de/einschreibung

Bitte legen Sie diesen Zulassungsbescheid bei den zuständigen Behörden zur Beantragung eines Visums zu Studienzwecken sowie bei einer gesetzlichen studentischen Krankenversicherung in Deutschland vor.

Dieser Bescheid ist unter dem Vorbehalt gültig, dass die von Ihnen gemachten Bewerbungsangaben vollständig und korrekt sind und verliert seine Gültigkeit, wenn Sie sich nicht während des festgelegten Immatrikulationszeitraumes an der Technischen Universität Dortmund einschreiben oder für das Wintersemester 2023/2024 für den oben genannten Studiengang Zulassungsbeschränkungen festgesetzt werden.

Freundliche Grüße

i.A. Breiholtz

Letter of Admission: Enrollment in degree program at TU Dortmund University
Winter semester 2023/2024
Degree program: Master 1-Fach, Automation and Robotics, first semester
Requirements: Bachelor's degree and overall grade of at least 2.0 in the German grading system, APS Certificate
Nationality: India
Date of birth: 27.05.2001

Dear harsh ramniklal kasundra:

Thank you very much for your interest in studying at TU Dortmund University. We are pleased to inform you that in the Winter semester 2023/2024, you can start your desired degree program, **Master 1-Fach, Automation and Robotics, first semester, Requirements: Bachelor's degree and overall grade of at least 2.0 in the German grading system, APS Certificate**.

Enrollment can exclusively take place from **1 July 2023 to 15 November 2023.**

In order to apply for enrollment, please submit all the documents which are relevant for the enrollment to the International Office in due form and time - you do not need to submit the documents in person. Furthermore, it is important to keep in mind that you can only enroll in the degree program if you fulfill all the enrollment requirements and can provide proof of your language proficiency. Information about the enrollment process and the required documents can be found on the following website: www.international.tu-dortmund.de/en/enrollment

Please present this Letter of Admission to the relevant authorities if you are applying for a student visa or if you need to present a document at your statutory German health insurance.

This Letter of Admission is valid on condition that the information you provided in your application is complete and correct. It becomes void if you do not enroll during the stipulated enrollment period at TU Dortmund University or if admission restrictions are established for the above-mentioned degree program for the Winter semester 2023/2024.

Best regards,

Ronakkumar Maheshbhai Amin
A-23 Someshwar Bunglows Tulsidham Shak Market Zadeshwar Road, Bharuch, Gujarat
392001, India

Dear Ronakkumar Maheshbhai Amin,

Congratulations! On behalf of all our faculty and staff, we are excited to welcome you to Fleming College. Here you will find a supportive, caring community that will help you achieve your academic and career goals and so much more. By becoming part of one of our unique campus communities, we are confident you will grow as an individual as you get started on the path to your future career.

This letter and accompanying document contains information required by the Immigration Section of most Canadian Embassies. It is intended to facilitate your application for a Study Permit and should be submitted to the Canadian Embassy.

Please see the following page "How To Accept This Letter of Acceptance" for the steps you need to follow now that you have received an offer from Fleming College.

If you have more detailed questions about your program, we suggest that you get in touch with your program coordinator, whose contact information is available on individual program web pages at: flemingcollege.ca/programs.

Sincerely,

S Gosselin

Sherry Gosselin, Registrar
Fleming College

FLEMING COLLEGE
LETTER OF ACCEPTANCE

IMPORTANT: HOW TO ACCEPT THIS LETTER OF ACCEPTANCE

Please note that you must meet the deadlines outlined on the Letter of Acceptance.

The following information outlines key steps in the application and arrival process.

1. **Accept your Offer:** Please login to the OCAS International Application Portal to accept the offer.

2. **Fee Payment:** Payment for tuition must be received by the deadline on this letter to hold your spot while you wait for your study visa approval. If your initial non-refundable deposit payment of **$9,837.41** is not received by the specified due date, your space in the program is not guaranteed and may be revoked.

   Additional payment dates as outlined in your offer must also be met. It is the responsibility of the student to ensure processing time is considered when payment is made. Wire payments can take 3-10 business days to reach the college. Payments that arrive late, can result in your space being revoked.

   ***Wire and Bank Transfer payments that do not include the Fleming student number and student's full name cannot be processed.**

   Fee receipt(s) are uploaded to a student's OCAS portal once payment is received by Fleming College.

   Instructions for making payment to Fleming College can be found on the last page of this offer. The Fleming College Refund and Withdrawal Policy can be found on the International Student Fees website.

3. **Read and Verify the Information on your Letter of Acceptance**
   a. Does the name on your offer match the name on your passport? Is your Date of Birth correct? If there are any errors, contact InternationalAdmissions@flemingcollege.ca
   b. Does your offer letter say that your program has a Co-Op portion (including placements and internships)? If so, you will need a Co-Op Work Permit
   c. Are there any instructions/deadlines that you have to follow?

4. **Apply for a Study Permit and Temporary Resident Visa (TRV) or Electronic Travel Authorization (eTA) and Co-Op Work Permit if required**
   a. How to Apply for a Study Permit: https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit.html
   b. Determine if you will be applying from outside or inside Canada
   c. Find out if you need a TRV or eTA: http://www.cic.gc.ca/english/visit/visas.asp
   d. Find out if you must give Biometrics - http://www.cic.gc.ca/english/visit/biometrics.asp
   e. Make sure you request a Co-Op Work Permit if your offer letter says you need one
   f. Read the IRCC Instruction Guide and gather your documents
   g. Check current processing times to ensure you apply on time: http://www.cic.gc.ca/english/information/times/index.asp
   h. If working with an agent, be sure that you get a copy of your application and check the information for accuracy before submission to the Canadian Embassy
   i. Questions? Contact us at international@flemingcollege.ca

5. **Prepare your Arrival in Canada**
   a. Determine if your program has any non-academic requirements (NARs).
   Immunization requirements: https://department.flemingcollege.ca/health-services/immunization-requirements/immunization-requirements-by-program
   Non-Academic Requirements: https://flemingcollege.ca/admissions/admissions-information
   b. Check the Academic Schedule: https://flemingcollege.ca/admissions/academic-schedule
   c. Register for Orientation: https://department.flemingcollege.ca/iss/orientation/
   d. Review the Government of Canada Website about planning your arrival: https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare-arrival.html
   e. Planning to look for a job? Understand the laws about working while studying in Canada https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/work-off-campus.html

Special Note: Study Permits and co-op work permits, if applicable are issued when you arrive at the Port of Entry (border or airport) by Canada Border Services Agency. **Check that all the information and spelling is correct on the permit and do not leave the Port of Entry without it.**

Immigration information on this page is subject to change.
The information on this page has been reviewed and endorsed by a Regulated International Student Immigration Advisor (RISIA) in accordance with the Immigration and Refugee Protection Act (IRPA) and Regulations (IRPR). This is not a legal document and information may change without notice. INTERNATIONAL STUDENT PAYMENT OPTIONS

CIBC International Student Pay

The preferred method for paying your fees is through our online CIBC international payment portal. This portal allows you to pay by wire, bank or credit card in the currency of your choice, anywhere in the world. Make a payment now.

Choosing this method of payment ensures the fastest service for uploading payment receipts to OCAS and refund processing.

Other payment options are:
Direct Mail

Cheque or Money Order are made payable to Sir Sanford Fleming College. Please make sure your name and student number are attached so we can apply it to the correct account. Failure to provide this may delay in us being able to process your payment.

UNCONDITIONAL OFFER LETTER

Dear Dirdh Prafullkumar

Congratulations!

We are very pleased to confirm that you have now secured an unconditional offer to study with us for the course listed below.

Personal Information

Full Name (as stated on your Passport): **Dirdh Prafullkumar Patel**
Passport Number: **Z6712609**

Course Information

Course Title: **MSc Artificial Intelligence FT**
Intake: **September 2023**
Year of Entry: **1**
Length of Study: **1 year full time**
Course Start Date: **4 September 2023**
Course End Date: **26 September 2024**
Mode of Study: **Full time**
HECos Code(s):
ATAS Required: **N/A**
CAH3 Code(s):

Tuition Fees and Scholarship Information

First year tuition fee: **£17000**
First year scholarship awarded: **4000**
First year tuition fees payable: **£13000**
First payment instalment: **£6500** to be paid by **30 September 2023.** This is usually met as part of the deposit condition. If your condition is to pay less than 50% or you incur any bank charges when making the payment, the remaining balance of the 50% must be paid by this date.
Second payment instalment: **£6500** to be paid by **31 January 2024**

Sponsored Applicants

If your tuition fees are going to be paid by a recognised UKVI sponsor, such as your Government or employer, your sponsor will be invoiced for the tuition once you have enrolled.

Next Steps

Accept your place on the course as soon as possible via MyHud

What we will then do is:

Proceed to issuing your Confirmation of Acceptance for Studies (CAS) which you need to apply for your student visa. We will contact you by e-mail in the first instance to ensure we have the correct information. Please reply to this e-mail and as quickly as possible, as we cannot issue your CAS until you have responded.

Your CAS will then be issued, and the official CAS statement will be available to download from MyHud.

Please note that if you already hold a valid visa to study in the UK, please notify us as soon as possible, providing a copy of your current visa.

Contact Us

We are here to support you through your application journey. Please contact your dedicated admissions team if you have any queries at **IOTeam2@hud.ac.uk**

Congratulations again on your offer, and we look forward to you being part of the University of Huddersfield community.

Yours sincerely

TERMS AND CONDITIONS

Original Documents

You are required to bring your original documents for the qualifications which are stated on your CAS statement, along with your passport and visa to enable you to enrol at the University.

Confirmation of Acceptance for Studies (CAS) Issuing Policy

As part of the admissions process, if you have previously studied in the UK, you are required to provide the full details of your UK immigration history, which includes any visa refusals.

There may be occasions whereby we need to contact the UKVI to obtain more information regarding your immigration history. If this is required, we will ask you to sign a consent form to confirm that you authorise the University to request this information. Failure to provide this consent will result in your application being withdrawn.

Depending on the outcome of your immigration history check, this may result in the University being unable to sponsor you for a Student Visa and unable to process your application further.

Failure to declare this information will result in a visa refusal.

At the CAS stage of the process, you will be asked to confirm whether all your details are correct. If there are any discrepancies in what you confirm as correct, which in turn results in a visa refusal, the University may be unable to issue any future CAS.

The full CAS issuing policy can be provided on request.

Visa Refusals

If you have a previous visa refusal, from the UK or any other country, the University reserves the right to decline your application based on your immigration history.

Fraudulent Documents & Payments

If a fraudulent document is provided or fraudulent payment has been made (including any attempts of fraudulent payments), your application will be withdrawn with immediate effect and you will not be eligible to apply to the University again in the future. If you are already a current student and carry out any fraudulent activity including but not limited to tuition fee payments, this will result in withdrawal from the University and curtailment of your visa, requiring you to return to your home country.

Duplicate Agent Applications

If you have applied through one of our contracted agents, and subsequently wish to change to a different agent, you will be asked to confirm this in writing to the International Office. Please also note that your original application will be withdrawn, and we will treat your new agent request as a new application.

Alternative Offers

After considering your application, we may feel that an alternative course choice is more suitable for you. Subsequently we will make a conditional offer as appropriate, and you will be notified that an alternative offer has been made. Please note that this may include being offered one of our pre-degree programmes, taught here on University campus. If we feel that you require a pre-degree programme, we will refer your application to Study Group, who will then contact you directly regarding a place on one of the courses here with us.

Discontinuation & Withdrawal of Courses

In the unfortunate event that a course that you have been offered a place for is discontinued, we will contact you to make you aware and to provide options for alternative courses.

Sponsored Students

If you declare that you are sponsored (for example by your government or employer) and have provided us with a financial guarantee to confirm that your sponsor is responsible for your tuition fees, we are then obliged to provide updates on your progress and attendance as outlined in the terms and conditions of your financial guarantee, including where appropriate details of any sanctions.

Tuition Fees

Full details of the tuition fees can be found at https://www.hud.ac.uk/international/applicants/how-to-pay-your-fees/ (https://halo.hud.ac.uk/silive/sits.urd/run/Full%20details%20of%20the%20tuition%20fees%20can%20be%20found%20at%20https://www.hud.ac.uk/international/applicants/how-to-pay-your-fees/)

Our recommended method of payment is through our secure Card Payment Gateway using a credit or debit card.

Deposits against Tuition Fees: Payments & Refunds Policy

You are required to pay a minimum 50% deposit as outlined in your offer letter in order to fulfil the condition of your offer. The remaining balance MUST be paid as followed:

Intake: September - First Instalment: 31 October. Second Instalment: 31 January
Intake: January - First Instalment: 31 January. Second Instalment: 30 April

Please note that the instalments stated above are the final payment deadlines, and you are expected to pay in good time before these final dates. Failure to pay your tuition fees will result in a block on your student account, which means that you will not have access to all the course materials and access of the library. Continued failure to pay will result in withdrawal from the course, and withdrawal of sponsorship of your visa.

Deposit amounts paid are detailed on the Confirmation of Acceptance for Studies (CAS). Where additional payments are received after a CAS has been issued, this will be noted on the UKVI Sponsor Management System.

Please note however, that this can only be updated if you have not yet applied for your visa.

Exceptions to the deposit requirement only:

- Applicants who are in receipt of financial sponsorship from an employer, government body or other organisation which meets the UKVI sponsor criteria, and you provide an acceptable financial guarantee confirming the sponsorship.
- Applicants in receipt of US Government Loans (William D Ford programme) that are originated by the University.
- Applicants who are progressing from another programme within the University.

- Applicants applying through the NCUK centres in China.

Refunds Policy

The International Office will make the final decision on all refunds and are non-negotiable.

In the event of a visa refusal overseas, a full refund of any monies paid to the University will be provided. You must provide a copy of your visa refusal to the International Office in order for the refund process to commence.

In the case of a fraudulent document and/or fraudulent payment submitted, no refund will be given. Please refer to the fraudulent documents and payments section for further information regarding the consequences of fraudulent activity.

No refund will be provided if you fail to enrol at the University once you have been issued with and used your CAS.

Significant overpayments (i.e. more than £5000 over the full tuition fees) will not be refunded until graduation.

Payments made by credit card will take 3 months to refund. Other payment methods, including bank transfers will be refunded as quickly as possible.

Refunds will only be made to the person or organisation that made the original payment. Any third party payment request must be authorised by the original payment maker.

Scholarships

Full details regarding the current scholarships available can be found at https://www.hud.ac.uk/international/scholarships/ (https://www.hud.ac.uk/international/scholarships/)

Complaints Process

If you wish to make a complaint or query your admissions, please refer to the University Applicant Complaints and Appeals Policy at https://www.hud.ac.uk/media/policydocuments/Applicant-Complaints-and-Appeals-Policy.pdf (https://www.hud.ac.uk/media/policydocuments/Applicant-Complaints-and-Appeals-Policy.pdf)

ADMISSION LETTER winter semester 2023/24

Dear Mr. Lathiya,

After reviewing your application for admission, we are pleased to inform you that you have been admitted to study at the Otto-von-Guericke-Universität Magdeburg, Faculty of Electrical Engineering and Information Technology in the **MSc course: Electrical Engineering and Information Technology** with **4 semesters of standard study period**.

The language of instruction for the programme is English; therefore, a proof of German is not necessary. Your proof of English proficiency has been checked and approved.

For enrolment, please complete the enclosed *"Application for Enrolment"*, scan it in personally, sign it and send the documents listed on it for enrolment from **1 September to 30 September 2023** by e-mail to enrolment@ovgu.de. Please be sure to follow the **instructions** on the application. Your application must be received by 30 September 2023 in order to be processed.

Courses start on 09 October 2023. Please check here for the start of your semester before you start your studies.

Personal attendance at the courses is required. **Entry by 31 October 2023** at the latest is recommended by the university. If you are unable to enter by then, we recommend that you postpone to the next possible semester. You will find further important information on the enclosed information sheet.

Sincerely yours,

Admission office
Encl.:
Application for enrolment

This notice was generated electronically. It is valid without a signature and stamp.

The admission is valid only for the winter semester 2023/24.

Further important information for enrolment at Otto-von-Guericke-University Magdeburg

A good start at the beginning of the semester will enable you to study successfully. Based on our experience with online enrolment and problems with visa applications in recent semesters, we would like to show you the following options:

1. Enrolment and timely entry/late entry
If all required documents are complete and on time, you can be enrolled as a student at the university. Please note the following principles:

- As of the date of enrolment in Germany, German health insurance is mandatory for all students. Information on health insurance in Germany can be found here. Please note that you will incur costs for health insurance contributions if you arrive late, even if you are still outside Germany.

- Arrival at the beginning of the semester, but no later than 31 October 2023, is strongly recommended, as online study is not possible. You can find out whether individual online courses are offered from your study counselling service at your faculty.

- A leave of absence due to late entry is not possible and the semester of enrolment counts as a full semester within the study period. Therefore, make an appointment in time to apply for a visa at the German Embassy in your country of origin.

or

2. Postpone your admission because of the time-consuming process of obtaining a visa
If it is not possible to enter Germany in time, you can postpone your admission and thus your enrolment to a later semester*. The following applies:

- A postponement can be made informally for a maximum of one year by sending an e-mail to enrolment@ovgu.de. Please state your name, your applicant number and briefly tell us when you will be entering. Please note the start date of your chosen degree programme!

Postpone in	**notification until**	**New admission at the earliest**
Summer semester 2024	30 November 2023	from November 2023
Winter semester 2024/25	31 May 2024	from May 2024

If you do not meet the deadlines, you will have to apply again via uni-assist.

If you have any further questions, please contact enrolment@ovgu.de.

*This is not possible for restricted study programmes. Applicants have to take part in the ranking again.

University of CINCINNATI

Phone: (513) 556-1100
Email: grad.admissions@uc.edu

Dear Shloka Rajkumar,

Congratulations! We are thrilled to offer you admission to University of Cincinnati's Electrical Engineering, Master of Science program offered through the College of Engineering and Applied Sciences for Fall 2023.

University of Cincinnati provides the perfect backdrop for your graduate experience offering some of the most recognized academics in the work to advance your professional career whether you want to be in academia or a Fortune 500 company. You embody what it means to be a Bearcat and we can't wait to see the impact you're sure to make on the world as you begin your graduate studies with us!

To accept or decline this offer of admission, you will need to complete the confirmation form now available on your applicant status page (scroll to the bottom of this page and select "Return to Application Status"). You can also log back in anytime to complete the form.

The Electrical Engineering, Master of Science program may have additional requirements and deadlines for the acceptance of your offer of admission. Please direct any questions or concerns to your program of study.

I look forward to your reply and welcoming you to an outstanding graduate student experience at University of Cincinnati.

Sincerely,

Jack Miner

Offer of admission

July 13, 2023

Lakshit Unadkat
Charanat B/25, Haripark-3,
Near Rameshwar Chowk, Raiya Road

Rajkot 360001
India

Student ID number: 21112424
Application number: 01160763

Dear Lakshit,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program:	Electrical & Computer Engineering, MEng
Term of admission:	Winter 2024
Attendance:	Full-Time
Term begins:	January 1, 2024
Registration ends:	January 31, 2024

See the calendar of important dates for academic term deadlines.

Please complete the admission conditions listed below by the due date(s) listed in Quest. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent by email or courier
GSPA accepts official secure electronic transcripts provided by the issuing institution and from services such as MyCreds, Digitary, Parchment, National Student Clearinghouse, eScript-Safe, or TranscriptsNetwork. If your institution issues a secure electronic transcript, please have it sent to gradadmissions@uwaterloo.ca.

Or arrange for official documents to be sent by courier to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and

stamped by your institution, must be provided with your official documents. The official documents must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the Graduate Studies website for new students. This website contains valuable information on estimated study and living costs for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the Graduate Studies Academic Calendar contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We value the diverse and intersectional identities of our students, faculty, and staff and strive to reflect this in our work. We support an equitable learning environment rooted in anti-racism, accessibility, and equity; and are guided by the University's Ethical Behaviour Policy and the Ontario Human Rights Code. By choosing to join us at Waterloo, we expect you to uphold these values in person and virtually, both on and off campus, in your studies and in your contributions to the graduate student community.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our Intellectual property (IP) rights policy.

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!

Jeffrey M. Casello
Associate Vice-President
Graduate Studies and Postdoctoral Affairs

Julie MacMillan
Associate Director, Admissions
Graduate Studies and Postdoctoral Affairs
519-888-4567 ext. 46346

Department of Electrical & Computer Engineering program information

Lakshit Unadkat

Congratulations and welcome! We look forward to you joining our program.

We are pleased to offer you admission to Master of Engineering. As this is a course-based program, the Department of Electrical and Computer Engineering is not able to offer funding in the form of scholarships or assistantships. Students should be prepared to fund their graduate program, including both tuition and living costs, from their own resources for the duration of their studies.

You are encouraged to apply for internal and external awards for which you may be eligible. A comprehensive list of all scholarships, awards and bursaries administered by the University of Waterloo can be found on the Graduate Studies and Postdoctoral Affairs Awards and funding website (https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/awards/database).

University of Waterloo offers a number of bursaries to graduate students who require support for parental leave, day care, or have other financial needs: https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/current-students/financial-need-funding. We want to ensure that you are successful in your studies and encourage you to apply for these opportunities, if needed.

Waterloo attracts the best students for graduate studies and we are pleased that you are among these students. After you have carefully reviewed the offer of admission, please go online to Quest: https://uwaterloo.ca/quest/ to accept (or decline) within 3 weeks of the date of this offer.

Please ensure you review your program's degree requirements in the Graduate Studies Calendar prior to starting your studies at the University of Waterloo - https://uwaterloo.ca/graduate-studies-academic-calendar/engineering.

Should you have any questions or concerns, please feel free to contact Shannel Noseworthy the Department of Electrical and Computer Engineering Graduate Coordinator at snosewor@uwaterloo.ca or 519-888-4567 ext. 38231

On behalf of the Department of Electrical and Computer Engineering at the University of Waterloo, I welcome you to our program. By pursuing this degree, you are joining an impressive network of students, alumni and faculty members. We look forward to you joining our graduate program.

Sincerely,
The Department of Electrical and Computer Engineering

Letter of Acceptance

Initiate the process of applying for your Canadian study permit (and work permit if applicable) by including the enclosed Offer of Admission and Letter of Acceptance in your application through the Canadian visa office serving your home country or country where you have been legally admitted. For more information, refer to Immigration, Refugees and Citizenship Canada https://www.canada.ca/en/immigration-refugees-citizenship.html and our International students resources https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/future-students/international-students.

India	Offer Expiry Date:	February 01, 2023
	DLI:	O19358946722

Dear Dhyey,

Congratulations! We are pleased to offer you admission to the University of Windsor in the following graduate program:

Academic Program/Plan:	MEng-Electrical Computer Engg
Program/Plan Start Date:	Fall 2023
Duration of Program:	4 Terms equivalent to 2 years
Enrollment Status:	Full Time

In accepting this offer, you will be joining a welcoming community of exceptional students, award-winning faculty and researchers and dedicated staff who are working together to explore and address the problems of the world. Our rich academic programs and exciting opportunities for experiential learning produce graduates who enjoy challenging and rewarding careers.

HOW TO RESPOND TO YOUR OFFER

You must accept (or decline) your offer of admission through eGAS:

- Log into eGAS
- Click the **Offer Acceptance** tab
- From the **Details** drop-down menu, select an option (accept, decline or defer if applicable for your program)
- Click **Save**

Conditions and Provisions:

Transcript(s):

Confirmation of degree completion must be received by the Office of the Registrar-Graduate Division by the stipulated deadline. Documents must be received directly from your institution or delivered in a sealed envelope issued by your institution.
Date Due: December 1, 2023

Final transcripts indicating all courses & grades must be submitted prior to the end of the first academic semester. Documents must be received directly from your institution or delivered in a sealed envelope issued

from your institution to the Office of the Registrar-Graduate Division.
Date Due: December 1, 2023

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (isc@uwindsor.ca) by the last day to add courses within the first term of registration.

As a reminder: to reserve your place in this program you need to accept this offer of admission by February 01, 2023.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://www.uwindsor.ca/finance/fee-estimator.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.
Do you have a question: Please visit https://ask.uwindsor.ca.

Let me be the first to welcome you to the Lancer family. You are about to embark on an important journey. We could not be happier that you have chosen the University of Windsor as your partner in learning.

All the best,

DKane
Dr. Debbie Kane
Acting Dean, Faculty of Graduate Studies
University of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. The VISA refusal letter for the term in which your offer is valid will need to be provided to the Cashier's Office to receive a refund. See the University of Windsor website for the refund policy.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. Documents need to be submitted in official capacity.

    - You can have your University send the official documents to the University of Windsor directly at transcripts@uwindsor.ca.
    - Alternatively, you can mail the documents at:

University of Windsor
Office of the Registrar - Graduate Studies Division
401 Sunset Ave.
Windsor, Ontario, N9B 3P4 Canada

If you have English Language Conditions on your offer:

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

    You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca.
    Direct inquiries can be directed to applyesl@uwindsor.ca.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of

living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to TUITDEP@uwindsor.ca.

Learn More about fee payment options as www.uwindsor.ca/finance/student-accounts

University of Windsor

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

RESIDENT ASSISTANTS

STEPS AWAY FROM CLASSES

SAFE & SECURE

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE!

Immerse yourself in university life by living on campus. UWindsor residence invites you to be part of a dynamic community and offers a memorable university experience.

Steps from classes, on-campus events and additional facilities, residence life supports your personal growth, both academically and socially.

Participate in exclusive events, take a stroll along the riverside or enjoy a diverse selection of food with your meal plan– all at your own convenience.

Beyond your stay as a resident, work as a desk services staff or serve on the residence committee to learn outside the classroom and make lifelong connections.

Staff are on-call 24/7 and resident assistants (RAs) dedicate their time to enhancing your experience and supporting your transition to university.

24/7

Academic and personal help on hand

Living Learning Communities

Live with students who share your academic program or interest. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Black Leadership and Excellence, Nursing and Science Communities.

Choice of Roommate

For the Fall, students will be able to select their roommate through the application portal process.

Residence Guarantee

Accommodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability.

Special Considerations

A limited number of rooms are available to students who require special accommodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit uwindsor.ca/residence

Meal Plans

No need to prepare meals or go grocery shopping. For Fall and Winter, residence students are required to choose a meal plan from a variety of options, with values ranging from $5,100 - $5,800 for Fall/Winter. *You may use the meal plan to pay for food at all outlets on-campus as well as several nearby restaurants. For more information, please visit uwindsor.ca/food

*** Meal Plan rates are based on 2021-2022 and are subject to change for 2022-2023.**

Bookstore Plan

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence** and select Services.

Gender-Neutral Options

Residence offers different gender identity options and all-gender housing, which can be found on the residence application.

Welcome, Future Lancers!

Check out our room layouts

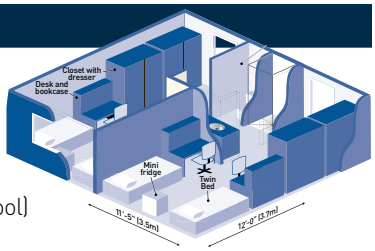

Laurier Hall $7,817*

- Single rooms
- Twin or double bed
- Common bathrooms
- Beyond first-year students
- Home to the International Student Centre

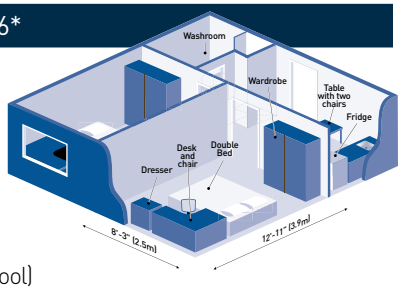

Cartier Hall $7,524

- Double rooms
- Twin beds
- Semi-private bathroom
- First-year students (coming directly from high school)

Alumni Hall $8,556*

- Two-bedroom suites
- Double beds
- Semi-private bathroom
- Kitchenette
- Student lounges
- Beyond & First-Year students (coming directly from high school)
- The Bru convenience store

FUN FACTS about living in residence:

- Meet & live with people from all over the world
- Get involved with our residents council or advisory boards and you have a say in what happens in residence — for both the fun stuff, like events, and our community standards
- Meet other people living the same experience as you!
- This may be the only time in your life where you get to live with hundreds of other people your age and experience the same fun and excitement of living on your own
- Student staff run lots of events, so there is always something to do and different ways to get involved

*** Information above is subject to change.**

What do you enjoy most about living in residence?

ALYSSA

I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my floor mates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

CALEB

I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Being close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.

University of Windsor

Come back!

After first year, you're welcome to come back to the UWindsor Residence!

You are welcome to live in residence for the duration of your time on campus. For more information, please visit uwindsor.ca/residence

DALHOUSIE UNIVERSITY

Raj Kamlesh Patel
203, Shubh Complex, Sai Chokadi
Manjalpur
Vadodara, Gujarat
INDIA, 390011

May 04, 2023
Dalhousie ID Number: B00978721

Dear Raj Kamlesh:

Congratulations! On behalf of Dalhousie University I am pleased to inform you of your admission to the Full Time Master of Applied Computer Science program for the session beginning January 1, 2024. For your information, the Master of Applied Computer Science program is program fee Based.

As a program fee student you are responsible for 1 year of full program fees. Once you have met this requirement you will become a continuing student and you will be responsible for paying continuing fees (in place of program fees). While the time to completion may vary, the standard duration of this program is 16 months or longer when completed on a full time basis.

Please confirm by email, to your department, if you will be accepting this offer. Questions concerning your program should also be directed to the Graduate Co-ordinator of your department.

Please be advised that you are required to submit official and final transcripts. Please ensure that the university sends your final transcript with degree conferral, or degree certificate by email to graduate.studies@dal.ca.

Please visit https://www.dal.ca/faculty/gradstudies/apply-graduate-studies/how-to-apply/whats-next.html for further information on paying your deposit, as well as other important next steps.

If there is pre-requisite work to complete before you begin your graduate program, you will be notified by your department.

If you are presently enrolled in a degree program, you must complete your current degree with a minimum B average prior to the start of the new program, and submit your final transcript to the Faculty of Graduate Studies within 90 days of beginning your studies at Dalhousie.

It is a condition of your admission that you will not be enrolled in any additional program at Dalhousie, or elsewhere, during the course of the program for which you have been admitted, unless special arrangements have been made and approved.

In order that a place in your program may be reserved for you a non-refundable deposit of $200.00, which will be credited towards your fees, is required by Thursday, May 18, 2023. If you decide not to attend this program, or if you have been accepted to another Dalhousie program and choose to decline that offer, please notify your school or department in writing of your decision.

DALHOUSIE UNIVERSITY

An estimate of annual tuition fees and related costs (based on 2022/2023 fees) is listed below to assist you with your budget planning.

India

NJIT ID:31641492

Dear Om Kiritkumar:

Congratulations! On behalf of the Admissions Committee at **New Jersey Institute of Technology,** it is my pleasure to offer you admission to the **Master of Science in Computer Science** program for **Fall 2023**.

For over 140 years, NJIT has provided students with a cutting-edge, technology-driven education. Today, we are one of the nation's top universities preparing students, like you, to be future leaders in technology. As a graduate student at NJIT, you'll gain valuable experience through distinguished faculty and the latest innovations. You'll also have the opportunity to build professional relationships and learn alongside your peers in a vibrant and diverse community where everyone is invested in your success.

To obtain your I-20 Form, please log into your myGlobal international student and scholar portal at myglobal.njit.edu and submit the I-20 Request E-Form.

The details of your admission are as follows:

NJIT ID: 31641492
Admission Conditions: Must show proof of degree completion in first class or higher.

Once again, congratulations on your admission to NJIT! We are thrilled to be sharing these exciting news with you and are confident you have much to contribute to the NJIT community.

Please don't hesitate to contact us if you have any questions.

Sincerely,

Stephen M. Eck
Executive Director of University Admissions

Northeastern University
Khoury College of
Computer Sciences

Dear Tanay,

Congratulations! It is our pleasure to offer you admission to the Master of Science in Artificial Intelligence program in the Khoury College of Computer Sciences. We are excited for you to begin your studies in the Fall 2023 term at the Boston campus.The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.
To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **May 16, 2023**.

ABOUT THE KHOURY COLLEGE OF COMPUTER SCIENCES

Khoury College of Computer Sciences is where creative people like you come to learn computer and data science. Between our customizable programs, unique co-op experiences, and advanced research opportunities, we'll give you the tools you need to thrive in many different industries. Your time here will be informed by experience and inspired by the constantly evolving tech landscape. Khoury has a long history of pushing the boundaries of computer science and we can't wait to see where your degree takes you. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Ben Hescott, Ph.D.
Senior Associate Dean for Academic Programs and Student Experience

Offer of admission

February 10, 2023

Rushi Raval
14 R.M.S Society Near Talav
B/S Samarth Society Memnagar
Ahmedabad 380052
India

Student ID number: 21086166
Application number: 01126608

Dear Rushi,

Congratulations on your offer of admission to graduate studies at the University of Waterloo! Through your achievements, you have distinguished yourself from a pool of highly accomplished applicants and we are delighted to extend this offer to join the Waterloo community.

We are pleased to offer you admission to the following program:

Program: Electrical & Computer Engineering, MEng
Term of admission: Fall 2023
Attendance: Full-Time

Term begins: September 1, 2023
Registration ends: September 30, 2023

See the calendar of important dates for academic term deadlines.

Please complete the admission conditions listed below by the due date(s) listed in Quest. This offer of admission may be withdrawn if the admission conditions are not met.

Arrange for the required documentation to be sent by email or courier
GSPA accepts official secure electronic transcripts provided by the issuing institution and from services such as MyCreds, Digitary, Parchment, National Student Clearinghouse, eScript-Safe, or TranscriptsNetwork. If your institution issues a secure electronic transcript, please have it sent to gradadmissions@uwaterloo.ca.

Or arrange for official documents to be sent by courier to:
Graduate Studies and Postdoctoral Affairs
University of Waterloo, Needles Hall 2201
200 University Avenue West
Waterloo, Ontario Canada N2L 3G1

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional degree certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and stamped by your institution, must be provided with your official documents. The official documents

must show all courses and grades, and the awarding of your Bachelor's degree. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

- Arrange for the following items to be sent directly from your institution to Graduate Studies and Postdoctoral Affairs: official transcript and copy of the final or provisional certificate attested and verified by the awarding institution (e.g. by the Controller of Examinations or the Registrar). If the original documents are not in English, an English translation, certified, attested, signed and stamped by your institution, must be provided with your official documents. The official documents must show all courses and grades, and the awarding of your degree/diploma/certificate. You must ensure that you have met the minimum overall academic standing. Do not provide your original documents.

The Department of Electrical & Computer Engineering has prepared detailed information for you, which immediately follows this letter. These details include information that pertains to your program, financial support, how to accept or decline your offer and who to contact should you have any questions.

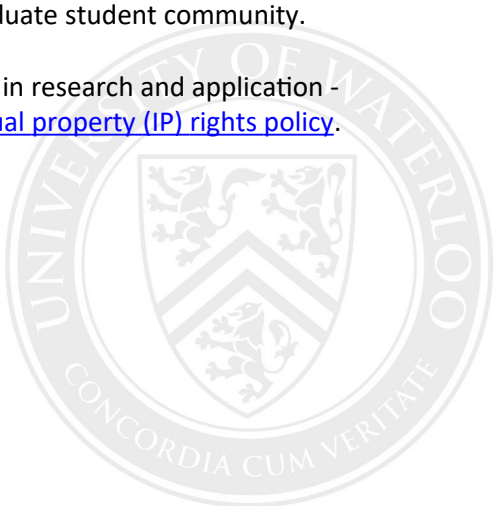

To facilitate your transition to Waterloo, and to make the most of your graduate experience, please visit the Graduate Studies website for new students. This website contains valuable information on estimated study and living costs for which all graduate students are responsible, course enrolment instructions, housing options, orientation, tuition fee arrangement procedures, and regulatory details of the Graduate Studies Academic Calendar.

The general information and regulations section of the Graduate Studies Academic Calendar contains information about academic integrity, guidelines on graduate student support, and protection of privacy, including the University requirement to report student-level enrolment-related data to the Ministry of Advanced Education and Skills Development (MAESD).

The University of Waterloo is a world-renowned institution where innovation, research and inspiration meet to achieve extraordinary success in world-changing research and education. The excellence of our institution depends on the people assembled here, most importantly our students.

We value the diverse and intersectional identities of our students, faculty, and staff and strive to reflect this in our work. We support an equitable learning environment rooted in anti-racism, accessibility, and equity; and are guided by the University's Ethical Behaviour Policy and the Ontario Human Rights Code. By choosing to join us at Waterloo, we expect you to uphold these values in person and virtually, both on and off campus, in your studies and in your contributions to the graduate student community.

We foster an entrepreneurial environment that drives innovation, both in research and application - ideas generated at Waterloo belong to the creator, as per our Intellectual property (IP) rights policy.

Ruchi Royal

We believe that you can make an important contribution during your years at Waterloo and beyond. Welcome to graduate studies at the University of Waterloo!

Jeffrey M. Casello
Associate Vice-President
Graduate Studies and Postdoctoral Affairs

Department of Electrical & Computer Engineering program information

Rushi Raval

Congratulations and welcome! We look forward to you joining our program.

We are pleased to offer you admission to Master of Engineering. As this is a course-based program, the Department of Electrical and Computer Engineering is not able to offer funding in the form of scholarships or assistantships. Students should be prepared to fund their graduate program, including both tuition and living costs, from their own resources for the duration of their studies.

You are encouraged to apply for internal and external awards for which you may be eligible. A comprehensive list of all scholarships, awards and bursaries administered by the University of Waterloo can be found on the Graduate Studies and Postdoctoral Affairs Awards and funding website (https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/awards/database).

University of Waterloo offers a number of bursaries to graduate students who require support for parental leave, day care, or have other financial needs: https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/current-students/financial-need-funding. We want to ensure that you are successful in your studies and encourage you to apply for these opportunities, if needed.

Waterloo attracts the best students for graduate studies and we are pleased that you are among these students. After you have carefully reviewed the offer of admission, please go online to Quest: https://uwaterloo.ca/quest/ to accept (or decline) within 3 weeks of the date of this offer.

Please ensure you review your program's degree requirements in the Graduate Studies Calendar prior to starting your studies at the University of Waterloo - https://uwaterloo.ca/graduate-studies-academic-calendar/engineering.

Should you have any questions or concerns, please feel free to contact Kaylen Norris the Department of Electrical and Computer Engineering Graduate Coordinator at kaynorris@uwaterloo.ca or 519-888-4567 ext. 38231

On behalf of the Department of Electrical and Computer Engineering at the University of Waterloo, I welcome you to our program. By pursuing this degree, you are joining an impressive network of students, alumni and faculty members. We look forward to you joining our graduate program.

Sincerely,
The Department of Electrical and Computer Engineering

Rushi Raval

Letter of Acceptance

Initiate the process of applying for your Canadian study permit (and work permit if applicable) by including the enclosed Offer of Admission and Letter of Acceptance in your application through the Canadian visa office serving your home country or country where you have been legally admitted. For more information, refer to Immigration, Refugees and Citizenship Canada https://www.canada.ca/en/immigration-refugees-citizenship.html and our International students resources https://uwaterloo.ca/graduate-studies-postdoctoral-affairs/future-students/international-students.

This is a computer generated letter and does not require any signature-

- If you want to withdraw your given admission please login into your account during stipulated time. Click on “Admission withdrawal” link. Enter the OTP received on your mobile and click on “Confirm Admission Withdraw” button.
- Your paid fee will be refunded as per prevailing rules.
- Once you withdraw your Admission. You are not entitled to get the same course, same institute in subsequent rounds, if any.

Important Instructions:-

1. If the candidate belongs to scheduled caste (SC) or scheduled tribe (ST) category and is admitted in a Self-Finance Institute where the fee indicated in the fee payment link is zero (0), then the candidate will have to submit the "Free Ship Card" at the admitted institute. If the candidate is unable to produce the "Free Ship Card" at the admitted institute, then the candidate will have to pay the prescribed fee at the admitting institute.
2. Token tuition fee for a Girl candidate admitted in GOVT/GIA institute is NIL.
3. The Candidates are hereby informed to verify/ascertain the nomenclature of degree awarded by concerned Institute / University for their allotted course before the finalization of the admission by them, since the admission committee (ACPC) has no role in deciding the nomenclature of degree awarded by concerned Institute/ University.
4. It is the responsibility of the admitting institute/university to award the MHRD/AICTE Post Graduate scholarship/assistantship to only those candidates who have secured marks equal to or more than the “qualifying marks” in the concerned GATE/GPAT discipline and for the corresponding category of the candidate as per the provisions of prevailing guidelines/norms of AICTE. The management of

such postgraduate scholarship/assistantship is also the responsibility of the admitting institution/university. The admission committee (ACPC) has no role in the award or disbursement of any such scholarship/assistantship. Thus, candidates must note that mere admission as “GATE/GPAT qualified candidates”, does not guarantees MHRD/AICTE Scholarship/Assistantship.

5. The candidates applying and admitted as Sponsored Candidates shall have to submit the sponsorship letter/NOC/Sanction Order/Study leave order from CTE office OR from the concerned sponsoring organization/institute as the case be, upon joining the course at the admitted institute, along with a copy to be submitted to ACPC, failing which their candidature shall not be considered in final admitted list and their allotted seat shall stand cancelled. No correspondence will be entertained in this matter.
6. For every candidate allotted admission to MPharm courses in any of the Pharmacy institution should have obtained registration with the State Pharmacy Council OR should obtain the same within one month from the date of his admission, failing which the admission of the candidate shall be cancelled.

Program: Biomaterials and Chemical Laboratory Analysis Applied Science - BCAS
Location: Sarnia

To hold your seat, a pre-payment of **$9,000.00 Canadian Dollars** must be received by the **"First Semester Fee Due Date"**. In order to process your payment, visit **www.lambtoncollege.ca/SecurePay**, and use the payment code found in box 22.

ESTIMATED ANNUAL LIVING EXPENSES	
Accommodation and Food @ $1,000.00/month	$12,000.00
Transportation @ $60.00/month	$720.00
Books and Supplies $1,500.00	$1,500.00
Miscellaneous @ $80.00/month	$960.00
Total Living Expenses	**$15,180.00**

ESTIMATED ANNUAL SCHOOL FEES	
Tuition	$15,140.00
Ancillary/Student Fees	$1,400.00
Student Health Insurance	$700.00
Total School Fees	**$17,240.00**

IMPORTANT INFORMATION
Refer to www.lambtoncollege.ca/International for arrival, orientation, refund and withdrawal information.

The Sarnia campus is located 300 kilometers from Toronto. By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Sarnia Applicants PDF. If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment.Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review https://www.lambtoncollege.ca/Services/Co-op_and_Career_Services/Co-op_FAQs/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Students in certain programs may be required to complete a series of technical writing workshops to progress into the second semester of study.

Students must follow their prescribed program map and follow the academic schedule. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of $600.

Please contact international@lambtoncollege.ca if you require this document in an accessible format.

Note: *Tuition and fees quoted are for the first two semesters of a program and are subject to change. This is not an invoice of fees but serves as an estimate of fees. This LOA does not reflect any prior payments made to Sault College. $2,500 is non-refundable.

Your tuition and ancillary fees are available on the Sault College student portal at https://my.saultcollege.ca. For a full list of required ancillary fees, please visit www.saultcollege.ca/Admissions/Tuition.asp

If you have requested a future program, this LOA does not guarantee your admission into that subsequent program or intake. You must submit a new application when the intake becomes available. Please contact international@saultcollege.ca for information about applying for your second program at Sault College.

Conditions of Acceptance must be cleared 30 days prior to the start of term.

Please review our refund and withdrawal process. It is available on our website at www.saultcollege.ca/Admissions/RefundPolicy.asp. No deferrals or refunds will be possible based solely on preference of delivery mode. Deferrals may be subject to an additional fee.

Katie Paquette, Registrar
Sault College

CO-OP WORK PERMIT INFORMATION

May 16, 2023

Designated Learning Institution No.: O146028559284

RE: Nidhi Vijaybhai Patel
Student ID #23076042
Date of Birth: October 30, 2000

To Whom It May Concern,

This is to confirm that the above named student has been accepted into the following program that has either a Co-Op (Required), Co-Op (Optional), Internship, or Placement component:

PROGRAM NAME: Health Care Leadership - Canadian Context (5985)

PROGRAM START DATE: January 08, 2024

PROGRAM COMPLETION DATE: August 15, 2025

TOTAL NUMBER OF HOURS: 300

TOTAL NUMBER OF WORK TERMS: 1

Due to work permit processing times and tight timelines upon acceptance into the program, a co-op work permit is required.

Please contact Sault College at registrar@saultcollege.ca should you require any additional information.

Sincerely,

Katie Paquette

Katie Paquette, Registrar
Sault College

CLINICAL AND FIELD PLACEMENT INFORMATION

FOR HEALTH AND COMMUNITY SERVICE PROGRAMS

For students to be eligible to complete clinical or field placement, which is a mandatory component of education, specific clinical and placement requirements must be satisfied, and documentation must be submitted to the Placement Officer by the due date identified for each program listed in the chart below.

The absence of documentation for any requirements or failure to submit the requirements by the expected due date indicated in the chart below will result in the student being withdrawn from the course in which clinical/field placement is an element. Tuition will not be refunded if access to clinical or field placement is denied.

Program - Toronto Campus	Due Date
Early Childhood Education (5940)	Fall: 1st week of November Winter: 1st week of March Spring: 1st week of July
College Contact: Rachel.Lafferty@trios.com	
Personal Developmental Support Services (5970)	4th week of first semester
College Contact: Monica.Gordon@trios.com	

Please Note: All original placement documentation must be submitted to the appropriate college contact (listed above) by the program mandated deadlines. It is the responsibility of the student to keep up-to-date clinical and placement requirement documentation (and copies) to present to faculty and/or placement agencies as required. The College does not retain copies of any placement requirements.

Students are responsible for the full cost of obtaining placement requirements. Tuition is not refunded if access to clinical placement is denied or if proof of requirements is not submitted within the required timeframes mentioned above.

For the list of what you are required to have, please refer to the Placement Requirement At-A Glance chart below.

Clinical and Placement Requirement Specifics:

All Clinical and Placement requirements such as Standard First Aid, CPR/CPR – BLS, N95 Mask Fit tests, WHIMIS, Police Vulnerable Sector Check must be obtained **after your arrival in Ontario.**

Sault College cannot guarantee that appointment dates or course times to obtain your clinical and placement requirements will be available prior to identified program deadlines. If necessary, a list of available resources within the community can be provided.

Standard First Aid, CPR - BLS, and the N95 Mask Fit Test

Students enrolled at our **Toronto campus** will be provided a list of community agencies where the requirements can be obtained after arrival.

WHMIS

Students enrolled at our **Toronto campus** will have the opportunity to complete WHMIS in-class through an online training session.

Police Vulnerable Sector Check (PVSC):

Students will be advised of the process to obtain a Police Vulnerable Sector Check during the first month of the first semester or when field placements are confirmed.

If your program requires a **Police Vulnerable Sector Check (PVSC):**

The laws, rules and regulations regarding the acquisition of a criminal record check and the Sault College Criminal Record Check Policy shall be enforced and applied in accordance a manner consistent with the Ontario *Human Rights Code*, the *Police Record Checks Reform Act*, 2015 and all other applicable statutes or regulations.

Why is a Police Vulnerable Sector Check necessary?

Sault College placements are bound by this policy and the policies of placement providers. Given this, the purpose of a police vulnerable sector check includes but is not limited to the following:

1. The protection of vulnerable persons;
2. The protection of the interests of students;
3. The protection of the interests of the placement agencies; and
4. The protection of the interests of the College and its employees.

Individuals who have charges, pending charges or a criminal conviction for which record suspension has not been granted, must contact the College Contact listed above for their program. A meeting will be scheduled with the Chair to discuss their ability to participate in experiential learning in order to complete all program graduation requirements. If a student fails to disclose this information, their academic status will be adversely affective. Prospective students should know that if a criminal record exists, the student's ability to complete the academic requirements and graduate from their program may be in jeopardy.

Questions: If you have any questions about any of the placement requirements and the submission of these documents, please contact your College Contact listed above for your program.

Immunizations:

Notice to International Students: The necessary immunizations for your program (see chart below) can be obtained from your home country and will need to be translated. A copy of your immunizations needs to be submitted on your LMS Brightspace.

All other requirements (Standard First Aid, CPR, WHMIS, N95 Mask Fit, Police Vulnerable Sector Check) must be completed after your arrival in Ontario and submitted on or before the dates listed in the chart above.

As per Canadian Immigration policy, all International students completing a program with a practicum (field/clinical placement) component must obtain a Co-op/Work Permit from Immigration, Refugees and Citizenship Canada stating that they are permitted to attend practicum as an integral part of their studies. International students will not be able to attend placement without obtaining this permit.

1. 2 Step TB Skin Test or TB blood test or Clear Chest X-Ray (***not required*** *for programs Child and Youth Care, Early Childhood Education, Fitness and Health Promotion or Social Service Worker unless specified by placement)*
2. Measles/Mumps/Rubella
3. Tetanus/Diphtheria (within 10 years)
4. Chicken Pox (documented proof of immunity)
5. Hepatitis B (***not required*** *for programs Child and Youth Care, Early Childhood Education, Fitness and Health Promotion or Social Service Worker unless specified by placement)*
6. Influenza Vaccine (October/November)
7. COVID vaccine*

*The Covid-19 pandemic remains a global concern. We encourage you to speak to your healthcare provider regarding the decision to be vaccinated. Please note clinical placement agencies **may** require evidence of vaccination prior to entry to placement. Further, they **may** refuse a student entry who has not been vaccinated against Covid-19.

Questions: If you have any questions regarding the required immunizations for your program or how to obtain your immunization record, please contact the College contact listed above.

Sault College Placement Requirements Program	Standard First Aid	CPR Level C	CPR HCP or BLS (Health Care Provider) Yearly	WHMIS (current)	N95 Mask Fit Test	Criminal Record Check & Vulnerable Sector Search (To be completed yearly after start of classes)	Immunizations							
							2 Step TB Test or if positive, clear X-Ray	Annual 1 Step TB Test if needed	Measles/Mumps/ Rubella	Tetanus/Diphtheria/ Pertussis (within 10 years)	Chicken Pox (proof of immunity)	Hepatitis B Series	Influenza Vaccine Follow agency policy	Program Contact
Early Childhood Education (5940) – Toronto Campus	✓	✓		✓		✓	If required by placement		✓	✓				**Rachel Lafferty** Program Coordinator Rachel.lafferty@trios.com
Personal and Developmental Support Services (5970)	✓		✓	✓	✓	✓	✓	✓	✓	✓	✓	Recommended	✓	**Monica Gordon** Monica.Gordon@trios.com

International students must also provide their Co-op/Work Permit from Immigration Canada for verification to the contact person listed.

Original documents (except for immunization information) must be presented to the program contact as indicated on the chart. International Students may obtain their necessary immunizations from their home country. All other requirements must be obtained and completed upon arrival into Ontario. NOTE: Toronto Campus students please submit immunization records to your LMS on Brightspace.

Rev. October 2022

LETTER OF ACCEPTANCE

Date of Issue: May 16, 2023

TO CONFIRM YOUR SEAT AT SAULT COLLEGE:

1. Your payment will hold your seat in the program and confirms your commitment to start your studies in the delivery mode that is available (e.g. on-campus, remote delivery online, or a combination of on-campus and remote online learning). If your payments are not received in full by the college before the expiry dates listed above, your letter of acceptance will be revoked.
2. You must upload proof of payment to your application portal. Once payment has been received, a PDF receipt will be loaded to your application portal.
3. You must provide proof that you have a valid study permit to study in Canada. Upload your port of entry introductory letter (approval to receive a study permit), your study permit or copy of your stamped visa to your application portal no later than the date indicated below otherwise your letter of acceptance may be revoked:
   August 15 (September/Fall programs)
   December 15 (January/Winter programs)
   April 15 (May/Summer programs)
4. You are required to arrive on campus at least 1 week prior to the start of term to attend the mandatory International Student Orientation. Failure to do so may result in removal from your program.

Sault College reserves the right to revoke an offer of admission in the event a program is full. Please make payment arrangements and upload your required documentation as soon as possible to avoid disappointment.

PAYMENT OPTIONS FROM OUTSIDE OF CANADA:

1. Flywire: https://payment.flywire.com/pay/payment
2. CIBC International Student Pay: https://pay.cibc.com/sault

PAYMENT OPTIONS FROM WITHIN CANADA:

1. Pay by Visa or Mastercard by going to the Online Tuition Payment in the Financial Records section of the Sault College student portal. Keep a copy of your proof of payment and load it to your application portal.
2. Complete an online transfer from your bank account by adding the college as a payee/bill payment and using your 8-digit student number as the account number. Keep a copy of your proof of payment and load it to your application portal.
3. Call the Financial Services Office at (705) 759-2554 ext. 2300 to make a payment with Visa or Mastercard.

IMPORTANT INFORMATION

Scholarships and Bursaries: This letter of admission lists the payment amount that you owe, less the applicable scholarship or bursary, as well as indicates your payment schedule. Scholarships and bursaries are non-refundable, non-cashable, non-transferable and subject to change. If you qualify for a scholarship or bursary as indicated above, the funds listed are in Canadian dollars and will be applied to your account prior to registration. Please visit your Sault College student portal for your personal statement of fees.

Sault College Student Portal: Students are required to become familiar with the Sault College student portal at https://my.saultcollege.ca.

Username: 23076042@saultcollege.ca
Password: welcome396440
Please note, default passwords will not include any spaces or special characters (e.g. - / \ [ ] _).

If you experience difficulty logging in, please use the “Help” link on the top right-hand side of the screen.

Students studying on the Toronto Campus will also have access to the Brightspace portal. Information regarding this portal will be sent prior to registration to the personal email loaded to your application portal. Your timetable will be available here, after our registration period has occurred.

WHAT ELSE DO YOU NEED TO KNOW?

You're responsible for following the Key Dates Calendar and knowing the important dates and deadlines that will apply. Visit https://www.saultcollege.ca/admissions/registrars-office/how-apply-important-dates

Canadian Study Permit: You must apply for a Canadian Study Permit as soon as possible at the nearest Canadian Embassy, High Commission or Consulate. For more information, please visit www.cic.gc.ca. International students who have been accepted into a program with a co-op placement or an unpaid field placement are required to have a co-op work permit, even if the activity is paid or unpaid, on or off campus or full- or part-time. It is your responsibility to ensure you have the proper authorization. If you are in a program that requires a placement you will have a co-op work permit information letter attached to this letter of admission. If you withdraw, cease to attend classes or become part-time, you should be aware that we will inform Immigration and Citizenship Canada of your change in status.

We look forward to having you study at Sault College!

Sincerely,

Katie Paquette, Registrar
Sault College
